403(B) THRIFT PLAN FOR EMPLOYEES OF TERROS, INC.

Communication to the Board of Directors

December 31, 2024

FESTER & CHAPMAN PLLC
CERTIFIED PUBLIC ACCOUNTANTS

August 26, 2025

To the Board of Directors of the
403(b) Thrift Plan for Employees of Terros, Inc.
Phoenix, Arizona

We have audited the financial statements of the 403(b) Thrift Plan for Employees of Terros, Inc. (the Plan), formerly the 403(b) Thrift Plan for Employees of Lifewell Behavioral Wellness, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2024, and we have issued our report thereon dated August 26, 2025. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Mutual of America Life Insurance Company (Mutual of America), the custodian, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedule, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated March 18, 2025. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Frozen Plan

Lifewell Behavioral Wellness (Lifewell) and Terros, Inc. (Terros) entered into a definitive merger agreement on August 29, 2024. The merger was completed on October 1, 2024.

Per the terms of the merger agreement, resolutions were passed by both companies, and the Plan was amended to transfer plan sponsorship from Lifewell to Terros and suspend all new enrollments and contributions to the Plan effective December 31, 2024 (the “freeze date”). Effective with the Plan's freeze date, all participants remaining in the Plan with an account balance became fully vested in all contribution sources, regardless of status or years of vested service.

Additionally, Lifewell employees who were actively employed as of the freeze date were terminated from Lifewell, and offered employment with Terros effective January 1, 2025. Those employees were immediately eligible to participate in the Terros 401(k) Plan.

The Plan is considered an ongoing plan for purposes of the qualification requirements of Internal Revenue Code Section 403(b) and continues to be subject to the provisions of ERISA.

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements.

We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was management's estimate of the fair value of investments, which is disclosed in Note 5.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. We have attached a schedule of management's journal entries (AJE-01 through AJE-06). Management has determined that these entries are necessary for the appropriate financial presentation of the beginning net assets at January 1, 2024 (AJE-01); recording contributions receivable to the plan at December 31, 2024 (AJE-02 – AJE-03); appropriate financial presentation of interest earnings (AJE-04); presentation of the notes receivable from participants (AJE-05); and reporting interest from notes receivable from participants (AJE-06). Management has posted these entries to the financial statements.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated August 26, 2025.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditors' opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. These discussions occurred in the normal course of our professional relationship and our responses were not a condition of our retention.

Other Matters – Supplementary Information

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Audit Risks

We are required to communicate any audit risks that we identify to those charged with governance. We have identified the risks of improper certification of plan assets, improper force-out distributions, and management and key employee override of controls as audit risks, and we have addressed those risks during the normal course of our audit.

This information is intended solely for the use of the Board of Directors and management of the Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Fester & Chapman, PLLC
