Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Knoxville Pediatric Associates, P.C. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Retirement Plan Committee
Knoxville Pediatric Associates, P.C. 401(k) Plan

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an independent auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Retirement Plan Committee
Knoxville Pediatric Associates, P.C. 401(k) Plan

Auditor’s Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan’s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions for the year ended December 31, 2024 and Schedule of Assets (Held at End of Year) as of December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

Retirement Plan Committee
Knoxville Pediatric Associates, P.C. 401(k) Plan

Other Matter – Supplemental Schedules Required by ERISA (continued)

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Knoxville Pediatric Associates, P.C. 401(k) Plan

Notes to Financial Statements

December 31, 2024

1. Description of the Plan

The following description of Knoxville Pediatric Associates, P.C. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions. Copies of this publication are available from Knoxville Pediatric Associates, P.C. (the “Plan Sponsor”).

General

The Plan is a defined contribution plan and is subject to the Employee Retirement Income Security Act of 1974 (ERISA). All employees of the Plan Sponsor that are age 18 or older and have completed one year of qualifying service are eligible to participate in the Plan.

Participants are immediately eligible to be credited with the Plan Sponsor’s safe harbor contributions and are eligible for discretionary contributions if employed on the last day of the Plan year. All eligible employees are automatically enrolled in the Plan with a deferral rate of 3% of compensation, as defined by the Plan Document, unless they specifically opt out of enrollment.

Plan Contributions

Each year, participants may contribute, on a pre-tax or Roth basis, up to 100% of their eligible compensation, as defined by the Plan Document, subject to certain Internal Revenue Service (IRS) limitations. In addition, participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants may direct both Plan Sponsor and participant contributions to various investment options. Participants can change the investment options previously elected at any time.

Effective April 4, 2025, participants may convert all, or any portion, of their pre-tax contributions and related earnings to post-tax through an in-plan Roth conversion.

For 2024 and 2023, the Plan Sponsor contributed 3% of each eligible participant’s compensation as defined in the Plan document to the Plan (safe harbor contributions). Also, the Plan Sponsor may make discretionary contributions to participants based on a tier plan formula defined in the Plan document. For 2024, the Plan Sponsor made discretionary contributions to eligible participants ranging from 1.45% to 10.33% of eligible compensation. For 2023, the Plan Sponsor made discretionary contributions to eligible participants ranging from 1.40% to 10.18% of eligible compensation. For Plan Sponsor contributions during 2024 and 2023, the minimum total allocation rate received by all eligible participants was at least a third of the total allocation rate of the highly compensated participant with the highest allocation rate.

Cash contribution receivables, if any, are unsecured.

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

Participant Accounts

Individual accounts are maintained for each participant to reflect the participant's contributions, Plan Sponsor contributions, and investment earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their elective salary deferral contributions, rollover contributions from other qualified plans, Plan Sponsor safe harbor contributions, and related earnings thereon. Vesting in the Plan Sponsor's discretionary contributions plus related earnings thereon is as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Notes Receivables from Participants

Subject to approval by plan management, participants may borrow from their fund accounts. The minimum amount of the loan is \$1,000, and the maximum amount is the lesser of one-half of the borrower's vested account balance or \$50,000. Two loans can be outstanding at a time per participant, and the loans bear interest at a rate established by the Plan Administrator in a nondiscriminatory manner. The loans are generally repayable in level periodic payments over various terms of up to five years, except for those utilized for the acquisition of a principal residence, which may be repaid over a reasonable period of time in excess of five years. The loans are secured by the balance in the participant's account. Principal and interest are paid ratably through payroll deductions.

Knoxville Pediatric Associates, P.C. 401(k) Plan
Notes to Financial Statements (continued)

1. Description of the Plan (continued)

Payment of Benefits

At any time on or after the age of 59½ or upon termination of service, death, disability, or retirement, a participant (or his or her beneficiaries) shall receive a lump sum amount equal to the vested value of his or her account. Partial withdrawals or installments are only permitted for participants who must receive required minimum distributions in accordance with the Internal Revenue Code (IRC). Prior to June 5, 2023, for termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution after the completion of a one-year break in service. Effective June 5, 2023, the Plan was amended to remove the one-year break in service requirement.

In-service hardship withdrawals are available in certain circumstances.

Forfeitures

Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. Forfeitures of terminated participants' non-vested accounts may be used to pay administrative expenses or reduce future Plan Sponsor contributions to the Plan. If a terminated participant is rehired by the Plan Sponsor, the participant may be entitled to a restoration of certain amounts forfeited, based on provisions in the Plan Document.

Termination of the Plan

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their Plan Sponsor discretionary contributions.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP), as are the annual returns filed under applicable provisions of ERISA and the Internal Revenue Code (IRC).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts in the Plan's financial statements. Accordingly, actual results may differ from those estimates.

Knoxville Pediatric Associates, P.C. 401(k) Plan

Notes to Financial Statements (continued)

2. Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition

The Plan's investments are held by Empower Trust Company, LLC (Empower), who maintains the investments in various pooled separate accounts of Empower, various mutual funds, and a fixed annuity option of Empower Annuity Insurance Company of America (EAICA) (the "Fixed Account").

Investments are reported at fair value, except for the Fixed Account that is recorded at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (*Note 5*). The Plan Sponsor's management determines the Plan's valuation policies utilizing information provided by Empower.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net realized and unrealized appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as those held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain plan administrative expenses are paid by the Plan Sponsor and are excluded from these financial statements. Fees related to administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Certain investment related expenses are included in net realized and unrealized appreciation in the fair value of investments.

Subsequent Events

In preparation of the accompanying financial statements, the Plan's management has evaluated subsequent events that have occurred since December 31, 2024 through September 29, 2025, the date the financial statements were available for issuance.

Knoxville Pediatric Associates, P.C. 401(k) Plan

Notes to Financial Statements (continued)

3. Income Tax Status

The Plan Sponsor adopted a volume submitter plan sponsored by SVRPC, Inc. that received a favorable advisory letter from the IRS dated June 30, 2020, which states the form of the plan is acceptable for use under applicable sections of the IRC. The Plan has been amended since the latest opinion letter date; however, the Plan Administrator believes the Plan is being operated in accordance with applicable requirements of the IRC and, accordingly, remains exempt from income taxes.

4. Certified Information (Unaudited)

Certain information disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held as of December 31, 2024 and 2023, net appreciation in the fair value of investments, interest income on notes receivable from participants, interest income from the Fixed Account, and interest and dividend income is based upon information provided to the Plan Administrator and agreed to or derived from information certified as complete and accurate by Empower.

For safe harbor and discretionary Plan Sponsor contributions, the Plan Sponsor makes periodic deposits to the Plan. The contributions are invested as directed by the Plan Administrator. These contributions and related earnings are then allocated to each participant account during the first quarter of the following year, based on the eligibility of the participant at year-end. At that time, the contributions are distributed among the investment options according to the direction of each participant.

Activity in the investments not yet allocated to participants is as follows for the years ended December 31:

	2024	2023
Investments not yet allocated to participants at the beginning of the year	\$ 909,010	\$ 877,495
Contributions	1,216,349	1,100,034
Investment income	15,092	18,991
Transfers to participant accounts	(1,178,807)	(1,098,932)
Forfeitures	12,616	11,422
Investments not yet allocated to participants at end of year	\$ 974,260	\$ 909,010

Investments not yet allocated to participants are comprised of the Fixed Account as of December 31, 2024 and 2023.

Knoxville Pediatric Associates, P.C. 401(k) Plan

Notes to Financial Statements (continued)

5. Fair Value Measurement

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under the Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurement (Topic 820)*, are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets the Plan has the ability to access.
- Level 2 Inputs to the methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The fair value measurement level for the asset or liability within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

There have been no changes to the methodologies used as of December 31, 2024 and 2023.

Following is a description of the valuation methodologies used for investments measured at fair value:

Pooled separate accounts: Valued daily using publicly available quoted market prices of the underlying investments held by the pooled separate account at year-end.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Knoxville Pediatric Associates, P.C. 401(k) Plan

Notes to Financial Statements (continued)

5. Fair Value Measurement (continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	Level 1	Level 2	Level 3	Total
2024:				
Pooled separate accounts	\$ –	\$17,408,822	\$ –	\$17,408,822
Mutual funds	25,174,387	–	–	25,174,387
Total investments at fair value	<u>\$25,174,387</u>	<u>\$17,408,822</u>	<u>\$ –</u>	<u>\$42,583,209</u>
2023:				
Pooled separate accounts	\$ –	\$16,215,783	\$ –	\$16,215,783
Mutual funds	19,942,730	–	–	19,942,730
Total investments at fair value	<u>\$19,942,730</u>	<u>\$16,215,783</u>	<u>\$ –</u>	<u>\$36,158,513</u>

6. Investment Contract with EAICA

The Plan invests in the Fixed Account, which is a fully benefit-responsive investment contract. EAICA maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The GIA issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the investment is fully benefit-responsive, contract value is the relevant measurement attribute for the portion of the net assets available for benefits attributable to the investment contract. Contract value, as reported to the Plan by EAICA, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Knoxville Pediatric Associates, P.C. 401(k) Plan

Notes to Financial Statements (continued)

6. Investment Contract with EAICA (continued)

Certain events limit the ability of the Plan to transact at contract value with EAICA. Such events include amendments to the Plan Documents (including complete or partial plan termination or merger with another plan), changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, bankruptcy of the Plan Sponsor or other Plan Sponsor events that cause a significant withdrawal from the Plan, or the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator believes any events that would limit the Plan's ability to transact at contract value with participants are not probable of occurring.

7. Other Related Party and Party-in-Interest Transactions

Certain Plan investments are investments held and managed by Empower; therefore, these transactions qualify as party-in-interest transactions.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and amounts reported in the statements of net assets available for benefits.

9. Delinquent Employee Deferral Transmittals

Defined contribution plans are required to remit participants contributions to the Plan as soon as they can be reasonably segregated from the employer's general assets. Contributions totaling \$1,002 during 2024 were not remitted to the Plan within the required time period. The delinquent contributions are in the process of being corrected, including remitting lost earnings, as of September 29, 2025.
