## Independent Auditor's Report

To the Participants and Plan Administrator of the  
Talent Logic, Inc. Employee Savings Plan  
Kingwood, Texas

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of Talent Logic, Inc. Employee Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information described in Note 4 to the financial statements is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Management's Responsibilities for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events that, considered in the aggregate, raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not absolute assurance; therefore, it is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

To the Participants and Plan Administrator of the  
Talent Logic, Inc. Employee Savings Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events that, considered in the aggregate, raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matters***

#### ***Supplemental Information Required by ERISA***

The supplemental information listed in the index as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental information that is agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

To the Participants and Plan Administrator of the  
Talent Logic, Inc. Employee Savings Plan

In our opinion:

- The form and content of the supplemental information, other than the information in the supplemental information that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental information related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## Talent Logic, Inc. Employee Savings Plan

### Notes to the Financial Statements December 31, 2024 and 2023

---

#### **Note 1 – Plan Description**

The following description of the Talent Logic, Inc. Employee Savings Plan (the “Plan”) provides only general information. Participants should refer to the Summary Plan Description and the Plan Document for a more complete description of the Plan’s provisions.

#### ***General***

The Plan is a defined contribution 401(k) benefit plan that provides retirement savings benefits to eligible employees of Talent Logic, Inc. and its participating employer, NorTek Medical Staffing, Inc. (collectively the “Company”). The Plan commenced effective July 1, 1996, and was amended and restated effective November 25, 2020, to comply with the latest rules and regulations. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and the Internal Revenue Code (“IRC”).

#### ***Plan Custodian and Trustee***

Fidelity Management Trust Company (“Fidelity,” the “Custodian,” or “Trustee”) is the Custodian maintaining custody of all investments held by the Plan, maintaining the Plan’s participant account balances, and providing recordkeeping services to the Plan. Among other duties, the Custodian receives contributions, holds and invests the fund assets in accordance with the directions of participants, and makes distributions as directed by the Plan Administrator. Fidelity also serves as the Plan’s Trustee.

#### ***Eligibility and Plan Entrance Date***

Certain employees are not eligible to participate in the Plan, including subcontractors and residents of Puerto Rico. All other employees are eligible to participate in the Plan upon hire and are permitted to enter the Plan on the first day of each month after which the employee has satisfied eligibility requirements.

#### ***Contributions***

Participants may contribute, on a before-tax basis, up to 60% of their compensation as defined by the Plan. Effective November 3, 2023, the Plan was amended to permit participants to make after-tax Roth contributions as well. Participants may contribute up to the maximum amount allowed annually by the IRC, which was \$23,000 for 2024. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to the maximum amount allowed annually by the IRC, which was \$7,500 for 2024. Participants also may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (“rollover”).

The Plan permits the Company to make qualified nonelective Employer contributions on a discretionary basis. A discretionary contribution made in the form of an Employer match is based on a percentage determined by the Company prior to the beginning of each Plan year. The Company did not make any such contributions in 2024.

#### ***Participant Accounts***

Each participant account is credited with the participant’s contributions, the Company’s matching contributions, an allocation of Plan earnings, and charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

## Talent Logic, Inc. Employee Savings Plan

### Notes to the Financial Statements December 31, 2024 and 2023

---

#### Note 1 – Plan Description (continued)

##### *Participant-Directed Investments*

All assets of the Plan are participant-directed investments. The Plan has selected various investment options, as more fully described in the Plan Document, to which participants may designate the allocation of their account balances. Participants have the option of directing their account balances to one or more of these investment options, which vary in types of investments, rates of return, and investment risk.

##### *Vesting*

Participants are always 100% vested with respect to deferral contributions, rollover contributions, qualified nonelective contributions, and related earnings.

##### *Notes Receivable from Participants*

Participants may borrow from their account balances a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. A participant may have two outstanding loans at a time. The loans must be repaid over a period of no longer than five years unless the loan is for the purchase of the participant's principal residence, in which case the repayment period may be extended to up to 10 years. Loans are secured by the balance in the participant's account. Interest is charged at the prevailing rate when the loan is issued. Outstanding notes receivable carry interest at the rate of 5% per annum. Principal and interest are paid ratably through payroll deductions and are due in equal installments not less frequently than quarterly.

##### *Payment of Benefits*

The payment of benefits from each participant account may occur upon death, disability, retirement, termination of employment, or if the participant reaches the age of 70½ while still employed. Upon normal retirement, disability, or death, a participant is entitled to receive 100% of their account balance. Under the Plan, normal retirement is defined as age 65. Upon termination, participants or beneficiaries are entitled to receive the vested portion of their account balance. Benefits are paid in a lump sum amount, installment payment, or life annuity, as defined by the Plan. Terminated participants whose account balances are less than \$1,000 receive automatic distributions. In addition, financial hardship withdrawals are permitted by the Plan for those participants who have incurred a substantial financial hardship.

#### Note 2 – Summary of Significant Accounting Policies

##### *Basis of Accounting*

The Plan's financial statements are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

##### *Use of Estimates*

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, changes in those assets and liabilities, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

## Talent Logic, Inc. Employee Savings Plan

### Notes to the Financial Statements December 31, 2024 and 2023

---

#### **Note 2 – Summary of Significant Accounting Policies (continued)**

##### ***Investment Valuation and Income Recognition***

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold, as well as those held during the year.

##### ***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan Agreement.

##### ***Payment of Benefits***

Benefits payments to participants are recorded when paid.

##### ***Administrative Expenses***

At its discretion, the Company may pay all reasonable costs, charges, and expenses incurred in the administration of the Plan. Additionally, the Company provides various other operational and administrative services to the Plan for which the Company directly incurs the costs. Investment-related expenses are included in net appreciation of fair value of investments.

#### **Note 3 – Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1), and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820 are described as follows:

- **Level 1** – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.
- **Level 2** – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- **Level 3** – Inputs that are unobservable for the assets or liabilities.

## Talent Logic, Inc. Employee Savings Plan

### Notes to the Financial Statements December 31, 2024 and 2023

#### Note 3 – Fair Value Measurements (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023:

- **Mutual Funds** – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the United States Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are classified within level 1 of the fair value hierarchy.
- **Money Market Fund** – This investment is recorded at cost, which approximates fair value and is classified within level 1 of the valuation hierarchy.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023.

	<b>Assets at Fair Value as of December 31, 2024</b>			
	<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>	<b>Total</b>

#### Note 4 – Information Certified by the Plan's Trustee

The Plan Sponsor has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Fidelity Management Trust Company has certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate.

<b>December 31,</b>	<b>2024</b>	<b>2023</b>
Investments at fair value	\$ 7,063,837	\$ 6,415,096
Notes receivable from participants	51,905	54,607

  

<b>Year Ended December 31,</b>	<b>2024</b>
Net appreciation in fair value of investments	\$ 1,048,445

## Talent Logic, Inc. Employee Savings Plan

### Notes to the Financial Statements December 31, 2024 and 2023

---

#### **Note 4 – Information Certified by the Plan’s Trustee (continued)**

The Plan’s independent auditor did not perform auditing procedures with respect to this information, except for comparing such information with the related information included in the financial statements and supplemental schedule.

#### **Note 5 – Related Party and Party-in-Interest Transactions**

Plan investments are managed by the Trustee; therefore, these transactions qualify as party-in-interest transactions as defined by ERISA. Such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA. As described in Note 2, the Plan paid certain expenses related to Plan operations and investment activity to service providers.

The Plan has notes receivable from participants as of December 31, 2024 and 2023. These receivables and all related transactions qualify as party-in-interest transactions and are exempt from being prohibited by ERISA.

#### **Note 6 – Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their Employer contributions.

#### **Note 7 – Tax Status**

The Plan adopted a non-standardized, preapproved profit-sharing plan sponsored by FMR, LLC. The Internal Revenue Service (“IRS”) has determined and informed FMR, LLC by a letter, dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has not filed individually with the IRS for a letter regarding the Plan’s qualified tax status, the Plan Administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC, and thus believes that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **Note 8 – Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rates, market, and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

Net assets available for benefits per the financial statements	\$ 7,106,514	\$ 6,460,716
Add: excess contributions payable	<u>9,228</u>	<u>8,987</u>
Net assets available for benefits per Form 5500	<u>\$ 7,115,742</u>	<u>\$ 6,469,703</u>

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to Form 5500 for the year ended December 31, 2024:

Net increase in net assets available for benefits per the financial statements	\$ 645,798
Less: excess contributions payable, beginning of year	(8,987)
Add: excess contributions payable, end of year	<u>9,228</u>
Net income per Form 5500	<u>\$ 646,039</u>

#### Note 10 – Subsequent Events

The Plan has evaluated all events and transactions that occurred through September 13, 2025, the date these financial statements were available to be issued.
