INDEPENDENT AUDITOR'S REPORT

Trustees and Plan Administrator
Keker, Van Nest & Peters Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Keker, Van Nest & Peters Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statements of changes in net assets available for year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(continued)

INDEPENDENT AUDITOR'S REPORT (continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

(continued)

INDEPENDENT AUDITOR'S REPORT (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

(continued)

INDEPENDENT AUDITOR'S REPORT (continued)

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

KEKER, VAN NEST & PETERS RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

1. DESCRIPTION OF PLAN AND SIGNIFICANT ACCOUNTING POLICIES

The following description of the Keker, Van Nest & Peters Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan that was established by Keker, Van Nest & Peters LLP (the “Partnership” or “Plan Administrator”) for those employees who are 21 years or older and have completed at least 1,000 hours of service during twelve consecutive months. Leased employees, associates, contract attorneys, summer associates, non-resident aliens, independent contractors, employees subject to a collective bargaining agreement, and employees excluded by their employment agreements are not eligible to participate in the Plan. The Plan was last amended effective January 1, 2024.

The Plan is intended to qualify under Section 401(a) of the Internal Revenue Code and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Administration – A Plan Committee (“the Committee”) manages the operations of the Plan, including the appropriateness of the Plan’s investment offerings and investment performance. A group of designated partners (or former partners) acts as the Plan trustees. Under the terms of the Plan, Charles Schwab Bank (“Schwab”) acts as the custodian. The Plan’s investment manager is Marin Financial Advisors. The Partnership has contracted with Milliman, Inc. to act as record-keeper and process and maintain the records of participant data. Expenses incurred for operating and maintaining the Plan are generally paid by the Plan, except for certain administrative charges which are charged to the participant accounts for administering their individual accounts.

Basis of accounting – The accounting records of the Plan are maintained on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“GAAP”).

Use of estimates - The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Actual results could differ from these estimates.

Cash and equivalents – Cash (and cash equivalents, if any) consist of Plan cash in bank accounts and highly liquid money market accounts.

Vesting – Participants are 100% vested in their contributions and rollover amounts, if any, plus actual earnings thereon. The following is the vesting schedule for the Partnership’s profit sharing portion of participant accounts: up to three years of credited service = 0%; after three years = 100%. Participants become fully vested in the event of death, disability, retirement, or plan termination.

KEKER, VAN NEST & PETERS RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

Forfeitures – The forfeiture account can be used to pay reasonable Plan expenses and/or reduce the employer’s contribution or can be reallocated to remaining participants in the same manner as employer contributions. During the years ended December 31, 2024 and 2023, \$153 and \$4,724 in forfeitures were used to reduce the employer’s contribution, respectively. There were no unallocated forfeitures at December 31, 2024 or 2023.

Investments – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan’s Committee determines the Plan’s valuation policies utilizing information provided by the Plan’s custodian and investment manager.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation or appreciation in fair value of investments includes the Plan’s gains and losses on investments bought and sold as well as those held during the year.

Notes receivable from participants – The Plan provides a provision which allows participants to borrow a minimum of \$1,000 up to the lesser of \$50,000 or 50% of their vested account balance, limited to two loans outstanding per participant. The loans are secured by the participant’s vested balance. Such loans bear interest at the available market financing rates and must be repaid to the Plan within a five-year period, unless it is used for the purchase of a principal residence in which case the maximum repayment period may be longer. Principal and interest are repaid ratably through payroll deductions. The specific terms and conditions of such loans are established by the Plan Administrator. Any participant defaults are deemed taxable to the participant. Notes receivable from participants are stated at their unpaid principal balances plus any accrued but unpaid interest.

Employee contributions – Participants may elect to have the Partnership contribute eligible pre-tax compensation to the Plan as defined in the Plan agreement, up to the amount allowable under current income tax regulations. Participants who elect to have the Partnership contribute a portion of their compensation to the Plan agree to accept an equivalent reduction in taxable compensation. The Plan also allows for after-tax Roth deferral contributions.

Participants who are age 50 or older may elect to make catch-up contributions to the Plan, up to the amount allowable under current income tax regulations. Participants are also allowed to make rollover contributions of amounts received from other tax-qualified employer-sponsored retirement plans. Such contributions are deposited in the appropriate investment funds in accordance with the participant’s direction and the Plan’s provisions.

KEKER, VAN NEST & PETERS RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

Employer contributions – The Plan allows for discretionary employer profit sharing contributions at the option of the Partnership subject to certain eligibility requirements and allocation formula, as defined in the Plan document. The discretionary profit-sharing contribution for the year ended December 31, 2024 was \$3,328,857 of which \$153 was funded through the forfeiture account. The balance of \$3,328,704 was recorded as a receivable at December 31, 2024 and paid in 2025. The discretionary profit-sharing contribution for the year ended December 31, 2023 was \$2,651,332 of which \$4,930 was funded through the forfeiture account. The remaining balance of \$2,646,402 was recorded as a receivable at December 31, 2023 and was paid in 2024.

Participant accounts – Each Participant’s account is credited with the participant’s contribution, an allocation of the Partnership’s discretionary profit sharing contribution, plan earnings, and plan expenses as applicable to the Plan. Allocations of the discretionary profit sharing contribution are based on eligible compensation and subject to a partnership determined formula. Allocations of plan earnings and losses are based on individual participant investment choices. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. All contributions/investments are participant directed.

Certain investment and fund fees are charged by the funds and are included in investment income and losses and charged to participant accounts. Participants should refer to the funds’ prospectuses and self-directed brokerage arrangements for further details on these fees.

Payment of benefits – Benefits are recorded when paid. The Plan generally allows withdrawal or distribution of participant account balances only upon (1) termination of employment or (2) upon death, disability or normal retirement age. The Plan also allows in-service distributions of participant elective deferrals if the participant has attained age 59 ½. Additionally, the Plan allows for all or a portion of the vested profit sharing accounts, regardless of age, if you meet one of the following conditions (1) Plan participant for at least five years or, (2) the withdrawal does not exceed the amount of employer contributions allocated to the participant account at least two years on or prior to the last day of the Plan year immediately preceding the request for withdrawal. Withdrawals of participant elective deferrals prior to attaining the age of 59 ½ are not permitted except in the event of a disability or as a hardship distribution. The Plan allows for mandatory cash distribution of terminated participant balances not exceeding \$7,000. At December 31, 2024 and 2023, there were no participants that had chosen to withdraw from the Plan awaiting payment of benefits.

KEKER, VAN NEST & PETERS RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

Administrative fees – Investment advisory fees, transaction expenses related to participant notes receivable and distributions, self-directed brokerage account fees, and record-keeping expenses totaling \$275,605 in 2024 were charged to the Plan and participant accounts, as applicable. Other administrative expenses of the Plan were paid by the Partnership.

Risks and uncertainties – The Plan provides for various investment options in any combination of investment securities offered by the Plan. Investment securities are exposed to various risks, such as interest rate, market fluctuations and credit risks. Due to the risk associated with certain investment securities, it is at least reasonably possible that changes in market values, interest rates or other factors in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits. Financial instruments, which potentially subject the Plan to concentrations of the aforementioned risks, consist of mutual funds and self-directed brokerage accounts. As the Plan's investments are well-diversified and issuers of the funds' underlying securities are dispersed throughout many industries and geographies, the concentrations of credit and other risks are limited.

Transfer in from other qualified plan – During 2024 assets representing participant balances were transferred from the Kecker, Van Nest & Peters LLP Associates 401(k) Plan, and merged into the Plan. The total amount transferred was \$2,917,643.

Subsequent events – The Plan evaluates events or transactions occurring after the statements of net assets available for benefits date but before the financial statements are available to be issued for potential recognition or disclosure. The financial statements include all subsequent events considered necessary for fair presentation. For the purposes of the accompanying financial statements, subsequent events have been evaluated through October 2, 2025, which represents the date the financial statements were available to be issued.

2. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement).

The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in

KEKER, VAN NEST & PETERS RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level two input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement. Transfers in and out of level three are recognized on the date of the event or circumstance that caused the transfer.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

The Plan's method of valuing investments may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in methodologies used for December 31, 2024 and 2023:

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at the price. The mutual funds held by the Plan are actively traded on an established market.

Self-directed brokerage accounts: Valued based on closing market prices in the active market in which the security is traded. These securities, which consist of mutual funds, cash accounts, common stocks and a unit investment trust held by the Plan, are actively traded on an established market.

Money Market Fund: Valued at a cash equivalency basis, on the last business day of the Plan year.

3. INCOME TAX STATUS

The Plan received a favorable determination letter dated August 9, 2022 from the IRS. The Plan's Trustee, Sponsor and Administrator are not aware of any course of action or series of events that have occurred that would adversely affect the qualified status of the Plan. The trust, which forms a part of the Plan, is exempt from federal income and state franchise taxes. Therefore, no provision for income taxes has been included in the Plan's financial statements.

4. CERTIFIED INFORMATION

In accordance with 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, Schwab certified the fair value of investments held at December 31, 2024 and 2023, and investment activities for the year ended December 31, 2024, that were used in the preparation of the accompanying financial statements and ERISA-required supplemental schedule. The following information was obtained by management and agreed to or derived from information certified as complete and accurate by Schwab, but was not audited by independent certified public accountants:

The following table presents this certified information as of and for the years ended December 31:

	<u>2024</u>	<u>2023</u>
Investments, at fair value:		
Mutual funds	\$ 91,378,172	\$ 73,964,508

Self-directed brokerage accounts	<u>\$ 2,289,161</u>	

5. PRIORITIES ON TERMINATION

The Partnership intends to continue the Plan indefinitely for the benefit of its participants. However, it reserves the right to terminate the Plan at any time subject to the provisions of ERISA. In the event the Plan is terminated, participants would become fully vested in their accounts.

6. PARTY-IN-INTEREST TRANSACTIONS

Plan investments are managed by the Plan's custodian, Schwab. Such investment transactions involving Schwab, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.
