INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of the
OSPTA 401(k) SAFE HARBOR PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of **OSPTA 401(k) SAFE HARBOR PLAN**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Very truly yours,

Guthrie, Belczyk & Associates, P.C.

OSPTA 401(k) SAFE HARBOR PLAN

Notes to the Financial Statements

December 31, 2024 and 2023

Note 1 - Description of Plan

The following description of the **OSPTA 401(k) SAFE HARBOR PLAN** (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of the Company who have completed one year of service (twelve (12) consecutive month period during which the employee is credited with 1,000 hours of service) and are age twenty-one or older. Entry dates are January 1st and July 1st. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may elect to contribute a percentage of their annual compensation to the Plan, subject to certain limitations, as described in the Plan and imposed by law. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company is required to make a non-elective safe harbor contribution of not less than 3% of each eligible employee's compensation regardless of whether the employee chooses to make salary deferrals.

The Plan also permits discretionary profit sharing contributions to be made by the Company, not limited to current or accumulated net profits. The profit sharing contribution for the plan year ended December 31, 2024 was \$58,627.

Participant Accounts

Each participant's account is credited with (a) the participant's elective deferral contributions, (b) employer non-elective and discretionary (if any) contributions, (c) any employee rollover contributions, and (d) an allocation of plan income or loss, and is charged with an allocation of plan expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Plan Loans

Plan loans are not permitted.

Vesting

Participants are immediately vested in all voluntary, safe harbor, and rollover contributions plus actual earnings thereon. Vesting in the remainder of their account is based on years of continuous service. A participant is one hundred percent vested after six years of credited service.

OSPTA 401(k) SAFE HARBOR PLAN

Notes to the Financial Statements

December 31, 2024 and 2023

Note 1 - Description of Plan (continued)

Investment Options

Upon enrollment in the Plan, participants may direct their contributions, the Company's matching contribution, and the Company's qualified non-elective contributions, if any, in a variety of investment options as more fully described in the Plan's literature. Participants may change their investment options at any time.

Payment of Benefits

Benefit payments to separated participants are paid in the form of a single lump sum payment based upon account balance.

In-service distributions are permitted under the plan to participants who have attained age 59½ from all accounts in which they are 100% vested.

Hardship distributions are permitted from all accounts in which the participant is fully vested.

Plan Fiduciary

Vanguard Fiduciary Trust Company is the current plan fiduciary and has served in that capacity since February 1, 2019.

Forfeited Accounts

Forfeited nonvested accounts are applied to reduce future Employer contributions or pay plan expenses. During the years ended December 31, 2024 and 2023, there were \$157 and \$95, respectively, of forfeited participant accounts used to reduce the Company's contributions and pay plan expenses. Forfeited nonvested accounts available for use at December 31, 2024 and 2023, totaled \$100 and \$29, respectively.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with United States generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Net Appreciation (Depreciation)

The Plan presents, in the statement of changes in net assets available for plan benefits, the net appreciation (depreciation) in the value of its investments, reported at fair value, which consists of the realized gains and losses and the unrealized appreciation and depreciation on those investments.

OSPTA 401(k) SAFE HARBOR PLAN

Notes to the Financial Statements

December 31, 2024 and 2023

Note 2 – Summary of Significant Accounting Policies (continued)

Investment Valuation

Plan assets are reported at Fair Value in accordance with Financial Accounting Standards Board Codification (ASC) 820-10, *Fair Value Measurements*. Fair Value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, and establishes a framework for measuring fair value.

Income Recognition

Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Capital gain distributions are included in dividend income.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts permitted by the IRS are recorded as a liability (captioned “Corrective distributions”) with a corresponding reduction to contributions in the respective year.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Statement Reclassifications

Certain reclassifications may have been made in the prior year’s amounts to conform with current year statement presentation.

Subsequent Events

Subsequent events have been evaluated through September 11, 2025, which is the date the financial statements were available to be issued.

Notes to the Financial Statements

December 31, 2024 and 2023

Note 3 - Fair Value Measurement

The Plan has adopted the provisions of Fair Value Measurement, Accounting Standards Codification (ASC) 820-10. This topic requires disclosures about fair value measurements in financial statements based on hierarchical levels directly related to the amount of subjectivity associated with the inputs used to determine the fair value of financial instruments. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

In determining fair value, the Plan utilizes certain assumptions that market participants would use in pricing the asset or liability, including assumptions about risk and/or the risks inherent in the inputs to the valuation technique. These inputs can be readily observable, market corroborated or generally unobservable inputs and minimize the use of unobservable inputs. The plan utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs.

The inputs or methodologies used for valuing securities are not necessarily an indication of the risk associated with investing in those securities.

Accounting Standards Codification (ASC) 820-10 establishes a three-level hierarchy for fair value measurements based upon the transparency of inputs to the valuation of an asset or liability as of the measurement date. The three levels are defined as follows:

- **Level 1** - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- **Level 2** - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:
 - quoted prices for similar assets or liabilities in active markets
 - quoted prices for identical or similar assets or liabilities in inactive markets
 - inputs other than quoted prices that are observable for the asset or liability
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means
- **Level 3** - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value:

Registered Investment Companies - Shares of mutual funds are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year end.

Note 3 - Fair Value Measurement (continued)

The following tables present the Plan's investments carried at fair value as of December 31, 2024 and 2023, in accordance with the ASC 820-10 valuation hierarchy defined above:

	<u>December 31, 2024</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered Investment Companies	<u>\$ 37,000,728</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>\$ 37,000,728</u>

	<u>December 31, 2023</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered Investment Companies	<u>\$ 31,665,558</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>\$ 31,665,558</u>

Note 4 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

Note 5 - Information Prepared and Certified by the Custodians (Unaudited)

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Ascensus (an affiliate of Vanguard Fiduciary Trust Company).

1. Investments by fund group, at fair value
2. Dividend income
3. Interest income
4. Net appreciation (depreciation) in fair value of investments
5. Reportable transactions
6. Administrative expenses

Note 6 - Risks and Uncertainties

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits.

Note 7 – Parties-in-Interest Transactions

Certain Plan investments are shares of funds managed by Vanguard Fiduciary Trust Company. Vanguard Fiduciary Trust Company is the custodian as defined by the Plan. These transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services for the year ended December 31, 2024, were approximately \$45,000.

Note 8 - Administrative Expenses

The Plan's expenses are paid either by the Plan or the Company, as provided by the plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for plan benefits. In addition, certain investment related expenses are included in net appreciation of fair value of investments presented in the accompanying statement of changes in net assets available for plan benefits.

Note 9 - Income Tax Status

The Plan obtained its latest determination letter dated January 31, 2006, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan has been amended since receiving that determination letter. However, the plan administrator believes that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the plan's financial statements.

The Plan has adopted Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 740-10, *Accounting for Uncertainty in Income Taxes* which clarifies the accounting for uncertainty in income taxes by prescribing the recognition threshold a tax position is required to meet before being recognized in the financial statements. The standard also provides guidance on derecognition, classification, interest and penalties, accounting in interim periods, disclosure, and transition.

Note 9 - Income Tax Status (continued)

Management has reviewed the impact of ASC 740-10 on the accompanying financial statements and has determined that there are no material uncertain tax positions or unrecognized tax benefits and there is no material impact on the financial statements. In addition, there were no penalties or interest recognized in the statement of changes in net assets available for plan benefits.

The Plan's ASC 740-10 evaluation was performed for the tax years 2021 through 2024. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 10 – Concentration of Credit Risk

Plan assets are afforded certain protection under the Securities Investor Protection Corporation in the amount of \$500,000 per account type. Plan assets exceeded this amount at times during the years ended December 31, 2024 and 2023.
