Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **MCCURDY & ASSOCIATES, INC.**

(2) EIN: **31-1401234**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)	X		1334
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		X	
e Was this plan covered by a fidelity bond?	X		500000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		X	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		X	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	X		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)		X	
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		X	
l Has the plan failed to provide any benefit when due under the plan?		X	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		X	
n If 4m was answered "Yes," check the "Yes" box if you either provided the required notice or one of the exceptions to providing the notice applied under 29 CFR 2520.101-3.			

5a Has a resolution to terminate the plan been adopted during the plan year or any prior plan year? Yes No
If "Yes," enter the amount of any plan assets that reverted to the employer this year _____.

INDEPENDENT AUDITOR'S REPORT

To the Plan Committee of the
Plaskolite, LLC and Subsidiaries
Amended and Restated Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Plaskolite, LLC and Subsidiaries Amended and Restated Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards (GAAS) will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Form 5500, Schedule H, Part IV, line 4a--Schedule of Delinquent Participant Contributions, for the year ended December 31, 2024 and Form 5500 Schedule H, Part IV, line 4i--Schedule of Assets (Held at End of Year), as of December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For

information included in the supplemental schedules that agreed to or are derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Plaskolite, LLC and Subsidiaries
Amended and Restated Profit Sharing Plan
Notes to the Financial Statements
December 31, 2024 and 2023

1. DESCRIPTION OF THE PLAN

The following description of Plaskolite, LLC and Subsidiaries Amended and Restated Profit Sharing Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan Agreement for more complete information.

General

The Plan provides for sharing profits of Plaskolite, LLC (the Company and Employer) with all eligible employees, as defined in the Plan Agreement, and allows eligible participants to contribute pre-tax and after tax compensation into a 401(k) Plan. The Plan was adopted effective April 1, 1965. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 and is administered by the Company as the Plan Sponsor.

Eligible employees may make contributions to the Plan up to the maximum permitted under Section 402(g) of the Internal Revenue Code (IRC). The Employer makes a matching contribution to the 401(k) Plan for each participant. These matching contributions and the Company’s non-elective contributions are invested, at the election of the contributing employee, in any of several investments permitted by the Plan. Participants have the ability to make investment election changes or transfer balances online on a daily basis subject to the excessive trading restrictions.

In June 2022, the Company acquired MXL Industries, Inc. As a result of the purchase, on January 1, 2023, MXL Industries, Inc. became a participating employer and its employees were transferred into the Plan from the MXL Industries, Inc. 401(k) Plan.

In January 2023, the Company acquired ABCO Tool & Die, LLC. As a result of the purchase, on January 31, 2023, ABCO Tool & Die, LLC became a participating employer and its employees were transferred into the Plan.

In January 2024, the Company acquired Vycom from the Azek Company. As a result of the purchase, on January 30, 2024, the former Vycom employees’ balances and loans were rolled into the Plan.

Eligibility

An employee becomes eligible to participate in the Plan on the first day of each calendar quarter after reaching age 18 and completing three months of service with the Company.

Employee Contributions

A participant may elect to make a voluntary tax-deferred, after-tax Roth, or any combination thereof his or her annual compensation up to the maximum permitted under Section 402(g) of the Internal Revenue Code (the “Code”). For 2024, the combined total of tax-deferred and after-tax Roth contributions were limited to \$23,000.

Contributions made by each employee to an employee deferral account are fully vested at the time of the contribution. Once enrolled, employee contributions are automatically increased by 1% annually, up to 15%. The employee may opt out of these automatic increases at any time.

Plaskolite, LLC and Subsidiaries
Amended and Restated Profit Sharing Plan
Notes to the Financial Statements (Continued)
December 31, 2024 and 2023

The Plan also allows participants to rollover amounts from other qualified plans to their respective account in the Plan upon approval by the plan administrator. Such rollovers are 100% vested.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate. The Company automatically withholds 6% of the newly hired employee's compensation. The Plan also includes an auto-enrollment provision whereby all eligible employees who are not making contributions are automatically enrolled annually in the Plan unless they affirmatively elect to not participate. The Company automatically withholds 4% of the eligible employee's compensation for employees not making contributions. The contributions that are the result of auto-enrollment are invested in a T. Rowe Price Retirement Fund with a target date closest to the year in which the participant turns 65 years old.

Employer Contributions

Beginning in 2018, the Company initiated a non-elective contribution of 3% of the employee's gross compensation, which will vest immediately. The non-elective contribution is made after each pay period.

The Company also has an employer matching contribution to the Plan equal to 50% of the employee's contribution up to 6% of the employee's gross compensation. All amounts credited to a participant's employer matching account in the 401(k) Plan will become vested and nonforfeitable based upon the participant's years of service in accordance with the following schedule:

<u>Years of Service</u>	<u>Vesting and Nonforfeitable Percentage</u>
Less than 2	0%
2	25%
3	50%
4	75%
5 or more	100%

Notes Receivable from Participants

Participants may borrow from their accounts the lesser of \$50,000 or 50% of their vested balance. The loans are secured by the participants' vested interest in the Plan's assets. These loans are generally due in weekly or bi-weekly payments of principal plus interest at the rate established at the issuance of the loan (ranging from 3.25% to 9.50%). These payments are processed by the payroll department as a payroll deduction. The interest rate is fixed and based on the prime rate of interest as of the loan date.

Benefits Paid to Participants or Beneficiaries

Any participant can withdraw all or any portion of participant contributions as a result of financial hardship or attainment of age 59-1/2. Financial hardship includes qualified medical expenses, tuition for post-secondary education, expenses incurred for the purchase of a primary residence or the need to prevent the eviction or foreclosure on a participant's principal residence.

Plaskolite, LLC and Subsidiaries
Amended and Restated Profit Sharing Plan
Notes to the Financial Statements (Continued)
December 31, 2024 and 2023

Upon termination of employment other than death, a participant will receive a lump-sum amount equal to the vested value of his or her account if the participant's account does not exceed \$1,000. For terminated participants with balances over \$1,000 and less than \$5,000 who do not elect to withdraw their funds, the Plan may transfer their account balance into an Individual Retirement Account at T. Rowe Price. If the participant's account exceeds \$5,000, the participant may elect to defer a lump-sum distribution and remain as a participant in the Plan.

Forfeitures

Forfeitures of non-vested 401(k) match account balances from participant directed accounts are used to reduce subsequent Employer's contributions to the Plan. During 2024, forfeitures in the amount of \$148,249 were utilized to reduce employer matching contributions. At December 31, 2024 forfeitures in the amount of \$166 were available to be reallocated to the Profit Sharing Fund.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to various provisions of ERISA. In the event of termination, participants will become 100% vested in their accounts, and all unallocated amounts shall be allocated to the accounts of all participants.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividend and interest income are recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The Plan presents in the statement of changes in net assets available for benefits the net appreciation or depreciation in the fair value of investments, which consists of realized gains or losses and the unrealized appreciation or depreciation on those investments.

Plaskolite, LLC and Subsidiaries
Amended and Restated Profit Sharing Plan
Notes to the Financial Statements (Continued)
December 31, 2024 and 2023

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses. An allowance for doubtful accounts of \$64,055 and \$62,484 has been recorded as of December 31, 2024 and 2023, respectively. It is reasonably possible that the Plan's estimate of the allowance will change. If a participant ceases to make loan repayments and the plan administrator deems the participant's loan to be in default, the participant's loan balance is reduced by the unpaid amount and a benefit payment is recorded for the same amount.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. At December 31, 2024 and 2023, there were no excess contributions payable.

Benefits Paid to Participants or Beneficiaries

Distributions to plan participants or beneficiaries are recorded in the statement of changes in net assets available for benefits when paid. At December 31, 2024, there was one distribution of \$11,628 requested but not yet paid.. At December 31, 2023 there were \$15,970 of distributions requested but not yet paid.

Operating Expenses

Administrative expenses of \$166,310 consist of loan fees, other services and recordkeeping fees charged to the participant's accounts. The Plan allocates a portion of the investments' operating expenses into an administrative budget account (see Note 8). This account was used to pay consulting fees. Investment related fees are included in net appreciation of fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through October 6, 2025, the date the financial statements were available to be issued and has determined that there were no transactions or events that required disclosure through the evaluation date.

3. INFORMATION CERTIFIED BY TRUSTEE

The following is a summary of the Plan information, included in the Plan's financial statements, that was prepared by or derived from information prepared by the T. Rowe Price Trust Company (the Trustee), and furnished to the plan administrator. The plan administrator has obtained certifications from the trustee that such information is complete and accurate.

4. FAIR VALUE MEASUREMENTS

Accounting guidance establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of significant other observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, and Level 3 inputs consist of significant unobservable inputs and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trust Funds: Valued based on NAV, as a practical expedient, which approximates fair value. Such basis is determined by reference to the respective fund's underlying assets, which are primarily marketable equity and fixed income securities.

Equity Index Common Collective Trust: Valued at the NAV of units of a collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of a collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Stable Value Common Collective Trust: A stable value fund that is composed primarily of benefit-responsive contracts that is valued at the NAV of units of the common collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months notification in order to ensure that securities liquidations will be carried out in an orderly business manner. The Plan does not have any contractual obligations to further invest in this fund.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

Assets at Fair Value Measurements as of December 31, 2024

	<u>Level 1</u>	<u>Total</u>

Investments measured at net asset value (a)		<u>20,119,945</u>
Total investments at fair value	<u>\$ 115,032,267</u>	<u>\$ 135,152,212</u>

(a) In accordance with Subtopic 820-10 of ASC 820, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

5. TAX STATUS

The IRS has determined and informed the Company by a letter dated February 25, 2011, for amendments made through December 31, 2009, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

The Plan was updated to comply with the IRS requirement to restate plan documents every six years. The amendment and restatement of the plan is effective January 1, 2022.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. These transactions are parties-in-interest transactions, which are exempt under ERISA. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. PARTIES-IN-INTEREST

Certain Plan investments are shares of mutual funds and common collective trusts managed by T. Rowe Price, an affiliate of the Plan's trustee, and the Plan makes loans to participants and charges the participants \$50 for each loan. These transactions qualify as party-in-interest transactions. The Trustee and affiliates of T. Rowe Price maintain and manage the mutual funds in the Plan for which they receive management fees. These management fees are part of the annual operating expenses of each fund and result in a reduction of earnings from investments.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment

securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. ADMINISTRATIVE BUDGET ACCOUNT

An administrative budget account has been set up to hold refunds of mutual fund fees collected by T. Rowe Price. This account is funded through a portion of the "revenue sharing" fees that T. Rowe Price receives from the mutual funds offered under the Plan. These payments can either be used for plan expenses or be allocated back to the Plan participants. For the year ended December 31, 2024, \$15,492 was used by the administrative budget account for plan expenses and \$79,576 was allocated back to the plan participants and captured within Refund of mutual fund fees on the Statement of Changes of Net Assets Available for Benefits. At December 31, 2024, the balance in the administrative budget account was \$10,315.

9. PROHIBITED TRANSACTION

During 2023, the Company failed to remit the contribution for one pay period in a timely manner, as defined by ERISA. The prohibited transactions were corrected outside the Department of Labor's Voluntary Fiduciary Correction Program (VFCP) during 2024.
