## ***Independent Auditors' Report***

To the Plan Administrator  
I.D. Care, LLC 401(k) Plan  
Hillsborough, New Jersey

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of I.D. Care, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits--modified cash basis as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits--modified cash basis for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the I.D. Care, LLC 401(k) Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024 stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

To the Plan Administrator  
I.D. Care, LLC 401(k) Plan  
Hillsborough, New Jersey

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of I.D. Care, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Emphasis of Matter - Basis of Accounting***

We draw attention to Note B of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note B, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about I.D. Care, P.A. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

To the Plan Administrator  
I.D. Care, LLC 401(k) Plan  
Hillsborough, New Jersey

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of I.D. Care, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about I.D. Care, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

To the Plan Administrator  
I.D. Care, LLC 401(k) Plan  
Hillsborough, New Jersey

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matters - Supplemental Schedule Required by ERISA***

The supplemental schedule of assets (held at end of year)--modified cash basis as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**I.D. CARE, LLC 401(k) PLAN**  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

---

**NOTE A - DESCRIPTION OF THE PLAN**

The following description of the I.D. Care, LLC (the "Company") 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution plan for all eligible employees of the Company, as defined in the Plan document. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). All non-per diem employees who have completed one year of service are eligible to participate.

**Contributions**

Participants could elect to defer any amount of their salary up to the maximum contribution allowed by law, which is \$23,000 in 2024. Certain eligible employees are allowed to make additional catch-up elective deferrals of up to \$7,500 in 2024. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation. The automatic deferral amount will increase by 1% of compensation up to a maximum of 6% of compensation. Such increase will be applied as of the period that begins after the period in which the initial deferral amount was withheld and will occur as of the beginning of each subsequent April. The Company makes a safe harbor non-elective contribution equal to 3% of compensation annually. The Company non-elective contributions were \$702,961 for the year ended December 31, 2024.

Additional profit-sharing amounts may be contributed at the discretion of the Company. The profit-sharing contributions equal a uniform percentage for each tier of employees. The 2024 discretionary profit-sharing contributions made were \$1,337,444.

**Participant Accounts**

A separate investment account is maintained for each Plan participant. Participants may direct the investment of their accounts into various funds specified by the Plan. Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and Plan earnings (losses).

**Vesting**

Participants are immediately 100% vested in their own contributions, the safe harbor non-elective employer contributions plus actual earnings thereon.

*See the independent auditors' report.*

**I.D. CARE, LLC 401(k) PLAN**  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

---

**NOTE A - DESCRIPTION OF THE PLAN (Continued)**

Vesting in the Company's discretionary profit-sharing contributions and earnings is as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

**Payment of Benefits**

Participants are eligible to receive a distribution of the vested portion of their individual account balance upon the following:

- The occurrence of any of the distributable events specified in the Plan Document,
- The participant's termination of employment after attaining normal retirement age, or
- Termination of the Plan.

The normal retirement age under this Plan is 65.

**Participant Loans**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate established by determining the rate a commercial lender would charge for a similar loan. The interest rate on outstanding loans at December 31, 2024, ranged from 4.25% to 9.50%. Loans must be repaid by the participant within five years unless the loan is used to acquire a participant's primary residence. Loans used to acquire a primary residence may exceed five years. Principal and interest are paid ratably through payroll deductions.

**Forfeitures**

Employees who terminate employment and are not fully vested will forfeit the non-vested portion of their account balance to the Plan, as specified in the Plan Document. As of December 31, 2024 and 2023, there was \$4,640 and \$3,111 in forfeited non-vested accounts, respectively. The amount of forfeitures used to pay administrative expenses was \$15,842 in 2024.

**I.D. CARE, LLC 401(k) PLAN**  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

---

**NOTE A - DESCRIPTION OF THE PLAN (Continued)**

**Plan Amendments**

On December 29, 2022, the "Setting Every Community Up for Retirement Enhancement (SECURE) 2.0 Act" was signed into law in the Under States. The Secure 2.0 Act is an expansion of the Secure Act passed during 2019. The Act includes several mandatory and optional provisions that will become effective across several years. The Secure 2.0 Act aims to expand retirement access, increase retirement savings, and simplify plan administration. Plans may choose to operationally implement the provisions of the Secure 2.0 Act, however plan administrators have until December 31, 2026 to officially amend the plan document to reflect the provisions adopted by the plan.

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contribution at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, distribution of participants' accounts shall be in accordance with the Plan document.

**Basis of Accounting**

The financial statements of the Plan are prepared using the modified cash method of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

The Plan accounts for all transactions on the modified cash basis. Security transactions are recorded on the settlement date, and the determination of gain or loss on securities sold is based on the average cost of the securities. Investment income (interest and dividends) is recorded on the date received. Company matching contributions and any discretionary profit-sharing contributions are recorded when received and are not accrued. Accordingly, the accompanying financial statements are not intended to present net assets available for benefits and changes in net assets available for benefits in conformity with accounting principles generally accepted in the United States of America.

**Use of Estimates**

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Investment Valuation and Income Recognition**

Plan investments in mutual funds are stated at fair value. Shares of mutual funds are valued at quoted market prices. The Plan's investments in a common collective trust are stated at net asset value as a practical expedient, as reported by the trustee which include a mix of mutual funds and managed accounts. Net appreciation or depreciation of investments is reported on the statement of changes in net assets available for benefits and consists of realized gains and losses and the unrealized appreciation or depreciation of these investments. All underlying investment options are valued daily. The daily price is considered the selling price for transfers and withdrawals and is calculated each day the principal market is open and available to any participant in the Plan.

Purchases and sales of mutual funds shares are recorded at end of day net asset value. Dividends are recorded as of the record date.

**Payment of Benefits**

Benefits are recorded when paid.

**Administrative Expenses**

Administrative expenses, excluding transaction fees, are paid by the Company. Investment expenses for the year ended December 31, 2024 are netted against investment income (loss).

**Date of Management's Review**

Management has evaluated subsequent events through September 3, 2025, the date which the financial statements were available to be issued.

**NOTE C - RELIANCE ON CUSTODIAN'S REPORT**

The administrator of the Plan has elected the method of compliance permitted by Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Under that section, no auditing procedures are required to be performed with respect to the investment information certified by Reliance Trust Company, the trustee of the Plan during 2024 and 2023, other than comparing such information to that contained in the financial statements and supplemental schedule.

**NOTE D - FAIR VALUE MEASUREMENTS**

Professional accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three broad levels.

*Level 1* inputs are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. *Level 2* inputs are other than quoted prices that are observable for the asset or liability, either directly or indirectly through market corroboration, for substantially the full term of the financial instrument. *Level 3* inputs are unobservable inputs based on the Plan's assumptions used to measure assets and liabilities at fair value. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

*See the independent auditors' report.*

**I.D. CARE, LLC 401(k) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2024 AND 2023**

**NOTE D - FAIR VALUE MEASUREMENTS (Continued)**

Assets of the Plan for which fair values are determined on a recurring basis are as follows:

	Assets at Fair Value as of December 31, 2024			Net Asset Value (a)
	Level 1	Level 2	Level 3	
Mutual funds	\$ 57,891,900	\$ -	\$ -	\$ -
Common collective trust	-	-	-	920,067
	<u>\$ 57,891,900</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 920,067</u>

  

	Assets at Fair Value as of December 31, 2023			Net Asset Value (a)
	Level 1	Level 2	Level 3	
Mutual funds	\$ 46,460,189	\$ -	\$ -	\$ -
Common collective trust	-	-	-	1,393,484
	<u>\$ 46,460,189</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,393,484</u>

(a) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

Mutual funds have quoted prices for identical assets in active markets; therefore, the investments are measured at fair value using these readily available Level 1 inputs. Fair value of investments in common collective trust are measured at net asset value as a practical expedient.

The methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

*See the independent auditors' report.*

**I.D. CARE, LLC 401(k) PLAN**  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

---

**NOTE E - TAX STATUS**

The Plan participates in a volume submitter plan sponsored by the ADP LLC. The trustee has received a favorable opinion letter on October 6, 2020, from the Internal Revenue Service for the volume submitter plan. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code, and, accordingly, the trust's net investment income is exempt from income taxes.

The modified cash basis of accounting in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE F - PARTY-IN-INTEREST TRANSACTIONS**

Plan issues loans to participants, which are secured by the balances in the participants' accounts. Participant loans qualify as party-in-interest transactions.

**NOTE G - RISKS AND UNCERTAINTIES**

Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
