## INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of  
Obagi Cosmeceuticals, LLC Retirement Plan:

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Obagi Cosmeceuticals, LLC Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter - Supplementary information Required by ERISA***

The supplementary information listed in the table of contents as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary information, we evaluated whether the supplementary information, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary information, other than the information in the supplementary information that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplementary information related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## OBAGI COSMECEUTICALS, LLC RETIREMENT PLAN

### NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2024

#### **NOTE 1 – Description of the Plan**

The following description of the Obagi Cosmeceuticals, LLC Retirement Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

##### *General*

The Plan is a defined contribution plan which covers substantially all employees of Obagi Cosmeceuticals, LLC (the Company) who are age 21 or older. Union and nonresident alien employees are excluded from the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrative Committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

##### *Contributions*

Each year, participants may contribute up to 75% of pre-tax annual compensation, as defined in the Plan. In addition, participants may elect to make after-tax (Roth) contributions to the Plan of up to 75% of eligible compensation. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company contributes a matching contribution of 50% of the first 6% of base compensation that a participant contributes to the Plan. Additional discretionary profit-sharing amounts may be contributed at the option of the Company's board of directors for participants who have completed one year of service. During the year ended December 31, 2024, the Company did not make a discretionary profit-sharing contribution to the Plan. The Company's contributions are invested as directed by the participant. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

##### *Participant Accounts*

Each participant's account is credited with the participant's contributions and the Company's matching contributions, as well as allocations of the Company's discretionary profit-sharing contribution and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**OBAGI COSMECEUTICALS, LLC RETIREMENT PLAN**

**NOTES TO THE FINANCIAL STATEMENTS**

**DECEMBER 31, 2024**

**NOTE 1 – Description of the Plan (Continued)**

***Vesting***

Participants are vested immediately in their contributions, plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. Participants become 100% vested once they are credited with three years of service.

***Notes Receivable from Participants***

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at 1% above the prime rate, as defined. Principal and interest is paid ratably through payroll deductions.

***Payment of Benefits***

On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive either lump-sum payments, installments over a period of not more than the participant's assumed life expectancy, or partial withdrawals equal to the value of the vested interest in the participant's account.

***Forfeited Accounts***

At December 31, 2024 and 2023, there were no forfeited nonvested accounts. Forfeiture accounts may be used to reduce future employer contributions or to pay administrative expenses. During the year ended December 31, 2024, employer contributions were reduced by \$48,821 from forfeited nonvested accounts. There were no administrative expenses paid from forfeited nonvested accounts in 2024.

**NOTE 2 – Summary of Accounting Policies**

***Basis of Accounting***

The financial statements of the Plan are prepared on the accrual basis of accounting.

### NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2024

#### NOTE 2 – Summary of Accounting Policies (Continued)

##### *Use of Estimates*

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

##### *Investment Valuation and Income Recognition*

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

##### *Contributions*

Contributions from Plan participants and the matching contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation. The Company's discretionary profit-sharing contributions are recorded in the year in which the employee compensation is earned.

##### *Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 or 2023.

##### *Payment of Benefits*

Benefits are recorded when paid.

### NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2024

#### NOTE 2 – Summary of Accounting Policies (Continued)

##### *Expenses*

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value investments.

##### *Subsequent Events*

Effective April 1, 2025, Fidelity Management Trust Company (Fidelity) became the new trustee and recordkeeper of the Plan. In connection with the change to Fidelity, the Plan adopted a new plan document effective April 1, 2025 and all Plan assets were transferred from the former trustee, Reliance Trust Company to Fidelity. In addition, the vesting schedule was revised so that participants are 100% vested in the plan after one year of service.

The Plan has evaluated subsequent events through October 6, 2025, the date the financial statements were available to be issued.

#### NOTE 3 – Certified Investments

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company (Reliance), the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplementary information is complete and accurate with respect to investments and notes receivable from participants:

- Investments at fair value
- Notes receivable from participants
- Net appreciation in fair value of investments
- Dividends and interest
- Schedule of assets held at end of year

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplementary information.

### NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2024

#### NOTE 4 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Topic 820 are described as follows:

**Level 1** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2** Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

**OBAGI COSMECEUTICALS, LLC RETIREMENT PLAN**

**NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2024**

**NOTE 4 – Fair Value Measurements (Continued)**

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

**Mutual funds:** Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**Stable value collective trust fund:** A stable value fund that is composed primarily of fully benefit-responsive investment contracts (FBRIC) is valued at the NAV of units of the bank collective trust. The Plan’s investment is an indirect FBRIC investment and NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily.

The following tables set forth by level, within the fair value hierarchy, the Plan’s assets at fair value measurements at December 31, 2024 and 2023.

	<b>Assets at Fair Value as of December 31, 2024</b>			
	<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>	<b>Total</b>
Mutual funds	\$ 20,310,360	\$ -	\$ -	\$ 20,310,360
Total assets in the fair value hierarchy	20,310,360	-	-	20,310,360
Investment measured at NAV <sup>(a)</sup>	-	-	-	358,720
Investments at fair value	\$ 20,310,360	\$ -	\$ -	\$ 20,669,080

**NOTE 4 – Fair Value Measurements (Continued)**

	<b>Assets at Fair Value as of December 31, 2023</b>			
	<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>	<b>Total</b>
Mutual funds	\$ 15,949,862	\$ -	\$ -	\$ 15,949,862
Total assets in the fair value hierarchy	15,949,862	-	-	15,949,862
Investment measured at NAV <sup>(a)</sup>	-	-	-	268,207
Investments at fair value	\$ 15,949,862	\$ -	\$ -	\$ 16,218,069

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent), as a practical expedient, have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

***Investments Measured Using the Net Asset Value per Share Practical Expedient***

## OBAGI COSMECEUTICALS, LLC RETIREMENT PLAN

### NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2024

#### **NOTE 5 – Related-Party Transactions and Party-in-Interest Transactions**

Certain plan investments are held by Reliance. Reliance is the trustee for the Plan and, therefore, these transactions qualify as party-in-interest transactions. ADP, Inc. is the recordkeeper for the Plan. During the year ended December 31, 2024, the Plan paid \$32,353 to ADP, Inc. for recordkeeping services. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. The Company pays directly certain other fees related to the Plan's operations.

#### **NOTE 6 – Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions.

#### **NOTE 7 – Tax Status**

On October 6, 2020, the IRS stated that the non-standardized pre-approved profit-sharing Plan, as then designed, qualifies under Section 401(a) of the Internal Revenue Code (IRC). The Plan has not received a determination letter specific to the Plan itself; however, the plan administrator believes that the Plan was designed and was being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**OBAGI COSMECEUTICALS, LLC RETIREMENT PLAN**

**NOTES TO THE FINANCIAL STATEMENTS**

**DECEMBER 31, 2024**

**NOTE 8 – Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE 9 – Reconciliation of the Financial Statements to the Form 5500**

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2024 to the Form 5500:

Net assets available for benefits per the financial statements	\$ 20,883,797
Less employer contribution receivable	(15,459)
Less participant contributions receivable	<u>(46,479)</u>
Net assets available for benefits per the Form 5500	<u>\$ 20,821,859</u>

The following is a reconciliation of net increase per the financial statements for the year ended December 31, 2024 to net income per the Form 5500.

Net increase per the financial statements	\$ 4,452,103
Less participant contributions receivable as of Decemeber 31, 2024	(46,479)
