INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Island Palm Communities, LLC Employees Savings Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Island Palm Communities, LLC Employees Savings Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Island Palm Communities, LLC Employees Savings Trust performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Island Palm Communities, LLC Employees Savings Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Island Palm Communities, LLC Employees Savings Trust's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Island Palm Communities, LLC Employees Savings Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Island Palm Communities, LLC Employees Savings Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required By ERISA

The supplemental schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ISLAND PALM COMMUNITIES, LLC EMPLOYEES SAVINGS TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE A - DESCRIPTION OF PLAN

The following description of the Island Palm Communities, LLC Employees Savings Trust (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

- (1) **General** - The Plan is a defined contribution plan covering substantially all employees of Island Palm Communities, LLC (Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and commenced January 1, 2008.
- (2) **Participation** - Employees become eligible to enter the Plan immediately upon date of hire.
- (3) **Contributions** - Each year, participants may elect to contribute a portion of their compensation, subject to certain limitations imposed by Section 402(g) of the Internal Revenue Code (IRC). At the discretion of the Plan Administrator, participants may be permitted to deposit or rollover into the Plan distributions they have received from other plans and certain Individual Retirement Accounts (IRAs).

Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute rollover amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan has an automatic enrollment provision (3% salary deferral with 1% increases each year until reaching a maximum of 5%) whereby employees must elect out of the Plan if they do not wish to participate. The Company has elected to operate the Plan as a safe harbor 401(k) plan, which makes the plan exempt from certain compliance testing requirements.

The Company makes a safe harbor matching contribution of 100% of the participant's deferral up to 3% plus 50% of deferrals from the next 2% of compensation, made each payroll period.

- (4) **Participant accounts** - Each participant's account is credited with the participant's contributions and the Company's matching contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- (5) **Vesting** - Participants are immediately vested in their contributions, as well as all Company contributions, plus actual earnings or less actual losses thereon.

NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE A - DESCRIPTION OF PLAN (Continued)

- (6) **Notes receivable from participants** - Participants may borrow from their fund accounts a minimum of \$500 up to a maximum of the lesser of \$50,000, reduced by their outstanding notes receivable balance, if any, or 50% of their vested account balance.

The total amount of such notes receivable made to a participant is secured by the participant's vested interest in the Plan. Notes receivable from participants, other than those executed for the purpose of acquiring a personal residence, may not have a term in excess of five years.

If the note receivable proceeds are used to acquire a personal residence, the note receivable term cannot be in excess of 30 years. Notes receivable from participants at December 31, 2024 bear interest ranging from 4.25% to 9.50% and mature between January 2025 and September 2053. Principal and interest is paid ratably through payroll deductions.

- (7) **Payment of benefits** - On termination of service due to death, permanent disability, retirement, or other termination of employment with the Company, the participant is immediately entitled to a lump-sum distribution equal to the value of the participant's vested balance of his or her account. If a participant's vested interest does not exceed \$5,000, then the distribution shall be made in the form of a lump-sum payment as soon as practicable.
- (8) **Plan termination** - Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, no further contributions will be made to the Plan, and all amounts credited to participant accounts will continue to be 100% vested.

NOTE B - SIGNIFICANT ACCOUNTING POLICIES

- (1) **Basis of accounting** - The financial statements of the Plan are prepared on the accrual basis of accounting consistent with accounting principles generally accepted in the United States of America (U.S. GAAP).
- (2) **Use of estimates** - The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

ISLAND PALM COMMUNITIES, LLC EMPLOYEES SAVINGS TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE B - SIGNIFICANT ACCOUNTING POLICIES (Continued)

- (3) ***Investment valuation and income recognition*** - Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for a discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.
- (4) ***Notes receivable from participants*** - Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024, or 2023. Delinquent notes receivable from participants are recorded as a distribution on the basis of the terms of the Plan agreement.
- (5) ***Payment of benefits*** - Benefit payments are recorded when paid.
- (6) ***Expenses*** - Certain expenses incurred maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and the payment of benefits are charged directly to the participant's accounts and are included in administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.
- (7) ***Subsequent events*** - Management has evaluated subsequent events through September 22, 2025, the date on which the financial statements were available to be issued. There were no subsequent events that required adjustment of or disclosure in the financial statements.

NOTE C - INFORMATION PREPARED AND CERTIFIED BY INSURANCE COMPANY

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, dividends, interest and interest income on notes receivable from participants for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company for the year ended December 31, 2024 and by Transamerica for the year ended December 31, 2023.

ISLAND PALM COMMUNITIES, LLC EMPLOYEES SAVINGS TRUST
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE D - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities that the Plan can access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correction or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds: Valued at daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trust funds: Common collective trust funds are valued at the NAV of units held by the Plan at year end. The NAV is determined by the custodian of the fund and is based upon the fair value of the underlying assets held by the fund. NAV is used as a practical expedient to estimate fair value. There are no participant redemption restrictions for these investments, the redemption notice period is applicable only to the Plan.

NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

Pooled separate accounts: These investments are valued using the NAV of units held by the Plan at year end as provided by Transamerica. The NAV is determined by Transamerica and is based upon the fair value of the underlying assets held by the fund. The NAV is used as a practical expedient to estimate fair value. There are no participant redemption restrictions for these investments, the redemption notice period is applicable only to the Plan.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024.

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

NOTE E - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan previously held a traditional fully benefit-responsive guaranteed investment contract with Transamerica totaling \$2,948,286 as of December 31, 2023, respectively. Transamerica maintained the contributions in a general account. The account was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer was contractually obligated to repay the principal and a specified interest rate that was guaranteed to the Plan.

NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE E - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT (Continued)

The crediting rate was based on a formula established by the contract issuer with no minimum guaranteed interest rate. The crediting rate was reviewed on a quarterly basis for resetting. The guaranteed investment contract did not permit the insurance company to terminate the agreement prior to the scheduled maturity date. The crediting rate as of December 31, 2023 was 0.75%.

This contract met the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Transamerica, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

NOTE F - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments held as of December 31, 2023 were shares of pooled separate accounts managed by Transamerica. ADP and Transamerica are the current and former record-keepers for the Plan. Investment advisory services are provided to the Plan by Merrill Lynch Life Agency, Inc. (Merrill Lynch). Accordingly, these transactions qualify as party-in-interest transactions. Fees incurred and paid directly by the Plan to ADP were approximately \$15,500 for the year ended December 31, 2024. Fees incurred and paid directly by the Plan to Transamerica were approximately \$4,300 and \$64,700 for the years ended December 31, 2024 and 2023, respectively. Fees incurred and paid directly by the Plan to Merrill Lynch were approximately \$36,900 and \$46,300 for the years ended December 31, 2024 and 2023, respectively.

NOTE G - TAX STATUS

Effective January 1, 2024, the Plan adopted an ADP Non-Standardized Defined Contribution Pre-Approved Plan. ADP, LLC received an opinion letter from the Internal Revenue Service dated October 6, 2020 specifying the form of the adoption agreement and that the basic plan document satisfied, as of the date of the opinion letter, IRC Section 401.

Effective February 16, 2022, the Plan had previously adopted a Transamerica Retirement Solutions LLC Non-Standardized Pre-Approved Profit Sharing/401(k) Plan. Transamerica Retirement Solutions LLC received an opinion letter from the Internal Revenue Service dated June 30, 2020 specifying the form of the Adoption Agreements and that the basic plan document satisfied, as of the date of the opinion letter, IRC Section 401.

The Plan administrator and the Plan's tax counsel believe that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and that the related trust is tax-exempt.

NOTE H - RISKS AND UNCERTAINTIES

The Plan invests in various investments. These investments are exposed to various risks, such as interest rate, market, and credit risks. Because of the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
