DECEMBER 31, 2024 AND 2023

INDEPENDENT AUDITOR'S REPORT

Retirement Plan Committee
Palo Alto Foundation Medical
Group, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Palo Alto Foundation Medical Group, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and

401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the Palo Alto Foundation Medical Group, Inc. 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document and amendments for more specific provisions.

A. General

The Plan is a defined contribution plan established January 1, 2008 to provide retirement benefits to eligible employees of Palo Alto Foundation Medical Group, Inc. ("PAFMG" or the "Company"). The plan administrator believes the Plan is designed and operated in compliance with applicable requirements of the Internal Revenue Code (the "Code") and provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. The Plan was last restated effective January 1, 2022.

B. Administration

PAFMG appointed a Retirement Plan Committee (the "Committee") to manage the operation and administration of the Plan. The Committee designated Fidelity Management Trust Company ("Fidelity") to serve as directed trustee and third-party administrator of the Plan.

C. Expenses

Investment fund operating expenses are incurred directly by the funds and are factored into each fund as a reduction in investment return. Certain investment management and participant elective transaction fees are charged directly to participants. Other costs of administering the Plan may be paid by PAFMG or the Plan at the discretion of the Committee.

D. Eligibility

Eligible PAFMG employees may make elective contributions on the first day of the month following completion of one hour of service. The Plan entry date for employer non-elective contributions is the January 1st or July 1st coinciding with or next following completion of two years of service.

E. Participant Elective Contributions

Eligible participants may elect to make pre-tax contributions, Roth after-tax contributions or a combination of both to the Plan up to 75% of eligible compensation, not to exceed the maximum amount permitted under provisions of the Code. Participants of age 50 or older may make additional catch-up contributions subject to applicable Code limits. Participants who make pre-tax contributions to the Plan receive an equivalent reduction in taxable compensation.

Participants are also allowed to make rollover contributions of amounts received from other tax-qualified retirement plans. Such contributions are deposited in the appropriate investment funds as directed by participants.

PALO ALTO FOUNDATION MEDICAL GROUP, INC.

401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

F. Company Contributions

The Company is allowed to make discretionary matching and non-elective contributions as provided in the Plan and authorized by the Committee. In 2024, the Company made non-elective contributions ranging from 0.0% to 13.33% of participants' eligible compensation. Advance Practice Clinicians ("APC") may be eligible to receive APC Employer Contributions. APCs are eligible to receive an APC Employer Contribution upon completing one year of service.

G. Participant Accounts

Each participant's account is credited with the participant's elective contributions, rollover contributions, PAFMG contributions and the participant's share of investment income or losses and expenses. Participants may direct their investments among a diversified menu of investments including mutual funds, and common/collective trusts. A participant may also elect to establish a self-directed brokerage account in which he or she may invest in any investment security approved by the Committee. Contributions allocated to participants who decline to make an investment election are invested in the Vanguard Target Retirement Fund appropriate for an individual's age and projected date of retirement.

H. Vesting

Participants are immediately 100% vested in their entire accounts. For APC participants, upon completion of three years of service, the APC participant becomes 100% vested in their APC Employer Contribution account.

I. Notes Receivable from Participants

The Plan allows participants to borrow not less than \$1,000 up to the lesser of \$50,000 or 50% of their account balance. A loan is secured by a participant's account, bears a fixed rate of interest at 1% above the prime rate at loan inception, and must be repaid to the Plan in five years unless the loan is used for the purchase of a principal residence in which case the repayment period may be extended to a maximum of twenty years. Principal and interest are paid ratably through payroll deductions. The specific terms and conditions of participant loans are determined by the plan administrator. Notes receivable from participants at December 31, 2024 carry interest rates ranging from 3.25% to 9.50% with various maturities through November 2044. Notes are measured at their unpaid principal balance plus accrued interest. Delinquent notes are recorded as a distribution based on the terms of the Plan document.

J. Payment of Benefits

Upon termination of service, attainment of age 59½, death, disability or retirement, a participant or beneficiary may maintain his or her account in the Plan or elect to receive benefits in a lump sum or installments. Hardship distributions are permitted under limited circumstances subject to approval of the plan administrator. Benefits are recorded when paid.

PALO ALTO FOUNDATION MEDICAL GROUP, INC.
401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

K. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to provisions of ERISA. The accounts of participants affected by a partial or complete termination of the Plan are non-forfeitable and will be determined as of the termination date.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

B. Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on the trade date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Mutual fund capital gains distributions are included in dividend income. Net appreciation includes gains and losses on investments bought and sold as well as held during the year.

C. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect reported amounts and disclosures. Actual results may differ from those estimates.

D. Risks and Uncertainties

Investments are exposed to various risks including interest rate, market and credit risks. Due to the level of risk associated with investments, it is at least reasonably possible that changes in value of investments will occur in the near term and such changes could materially affect participant accounts and amounts reported in the financial statements.

NOTE 3 - INCOME TAX STATUS

The Plan has been amended since receipt of its latest favorable determination letter from the Internal Revenue Service dated August 17, 2015, stating that the Plan is designed in accordance with applicable requirements of the Code. The plan administrator believes the Plan continues to be designed and operated in compliance with requirements of the Code and related state statutes and the trust, which forms a part of the Plan, is exempt from federal income and state franchise taxes.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 4 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by affiliates of the trustee. Purchases and sales of these funds and payment by the Plan of investment management and administrative costs to Plan service providers are considered party-in-interest transactions under ERISA regulations. Such transactions are permitted under provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 5 - FINANCIAL INFORMATION CERTIFIED BY TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule of assets held at end of year as of December 31, 2024 and 2023, and net appreciation of investments, interest and dividends for the year ended December 31, 2024, was obtained or derived from information provided to the plan administrator and certified as complete and accurate by Fidelity, the trustee.

NOTE 6 - FAIR VALUE MEASUREMENTS

Accounting guidance establishes a hierarchy which prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Under the fair value hierarchy Level 1 inputs are quoted prices for identical securities in an active market. Level 2 inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data. Level 3 inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

Level 1 investments include mutual funds valued at closing market prices of shares held by the Plan and common stock and cash held in self-directed brokerage accounts stated at fair market value based on quoted market prices. Level 2 investments include corporate debt securities, government debt securities and options held in self-directed brokerage accounts valued based on quoted prices for similar assets in an active market. Although the plan administrator believes these valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value could result in a different fair value measurement at the reporting date.

The following tables summarize Plan investments at December 31 based on inputs used to value them:

	2024			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 1,063,536,809	\$ -	\$ -	\$ 1,063,536,809

^A In accordance with ASC 820, investments that are measured at net asset value per share or its equivalent are not classified in the fair value hierarchy. The fair value amounts presented in the foregoing tables are intended to permit reconciliation of the fair value hierarchy to total investments presented in the statements of net assets available for benefits.

NOTE 7 - FAIR VALUE OF INVESTMENTS THAT CALCULATE NET ASSET VALUE

The following table summarizes investments for which fair value is measured using net asset value per share as a practical expedient.

	Fair Value at December 31,		Unfunded	Redemption	Redemption
	2024	2023	Commitments	Frequency	Notice Period

There are no restrictions on participants' ability to redeem investments in the Vanguard Retirement Saving Trust. The redemption notice period applies to plan level redemptions. Each common/collective trust investment maintained by the Plan files a U.S. Department of Labor Form 5500 as a direct filing entity.
