Independent Auditor's Report

Plan Administrator
CSA Dental Care Plan
93 Coley Road
Tupelo, Mississippi

Qualified Opinion

We have audited the accompanying financial statements of the CSA Dental Care Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits – modified cash basis as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits – modified cash basis for the years then ended, and the related notes to the financial statements.

In our opinion, except for the possible effects of the matters discussed in the Basis for Qualified Opinion section of our report, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits - modified cash basis of the CSA Dental Care Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits – modified cash basis for the years then ended in accordance with the modified cash basis of accounting described in Note 2.

Basis for Qualified Opinion

The Company's financial statements do not disclose the Plan's benefit obligation information. In our opinion, disclosure of that information is required by the modified cash basis of accounting.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of CSA Dental Care Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management is responsible for the evaluation of whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern in accordance with the modified cash basis of accounting.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue and auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CSA Dental Care Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CSA Dental Care Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) – modified cash basis is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule – modified cash basis, we evaluated whether the supplemental schedule – modified cash basis, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, except for the possible effects of the matters described in the Basis for Qualified Opinion section of the report, the information in the accompanying schedule – modified cash basis is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Sincerely,

ATA, PC

NOTE 1: DESCRIPTION OF PLAN

The following description of the CSA Dental Care Plan ("Plan") provides only general information about the Plan's provisions. Participants should refer to the Plan Agreement for a more complete description of the plan's provisions.

A. General

The Plan is a multiple employer plan providing dental benefits to eligible employees, eligible retirees and their eligible dependents of the participating employers and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan was initiated on January 1, 2016.

B. Eligible Employee

To be eligible an employee must be regularly scheduled to work 30 hours a week. Eligible retirees are those who, on his/her date of retirement, (1) have reached his/her 50th birthday and completed 15 or more years of full-time employment with the employer; or (2) meets the early retirement provision of his employer's pension plan. Eligible retirees shall also include a retired board member of the employer who, on his/her date of retirement, has reached his/her 50th birthday and completed 15 or more years of service with the employer.

C. Eligible Dependent

Eligible dependents include the employee's spouse, an unmarried or married child under age 26 and children over age 26 who meet certain requirements related to physical or mental handicaps.

D. Plan Entry

If the employee's hire date is between 1st and 15th day of the month, they are enrolled the first day of the following month. If their hire date is the 16th through end of month, they become eligible the first day of the second month after their hire date.

E. Dental Benefits

The deductible is $50, per participant, per lifetime. The dental benefit percentages and maximums are as follows:

	PERCENTAGE PAYABLE		
BENEFIT DESCRIPTION	**1ST YEAR OF COVERAGE**	**EACH YEAR THEREAFTER**	**MAXIMUM BENEFIT**
Type I – Preventative	100% after deductible	100% after deductible	$1,500 calendar year maximum
Type II – Basic Restorative	80% after deductible	80% after deductible	for Types I, II and III combined.
Type III – Major Restorative	10% after deductible	50% after deductible	
Type IV – Orthodontics	10% after deductible	50% after deductible	$1,000 Lifetime Maximum

The coinsurance percentages are applied after the deductible has been subtracted from the total claim amount.

F. Payments of Benefits

A claim must be received by Gilsbar, LLC, the Plan third party administrator, no later than 90 days after the date the expense is incurred unless the plan administrator determines there was a reasonable cause for the delay. Benefits for covered expenses may be assigned by a participant to the provider; however, if those benefits are paid directly to the participant, the Plan will have fulfilled its obligations with respect to such benefits.

G. Contributions

Contribution rates per employee for the Plan are listed below. These are the same rates that were used by the previous fully insured dental plan. At this time no actuarial study has been done regarding the rates used by the Plan. Some participating employers require the participants to share in the rates for coverage while other participating employers do not require any contributions from their participants.

Option 1		
Employee	$	33.78
Employee and spouse	$	76.35
Employee and children	$	78.71
Family	$	128.99
Option 2		
Employee	$	23.36
Employee and spouse	$	52.79
Employee and children	$	54.43
Family	$	89.19

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements have been prepared on the modified cash basis of accounting, which is not in accordance with accounting principles generally accepted in the United States of America but is an acceptable alternative method under regulations issued by the Department of Labor. Contributions are recorded when received and interest is recorded when credited to the Plan. Claims payments and administrative expenses are recorded when paid.

B. Use of Estimates

The preparation of financial statements on the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

C. Income Recognition

Interest income is recorded when deposited into the bank account.

D. Payment of Benefits

Benefits are recorded when paid.

E. Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan from Plan assets, unless otherwise paid by the Sponsor. Expenses that are paid by the Sponsor are excluded from these financial statements.

F. Subsequent Events

The Plan has evaluated subsequent events through October 7, 2025, the date the financial statements were available to be issued.

NOTE 3 – PLAN TERMINATION

Although it has no present intention to do so, the Plan sponsor has reserved the right to amend or even terminate the Plan. If following a complete termination of the Plan and payment of all liabilities, there are assets in the Trust, the trustees, at their discretion, may apply the assets to the cost of any successor accident, sickness or health care plan adopted for the benefit of the current participants, return the assets to the participants in a manner that is reasonable or return the assets to participating employers. A participating employer may elect to withdraw from the plan and related trust by notifying the Plan trustees in writing of their intent to terminate participation in the plan and upon payment in full of contributions due through the date of termination.

NOTE 4 - TAX STATUS

The trust is intended to be a taxable trust as contemplated by Section 419(e)(3)(B) of the Internal Revenue Code, and as such is subject to the requirements of Parts 1 and 4 of Subtitle B, Title I of the Employee Retirement Security Act of 1974 (ERISA). For the years ended December 31, 2024, and 2023 no federal or state income taxes have been recorded.

NOTE 5 – CASH EQUIVALENTS

The Plan has a certificate of deposit with BankPlus. The certificate of deposit was renewed on August 18, 2025 and matures on June 18, 2026 and bears interest at 4.04 percent. The certificate of deposit automatically renews at that date unless the Plan elects to withdrawal the funds by a date shortly after the maturity date. The balance of the certificate of deposit was $218,677 and $213,334 on December 31, 2024 and 2023 respectively.

The Plan also had interest-bearing cash accounts in the amount of $72,749 and $96,899 on December 31, 2024 and 2023 respectively. The interest rate for this interest-bearing cash account was 3.98 percent and 4.07 percent on December 31, 2024 and 2023, respectively.

NOTE 6- CONCENTRATIONS OF CREDIT RISK ARISING FROM CASH DEPOSITS IN EXCESS OF INSURANCE LIMITS

The Plan maintains its cash balances in one financial institution located in Tupelo, Mississippi. The balances are insured by the Federal Deposit Insurance Corporation up to $250,000. As of December 31, 2024 and 2023, the Plan’s cash balances were less than that amount. The Plan has a certificate of deposit at a separate financial institution that is less than $250,000.
