Voluntary Investment Pretax Plan for the

Greensboro, North Carolina

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements

We have performed an audit of the accompanying financial statements of Voluntary Pretax Plan for the Volvo Group North America Union Employees (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Benefit Plans Committee
Voluntary Investment Pretax Plan for the
Volvo Group North America Union Employees

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Voluntary Pretax Plan for the Volvo Group North America Union Employees and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Voluntary Pretax Plan for the Volvo Group North America Union Employees' ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Benefit Plans Committee
Voluntary Investment Pretax Plan for the
Volvo Group North America Union Employees

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Voluntary Pretax Plan for the Volvo Group North America Union Employees' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Voluntary Pretax Plan for the Volvo Group North America Union Employees' ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

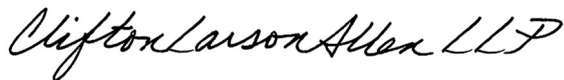

Benefit Plans Committee
Voluntary Investment Pretax Plan for the
Volvo Group North America Union Employees

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. **VOLUNTARY INVESTMENT PRETAX PLAN FOR THE
VOLVO GROUP NORTH AMERICA UNION EMPLOYEES
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 1 DESCRIPTION OF PLAN

The following description of the Voluntary Investment Pretax Plan for the Volvo Group North America Union Employees (the Plan) is provided for general information only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by Volvo Group North America, LLC (the Company) originally effective June 1, 1994. The Plan has been amended throughout the years to comply with tax legislation and was most recently restated effective January 1, 2014, and most recently amended December 21, 2021. All employees who are members of International Union, United Automobile, Aerospace and Agricultural Implement Workers of America Local 2069 (the Union), and are regularly employed by the Company are eligible to participate in the Plan. The Plan is administered by the Company and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Benefit Plans Committee is responsible for the oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Benefit Plans Committee.

Contributions

Each year, participants may contribute from 1% to 75% of their pretax annual compensation subject to certain limitations. Participants age 50 or older are allowed to make catch-up contributions. Competitive employees are automatically entered into the Plan 30 days after becoming eligible with a 3% deferral contribution rate if they do not affirmatively elect either to contribute an amount other than 3% or to opt out of the Plan. Effective July 19, 2021, an eligible employee who is not accruing benefits under the Volvo Group North America New River Valley Pension Plan will be automatically enrolled in the Plan.

Effective January 1, 2022, and each January 1 thereafter, each participant who is subject to automatic enrollment shall have their deferral rate increased by 1% until such rate reaches 6%.

For competitive employees hired on or after January 1, 2000, the Company made nonelective contributions of 2% of eligible compensation and matching contributions equal to 60% of the eligible participants' elective deferral contributions not to exceed 6% of total eligible compensation.

Effective January 1, 2022, an eligible participant who is not accruing benefits under the Volvo Group North America New River Valley Pension Plan will receive a Company nonelective contribution of 3% of compensation. Effective January 1, 2024, the Company nonelective contribution rate for this group of participants increased to 4% of compensation.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of contributions into various investment options offered by the Plan. Contributions are subject to Internal Revenue Service (IRS) limitations.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Subject to certain eligibility requirements outlined in the Plan document, participant accounts are credited with the participant's contributions and the Company's contributions. Participant accounts are also credited with an allocation of Plan earnings and charged with an allocation of administrative expenses based on participant earnings or account balances, or participant transactions, as defined. The benefit to which a participant is entitled to is the benefit that can be provided by the participant's vested account.

Participants Vesting

Participants are immediately vested in their deferral and rollover contributions plus actual earnings thereon. Salaried union employees are fully vested in profit sharing contributions contributed to their account for Plan years beginning on or after January 1, 2004. Participants who are nonsalaried employees shall be fully vested in the Company's profit sharing contributions received into their account. For all other Company contributions to this Plan (nonelective and matching), participants vest at a rate of 20% per year and are fully vested after five years of credited service.

If a participant transfers Company contributions from another plan to this Plan, vesting on these Company contributions would be based on their years of credited service. A participant would be 100% vested in these transferred Company contributions plus actual earnings thereon after five years of credited service.

Notwithstanding the above, a participant is fully vested upon reaching normal retirement age, upon death or upon permanent disability.

Master Trust

Volvo Group North America, LLC (VGNA) has established Volvo Group North America, LLC Target Retirement Fund Trust (the Master Trust) for the Plan and other retirement plans of affiliates of VGNA. The purpose of the Master Trust is to pool investment transactions and achieve uniform rates of return on comparable funds under all the affiliated plans. The Plan deposits funds in the Master Trust and owns an undivided interest in the net assets of the Master Trust.

Notes Receivable from Participants

Participants may borrow from their accounts at a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Note terms range up to five years or longer for the purchase of a principal residence. Notes are secured by the balance in the participant's account and bear interest at market rates. Principal and interest are paid ratably through payroll deductions.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Benefit Payments

Employees may elect to receive the value of their account as a lump sum distribution upon termination, retirement, death, or disability, or they may elect to receive their benefits payable in quarterly, semiannual, or annual installments of substantially equal amounts over a certain period of years. The Plan also allows for in-service distributions or withdrawals in the case of financial hardship subject to certain restrictions.

Forfeited Accounts

Forfeited nonvested accounts are used to reduce Company contributions. Forfeited nonvested accounts as of December 31, 2024 and 2023 totaled approximately \$349,400 and \$101,400, respectively. Forfeitures used to reduce Company contributions totaled approximately \$269,100 for the year ended December 31, 2024.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note 5 for discussion of fair value measurements.

The Plan's investment in the Master Trust represents the fair value of the Plan's proportionate share of the underlying net assets of the Master Trust. The pro rata share of investment income represents the Plan's proportionate share of total investment income of the Master Trust. Investment income includes recognition and allocation of interest income, dividend income, and realized and unrealized gains and losses, based upon each participating plan's share of the underlying net assets.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

VOLVO GROUP NORTH AMERICA UNION EMPLOYEES
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Master Trust Investment Fund

The value of the Plan's interest in the Master Trust is based on the beginning of year value of the Plan's interest in the trust plus actual contributions and allocated investment income less actual distributions and allocated administrative expenses. Investment income and administrative expenses relating to the Master Trust are allocated to individual plans based upon the amount of time the Plan's assets were invested in the Master Trust.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. Delinquent notes receivable are recorded as distributions on the basis of the terms of the Plan document.

Benefit Payments

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

The Plan's expenses are paid by either the Plan or the Company, as provided by the Plan document. Expenses paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation of fair value of investment presented in the accompanying statement of changes in net assets available for benefits.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

Subsequent Events

The Plan has evaluated subsequent events through September 8, 2025, the date the financial statements were available to be issued.

NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION

State Street Bank and Trust Company, the trustee of the Plan through August 31, 2024, has supplied the Plan administrator with a certification as to the completeness and accuracy of notes receivable from participants and investment information reflected on the accompanying statement of net assets available for benefits as of December 31, 2023, and the related investment activity reflected in the statement of changes in net assets available for benefits for the period from January 1, 2024 through August 31, 2024.

Empower Trust Company, LLC, the trustee of the Plan effective September 1, 2024, has supplied the Plan administrator with a certification as to the completeness and accuracy of notes receivable from participants and investment information reflected on the accompanying statement of net assets available for benefits as of December 31, 2024, the schedule of assets (held at end of year) as of December 31, 2024, and the related investment activity reflected in the statement of changes in net assets available for benefits for the period from September 1, 2024 through December 31, 2024.

NOTE 4 INVESTMENT IN MASTER TRUST

The Plan and certain other employee benefit plans of AB Volvo participate in a Master Trust. The following is a summary of investments, other assets, and liabilities, at fair value, in the Master Trust and the Plan's proportionate interest in the Master Trust as of December 31, 2024 and 2023. The Master Trust was certified as complete and accurate by Transamerica Trust Company (Master Trust) and State Street Bank and Trust Company (Plan's Interest in Master Trust) through August 31, 2024, and Empower Trust Company, LLC for the period from September 1, 2024 through December 31, 2024, as furnished to the Plan administrator:

	Master Trust 2024	Plan's Interest in Master Trust 2024	Master Trust 2023	Plan's Interest in Master Trust 2023
Investments				
Common Collective Trusts	\$ 923,548,320	\$ 73,430,139	\$ 781,605,406	\$ 60,220,887
Other Assets (Liabilities)				
Pending Trades	-	-	719,283	55,421
Total Assets	<u>\$ 923,548,320</u>	<u>\$ 73,430,139</u>	<u>\$ 782,324,689</u>	<u>\$ 60,276,308</u>

Unaudited investment income of the Master Trust is as follows for the year ended December 31, 2024:

	Amount
Net Appreciation in Fair Value	\$ 92,578,717

NOTE 5 FAIR VALUE OF INVESTMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2024 and 2023.

Collective Trust Funds – Valued at the NAV of units of the bank collective trust. NAV is a readily determinable fair value and is the basis for current transactions. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Master Trust

Following is a description of the valuation methodology used for investments in the Plan's interest in the Master Trust. There has been no change in the valuation methodology used at December 31, 2024 and 2023.

Master Trust: The Master Trust consists of collective trust funds that are valued at NAV on the basis of readily determinable market prices as described above.

The following tables set forth by level, within the fair value hierarchy, the Master Trust's assets at fair value as of December 31:

	2024

**VOLUNTARY INVESTMENT PRETAX PLAN FOR THE
VOLVO GROUP NORTH AMERICA UNION EMPLOYEES
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE 6 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan, with the consent of the Union, to terminate the Plan subject to the provisions in and of ERISA. In the event of a Plan termination, participants will become 100% vested in their accounts and the funds may be distributed or rolled into a new plan. Participants should refer to the Plan document for a more complete description of Plan termination policies.

NOTE 8 PLAN TAX STATUS

The Plan is placing reliance on a determination letter dated October 2, 2014, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 PARTY-IN-INTEREST TRANSACTIONS

Plan investments are managed by Empower Trust, Transamerica Retirement Solutions, and State Street Bank and Trust Company, the trustees and former trustees, respectively, as defined by the Plan, and therefore, the investment transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of the investment as they are paid through revenue sharing, rather than a direct payment. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

**VOLUNTARY INVESTMENT PRETAX PLAN FOR THE
VOLVO GROUP NORTH AMERICA UNION EMPLOYEES

NOTE 10 TRANSFERS WITH OTHER PLANS

Certain employees participating in retirement plans sponsored by subsidiaries of AB Volvo may transfer their employment from one subsidiary to another. Upon transferring employment, their retirement plan balances may also be transferred to a related subsidiary's plan. These transfers between plans are included in net transfers from (to) affiliated plans on the statement of changes in net assets available for benefits.

NOTE 11 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
