## Independent Auditors' Report

To the Participants and Plan Administrator of the  
Gross Polowy, LLC - 401(k) Plan  
Williamsville, New York

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the accompanying financial statements of the Gross Polowy, LLC - 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statement or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statement or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, are complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

- the information in the financial statements referred to above related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan’s transactions that are presented and disclosed in the financial statements are in conformity with the plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors’ Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve

collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Supplemental Schedules Required by ERISA***

The supplemental schedules of Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions as of December 31, 2024 are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# Gross Polowy, LLC 401(k) Plan

## *Notes to Financial Statements*

### 1. Description of Plan

The following description of the Gross Polowy, LLC 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and the Internal Revenue Code (the “Code”).

**General** – The Plan is a defined contribution profit-sharing and safe-harbor plan sponsored by Gross Polowy, LLC (the “Plan Sponsor”). Employees are eligible to participate in the Plan after completing six months of service and attaining age 21. A year of service is defined as 1,000 hours of service. Employees covered by a collective bargaining agreement, leased employees, or nonresident aliens are excluded from eligibility.

The Plan, established effective September 1, 2014, was subsequently amended and restated most recently on July 1, 2021 to transfer the responsibility of holding the Plan’s investments and executing investment transactions to Fidelity Management Trust Company as the Trustee (“Fidelity” or the “Trustee”) and to implement the standard provisions of the Setting Every Community Up for Retirement Enhancement (“SECURE”) Act of 2019, which had various retroactive effective dates.

**Contributions** – The Plan allows each participant the option of making pre-tax and post-tax (“Roth”) contributions to the Plan between 0% and 100% of their compensation, subject to certain limits imposed by the Code. Additionally, participants age 50 or older may elect to make a catch-up contribution subject to certain limits imposed by the Code. The Plan allows for the Plan Sponsor to make a safe-harbor matching contribution in an amount determined on an annual basis. For the years ended December 31, 2024 and 2023, the Plan Sponsor made a safe-harbor matching contribution equal to 100% of each participant’s contributions (including catch-up contributions) up to 3% of compensation, plus 50% of each participant’s contributions between 3% and 5% of compensation.

The Plan also allows the Plan Sponsor to make additional discretionary contributions to the Plan. In order to receive Plan Sponsor discretionary contributions, participants must be actively employed by the Plan Sponsor on the last day of the Plan year. There were no additional discretionary contributions made by the Plan Sponsor for the years ended December 31, 2024 and 2023.

Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (i.e., rollovers). Rollover contributions totaled \$5,970 and \$25,284 for the years ended December 31, 2024 and 2023, respectively.

**Participant Accounts** – Individual accounts are maintained for each Plan participant. Participant accounts are increased by participant contributions, Plan Sponsor contributions and the participant’s share of Plan earnings. Participant accounts are decreased by participant

distributions and the participant's share of Plan expenses and losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

***Vesting*** – Participants are immediately vested in their salary-deferral and safe-harbor matching contributions and actual earnings thereon. For the years ended December 31, 2024 and 2023, participants become vested in any discretionary employer contributions based on a six-year graded vesting schedule.

***Forfeitures*** – Forfeitures resulting from non-vested Plan Sponsor discretionary contributions may be used to pay Plan expenses or reduce Plan Sponsor's matching contributions. The forfeitures balances as of December 31, 2024 and 2023 were \$98 and \$952, respectively. Forfeitures applied against safe-harbor matching contributions for the year ended December 31, 2024 was \$12,356. There were no forfeitures applied for the year ended December 31, 2023.

***Payment of Benefits and Withdrawals*** – Upon termination of service for any reason, a participant may elect to receive a lump-sum distribution or direct rollover into an Individual Retirement Account or Annuity, in an amount equal to the vested balance of their account. The Plan permits in-service distributions for participants depending on specific age requirements and financial hardships, as defined in the Plan document.

***Participant Notes Receivable*** – In accordance with Plan provisions, participants are permitted to borrow a minimum of \$1,000, up to a maximum amount equal to the lesser of 50% of the participant's vested account balance, or \$50,000, reduced by the highest outstanding balance during the prior 12-month period. The notes are secured by a percentage of the borrowing participant's vested account balance. All such notes bear interest at a rate determined by the Plan Administrator. Repayment terms may not exceed five years, with the exception of a note used to purchase a primary residence, in which case repayment terms may be extended by the Plan Administrator. Notes receivable from participants are valued at the unpaid principal balance plus any unpaid accrued interest. Principal and interest is paid ratably through each payroll deduction. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

***Excess Contributions Payable*** – Amounts payable to the Plan Sponsor for contributions in excess of amounts deducted from participant's wages are recorded as accounts payable, with a corresponding reduction to 2023 participant contributions. Participant contributions were reduced by \$55,447 for the year ended December 31, 2023. There were no excess contributions for the year ended December 31, 2024.

# **Gross Polowy, LLC 401(k) Plan**

## ***Notes to Financial Statements (continued)***

### **1. Description of the Plan (continued)**

***Income Taxes*** – The Plan Sponsor obtained a letter June 30, 2020, in which the Internal Revenue Service (“IRS”) stated that the prototype plan is qualified under Section 401 of the Code. The Plan has been amended subsequent to the IRS determination letter. However, the Plan Administrator believes that the Plan is operating in compliance with the requirements of the Code. Accordingly, no provision for income taxes has been included in the accompanying financial statements.

***Plan Termination*** – Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

### **2. Summary of Significant Accounting Policies**

***Basis of Accounting*** – The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

***Investment Valuation and Income Recognition*** – The Plan’s investments are stated at fair value, as determined by Fidelity Management Trust Company (“Fidelity”). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan’s investment in mutual funds and money market funds are valued at the unit value based on the fair value of the underlying mutual funds at year end.

The Plan presents the net appreciation in the fair value of its investments in the statements of changes in net assets available for benefits, which consists of the realized gains and losses and the unrealized appreciation and depreciation of those investments. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Acquisition costs are included in the cost of investments purchased, and sales are recorded net of selling expenses.

***Benefit Payments*** – Benefits are recorded when paid.

***Administrative Expenses*** – Accounting and administrative expenses, as well as expenses relating to investment activity, are paid by the Plan Sponsor.

**Gross Polowy, LLC 401(k) Plan**  
*Notes to Financial Statements (continued)*

**2. Summary of Significant Accounting Policies (continued)**

***Party-in-Interest Transactions*** – All of the Plan’s investments are in mutual funds and a money market fund managed by Fidelity as of and for the years ended December 31, 2024 and 2023. Fidelity is the Trustee as defined by the Plan. Transactions involving Fidelity qualify as party-in-interest transactions.

***Risks and Uncertainties*** – Investments are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in risks in the values of investments will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

***Use of Estimates*** – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

***Subsequent Events*** – The Plan has evaluated subsequent events, for recognition or disclosure, through October 3, 2025, the date the financial statements were available to be issued and determined that no additional recognition or disclosure was required.

**3. Information Certified by the Trustee (Unaudited)**

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Trustee and former Custodian have certified that the following data included in the accompanying financial statements and supplementary information is complete and accurate:

	2024	2023
Mutual funds	\$ 5,496,241	\$ 4,707,041
Money market funds	33,596	33,527
	5,529,837	4,740,568
Notes receivable from participants	138,834	34,344
	\$ 5,668,671	\$ 4,774,912

## **Gross Polowy, LLC 401(k) Plan** *Notes to Financial Statements (continued)*

### **3. Information Certified by the Trustee (Unaudited) (continued)**

The Trustee also certified net appreciation in fair value of investments of \$6628,491 and \$647,688 and interest and dividends from investments of \$137,406 and \$94,254 for the years ended December 31, 2024 and 2023, respectively.

### **4. Fair-Value Measurements**

The framework for measuring fair value provide a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities

(Level 1 measurements) the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair-value hierarchy are described below:

- **Level 1** – Unadjusted quoted prices in active markets for identical, unrestricted assets or liabilities that are accessible at the measurement date. All assets held by the Plan utilize Level 1 inputs as their primary measure of fair value as of December 31, 2024 and 2023.
- **Level 2** – Quoted prices for similar assets or liabilities in active markets or quoted prices for identical or similar assets or liabilities in markets that are not active. This level also includes inputs other than quoted prices that are observable, either directly or indirectly, for substantially the full term through corroboration with observable, independent market data. This includes investments valued at quoted prices adjusted for legal or contractual restrictions specific to the security. There are no assets held by the Plan that utilized Level 2 inputs as its primary measure of fair value as of December 31, 2024 and 2023.
- **Level 3** – Pricing inputs are unobservable for the asset or liability. That is, inputs that reflect the reporting entity's own assumptions about the assumptions that market participants would use in pricing the asset or liability. There are no assets held by the Plan that utilized Level 3 inputs as its primary measure of fair value as of December 31, 2024 and 2023.

The asset or liability's fair-value measurement level within the fair-value hierarchy is based on the lowest level of any input that is significant to the fair-value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

As of December 31, 2024, the mutual funds held by the Plan were valued based at the daily closing price as reported by the funds and were deemed to be actively traded. These funds were required to publish daily net asset value and transact at that price.
