INDEPENDENT AUDITORS' REPORT

Board of Trustees
ICI Benefits Consortium Health Plan
Indianapolis, Indiana

Opinion

We have audited the accompanying financial statements of **ICI Benefits Consortium Health Plan** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of **ICI Benefits Consortium Health Plan** as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **ICI Benefits Consortium Health Plan** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **ICI Benefits Consortium Health Plan's** ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

INDEPENDENT AUDITORS' REPORT - CONTINUED

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **ICI Benefits Consortium Health Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the **ICI Benefits Consortium Health Plan's** ability to continue as a going concern for a reasonable period of time.

INDEPENDENT AUDITORS' REPORT - CONTINUED

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets (Held at End of Year) on page 12 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ICI BENEFITS CONSORTIUM HEALTH PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of the **ICI Benefits Consortium Health Plan** (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General - The Plan provides health and other benefits covering all eligible employees of participating private colleges and universities located in the State of Indiana (Employers). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees of the ICI Benefits Consortium oversees governance of the Plan.

Contributions - Employers and participating employees are required to make monthly contributions to the Plan based on established rates for elected coverage. Contribution rates are determined annually by the Board of Trustees.

Benefits - The Plan provides health benefits (medical and prescription drugs) for employees of the Employers and their eligible dependents, which are self-insured. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Stop Loss Coverage - The Plan has entered into a stop loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims). Premiums for stop loss insurance are included in the accompanying statements of changes in net assets available for benefits. The Plan recognized \$2,194,275 and \$1,358,703 of stop loss reimbursements during the years ended December 31, 2024 and 2023 which have been netted against benefit expenses on the statements of changes in net assets available for benefits.

Self-insured Benefits - The claims for self-insured benefits are processed by the Plan's third-party claims processors under administrative services only (ASO) arrangements. The prescription claims processor pays claims directly on behalf of participants and is then reimbursed by the Plan. Despite the Plan's utilization of third-party processors, ultimate responsibility for payments to providers and participants is retained by the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Financial Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's Administrator to make estimates and assumptions that affect the reported amounts of net assets, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. Interest income is recorded on the accrual basis.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Concentrations - Financial instruments that potentially subject the Plan to credit risk consist principally of cash. At December 31, 2024 and 2023, the recorded amount of the Plan's deposits were \$508,669 and \$1,626,506. At December 31, 2024 and 2023, the bank balance of these deposits were \$888,300 and \$1,653,507. At December 31, 2024, \$569,502 of the Plan's bank balances were insured by the FDIC. Uninsured amounts were \$318,798 at December 31, 2024. At December 31, 2023, \$217,251 of the Plan's bank balances were insured by the FDIC, and \$1,436,256 at December 31, 2023 were collateralized by repurchase agreements with a financial institution.

The Plan's investments in money market funds are not insured by the FDIC and are subject to custodial risk. The Plan's U.S. Treasury bills are guaranteed by the United States government.

The Plan had six and five members at December 31, 2024 and 2023. One member left the Plan effective January 1, 2025. Member premium assessments from one member accounted for 44% and 43% of the total member premium assessments for 2024 and 2023.

Stop Loss and Rebates Receivable - Stop loss receivables represent amounts due to the Plan from its reinsurance carrier for reimbursement of claims paid that exceed the stop loss limit. Rebate receivables represent prescription rebates for prior claims paid.

Payment of Benefits - Claim payments are recorded when paid and are reflected in the accompanying statements of changes in net assets available for benefits.

Administrative Expenses - Plan expenses are paid by the Plan, as provided by the Plan document. Expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits.

Actuarial Present Value of Benefit Obligations - Plan obligations at December 31 for medical and prescription claims incurred by active participants, but not reported at December 31, are estimated by the Plan's actuary in accordance with accepted actuarial principles. The actuarial present value of claims incurred but not reported (IBNR) is based on past paid claims data in order to develop an estimate of the percentage unpaid. Such estimated amounts are reported in Notes 4 and 5 at present value.

The foregoing assumptions are based on the presumption that the Plan will continue. Were the Plan to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of the benefit obligation.

Subsequent Events - In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through April 3, 2025, the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS

NOTE 3 - FAIR VALUE MEASUREMENTS

Accounting standards provide a framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under the accounting standards are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs, and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Money market fund: The carrying value approximates fair value.

U.S. Treasury bills: Fair values for U.S. Treasury bills are determined by reference to yield curves and quoted market prices for similar securities.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

ICI BENEFITS CONSORTIUM HEALTH PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

As described in Note 2, the Plan paid certain expenses related to Plan operations to various service providers. These transactions are party-in-interest transactions under ERISA.

NOTE 7 - PLAN TERMINATION

Although the Employers have not expressed any intention to do so, they have the right to discontinue participation in the Plan subject to provisions set forth in the Plan Participation Agreement, Consortium Agreement, and ERISA. In the event the Plan is terminated, the net assets of the Plan must first be distributed to pay claims of participants of the Plan. Remaining funds, if any, shall be distributed to the participating employers in a manner consistent with Section 501(c)(9) of the Internal Revenue Code, on a prorated basis, consistent with its contributions to the Plan.

NOTE 8 - TAX STATUS

The Trust established under the Plan to hold the Plan's assets is intended to qualify pursuant to Section 501(c)(9) of the Internal Revenue Code. The Trust has obtained a favorable tax determination letter from the Internal Revenue Service, and the Plan Sponsor believes that the Trust continues to qualify and to operate in accordance with applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. Based on the results of the Plan Administrator's evaluation, no liability has been recognized in the accompanying statements of net assets available for benefits for uncertain income tax positions. The Trust is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE 9 - RISKS AND UNCERTAINTIES

The claims incurred but not reported calculation is reported based on certain assumptions pertaining to health care inflation rates and employee demographics, all of which are subject to change. In addition, the Plan invests in various investment securities which are exposed to risks such as interest rate, market, and credit risks. Due to uncertainties inherent in the estimations and assumptions process as well as the level of risk associated with certain investment securities, it is at least reasonably possible that changes in these estimates, assumptions, and risks in the near term would be material to the financial statements.

NOTE 10 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits and the net increase (decrease) in net assets available for benefits between the financial statements and the Form 5500 as of and for the years ended December 31, 2024 and 2023.

	<u>2024</u>	<u>2023</u>

NOTE 11 - SUPPLEMENTAL CONTRIBUTION FUND

At December 31, 2024 and 2023, the balance in the Plan's supplemental contribution fund was \$4,010,617 and \$3,821,735. The projected premium income for 2025, plus the Plan's supplemental contribution fund balance at December 31, 2024 is sufficient to cover the projected claims liability plus expenses for the Plan for 2025.

NOTE 12 - IDOI MINIMUM FUND BALANCE REQUIREMENT

The Indiana Department of Insurance (IDOI) requires multi-employer welfare plans to maintain a minimum fund balance of \$500,000 determined as follows as of December 31, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
