Independent Auditors' Report

To the Administrative Committee of
Compañía Cervecera de Puerto Rico Retirement Plan - Unión

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Compañía Cervecera de Puerto Rico Retirement Plan – Unión (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Empower Annuity Insurance Company of America and Empower Trust Company, LLC (Empower Retirement affiliates) (qualified institutions), the custodians of the Plan as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Compañía Cervecera de Puerto Rico Retirement Plan – Unión, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024, and the supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Acquired and Disposed of Within Year), for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Compañía Cervecera de Puerto Rico Retirement Plan-Union (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution plan organized on October 15, 1990. It is a qualified plan, exempt from Puerto Rico income taxes in compliance with the Puerto Rico Internal Revenue Code of 2011, as amended, (2011 PR Code) and subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). It covers all full-time unionized plant employees of Compañía Cervecera de Puerto Rico, Inc. (the Plan Sponsor) included under the collective bargaining agreement (the Agreement) between the Plan Sponsor and the "Union Independiente de Empleados de Cervecería India, Inc." (the Union).

The Plan's trustee services are managed by Oriental Bank. A & A Employee Benefits Consulting Corporation serves as third-party administrator. Empower Annuity Insurance Company of America and Empower Trust Company, LLC, affiliates of Empower Retirement, LLC (Empower Retirement) are the custodians of the Plan's assets for 2024 and 2023 Plan year. Empower Annuity Insurance Company of America also served as the Plan's recordkeeper.

2. Contributions

Participants must file a written election form with the Plan Administrator indicating the amount of pre-tax contribution they wish to make, up to \$15,000 (which is the maximum deferral amount applicable to 2023 as specified by the 2011 PR Code) and agreeing to reduce their compensation for such amount. The Plan does not allow for automatic enrollments. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans, subject to the conditions and limitations set forth in the Plan agreement. The Employer may match pre-tax monthly contributions in amounts, if any, as established by the Collective Bargain Agreement with the Union. As stated in the previous Agreement, which was effective from September of 2018 to September of 2021, and still in use during the year 2024, the Employer made a monthly contribution of \$104.50, if the employee contributes a minimum of \$52.28 during that month.

Effective October 12, 2024, a new Collective Bargain Agreement was signed for a three-year period ending on October 12, 2027, with an automatic extension of one year. As part of the new provisions, the Employer will make a monthly contribution of \$110.00, subject to an employee contribution of a minimum of \$55.00. In addition, participants can contribute to the Plan since their hired date, but the employer starts contributing once the probation period of employment is over.

3. Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution and allocations of (a) the Plan Sponsor's matching contribution, (b) investment earnings, (c) participant forfeitures and charged with an allocation of withdrawals. Allocations are based on the participant's account balance, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE A - DESCRIPTION OF THE PLAN – Continued

4. Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. They become 100% vested in the Plan Sponsor's matching after completing three years of service. The participant will be 0% vested until completing the years of service specified above. Notwithstanding the above, a participant will become fully vesting in his Matching Contributions, and earnings thereon, upon the earlier of (a) reaching normal retirement age while still employed by the employer, (b) retirement at normal or early retirement age, (c) disability, (d) death while employed by the employer, (e) termination of the plan, or (f) complete discontinuance of contributions by the employer.

5. Participant Loans

Participant loans are not permitted.

6. Payment of Benefits

Upon termination of service due to death, disability or retirement, a participant or the participants beneficiaries may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or periodic installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

7. Forfeited Accounts

Upon participant's termination from employment or withdrawal from the Plan for any reason other than death, retirement or disability, the employer contributions on behalf of the participants not then vested are forfeited and are first used to pay for Plan's administrative expenses and then to reduce future employer contributions. Forfeited non-vested accounts amounted to \$2,896 and \$106, as of December 31, 2024, and 2023, respectively.

8. In-service withdrawals

To the extent provided by the Plan, a Participant whose employment has not been terminated may make withdrawals from his pre-tax, after-tax or rollover contributions for financial hardship or after attaining age 59 ½. Withdrawal for financial hardship will be permitted if the Participant has an immediate and heavy financial need, as defined by the Plan.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

The accompanying financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America under the accrual basis of accounting.

**COMPAÑÍA CERVECERA DE PUERTO RICO
RETIREMENT PLAN-UNION**

Notes to Financial Statements
December 31, 2024, and 2023

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

2. Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for fully benefit-responsive investment contracts.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements. Contract value is the relevant measure for fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. See Note E for discussion of contract value. Purchase and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

3. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits.

4. Employer's \ Participants' Contribution Receivables

The Plan records as receivables the participants' contributions withheld from the last payroll of the year and the employer's match of last month of the year that are remitted to the Plan earlier in the following year.

5. Payment of Benefits

Benefit payments to participants are recorded when paid.

6. Administrative Expenses

The Plan's administrative expenses include administration, participant and asset fees and certain distribution fees charged against the Plan's assets or charged directly to the respective participants account balances. Other administrative and recordkeeping fees were paid by the Plan's Sponsor and therefore excluded from the statement of changes in net assets available for benefits.

7. Benefits Payment Recognition

As required by current standards, benefits payable to participants who have withdrawn from a defined contribution plan should be disclosed in the notes to financial statements rather than been recorded as a liability of the Plan. At December 31, 2024 and 2023 the benefits payable owed to the participants amounts to \$71,849 and \$130,622, respectively.

8. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

NOTE C - INFORMATION CERTIFIED BY CUSTODIAN (UNAUDITED)

The following is a summary of the investment information regarding the Plan as of December 31, 2024 and 2023 and included in the Plan's financial statements and supplemental schedules, prepared by Empower Annuity Insurance Company of America and Empower Trust Company, LLC, the custodians of the Plan as of December 31, 2024 and 2023, and for the year ended December 31, 2024. If custodial services are provided along with an insurance product, the certification is provided by both custodians.

The information was furnished to the plan administrator. The plan administrator has obtained a certification from the custodians, that such information, is complete and accurate, in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulation for Reporting and Disclosure under ERISA, as of and for the year ended December 31, as disclosed below:

NOTE D - FAIR VALUE MEASUREMENTS

Financial Accounting Standard Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures* establish the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

**COMPAÑÍA CERVECERA DE PUERTO RICO
RETIREMENT PLAN-UNION**

Notes to Financial Statements
December 31, 2024 and 2023

NOTE D - FAIR VALUE MEASUREMENTS-Continued

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active market that the plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liabilities;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

Assets at Fair Value as of December 31, 2024				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,873,881	\$ -	\$ -	\$ 3,873,881

Assets at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,684,831	\$ -	\$ -	\$ 3,684,831

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used on December 31, 2024 and 2023:

Mutual funds: Share Prices/Net Asset Values (NAVs) for NAV mutual funds are generally obtained from a file feed from the National Securities Clearing Corporation, and/or directly from the fund house, or a secondary pricing source, such as Interactive Data Corporation (IDC).

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes to Financial Statements
December 31, 2024 and 2023

NOTE E – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan provides participants with the Key Guaranteed Portfolio Fund (KGPF) as an investment option. The KGPF is a general account product of Empower Annuity Insurance Company of America (Empower Insurance), issued through a group annuity contract (the Contract) between the Plan and Empower Insurance. Under this type of contract, principal and credited interest are fully guaranteed for participants-initiated withdrawals and transfers. The guarantee is backed by the entire general account assets of Empower Insurance. The strength of the guarantee dependent on Empower Insurance's ability to meet its financial obligations. Empower Insurance's ability to meet its contractual obligations may be affected by future economic and regulatory developments. The Contract does not have a maturity date, but either Empower Insurance or the Plan may terminate the Contract with advance written notice to the other party or parties.

The Contract meets the criteria to be considered fully benefit-responsive investment contract, and therefore, is reported at contract value in the accompanying statements of net assets available for benefits. Contract value, as reported to the Plan by Empower Insurance, represents all contributions made by or on behalf of the participants under the Contract, plus interest credited, less withdrawals and transfers, less any applicable charges and fees. This value represents the KGPF investment option balance reported in the participant's individual accounts. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value, less any applicable charges and fees. As of December 31, 2024, and 2023, the Plan reported the investment at a contract value of \$1,376,499 and \$1,043,638 respectively, in the statements of net asset available for benefits.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The Contract's interest rate to be credited during the calendar year is determined by Empower Insurance prior to the last day of the previous calendar year and should be reset annually, but it will never be less than 1%. The actual average yield earned by the Plan for years 2024 and 2023 is 1.60% and 1.40% respectively and are derived by averaging the Plan's quarterly interest rates.

Certain events limit the ability of the Plan to transact at contract value with Empower Insurance. Such events include the following: (1) premature termination of the Contracts by either Empower Insurance or the Plan, (2) plan termination, (3) plan sponsor bankruptcy, (4) contract modifications, (5) others (plant closings, layoffs, mergers, and early retirement incentives). Furthermore, certain events and circumstances that may permit Empower Insurance to terminate the Contract and settle at amounts that differ from contract value including: (1) a modification of the Contract without written agreement with Empower Insurance, (2) a violation of a material obligation under the Contract or a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with participants or with Empower Insurance are probable of occurring.

NOTE F - PARTY-IN-INTEREST TRANSACTIONS

The following transactions performed during the year 2024, qualified as party-in-interest transactions:

1. Trustee, custodian and recordkeeping functions which are performed by Oriental Bank and Empower Retirement,
2. Certain administrative functions and transactions of the Plan, performed by A & A Employee Benefits Consulting Corporation and fiduciaries, including employees of the Plan Sponsor and the administrative committee,

**COMPAÑÍA CERVECERA DE PUERTO RICO
RETIREMENT PLAN-UNION**

Notes to Financial Statements
December 31, 2024 and 2023

NOTE F - PARTY-IN-INTEREST TRANSACTIONS – Continued

3. Key Guaranteed Portfolio Fund, offered through a group annuity contract by Empower Annuity Insurance Company of America, one of the custodians of the Plan,
4. Certain administrative and recordkeeping fees which were paid directly by the Plan's Sponsor. These fees, amounting to \$26,618 during 2024, are excluded from the statement of changes in net assets available for benefits.

Such transactions are exempt from being prohibited transactions under ERISA.

NOTE G - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE H - TAX STATUS

Effective on March 17, 2017 the Plan adopted the A&A Employee Benefits Consulting Corporation Prototype Retirement Plan as amended and restated as of January 1, 2011 in compliance with the 2011 PR Code. The Plan obtained a favorable determination letter on May 25, 2018, in which the PRDT stated that the Plan, as then designed, was in compliance with the applicable requirements of the 2011 PR Code.

Accounting principles generally accepted in the United States of America require Plan's management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the PRDT. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024 there are no other uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

NOTE I - SUBSEQUENT EVENTS

The Plan has evaluated the impact of subsequent events through October 3, 2025 which is the date the financial statements were available to be issued. Management is not aware of any subsequent event that requires adjustment or disclosure in the Plan's financial statements or its related notes.
