## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator  
Ability HomeCare 401(k) Plan  
San Antonio, Texas

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements

We have performed an audit of the accompanying financial statements of Ability HomeCare 401(k) Employee Benefit Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets in liquidation available for benefits as of December 31, 2024, and the related statement of changes in net assets in liquidation available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the 2024 audit of Ability HomeCare 401(k) Employee Benefit Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution, Matrix Trust Company, as of and for the year ended December 31, 2024, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

### Opinion on the 2024 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, applied on the liquidation basis of accounting; and
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2024 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2024 financial statements.

### **Emphasis of Matter – Basis of Accounting for the 2024 financial statements**

As further discussed in Note B to the financial statements, the Plan Trustees terminated the Plan on July 1, 2025, and management determined that liquidation is imminent. As a result, the Plan changed its basis of accounting from the going-concern basis of accounting used in presenting the 2023 financial statements to the liquidation basis of accounting used in presenting the 2024 financial statements. Our opinion is not modified with respect to this matter.

### **Responsibilities of Management for the 2024 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the 2024 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

### **Auditor's Responsibilities for the Audit of the 2024 Financial Statements - continued**

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matters**

#### *2024 Supplemental Schedules Required by ERISA*

The supplemental schedules, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTE A - SIGNIFICANT ACCOUNTING POLICIES**

*Basis of Presentation:* The financial statements of Ability HomeCare 401(k) Plan (the "Plan") are maintained on the accrual basis in accordance with U.S. generally accepted accounting principles.

The Plan Sponsor adopted a resolution to terminate the Plan on May 15, 2025, and net Plan assets of \$3,764,546 and \$1,116 were distributed from the Plan on June 30, 2025 and July 11, 2025, respectively, and transferred to the Amazing Care Home Health Services, Inc. ISolved 401(k) Plan. As a result, the Plan's financial statement as of December 31, 2024 and for the year then ended, have been prepared on the liquidation basis. Under the liquidation basis of accounting, assets are stated at their estimated net realized cash value and liabilities are stated at their anticipated settlement amounts. The estimated net realizable value for investments as of December 31, 2024 is fair value. See Note B.

*Investment Valuation and Income Recognition:* Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note F for discussion of fair value measurements. Purchases and sales of investments are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments, including realized gains and losses on sales during the year and current changes in unrealized appreciation (depreciation) in the market value of investments held at year end, is presented in the statement of changes in net assets available for benefits.

*Participants' Notes Receivable:* Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance has been recorded as of December 31, 2024 and 2023. If a participant ceases to make scheduled repayments and the Plan Administrator deems the participant note receivable to be in default, the participant note receivable balance is reduced and a benefit payment recorded.

*Excess Contributions:* Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability, with a corresponding reduction to contributions.

*Administrative Expenses:* Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

*Payment of Benefits:* Benefit payments are recorded when paid.

*Subsequent Events:* Subsequent events have been evaluated by management through the date of the independent auditor's report. Material subsequent events, if any, are disclosed in a separate footnote to these financial statements.

*Use of Estimates:* The preparation of financial statements in conformity with U. S. generally accepted accounting principles requires estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosure of contingent assets and liabilities at the date of financial statements, and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

**NOTE B – PLAN TERMINATION AND LIQUIDATION BASIS OF ACCOUNTING**

Following the sale of the Plan Sponsor, Ability HomeCare, Inc. to Amazing Care Home Health Services, Inc. in September 2024, Plan management adopted a resolution on May 15, 2025, to terminate the Plan effective July 1, 2025. Accordingly, the Plan's financial statements as of and for the year ended December 31, 2024 have been prepared on the liquidation basis of accounting. The liquidation basis of accounting is considered appropriate when, among other things, liquidation of an entity is probable, and the net realizable value of assets are reasonably determinable. Under the liquidation basis of accounting, assets are stated at their estimated net realized cash value and liabilities are stated at their anticipated settlement amounts. The estimated net realizable value for investments as of December 31, 2024 is fair value.

**NOTE C - DESCRIPTION OF PLAN**

The following description of the Ability HomeCare 401(k) Plan provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

*General:* The Plan is a defined contribution plan that covers substantially all employees of Ability HomeCare, Inc., dba Ability HomeCare (the Plan Sponsor), who have completed three months of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Participants may enroll in the Plan on the first day of the month following eligibility.

*Plan Restatement:* In January 2023, the Plan Sponsor approved certain changes to the Plan which resulted in a restatement of the Plan effective February 24, 2023. The restatement incorporated any previously adopted amendments to the Plan made subsequent to the 2022 restatement, updated certain definitions, reduced the number of months of service needed to be completed from three months to one month, removed automatic enrollment and annual deferral increases, and excluded employees who are part of a union, leased employees, and employees who are non-resident aliens.

*Contributions:* Prior to the restatement on February 24, 2023, participants were able to elect to contribute 1% up to 86% of compensation as defined in the Plan. Employees were automatically entered into the Plan with a deferral of 3% on the first day of the month following the date eligibility was met, unless the employee chose not to participate. The deferral was increased by 1% each year up to a maximum of 10% for those who did not opt-out.

Subsequent to the February 24, 2023 restatement, participants may contribute up to the maximum amount permitted by the Plan, subject to certain limitations and employees are no longer automatically enrolled and/or subject to annual deferral increases.

Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute (rollover) amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Plan Sponsor may elect to contribute a discretionary nonelective contribution, the amount of which is determined by the Board of Directors and allocated based on each participant's contributions. The Plan Sponsor did not make a matching contribution in 2024 or 2023. Contributions are subject to certain limitations as defined by the Internal Revenue Service.

**NOTE C - DESCRIPTION OF PLAN - continued**

*Participant Accounts:* Each participant's account is credited with the participant's contributions and allocations of (a) the Plan Sponsor's contributions and (b) Plan earnings, and (c) charged with an allocation of administrative expenses. Allocations are based on participant contributions or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

*Vesting:* Participants are immediately vested in their deferral contributions plus actual earnings thereon. Vesting in the Plan Sponsor's contribution portion of their account plus actual earnings thereon is based on years of service. A participant is 100% vested after six years of credited service.

*Investment Options:* Upon enrollment in the Plan, a participant may direct the contributions made to the Plan, for or on behalf of the participant, to any one or more of the investment funds determined at the discretion of the Plan Administrator and Plan Sponsor and in such multiples as the participant prescribes. A participant may change his or her investment direction with respect to future contributions or redirect the investment of his or her account balances.

*Participants' Notes Receivable:* Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are collateralized by the vested balance in the participant's account, and bear interest at a reasonable rate as determined by the Plan Administrator. Note terms range from 1 to 5 years or up to 10 years for the purchase of a residence. Principal and interest is repaid through payroll deductions with equal installments made each pay period.

*Payment of Benefits:* On termination of service a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or installments over a period of time detailed in the Plan. Any balance under \$5,000 is automatically paid out as soon as administratively possible, for distributions made after December 31, 2023, this threshold increased to \$7,000 pursuant to provisions of the SECURE 2.0 Act.

*Forfeited Accounts:* Forfeited accounts are used to reduce future employer contributions and pay the expenses of the Plan. Forfeiture balances totaled \$24,146 at December 31, 2024 and \$14,229 at December 31, 2023. During the years ended December 31, 2024 and 2023, the Plan did not use forfeited non-vested accounts.

**NOTE D – RELATED PARTY TRANSACTIONS AND TRANSACTIONS WITH PARTIES-IN-INTEREST**

The Plan's administrative expenses are paid either by the Plan or the Plan Sponsor as allowed by the Plan document. Expenses paid directly by the Plan Sponsor are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment-related expenses are included in net appreciation of fair value of investments.

**NOTE E – INVESTMENTS CERTIFIED BY THIRD PARTY (unaudited)**

As permitted by Department of Labor CFR 2520.103-8, investments at December 31, 2024 and the related investment earnings for the year then ended, were certified and held by Matrix Trust Company, the Custodian, and were not audited by the independent auditor.

For 2024, participants' notes receivable and earnings thereon were not certified by the Custodian. Non-section 103(a)(3)(C) procedures were performed on these balances.

**NOTE F - FAIR VALUE MEASUREMENTS**

In accordance with U.S. generally accepted accounting principles, the Plan utilizes a fair value hierarchy that prioritizes the inputs for the valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
- quoted prices for similar assets or liabilities in active markets
  - quoted prices for identical or similar assets or liabilities in inactive markets
  - inputs other than quoted prices that are observable for the asset or liability
  - inputs that are derived principally from or corroborated by observable market data by correlation or other means
  - if the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**Notes to Audited Financial Statements**  
**December 31, 2024 (in liquidation) and 2023 (on-going)**

**NOTE F - FAIR VALUE MEASUREMENTS – continued**

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in methodologies used to determine fair value, nor transfers between levels. Following is a description of the valuation methodologies used for assets measured at fair value:

*Mutual Funds:* Valued based on quoted prices in an active market  
*Money Market Funds:* Valued at face value of the currency (U.S. Dollar)

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan’s investments measured at fair value:

**NOTE G - INCOME TAX STATUS**

The Plan Sponsor adopted a non-standardized profit sharing plan prior to February 24, 2023 which received a favorable opinion letter from the Internal Revenue Service dated June 30, 2020, and adopted a non-standardized profit sharing plan effective February 24, 2023 which received a favorable opinion letter from the Internal Revenue Service dated March 14, 2022. The opinion letters state that the Plan is designed in accordance with the applicable sections of the Internal Revenue Code (IRC) and is, therefore, not subject to tax under present income tax law. The Plan is required to operate in conformity with the IRC to maintain its qualification. Management is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status.

The Plan Administrator evaluates tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Its federal income tax returns for the last four years remain subject to examination.

**NOTE I - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is, at least, reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets in liquidation available for benefits.

**NOTE J – SUBSEQUENT EVENT**

The Plan Sponsor adopted a resolution to terminate the Plan on May 15, 2025. Net Plan assets of \$3,764,546 and \$1,116 were distributed from the Plan on June 30, 2025 and July 11, 2025, respectively, and transferred to the Amazing Care Home Health Services, Inc. ISolved 401(k) Plan. As a result, the Plan's financial statement as of December 31, 2024 and for the year then ended, have been prepared on the liquidation basis.
