The financial statements comprise the statements of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024 and the related notes to the financial statements (2024 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of NAF 403(B) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

### ***Opinion on the 2024 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section.

- The amounts and disclosures in the accompanying 2024 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2024 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of NAF 403(B) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2024 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about NAF 403(B) Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2024 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the 2024 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of NAF 403(B) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about NAF 403(B) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter — 2024 Supplemental Schedule Required by ERISA***

The supplemental Schedule H, line 4i—Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Report on Compiled 2023 Financial Statements***

Plan management is responsible for the accompanying financial statements of NAF 403(B) Plan (an employee benefit plan), which comprise the statement of net assets available for benefits as of December 31, 2023, and the related notes to the financial statements in accordance with the accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA.

We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements as of and for the year ended December 31, 2023.

**NAF 403(B) PLAN**  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2024 (audited) and 2023 (compiled)

NOTE 1—DESCRIPTION OF PLAN

The following description of NAF 403(B) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

*General.* The Plan is a defined contribution plan under Internal Revenue Code (IRC) section 403(b) covering all eligible employees of National Abortion Federation and NAF Hotline Fund (collectively, the Organization) subject to universal availability. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrator is responsible for oversight of the Plan. The 3(38) fiduciary determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Effective January 1, 2024, the Plan implemented a SECURE Act and SECURE 2.0 Act provision updating the dollar limit for mandatory distributions (\$5,000 to \$7,000). Effective March 1, 2024, the Plan was amended to add auto enrollment and auto escalation.

*Contributions.* Each year, participants may contribute up to the maximum percentage of compensation, as defined by the Plan, under IRC section 402(g). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Special code section 403(b) catch up contributions are also allowed for participants who have 15 years of service with the Organization. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. To be eligible for the employer discretionary matching contributions and employer non-elective contributions, participants must have completed one year of service. No employer matching contributions were made by the Organization for 2024. In 2024, the Organization contributed a non-elective contribution for employees based on years of vesting service as described below. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

| <u>Years of<br/>Vesting Service</u> | <u>Allocation Rate</u> |
|-------------------------------------|------------------------|
| 0 - 1                               | 0%                     |
| 2                                   | 4%                     |
| 3                                   | 5%                     |
| 4                                   | 6%                     |
| 5+                                  | 7%                     |

Each eligible participant who has not elected to opt out of the Plan is automatically enrolled in the Plan at a deferral rate of 3% of eligible compensation. There is an auto escalation to increase by 1% to a maximum of 6% and the automatic escalation occurs for any eligible employee deferring less than the maximum escalation rate.

*Participant Accounts.* Each participant's account is credited with the participant's contributions as well as (a) Organization's contributions and (b) Plan earnings, and (c) charged with certain administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1—DESCRIPTION OF PLAN (continued)

*Notes Receivable from Participants.* Participants may borrow from their fund accounts, with the exception of Roth deferrals, a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Participants are limited to two outstanding loans at any given time. Principal and interest is paid ratably through payroll deductions. The loans are secured by the remaining balance in the participant's account and bear interest at prime rates.

*Plan Loans.* Participants may make applications for loans directly with The Lincoln National Life Insurance Company for a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the vested account balance, less the outstanding principal balance of a previous loan, if applicable. Participants with such loans must maintain a balance in excess of the loan balance in the fixed account during the repayment period of the loan. A participant may only have two outstanding loans at a time.

The loans are not shown in the Plan's statements of net assets available for benefits as the loans are not made from Plan assets and are, therefore, not considered assets of the Plan. During the term of the loan, a portion of the participant's account, equal to the outstanding principal of the loan, plus any interest that has accumulated on that amount, is allocated within the participant's fixed account balance, and is considered the loan reserve account. Participants do not have access to these funds during this time and the funds cannot be transferred to other funds. Loan interest rates were fixed at 7%.

As payments are made on the loan, the loan reserve account is reduced by the amount of the payment applied to the principal and the interest is reduced on an annual basis. The loan reserve account is credited with interest at a rate equal to the interest rate on the loan minus 2.50% on the date the loan is issued. At December 31, 2024 and 2023, the loan reserve account balance was \$9,897 and \$18,768, respectively.

*Vesting.* Participants are vested immediately in their contributions plus actual earnings thereon. Participants are also immediately fully vested in the Organization's contributions to their accounts.

*Payment of Benefits.* Amounts contributed may be withdrawn by, or distributed to, a participant only upon (a) termination of employment or (b) attaining age 59½. Withdrawals prior to attaining age 59½ are not permitted except in the event of death, disability, or as hardship distribution. Certain income tax by penalties may apply to withdrawals or distributions prior to age 59½. Upon proof, to the satisfaction of the Plan administrator, of an immediate and substantial financial need, amounts contributed may be withdrawn for a hardship purpose. A mandatory lump-sum distribution may be made if the participant's vested interest in his or her account is \$7,000 or less. If a participant terminates employment and the participant's account balance does not exceed \$1,000, the Plan administrator will authorize the benefit payment without the participant's consent.

NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

**NAF 403(B) PLAN**  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2024 (audited) and 2023 (compiled)

NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment contracts held by a defined contribution plan are required to be reported at fair value except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

**Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value).

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrator determines the Plan's valuation policies utilizing information provided by the custodians. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default. The loan will become a deemed distribution at the end of the quarter following the quarter in which the default occurred. The loan balance is offset upon separation from service. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account.

**Payment of Benefits**

Payments of benefits are recorded when paid. Distributions of \$10,846 were requested but not paid by December 31, 2024.

NOTE 2—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

**Administrative Expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Organization. Expenses that are paid by the Organization are excluded from these financial statements. Investment related expenses are included in net depreciation in fair value of investments. Participant-based fees and fees related to the administration of notes receivable and benefit payments are charged directly to the participant's account and are included in administrative expenses.

**Date of Management's Review**

The Plan has evaluated subsequent events through September 22, 2025, the date the financial statements were available to be issued.

NOTE 3—FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority.

*Level 1 Fair Value Measurements*

*Mutual funds and money market fund:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds and money market funds held by the Plan are deemed to be actively traded.

*Stable value fund:* The fair value of stable value fund is valued at the NAV per unit as determined by the manager of the trust which is readily determinable. Such NAV is based on the value of the underlying assets and liabilities of the trust. The investment objectives of the trusts vary and can be differentiated by the nature of their holdings. Participants may transfer in and out of such trusts on a daily basis without any prohibitive restrictions.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024 and 2023.

**NOTE 4—INVESTMENT CONTRACTS WITH INSURANCE COMPANY**

The Plan has entered into a fully benefit-responsive investment contract with Lincoln Life Insurance Company (Lincoln). Lincoln maintains participant contributions in a fixed account. Because the fixed account is carried at contract value, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the investment contract.

Contract value, as reported to the Plan by Lincoln, represents contributions made under the contract, plus earnings, less participant withdrawal or transfer of all or a portion of their investment at contract value, which is also the contract's fair value prior to contract termination.

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The interest rate is determined by Lincoln who reserves the right to change the interest rate at its discretion.

Certain events limit the ability of the Plan to transact at contract value with the issuer. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

The amount the Plan invested in the investment contracts at December 31, 2024 and 2023 was \$239,798 and \$243,048, respectively.

**NOTE 5—PLAN TERMINATION**

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

**NOTE 6—PARTY IN INTEREST TRANSACTIONS**

Retirement plan recordkeeping and administrative services are provided by The Vanguard Group, Inc.(VGI). Vanguard Marketing Corporation is the distributor of all the Vanguard funds and a subsidiary of the VGI.

VGI has entered into an agreement with Ascensus, LLC for Ascensus-sponsored prototype defined contribution plan to provide certain plan recordkeeping and administrative services on VGI's behalf and receive fees. Trustee and custodian services are also provided by Ascensus Trust Company (Ascensus) under the terms of a separate trust agreement between the Organization and Ascensus. Ascensus receives certain indirect compensations from the Plan for the services provided.

Certain Plan investments are managed by VGI and Ascensus and Lincoln National Life Insurance Company, therefore, these transactions qualify as party in interest transactions. These transactions are not, however, considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations.

**NOTE 7—TAX STATUS**

The Organization has adopted a pre-approved plan document that has received an opinion letter from the IRS dated January 1, 2018, stating that the form of the preapproved plan document was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since adopting the pre-approved plan document, the plan administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore, believes that the Plan is qualified.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 8—RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**NOTE 9—CERTIFIED INVESTMENTS**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2024, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Ascensus Trust Company and Lincoln National Life Insurance Company (the custodian and contract holder of the Plan).
