a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) Unmodified (2) Qualified (3) Disclaimer (4) Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) DOL Regulation 2520.103-8 (2) DOL Regulation 2520.103-12(d) (3) neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: CROWE

(2) EIN: 35-0921680

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) This form is filed for a CCT, PSA, DCG or MTIA. (2) It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		X	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		X	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		X

401(k) Committee
Devon Bank Profit Sharing/401(k) Plan
Chicago, Illinois

Professional standards require that we communicate matters related to our audit of the financial statements of Devon Bank Profit Sharing/401(k) Plan (“the Plan”) that we consider significant and relevant to the responsibilities of Those Charged with Governance in overseeing the financial reporting process. Those Charged with Governance includes the person(s) with responsibility for overseeing the strategic direction of and obligations related to the accountability of the Plan. We cover such matters below.

Plan management, having determined it is permissible in the circumstances, elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to the certified information summarized in Note 3 to the financial statements.

AUDITOR’S RESPONSIBILITY UNDER AUDITING STANDARDS GENERALLY ACCEPTED IN THE UNITED STATES OF AMERICA

You should understand that the auditor is responsible for forming and expressing an opinion about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in conformity with accounting principles generally accepted in the United States of America and that the audit of the financial statements does not relieve you of your responsibilities and does not relieve management of their responsibilities. Refer to our engagement letter with the Plan for further information on the responsibilities of management and Crowe LLP.

COMMUNICATIONS REGARDING OUR INDEPENDENCE FROM THE PLAN

Auditing standards generally accepted in the United States of America require independence for all audits, and we confirm that we are independent auditors with respect to the Plan under the independence requirements established by the American Institute of Certified Public Accountants.

Additionally, we wish to communicate that we have the following relationships with the Plan that do not impair our independence but which, in our professional judgment, may reasonably be thought to bear on our independence and that we gave significant consideration to in reaching the conclusion that our independence has not been impaired.

Relationship	Safeguards
<p>Non-Audit Services: We were engaged to perform the following non-audit services during your last fiscal year:</p> <ul style="list-style-type: none"> Assistance with preparation of your financial statements 	<p>We believe your management is capable of evaluating and taking responsibility for their management decisions regarding our services, and we did not assume the role of an employee or of management of the Plan in performing and reporting on our services.</p>

PLANNED SCOPE AND TIMING OF THE AUDIT

We are to communicate an overview of the planned scope and timing of the audit, including the following matters:

- How we planned to address the significant risks of material misstatement, whether due to fraud or error. The below table lists identified significant risks and impact on the audit procedures:

Significant Risk	Impact on Audit Procedures
Management override of journal entry controls could potentially misstate financial statements through the use of manual journal entries (presumed risk under professional standards)	No changes were made to the significant risk from earlier discussions. As such, there were no changes to the planned audit procedures previously communicated.

- Our approach to the system of internal control relevant to the audit.
- The application of materiality in planning and executing the audit, focusing on the factors considered rather than on specific thresholds or amounts.
- The nature and extent of specialized skills or knowledge needed to plan and evaluate the results of the audit, including the use of an auditor's expert.
- Our planned approach to address the implications for the individual statements and the disclosures of any significant changes within the applicable financial reporting framework or in the entity's environment, financial condition, or activities.
- Where the entity has an internal audit function, the extent to which we will use the work of internal audit, and how the external and internal auditors can best work together.
- Your views and knowledge about matters you consider warrant our attention during the audit, as well as your views on:
 - The allocation of responsibilities between you and management.
 - The entity's objectives and strategies, and the related business risks that may result in material misstatements.
 - Significant communications between the entity and regulators.
 - Other matters you believe are relevant to the audit of the financial statements.

SIGNIFICANT ACCOUNTING POLICIES, ESTIMATES, AND SIGNIFICANT UNUSUAL TRANSACTIONS

Significant Accounting Policies: Those Charged with Governance should be informed of the initial selection of and changes in significant accounting policies or their application. Also, Those Charged with Governance should be aware of methods used to account for significant unusual transactions and the effect of significant accounting policies in controversial or emerging areas where there is a lack of authoritative consensus. We believe management has the primary responsibility to inform Those Charged with Governance about such matters. There were no such accounting changes, significant unusual transactions, or significant policies requiring communication.

Topic	Communication
Significant Unusual Transactions.	No such matters noted.
Significant Accounting Policies in Controversial or Emerging Areas.	No such matters noted.

Management Judgments and Accounting Estimates: Further, accounting estimates are an integral part of the financial statements prepared by management and are based upon management’s current judgments. These judgments are based upon knowledge and experience about past and current events and assumptions about future events. Certain estimates are particularly sensitive because of their significance and because of the possibility that future events affecting them may differ markedly from management’s current judgments and may be subject to significant change in the near term.

The process used by management in formulating particularly sensitive accounting estimates and the primary basis for our conclusions regarding the reasonableness of those estimates primarily involved the following areas for this year:

Significant Accounting Estimate	Process Used by Management	Basis for Our Conclusions
Fair Values of Investments Not Subject to Our Audit Procedures	The recording of investments at fair value requires management to use certain assumptions and estimates pertaining to the fair value of its investments	As disclosed in the notes to the Plan financial statements, the fair values of substantially all investments were certified pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA) and were not subject to our audit procedures, based upon the terms of our ERISA Section 103(a)(3)(C) audit engagement.
Classification of Investment Securities Within the Fair Value Hierarchy	FASB ASC 820 - <i>Fair Value Measurements and Disclosures</i> requires the reporting of investments by classification level within a fair value hierarchy.	We reviewed the documentation maintained by management and performed procedures to test the reasonableness of management’s judgments and accounting estimates related to the classification levels of investments within the fair value hierarchy as defined by FASB ASC 820 - <i>Fair Value Measurements and Disclosures</i> .

AUDITOR’S JUDGMENTS ABOUT QUALITATIVE ASPECTS OF SIGNIFICANT ACCOUNTING PRACTICES

We are to discuss with you our views about the following matters related to the Plan’s accounting policies and financial statement disclosures.

Topics	Views
The appropriateness of the accounting policies to the particular circumstances of the Plan, considering the need to balance the cost of providing information with the likely benefit to users of the Plan’s financial statements.	We believe the accounting policies are appropriate considering the need to balance the cost of providing information with the likely benefit to the users of the Plan’s financial statements.
The overall neutrality, consistency, and clarity of the disclosures in the financial statements.	We believe that the accounting policies and financial statement disclosures are consistent and appropriate for the Plan.
The effect of the timing of transactions in relation to the period in which they are recorded.	We did not identify any material transactions that were not recorded in the period in which they occurred.

Topics	Views
The potential effect on the financial statements of significant risks and exposures, and uncertainties that are disclosed in the financial statements.	We believe that the disclosures of significant risks, exposures, and uncertainties are appropriate.
The extent to which the financial statements are affected by unusual transactions including nonrecurring amounts recognized during the period, and the extent to which such transactions are separately disclosed in the financial statements.	We did not identify any unusual or nonrecurring transactions.
The issues involved, and related judgments made, in formulating particularly sensitive financial statement disclosures.	We did not identify any particularly sensitive financial statement disclosures.
The factors affecting asset and liability carrying values, including the Plan's basis for determining useful lives assigned to tangible and intangible assets.	That Plan's basis for carrying values is appropriate as disclosed in Note X to the Financial Statements.
The selective correction of misstatements, for example, correcting misstatements with the effect of increasing reported earnings, but not those that have the effect of decreasing reported earnings.	We did not identify any misstatements which required correction.

CORRECTED AND UNCORRECTED MISSTATEMENTS

Corrected Misstatements: We are to inform you of material corrected misstatements that were brought to the attention of management as a result of our audit procedures.

There were no such adjustments.

Uncorrected Misstatements: We are to inform you of uncorrected misstatements that were aggregated by us during the current engagement and pertaining to the latest and prior period(s) presented that were determined by management to be immaterial, both individually and in the aggregate, to the financial statements taken as a whole. Uncorrected misstatements or matters underlying the uncorrected misstatements could potentially cause future-period financial statements to be materially misstated, even if it was concluded that the uncorrected misstatements are immaterial to the financial statements under audit. For your consideration, we have distinguished misstatements between known misstatements and likely misstatements.

There were no such adjustments.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Devon Bank Profit Sharing/401(k) (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan 's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor 's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor 's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor 's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor 's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management 's election of the ERISA Section 103(a)(3)(C) audit does not affect management 's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan 's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan 's transactions that are presented and disclosed in the financial statements are in conformity with the plan 's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor 's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor 's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan 's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

(Continued)

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan 's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor 's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor 's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor 's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DEVON BANK PROFIT SHARING/401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Devon Bank Profit Sharing/401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan 's provisions.

General: The Plan is a defined contribution plan covering eligible employees of Devon Bank (the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility: All employees of the Company are eligible to participate in the Plan, subject to requirements as defined in the plan document and adoption agreement. All employees of the Company are eligible to receive an allocation of employer profit sharing contributions upon completion of 1,000 hours of service.

Contributions: Each year, participants may contribute up to the maximum amount of eligible compensation allowed by law, as defined in the Plan. Participants direct the investment of their individual accounts to various funds. Once enrolled, participants are permitted to change election percentages and transfer all or a portion of their accounts between funds at any time throughout the year. The Plan includes an automatic salary deferral percentage of 3.0% unless otherwise changed by participants. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions.

The Company makes a safe harbor matching contribution equal to 100% of participant contributions that do not exceed 3% of compensation plus 50% of participant contributions between 3% and 5% of compensation.

The Company may make an annual discretionary profit sharing contribution to the Plan. No such contribution was made during the years ended December 31,2024 or 2023.

Participant Accounts: Each participant 's account is credited with the participant 's contributions and an allocation of (a) the Company's contributions, (b) plan earnings, and (c) forfeitures of employer profit sharing contributions and is charged with his or her withdrawals and an allocation of administrative expenses. Allocations are based on participant contributions, eligible compensation, participant account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant 's vested account. Each participant directs the investment of his or her account to any of the investment options available under the Plan.

Retirement, Death and Disability: A participant is entitled to 100% of his or her account balance upon retirement, death or disability.

Vesting: Participants are immediately vested in their contributions and rollovers plus actual earnings thereon. Safe harbor matching contributions plus actual earnings thereon are immediately vested. Vesting in the remainder of their accounts, plus earnings thereon, is based on years of continuous service according to the following schedule:

<u>Years of Service</u>	<u>Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Payment of Benefits: Upon termination of service, a participant is eligible to receive an amount equal to the value of the participant 's vested interest in his or her account. Benefit amounts under \$1,000 are automatically distributed to participants in a lump sum cash distribution. Participants (or their beneficiaries upon the death of the participant) may elect to receive their vested account balances as a single lump sum or in partial installment payments of no less than \$5,000 for automatic cash-outs. In certain circumstances, participants may make "hardship withdrawals" as defined in the Plan. Active participants may also take distributions from the Plan upon attainment of age 59½.

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant 's account and bear interest at rates that are commensurate with market rates for similar loans. All loans are covered by demand notes and are generally repayable through payroll deductions. Participants are allowed to have two active loans outstanding at any given time. Loan terms range from one to five years unless the loan is for the purchase of a principal residence, in which case the loan term shall not exceed thirty years.

Forfeitures: Participant forfeitures of employer profit sharing contributions and employer discretionary matching contributions are used to restore participant 's forfeitures and used to offset administrative expenses of the Plan.

Plan Termination: Although it has not expressed any intent to do so, the Company has the right under the plan agreement to discontinue contributions at any time and to terminate the Plan subject to provisions of ERISA. In the event of plan termination, participants would become 100% vested in their Company contributions and earnings thereon.

Administrative and Investment Management Expenses: Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Plan recordkeeping and trustee fees are paid by the Plan and are reflected in the financial statements as administrative expenses. Fees related to the administration of notes receivable from participants are charged directly to the participant 's account and are included in administrative expenses. Investment management fees are charged to the Plan as a reduction of investment return and included in the investment income (loss) reported by the Plan.

Subsequent Events: Plan management has evaluated subsequent events for recognition and disclosure through October 3, 2025, which is the date the financial statements were available to be issued.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, and actual results may differ from these estimates.

(Continued)

DEVON BANK PROFIT SHARING/401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition: The Plan 's investments, other than the fully benefit-responsive investment contract, are reported at fair value as further described in Note 4. Fair value is the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan 's principal or most advantageous market for the asset or liability. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan 's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits: Benefits are recorded when paid.

Excess Contributions: Refunds of excess participant deferral contributions may be required to satisfy the relevant nondiscrimination provisions of the Plan. Such refunds are accrued as a liability and reduction in contributions in the plan year in which the excess deferrals were made to the Plan.

Risks and Uncertainties: The Plan holds various investments. Investments are exposed to various risks such as interest rate, market, liquidity and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the fair values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 3 – CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments and interest and dividends for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Voya Institutional Trust Company (the trustee of the Plan).

NOTE 4 – FAIR VALUE MEASUREMENTS

Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

(Continued)

DEVON BANK PROFIT SHARING/401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan 's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy. Transfers between hierarchy measurement levels are recognized by the Plan as of the beginning of the reporting period.

The following presents the valuation methods and assumptions used by the Plan to estimate the fair values of investments.

Registered Investment Companies: The fair values of registered investment companies are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Investments measured at fair value on a recurring basis are summarized below:

		Fair Value Measurements at December 31, 2024, Using			
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE 5 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

The Plan holds a fully benefit-responsive traditional investment contract that is reported at contract value, which is generally the amount a participant would receive if he or she would initiate a withdrawal or transfer from the contract under the provisions of the Plan. Contract value represents contributions made to the contract, plus earnings, less participant withdrawals and administrative expenses. The contract values of the Plan 's fully benefit-responsive investment contracts are presented below:

	<u>2024</u>	<u>2023</u>
Voya investment contract	\$ <u>717,706</u>	\$ <u>811,739</u>
	\$ <u>717,706</u>	\$ <u>811,739</u>

Voya Investment Contract: The Plan holds a fully benefit-responsive investment contract with Voya Retirement Insurance and Annuity Company (“Voya”; “Issuer”). Voya maintains the contributions in its general account. The Issuer guarantees the Plan a return of principal and interest under the terms of the contract. The interest crediting rate is updated semi-annually based upon contract provisions, and it may not be less than 1%. Voya 's general account is credited with earnings on the underlying investments and is charged for participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value.

The Plan's investment contract specifies certain conditions under which distributions from the contract would be payable at amounts below contract value. Such circumstances include plan termination, Plan merger, premature contract termination initiated by the Company, and certain other Company-initiated events that result in distributions exceeding a set amount. The contract limits the circumstances under which Voya may terminate the contract. Examples of circumstances which would allow Voya to terminate the contract include the Plan 's loss of its qualified status, uncured material breaches of responsibilities, or material and adverse changes to the provisions of the Plan. If one of these events were to occur, Voya could terminate the contract at an amount less than contract value. Currently, management believes that the occurrence of an event that would cause the Plan to transact contract distributions at less than contract value is not probable.

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the plan sponsor. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the plan sponsor. The Plan holds an investment contract issued by or managed by Voya Retirement Insurance and Annuity Company, an affiliate of a service provider to the Plan, and therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants also reflect party-in-interest transactions.

NOTE 7 – TAX STATUS

The Internal Revenue Service issued an opinion letter dated June 30, 2020 indicating that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code (“IRC”). Although the Plan has been amended from the original prototype document, plan management believes that the Plan is currently being operated in accordance with the IRC.

NOTE 7 – TAX STATUS (Continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.
