RE: VFCP Submission – Action Pest Control 401(k) Plan
EIN: 04-3276656
Plan Number: 252650
Plan Termination Date: January 31, 2022

To Whom It May Concern:

This letter is being submitted as part of the Voluntary Fiduciary Correction Program (VFCP) for the Action Pest Control 401(k) Plan. We are writing to explain the reason for the non-filing of the Final Form 5500 for the plan year in which the plan was terminated.

Upon review of our records and in consultation with our third-party administrator, ADP Retirement Services, we have determined that the Final Form 5500 was not filed because ADP did not generate or provide a final return for submission. We understand that this is a required filing in connection with the formal termination of the plan and we acknowledge our responsibility to correct this omission. We have a letter acknowledging our plan termination in 2021 and that we filed the 2021 5500. In fact ADP didn't terminate our plan fully until January 2022. No information was provided by ADP indicating a 2022 final 5500 was needed. We relied on our Partner to provide the documents we were paying them to perform.

We are actively working with ADP to have the Final Form 5500 generated and submitted as soon as possible. This VFCP submission is being made in good faith to resolve the compliance issue and ensure that the plan's termination process is fully completed in accordance with ERISA requirements.

Please let us know if any additional information or documentation is needed in support of this VFCP application. We appreciate your guidance and cooperation as we work to bring the plan into full compliance.

Sincerely,

Timothy M. Murphy
