## Independent Auditors' Report

To the Plan Participants and Plan Administrator  
The Phillies 401(k) Incentive Savings Plan:

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of The Phillies 401(k) Incentive Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### *Auditors' Responsibilities for the Audit of the Financial Statements*

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. generally accepted accounting principles.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

*Supplemental Schedule Required by ERISA*

The supplemental schedule of Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## THE PHILLIES 401(k) INCENTIVE SAVINGS PLAN

Notes to Financial Statements

December 31, 2024 and 2023

### (1) Description of Plan

The following description of The Phillies 401(k) Incentive Savings Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

#### (a) General

The Plan is a defined contribution plan covering substantially all full-time employees of The Phillies (the Plan Sponsor and Plan Administrator) who are 21 years of age or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and Section 401 of the Internal Revenue Code.

Through May 31, 2024, The Vanguard Fiduciary Trust ("Vanguard") was the trustee and recordkeeper of the Plan. On June 1, 2024, Vanguard was replaced by Fidelity Workplace Services LLC ("Fidelity") as the trustee and recordkeeper of the Plan and the plan document was restated with Adoption Agreement No. 001.

#### (b) Contributions

Participants in the Plan may contribute up to 20% of their pretax wages including bonuses, subject to the maximum amount permitted by law. Participants may allocate their contributions among various investment options as described herein.

At its discretion, The Phillies may make matching contributions equal to a certain percentage of participants' contributions for a given year. In addition, The Phillies may make bonus contributions at the end of any plan year. The matching contribution is 50% of the first 6% of a participant's contributions up to a maximum of \$2,500 for employees with at least one year of service. No bonus contributions were made for 2024 or 2023.

#### (c) Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of The Phillies' matching contribution, bonus contribution, if any, and the Plan's earnings and losses. Allocations are based on participant earnings and losses, net of applicable investment management fees, contributions, or account balances.

#### (d) Forfeited Accounts

Forfeited nonvested accounts can be used to pay plan administration expenses or reduce future employer contributions. Forfeited nonvested accounts used to reduce expenses or employer contributions were \$0 for each of the years ended December 31, 2024 and 2023. The balance of forfeitures was \$21,274 and \$16,097 for the years ended December 31, 2024 and 2023, respectively.

#### (e) Vesting

All participant contributions and income and losses thereon are fully vested at all times.

Participants vest in their portion of The Phillies' matching and bonus contributions and earnings thereon, based on a graded scale over three years, with 50% vesting after one year of service, 75% vesting after two years of service, and 100% vesting after three years of service.

## THE PHILLIES 401(k) INCENTIVE SAVINGS PLAN

Notes to Financial Statements

December 31, 2024 and 2023

**(f) Withdrawals**

During employment, participants may withdraw an amount up to their vested account balance, subject to certain hardship withdrawal rules set out in the Plan's agreement and governed by the Internal Revenue Code.

**(g) Payments of Benefits**

Upon termination of service, including disability, death, or retirement, a participant may receive a lump-sum amount equal to their vested account balance.

Benefit payments are recorded when paid.

**(h) Notes Receivable from Participants**

After one year of having made contributions, a participant may borrow an amount between \$1,000 and the lesser of \$50,000 or 50% of the vested balance in their account. The loans are secured by the balance in the participant's account. Outstanding notes receivable from participants at December 31, 2024 and 2023 had interest rates ranging from to 3.25% to 9.50%. Principal and interest are paid ratably through semimonthly payroll deductions.

General-purpose loans and loans taken to purchase a primary residence can have a term up to five and twenty years, respectively.

**(i) Termination**

Although The Phillies have not expressed any intent to do so, The Phillies reserve the right to amend, discontinue, or terminate the Plan at any time. In the event of plan termination, participants would become 100% vested in the employer contributions.

**(2) Summary of Significant Accounting Policies**

**(a) Basis of Presentation**

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

**(b) Use of Estimates**

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

**(c) Administrative Expenses**

The Plan's administrative expenses are paid by The Phillies and are not reflected in the accompanying financial statements, except for investment fee expenses, which are included as a reduction on the total return of the investment.

## THE PHILLIES 401(k) INCENTIVE SAVINGS PLAN

Notes to Financial Statements

December 31, 2024 and 2023

### (d) Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based on the terms of the plan document.

### (e) Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation includes gains and losses on investments bought and sold as well as held during the year.

### (3) Fair Value Measurements

Financial Accounting Standards Board Accounting Standards Codification Topic 820, *Fair Value Measurement*, defines fair value, establishes a framework for measuring fair value, and requires disclosures about fair value measurements. The fair value hierarchy under the guidance consists of three levels: Level 1 fair values are valuations based on quoted market prices in active markets for identical assets or liabilities that the entity has the ability to access; Level 2 fair values are those valuations based on quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable data for substantially the full term of the assets or liabilities; and Level 3 fair values are valuations based on inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. A description of the valuation methodologies used for assets measured at fair value follows. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Shares of mutual funds are valued at the quoted net asset value of shares held by the Plan at year-end.

The fair value of the investment in the common investment trust is based on the net asset of value of shares held by the Plan at year-end.

The following tables set forth by level, within the fair value hierarchy, the Plan's financial assets measured at fair value on a recurring basis as of December 31, 2024 and 2023:

Assets at fair value as of December 31, 2024

**(5) Tax Status**

The Internal Revenue Service (IRS) has issued a favorable opinion letter dated June 30, 2020, stating that the form of the underlying non standardized prototype plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The Plan Administrator believes that the Plan does not need to obtain a determination letter and may rely on the opinion letter pursuant to IRS Notice 2001-77. The Plan has been amended since the opinion letter was issued but the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the IRC and in accordance with the provision of the plan document.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024 and 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2020.

## THE PHILLIES 401(k) INCENTIVE SAVINGS PLAN

Notes to Financial Statements

December 31, 2024 and 2023

### **(6) Related-Party Transactions**

Vanguard, as former trustee and recordkeeper, and Fidelity, as current trustee and recordkeeper, provide certain administrative services to the Plan. Therefore, transactions with these related parties qualify as party-in-interest transactions. These related parties receive revenue from mutual fund service providers for services provided to the funds. This revenue is used to offset certain amounts owed to these related parties for their administrative services to the Plan.

If the revenue received by these related parties from such mutual fund service providers exceeds the amount owed, they remit the excess to the Plan's trust. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2024 and 2023, there were no excess amounts. The Plan Sponsor may make a payment to the related parties for administrative expenses not covered by revenue sharing.

Certain Plan investments are managed by Vanguard. Plan investments amounting to \$77,101,774 and \$68,264,226 at December 31, 2024 and 2023, respectively, are held in funds managed by Vanguard.

### **(7) Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

### **(8) Subsequent Events**

The Plan has evaluated subsequent events through October 3, 2025, the date at which the financial statements were available to be issued.

## Independent Auditors' Report

To the Plan Participants and Plan Administrator  
The Phillies 401(k) Incentive Savings Plan:

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of The Phillies 401(k) Incentive Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### *Basis for Opinion*

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### *Auditors' Responsibilities for the Audit of the Financial Statements*

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. generally accepted accounting principles.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

*Supplemental Schedule Required by ERISA*

The supplemental schedule of Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## THE PHILLIES 401(k) INCENTIVE SAVINGS PLAN

Notes to Financial Statements

December 31, 2024 and 2023

### (1) Description of Plan

The following description of The Phillies 401(k) Incentive Savings Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

#### (a) General

The Plan is a defined contribution plan covering substantially all full-time employees of The Phillies (the Plan Sponsor and Plan Administrator) who are 21 years of age or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and Section 401 of the Internal Revenue Code.

Through May 31, 2024, The Vanguard Fiduciary Trust ("Vanguard") was the trustee and recordkeeper of the Plan. On June 1, 2024, Vanguard was replaced by Fidelity Workplace Services LLC ("Fidelity") as the trustee and recordkeeper of the Plan and the plan document was restated with Adoption Agreement No. 001.

#### (b) Contributions

Participants in the Plan may contribute up to 20% of their pretax wages including bonuses, subject to the maximum amount permitted by law. Participants may allocate their contributions among various investment options as described herein.

At its discretion, The Phillies may make matching contributions equal to a certain percentage of participants' contributions for a given year. In addition, The Phillies may make bonus contributions at the end of any plan year. The matching contribution is 50% of the first 6% of a participant's contributions up to a maximum of \$2,500 for employees with at least one year of service. No bonus contributions were made for 2024 or 2023.

#### (c) Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of The Phillies' matching contribution, bonus contribution, if any, and the Plan's earnings and losses. Allocations are based on participant earnings and losses, net of applicable investment management fees, contributions, or account balances.

#### (d) Forfeited Accounts

Forfeited nonvested accounts can be used to pay plan administration expenses or reduce future employer contributions. Forfeited nonvested accounts used to reduce expenses or employer contributions were \$0 for each of the years ended December 31, 2024 and 2023. The balance of forfeitures was \$21,274 and \$16,097 for the years ended December 31, 2024 and 2023, respectively.

#### (e) Vesting

All participant contributions and income and losses thereon are fully vested at all times.

Participants vest in their portion of The Phillies' matching and bonus contributions and earnings thereon, based on a graded scale over three years, with 50% vesting after one year of service, 75% vesting after two years of service, and 100% vesting after three years of service.

## THE PHILLIES 401(k) INCENTIVE SAVINGS PLAN

Notes to Financial Statements

December 31, 2024 and 2023

**(f) Withdrawals**

During employment, participants may withdraw an amount up to their vested account balance, subject to certain hardship withdrawal rules set out in the Plan's agreement and governed by the Internal Revenue Code.

**(g) Payments of Benefits**

Upon termination of service, including disability, death, or retirement, a participant may receive a lump-sum amount equal to their vested account balance.

Benefit payments are recorded when paid.

**(h) Notes Receivable from Participants**

After one year of having made contributions, a participant may borrow an amount between \$1,000 and the lesser of \$50,000 or 50% of the vested balance in their account. The loans are secured by the balance in the participant's account. Outstanding notes receivable from participants at December 31, 2024 and 2023 had interest rates ranging from to 3.25% to 9.50%. Principal and interest are paid ratably through semimonthly payroll deductions.

General-purpose loans and loans taken to purchase a primary residence can have a term up to five and twenty years, respectively.

**(i) Termination**

Although The Phillies have not expressed any intent to do so, The Phillies reserve the right to amend, discontinue, or terminate the Plan at any time. In the event of plan termination, participants would become 100% vested in the employer contributions.

**(2) Summary of Significant Accounting Policies**

**(a) Basis of Presentation**

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

**(b) Use of Estimates**

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

**(c) Administrative Expenses**

The Plan's administrative expenses are paid by The Phillies and are not reflected in the accompanying financial statements, except for investment fee expenses, which are included as a reduction on the total return of the investment.

## THE PHILLIES 401(k) INCENTIVE SAVINGS PLAN

Notes to Financial Statements

December 31, 2024 and 2023

### (d) Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent participant loans are reclassified as distributions based on the terms of the plan document.

### (e) Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation includes gains and losses on investments bought and sold as well as held during the year.

### (3) Fair Value Measurements

Financial Accounting Standards Board Accounting Standards Codification Topic 820, *Fair Value Measurement*, defines fair value, establishes a framework for measuring fair value, and requires disclosures about fair value measurements. The fair value hierarchy under the guidance consists of three levels: Level 1 fair values are valuations based on quoted market prices in active markets for identical assets or liabilities that the entity has the ability to access; Level 2 fair values are those valuations based on quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable data for substantially the full term of the assets or liabilities; and Level 3 fair values are valuations based on inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. A description of the valuation methodologies used for assets measured at fair value follows. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Shares of mutual funds are valued at the quoted net asset value of shares held by the Plan at year-end.

The fair value of the investment in the common investment trust is based on the net asset of value of shares held by the Plan at year-end.

The following tables set forth by level, within the fair value hierarchy, the Plan's financial assets measured at fair value on a recurring basis as of December 31, 2024 and 2023:

	Assets at fair value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total

Interest and dividends	\$ 2,792,107	1,927,887
Net appreciation in fair value of investments	7,766,007	9,270,606

**(5) Tax Status**

The Internal Revenue Service (IRS) has issued a favorable opinion letter dated June 30, 2020, stating that the form of the underlying non standardized prototype plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The Plan Administrator believes that the Plan does not need to obtain a determination letter and may rely on the opinion letter pursuant to IRS Notice 2001-77. The Plan has been amended since the opinion letter was issued but the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the IRC and in accordance with the provision of the plan document.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024 and 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2020.

## THE PHILLIES 401(k) INCENTIVE SAVINGS PLAN

Notes to Financial Statements

December 31, 2024 and 2023

### **(6) Related-Party Transactions**

Vanguard, as former trustee and recordkeeper, and Fidelity, as current trustee and recordkeeper, provide certain administrative services to the Plan. Therefore, transactions with these related parties qualify as party-in-interest transactions. These related parties receive revenue from mutual fund service providers for services provided to the funds. This revenue is used to offset certain amounts owed to these related parties for their administrative services to the Plan.

If the revenue received by these related parties from such mutual fund service providers exceeds the amount owed, they remit the excess to the Plan's trust. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants. During 2024 and 2023, there were no excess amounts. The Plan Sponsor may make a payment to the related parties for administrative expenses not covered by revenue sharing.

Certain Plan investments are managed by Vanguard. Plan investments amounting to \$77,101,774 and \$68,264,226 at December 31, 2024 and 2023, respectively, are held in funds managed by Vanguard.

### **(7) Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

### **(8) Subsequent Events**

The Plan has evaluated subsequent events through October 3, 2025, the date at which the financial statements were available to be issued.
