INDEPENDENT AUDITORS' REPORT

To the Plan Administrator, Participants and Beneficiaries of the
Gregory FCA Communications, LLC 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Gregory FCA Communications, LLC 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Gregory FCA Communications, LLC 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statement or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions (Empower effective July 31, 2024 to December 31, 2024 and American Trust, effective January 1, 2023 to July 31, 2024) as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note A to the financial statements, is complete and accurate.

Opinion

In our opinion, based upon our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) (modified cash basis). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Gregory FCA Communications, LLC 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our

ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note B of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedules are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statement

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note B; This includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Gregory FCA Communications, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the provisions with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Gregory FCA Communications, LLC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about of Gregory FCA Communications, LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

DECEMBER 31, 2024

A. DESCRIPTION OF THE PLAN

General

Gregory FCA Communications, LLC (the "Company") sponsors The Gregory FCA Communications, LLC 401(k) Profit Sharing Plan (the "Plan"), which is a defined contribution plan. Substantially all employees of the Company that are not subject to collective bargaining agreements, or are part-time, temporary, seasonal or interns (less than 1,000 hours of service in the computational period) are eligible to participate in the Plan subject to the eligibility criteria discussed below.

The Company controls and manages the operation and administration of the Plan. The Plan enables qualified employees of the Company to voluntarily defer pre-tax and/or after-tax compensation to provide additional income for retirement in accordance with Internal Revenue Code ("IRC") Section 401(k). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan provisions.

Eligibility and Contributions

Employees are eligible to participate in the Plan on the first day of the Plan Year quarter after full time employment hire date and have reached age 21. Employees covered under collective bargaining agreements, or are part-time, temporary, seasonal or interns (less than 1,000 hours of service in the computational period) are not eligible to participate in the Plan. Participants may contribute a total of their base salary subject to certain IRC limitations (limit is \$23,000 for 2024 without "catch-up" contributions below). Participants can split their contributions between their pre-tax and/or after-tax accounts.

Participants who are age 50 or older by the end of the year can make special "catch-up" contributions above the Plan IRC limits. The maximum special "catch-up" contribution amount allowed by the IRC was \$7,500 in 2024.

Plan participants are also eligible for a Company matching contributions. The Company contributes to the Plan for each participant pre-tax or after-tax contributions at 2% of eligible compensation. To be eligible for Company matching contribution, the participants must have completed 12 months for employment, 1,000 hours of service determined on the basis of actual hours, and have reached age 21 (See Vesting). The Plan does provide an optional Company Profit Sharing contribution and the Company has not voluntarily contributed for the years ended 2024 and 2023. In addition, the Plan will accept rollover contributions resulting from a distribution received from another participants qualified plan.

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

A. DESCRIPTION OF THE PLAN (continued)

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements and supplemental schedules have been prepared in accordance with modified cash basis which is a basis of accounting other than generally accepted accounting principles ("GAAP") in the United States of America. Under the modified cash basis of accounting, contributions are recognized when collected rather than when withheld, and expenditures generally are recognized when paid rather than when incurred.

GREGORY FCA COMMUNICATIONS, LLC 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investments Valuation and Income Recognition

The Company's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Mutual funds are valued at quoted market prices that represent the net asset value of shares held by the Plan at year-end. See Note D for additional discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and Dividends income is recorded on the cash basis. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during 2024.

Payment of Benefits

Payment of benefits is recorded when paid.

Notes Receivable from Participants

Notes Receivable from participants are recorded at their unpaid principal balance. Interest income on Notes Receivable from participants is recorded when received. No allowance for receivable losses has been recorded as of December 31, 2024. If necessary, delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Income Tax Status

The Plan, as amended, received a favorable determination letter dated June 30, 2020, that finds the Plan was designed in accordance with the applicable IRC requirements and, therefore, the related trust is not subject to tax under current tax law. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its tax qualification. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, as a result, no provision for income taxes has been included in the Plan's financial statements.

Management is required to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for the years prior to 2022.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of Estimates

The preparation of financial statements in accordance with the modified cash basis of requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties

Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect participant's account balances, and the amounts reported in the statements of net assets available for benefits.

Subsequent Events

Management has evaluated all events and transactions that occurred after December 31, 2024 through September 24, 2025 the date these financial statement were available to be issued.

C. INFORMATION CERTIFIED BY THE TRUSTEE

~~Certain information disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including, but not limited to, investments held at December 31, 2024 and 2023, participant notes receivable, net appreciation in fair value of investments, interest and dividends, and investments expenses for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by the custodian of the Plan, who held the Plan's investment assets and executed investment transactions, as of December 31, 2024 and for the year ended December 31, 2024~~

D. INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has an investment contract with MetLife, whereby certain Plan assets are maintained in pooled separate accounts and a guaranteed account. The accounts are credited with contributions and actual earnings on investment and charged for participant withdrawals, actual losses, and administration fees.

The investment contract with MetLife includes an investment option in the MetLife GAC Series 25053 CL EQ Fund, which meets the criteria for fully benefit-responsive investment contract for participant-initiated transactions and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount

D. INVESTMENT CONTRACT WITH INSURANCE COMPANY (continued)

received by participants if they were to initiate permitted transactions under the terms of the Plan. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value. The guaranteed account provides a guarantee of principal and a guaranteed interest rate, and is included in the financial statement at contract value as reported by the issuer. The crediting rate is based on a formula established by the contract issuer.

The Plan's ability to receive amounts due under a contract is dependent on the issuer's ability to meet financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

E. INVESTMENTS

The Plan's investments are held in trust by Empower. The Plan's trust agreement requires the Trustee to invest the Plan's assets into various fund options as directed by each participant.

The Plan's investments that represented 5% or more of the net assets available for benefit as of December 31, 2024 are as follows:

Vanguard Target Retirement 2050 Inv	\$ 1,596,484
Vanguard Target Retirement 2020 Inv	1,168,071
Vanguard 500 Index Fund-Admiral	819,793
Vanguard Target Retirement 2060 Inv	817,240
Reliance MetLife GAC Series 25053 CL EQ	757,074
Vanguard Target Retirement 2045 Inv	703,686
Vanguard Target Retirement 2025 Inv	657,182
Vanguard Target Retirement 2055 Inv	595,135

F. FAIR VALUE MEASUREMENTS

The Plan accounts for certain assets and liabilities at fair value. The hierarchy below lists three levels of fair value based on the extent to which inputs used in measuring fair value are observable in the market. The Plan categorizes each of its fair value measurements in one of these three levels based on the lowest level input that is significant to the fair value measurement in its entirety. These levels are:

Level 1 - Unadjusted quoted prices available in active markets for identical investments as of the reporting date.

Level 2 - Observable inputs to the valuation methodology are other than Level I inputs, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies.

GREGORY FCA COMMUNICATIONS, LLC 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024

F. FAIR VALUE MEASUREMENTS (continued)

Level 3 - Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability, and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

The Plan's policy is to recognize significant transfers between levels at the actual date of the event or circumstance that caused the transfer. The Plan's hold only level 1 investments and for the year ended December 31, 2024, there were no transfers in or out of levels 1, 2 or 3.

G. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

The American Trust Company and Empower was the trustee in 2024 and The American Trust Company in 2023 as defined by the Plan, and therefore, these transactions qualify as exempt party-in-interest transactions. Participant loans are also considered party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund.
