## INDEPENDENT AUDITORS' REPORT

To the Plan Administrator  
Haas Outdoors, Inc. Profit Sharing and 401(k) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Haas Outdoors, Inc. Profit Sharing and 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Haas Outdoors, Inc. Profit Sharing and 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

TUSCALOOSA

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Haas Outdoors, Inc. Profit Sharing and 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Haas Outdoors, Inc. Profit Sharing and 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements, as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Haas Outdoors, Inc. Profit Sharing and 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Haas Outdoors, Inc. Profit Sharing and 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information. In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The Plan is a defined contribution plan that covers substantially all full-time employees of the Company who meet the eligibility requirements. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was established effective July 1, 1989, and was restated, most recently, on January 1, 2022.

***Contributions***

Each year, participants may elect to defer a percentage of eligible compensation up to twenty-five percent of their annual compensation, as defined in the Plan. The Company also may make a discretionary employer profit-sharing contribution. A safe harbor employer matching contribution equal to 100% of elective deferrals up to 3% of compensation, and an additional 50% of deferrals on the next 2% of compensation may also be made. For the years ended December 31, 2024, and 2023, the amount of the profit sharing contribution was \$113,808 and \$0, respectively. For the years ended December 31, 2024, and 2023, the amount of the safe harbor match contribution was \$286,192 and \$291,492, respectively. Participants may also contribute amounts representing distributions from other qualified plans.

***Participant Accounts***

Each participant's account is credited with the participant's contribution and an allocation of the Plan earnings (losses). Allocations of earnings (losses) and expenses are based on participant account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

***Vesting***

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Company's contribution, plus actual earnings thereon, is based on years of continuous service. A participant is 100% vested after five years of credited service. Safe harbor employer contributions are immediately vested.

***Payment of Benefits***

Upon termination of service, a participant may elect to receive a lump-sum in a non-rollover or direct rollover distribution, or any combination thereof.

***Forfeited Accounts***

At December 31, 2024, the forfeiture account balance was \$735. This account will be used to reduce future employer contributions.

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

**NOTE B - SUMMARY OF ACCOUNTING POLICIES*****Basis of Accounting***

The financial statements of the Plan are prepared under the accrual basis of accounting.

***Use of Estimates***

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

***Investment Valuation and Income Recognition***

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

***Payment of Benefits***

Benefits are recorded when paid.

***Fair Value Measurements***

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

*Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

**NOTE B - SUMMARY OF ACCOUNTING POLICIES** (Continued)***Fair Value Measurements*** (Continued)

*Level 2* - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following is a description of the valuation methodology used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

***Mutual Funds***

Mutual funds are valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily Net Asset Value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded (Level 1).

***Money Market***

These investments are public investment vehicles using \$1 for the NAV. The money market funds are classified within Level 1 of the valuation hierarchy.

***Self-Directed Brokerage Account***

The Plan's Self-Directed Brokerage Account is a Schwab Personal Choice Retirement Account (PCRA). The PCRA may be invested in mutual funds, debt securities, and exchange-traded funds. These investment options have readily available values and are classified within Level 1 of the valuation hierarchy.

**NOTE B - SUMMARY OF ACCOUNTING POLICIES** (Continued)***Subsequent Events***

Management has evaluated the effect of subsequent events on these financial statements through October 2, 2025, the date the financial statements were available to be issued. See Note H - Risks and Uncertainties for further information.

**NOTE C - INVESTMENTS****Fair Value of Financial Investments, Carried at Fair Value**

See “Fair Value Measurements” in Note B above for a discussion of the methodologies and assumptions used to determine the fair value of the Plan’s investments.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as described in Note B:

**NOTE D - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

## NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

***NOTE E - TAX STATUS***

The Internal Revenue Service has determined and informed the Plan sponsor by letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax exempt. The Plan's Form 5500 information returns are subject to examination by the Department of Labor generally for three years after filing. Management has evaluated the tax positions taken and there are no uncertain tax positions that qualify for either recognition or disclosure in the financial statements.

***NOTE F - ADMINISTRATIVE EXPENSES***

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in the net appreciation (depreciation) of fair value of investments. Certain expenses of the Plan, including legal and accounting fees, are paid by the Employer. In addition, certain services to the Plan by the Employer were performed at no charge.

***NOTE G - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE***

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2024 and 2023, and net appreciation (depreciation) in fair value of investments, interest and dividends for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Renasant Bank (the trustee of the Plan).

***NOTE H - RISKS AND UNCERTAINTIES***

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the 2024 statement of net assets available for benefits.

**NOTES TO FINANCIAL STATEMENTS**

**DECEMBER 31, 2024 AND 2023**

***NOTE I - RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS***

Renasant Bank is the trustee of the Plan assets as defined by the Plan and, therefore, administrative fees provided to Renasant Bank qualify as party-in-interest transactions. Fees paid by the Plan for such services totaled \$114,890 and \$93,079 for the years ended December 31, 2024 and 2023, respectively.
