Independent Auditor's Report**

INDEPENDENT AUDITOR'S REPORT

October 7, 2025

To the Board of Directors of
Fort Hudson Nursing Center, Inc. 403(b) Plan:

Scope and Nature of the ERISA Section 103 (a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Fort Hudson Nursing Center, Inc. 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Fort Hudson Nursing Center, Inc. 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

(Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Fort Hudson Nursing Center, Inc. 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Fort Hudson Nursing Center, Inc. 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Fort Hudson Nursing Center, Inc. 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Fort Hudson Nursing Center, Inc. 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Other Matter - Supplemental Schedule Required by ERISA (Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FORT HUDSON NURSING CENTER, INC. 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

1. THE PLAN

The following description of the Fort Hudson Nursing Center, Inc. 403(b) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 403(b) plan established for employees of Fort Hudson Health System, Inc. (the Company). The Plan is administered by management of the Company and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

All employees are eligible to begin salary deferrals upon their date of employment.

Contributions

Participants may contribute to pre-tax and post-tax salary deferrals to the Plan, subject to certain IRS limitations. Participants are also permitted to make rollover contributions of amounts received from other tax-qualified employer-sponsored defined contribution plans. There are no employer contributions to this Plan.

Payment of Benefits

Upon termination, a participant is entitled to receive an amount equal to the value of the participant's vested interest in their account. If the account is less than \$5,000, the benefit must be distributed in a single lump sum payment. If the account is \$5,000 or greater, participants may elect a single lump sum payment or monthly installment payments. Benefits to terminated participants are recorded when paid.

Hardship Withdrawals

Prior to age 59 $\frac{1}{2}$, a participant may withdraw only his or her participant contributions for reasons of hardship. All hardship withdrawals must comply with the rules relating to hardships, which are uniformly applicable to all participants.

Vesting

Participants are immediately fully vested in their voluntary contributions and actual investment earnings and losses thereon.

Notes Receivable from Participants

Participants may borrow from their account up to a maximum amount that is equal to the lesser of \$50,000 or 50 percent of their account balance. Generally, loan terms range from 1-5 years, but can extend to 15 years if used for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at the prime rate published by the USA Today at the time of the loan, plus 1%. Principal and interest is paid ratably through payroll deductions, which cannot be less frequently than quarterly.

Participant Accounts

Each participant's account is credited with the participant's contributions along with an allocation of Plan earnings and losses and an allocation of administrative expenses. Allocations are based on participant earnings or losses or account balances, as defined.

1. THE PLAN (Continued)

Investment Options

The Plan currently offers mutual funds through regulated investment companies, as well as a fixed annuity contract and a money market fund. Participants may change their investment options daily. All investments are participant directed.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Investment Valuation and Investment Recognition

The Plan's investments are stated at fair value, except for the fully benefit responsive investment contract, which is stated at contract value. Changes in the current value of investments, including realized gains and losses on assets sold during the year, are reflected in the statements of changes in net assets available for benefits as net appreciation in the fair value of investments. Dividends are recorded on the ex-dividend date and purchases and sales of securities are recorded on a trade-date basis (the date the order to buy or sell is executed). Interest income is recognized on the accrual basis.

Risks and Uncertainties

The Plan invests in mutual funds, a fixed annuity contract and a money market fund. Investments are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect the amounts of net assets available for Plan benefits.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan Document.

Investments

The Plan has financial instruments which are recorded at fair value in the accompanying statements of net assets available for benefits. Then Plan investments in guaranteed investment contracts are recorded at contract value. The Plan makes estimates regarding the valuation of assets and liabilities measured at fair value in the financial statements. These assets include the investments in mutual funds and a money market fund.

Fair value of investments represents the price that would be received upon the sale of an asset or paid upon the transfer of a liability in an orderly transaction between market participants as of the measurement date. Financial instruments are measured and reported at fair value and are classified and disclosed in one of the following categories based on the lowest level input that is significant to the fair value management in its entirety:

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investments (Continued)

- Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Valuation adjustments are not applied to Level 1 instruments. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these products does not entail a significant degree of judgment. The Plan's investments in mutual funds and the money market fund are valued utilizing Level 1 inputs.
- Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly. The Plan has no investments valued utilizing Level 2 inputs.
- Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement. The Plan has no investments valued utilizing Level 3 inputs.

The Plan uses various valuation techniques in determining fair value. U.S. GAAP establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the observable inputs be used when available. Observable inputs are inputs that market participants would use in pricing the asset or liability developed based on market data obtained from sources independent of the Plan. Unobservable inputs are inputs that reflect the Plan's assumptions about the assumptions market participants would use in pricing the asset or liability, developed based on the best information available in the circumstances.

The availability of observable inputs can vary and is affected by a wide variety of factors. To the extent that valuation is based on models or inputs that are less observable or unobservable in the market, the determination of fair value requires more judgment. Accordingly, the degree of judgment exercised by the Plan in determining fair value is greatest for instruments categorized in Level 3. In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes the level in the fair value hierarchy within which the fair value measurement in its entirety falls is determined based on the lowest level input that is significant to the fair value measurement in its entirety. A description of where the Plan's investments fall within the fair value hierarchy is provided in Note 4.

Fully Benefit Responsive Guaranteed Investment Contract

The Plan has an allocated annuity contract with Equitable Financial Life Insurance Company (EQ), which is reported as a fully benefit responsive guaranteed investment contract at contract value on the statements of net assets available for benefits. Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit responsive investment contracts. Contract value is the relevant measurement for that portion of the net assets available for benefits attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. EQ maintains plan contributions in separate accounts. The accounts are credited with contributions and actual earnings/losses on the underlying investments and are charged for plan withdrawals. Participants have the option to direct their funds into the EQ account which consists of fully allocated fixed-dollar annuities. EQ annuities purchase a contractual or guaranteed amount of future benefits for the participant. The contract is fully benefit responsive, which means withdrawals from the contract may be made for qualifying benefit payments, including participant-directed transfers. Generally, there are not any events that could limit the ability of the Plan to transact at contract value paid overtime. There are not any events that allow the issuer to terminate the contract, and which require the Plan to settle at an amount different that contract value paid over time.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payments of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan permits the payment of plan expenses to be made from plan assets. Substantially all administrative expenses associated with the Plan are paid by Plan participants as a reduction of investment income.

3. INVESTMENTS

The following information was certified as complete and accurate by Glens Falls National Bank and Trust Company and Equitable Financial Life Insurance Company, the custodians, and is included in the accompanying financial statements and supplemental schedule as of December 31:

	<u>2024</u>	<u>2023</u>
Total investments, at fair value	<u>\$ 1,920,774</u>	<u>\$ 1,665,393</u>

Notes receivable from participants	<u>\$ 7,804</u>	<u>\$ 18,904</u>
Total investment income	<u>\$ 284,746</u>	<u>\$ 305,302</u>
Interest on notes receivable from participants	<u>\$ 943</u>	<u>\$ 637</u>

Schedule of Assets (Held at End of Year) - Schedule I

4. FAIR VALUE MEASUREMENTS

At December 31, 2024, the Plan's investments are measured at fair value on a recurring basis and are valued as follows:

	<u>Level 1</u> <u>Inputs</u>	<u>Level 2</u> <u>Inputs</u>	<u>Level 3</u> <u>Inputs</u>	<u>Total</u>
Mutual funds	\$ 1,912,928	\$ -	\$ -	\$ 1,912,928
Money market fund	<u>7,846</u>	<u>-</u>	<u>-</u>	<u>7,846</u>
Total	<u>\$ 1,920,774</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,920,774</u>

4. FAIR VALUE MEASUREMENTS (Continued)

At December 31, 2023, the Plan's investments are measured at fair value on a recurring basis and are valued as follows:

	Level 1 <u>Inputs</u>	Level 2 <u>Inputs</u>	Level 3 <u>Inputs</u>	<u>Total</u>
Mutual funds	\$ 1,655,169	\$ -	\$ -	\$ 1,655,169
Money market fund	<u>10,224</u>	<u>-</u>	<u>-</u>	<u>10,224</u>
Total	<u>\$ 1,665,393</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,665,393</u>

The following is a description of the valuation methodology used for assets measured at fair value.

Mutual funds: Value based on quoted prices in active markets.

Money market fund: Valued based on the amount reported by Glens Falls National Bank and Trust Company, based on the quoted market price of the respective fund.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There have been no changes in valuation methodology in 2024 or 2023.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants remain 100% vested in their accounts.

6. TAX STATUS

The Plan is exempt from federal income tax under Section 403(b) of the Internal Revenue Code (IRC). The Plan is required to operate in conformity with the IRC to maintain its tax-exempt status for Plan participants. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

7. PARTY-IN-INTEREST TRANSACTIONS

Plan investments are managed by Glens Falls National Bank and Trust Company and Equitable Financial Life Insurance Company, the custodians as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

The Plan also allows current employees who are participants to receive loans under specific circumstances. As such, transactions between the participants that have loans and the Plan qualify as party-in-interest transactions.

8. RECONCILIATION TO FORM 5500

The classification of changes in net assets available for benefits for the periods ended December 31, 2024 and 2023 differs between these financial statements and Form 5500. However, the total change in net assets available for benefits for the periods then ended agrees between these financial statements and Form 5500.

9. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 7, 2025, which is the date the financial statements were available to be issued.
