Part III Accountant's Opinion

3 Complete lines 3a through 3c if the opinion of an independent qualified public accountant is attached to this Form 5500. Complete line 3d if an opinion is not attached.

a The attached opinion of an independent qualified public accountant for this plan is (see instructions):

(1) ☒ Unmodified (2) ☐ Qualified (3) ☐ Disclaimer (4) ☐ Adverse

b Check the appropriate box(es) to indicate whether the IQPA performed an ERISA section 103(a)(3)(C) audit. Check both boxes (1) and (2) if the audit was performed pursuant to both 29 CFR 2520.103-8 and 29 CFR 2520.103-12(d). Check box (3) if pursuant to neither.

(1) ☒ DOL Regulation 2520.103-8 (2) ☐ DOL Regulation 2520.103-12(d) (3) ☐ neither DOL Regulation 2520.103-8 nor DOL Regulation 2520.103-12(d).

c Enter the name and EIN of the accountant (or accounting firm) below:

(1) Name: **COOK MARTIN POULSON P.C.**

(2) EIN: **87-0517946**

d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)	☒	☐	351163

Independent Auditor's Report

To the Administrative Committee and Plan Participants of the
Fox Pest Control 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Fox Pest Control 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Fox Pest Control 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to in the first paragraph of this report related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Fox Pest Control 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As discussed in Note 3 to the financial statements, the Company elected to terminate the Plan during the plan year ended December 31, 2024. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Fox Pest Control 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Fox Pest Control 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Fox Pest Control 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplementary Schedule Required by ERISA

The supplementary schedule of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Fox Pest Control 401(k) Plan

Notes to Financial Statements

December 31, 2024 (In Liquidation) and 2023 (Ongoing)

Note 1 – Plan Description

The following brief description of the Fox Pest Control 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document and adoption agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering qualified employees of FPC Holdings, LLC (the Company) and members of the controlled group/affiliated service group. The Company established the Plan effective as of January 1, 2018. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility – Employees are eligible to participate and receive the employer match in the Plan if they are at least 18 years of age. Participants are eligible for the non-elective contributions if they have met the initial eligibility requirements (age 18 or older).

Entry Date – Employees may enter the Plan on the date the eligibility requirements are met.

Contributions – Each year, participants may elect to contribute up to the maximum amount of compensation allowed by Code Sections 402(g) and 414(v) not to exceed the limits of Code Sections 401(k), 404, and 415 (for 2024 the limit is \$23,000). This amount is indexed periodically for changes in the cost-of-living index. This limit applies to all employee 401(k) contributions made during a tax year to any 401(k) plans maintained by a present or former employer. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of up to \$7,500 for 2024. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Employee and employer contributions are funded each pay period. The Company contributes a safe harbor matching contribution of 100% of the amount of the participant's elective deferrals that do not exceed 3% of the participant's compensation, plus 50% of the amount of the participant's elective deferrals that exceed 3% of the participant's compensation but do not exceed 5% of the participant's compensation. The plan also allows for an additional employer match and non-elective contributions at the Company's discretion. The Company elected not to make a discretionary match or non-elective contribution for the year ended December 31, 2024. Discretionary employer match is allocated using a rigid discretionary match and limits the match to no more than 6% of a participant's compensation. Non-elective contributions are based on business units or locations and allocated to participants using the grouping method where each participant constitutes a separate classification.

Participant Accounts – Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings (losses), and charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Fox Pest Control 401(k) Plan

Notes to Financial Statements (Continued)

December 31, 2024 (In Liquidation) and 2023 (Ongoing)

Note 1 – Plan Description (Continued)

Investment Options – Upon enrollment in the Plan, a participant may direct deferrals and employer contributions in selected investment options. Participants may change their investment options at any time.

Notes Receivable from Participants – Participants may borrow from their fund accounts, a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans were secured by the balance in the participant's account and carried interest rates ranging from 9.75% to 10.50%, which were commensurate with 2% above Prime when the loans were issued. Principal and interest was paid ratably through payroll deductions over a period not to exceed five years, unless the proceeds of the loan were used to acquire the participant's residence. A participant may have no more than one outstanding loan at any time.

Vesting – Participants are vested immediately in their contributions, plus actual earnings thereon. Participants who complete at least one hour of service on or after January 1, 2024 are vested immediately in the Company's contributions, otherwise vesting in the Company's contribution portion of their accounts is based on years of continuous service. Crediting of vesting service is based on the employment year under the elapsed time method. Vesting is based on years of credited service as set forth in the following table:

Participant's Years of Service	Vested Percentage
1	25%
2	50%
3	75%
4	100%

Payment of Benefits and Withdrawals – On termination of service due to death, disability, retirement, or other reasons, a participant may receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. A terminated employee with a balance of less than \$1,000 may be automatically paid out by the Plan upon termination. Any terminated participants with a balance between \$1,000 and \$7,000 can still be automatically paid out if their balance is rolled into a qualified Individual Retirement Account. Distributions may be made at the participant's election prior to termination, upon attainment of age 59 ½, or hardship as defined in the Plan document.

Forfeited Accounts – Forfeited accounts may be used to reduce future employer contributions or to pay Plan expenses. Forfeited non-vested accounts total \$0 and \$21,332 as of December 31, 2024 and 2023, respectively. During the plan year ended December 31, 2024, \$3,780 of non-vested participant funds were forfeited, \$653 was earned, and \$25,765 was transferred out of the plan.

Notes to Financial Statements (Continued)

December 31, 2024 (In Liquidation) and 2023 (Ongoing)

Note 2 – Summary of Significant Accounting Policies

Date of Management's Review – Subsequent events were evaluated through September 26, 2025, which is the date the financial statements were available to be issued.

Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of Accounting – The Company terminated the plan effective December 31, 2024 and all assets were transferred from the plan prior to year-end. As a result, the Plan has changed its basis of accounting from the accrual method used in presenting the financial statements as of December 31, 2023 to the liquidation basis used in presenting the financial statements as of December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Realized gains and losses from security transactions are reported on the average cost method. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits – Benefit payments to participants are recorded upon distribution. There were no amounts allocated to accounts of persons who have elected to withdraw from the Plan, but had not yet been paid as of December 31, 2024.

Contributions Receivable and Allowance for Credit Losses – Contributions receivable consists of contributions from participants and/or the plan sponsor that have not yet been remitted to the Plan. The allowance estimate is derived from a review of the Plan's historical losses based on the age of receivables and the type of receivable. This estimate is adjusted for the trustee's assessment of current conditions, reasonable and supportable forecasts regarding future events, and any other factors deemed relevant by the Plan. The Plan believes historical loss information is a reasonable starting point in which to calculate the expected allowance for credit losses. Actual credit losses could differ from the estimate. Assets are presented in the financial statements at the net amount expected to be collected. As of December 31, 2024 and 2023, the Plan has recorded no allowance for credit losses as it is not considered material to the financial statements.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2024 and 2023.

Fox Pest Control 401(k) Plan

Notes to Financial Statements (Continued)

December 31, 2024 (In Liquidation) and 2023 (Ongoing)

Note 2 – Summary of Significant Accounting Policies (Continued)

Administrative Expenses – Certain administrative expenses of maintaining the Plan are paid by the Company and are excluded from these financial statements. Fees related to the administration of benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Excess Contributions Payable – Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan had excess contributions payable of \$0 and \$24,058 as of December 31, 2024 and 2023, respectively. The Plan distributed the 2022 excess contributions to the applicable participants during the years ended December 31, 2024 and 2023. Because the contributions were corrected after 12 months, the plan sponsor also made a qualified non-elective contribution of \$25,429 for the year ended December 31, 2022 that was contributed in the year ended December 31, 2024.

Note 3 – Plan Termination

The Board of Directors of Rollins Inc. approved the merger of the Plan into the Rollins 401(k) Savings Plan on June 10, 2024, effective December 31, 2024. As a result, all assets were transferred from the Plan into the Rollins 401(k) Savings plan prior to December 31, 2024. The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Final valuation was determined based on all participants being 100% vested, and all assets were transferred out of the plan as soon as possible after the termination date.

When the Plan terminates, benefits are not insured by the Pension Benefit Guaranty Corporation (PBGC). Under the law, PBGC insurance does not cover the type of plans called defined contribution plans. This Plan is a defined contribution plan and, therefore, is not covered.

Note 5 – Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. FASB Accounting Standards Codification 820, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurements*, are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include (a) quoted prices for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the asset or liability; (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Pooled Separate Accounts – Stated at fair value based on the quoted redemption value of the underlying assets on the last day of the Plan year. Voya Trust Company determines unit value by dividing the respective accounts' net assets at fair value by their units outstanding at the valuation date (net asset value, or NAV).

Guaranteed Investment Contracts – Fair value is the amount Plan participants would receive currently if they were to withdraw or transfer funds from the Plan prior to their maturity for an event other than death, disability, termination, or retirement. This fair value represents contract value adjusted to reflect current market interest rates only to the extent such market rates exceed crediting rates.

Note 5 – Fair Value Measurements (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurement at the reporting date.

The Plan has no assets measured at fair value as of December 31, 2024. The following tables set forth by level, within the fair value hierarchy, the Plan's assets measured at fair value on a recurring basis as of December 31, 2023:

		Fair Value Measurements Using			
		Fair Value	Level 1	Level 2	Level 3
<u>December 31, 2023</u>					
Guaranteed Investment Contracts	\$ 55,207	\$ -	\$ 55,207	\$ -	
Pooled Separate Accounts	<u>4,016,567</u>	<u>4,016,567</u>	<u>-</u>	<u>-</u>	
Total	\$ 4,071,774	\$ 4,016,567	\$ 55,207	\$ -	

Transfers Between Levels – The availability of observable market data is monitored to assess the appropriate classifications of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

Plan management evaluated the transfers between levels based upon the nature of the financial instruments and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2024, there were no transfers in or out of Level 3.

Note 6 – Guaranteed Investment Contracts

The Plan provided an investment option to invest in guaranteed investment contracts with Voya Retirement Insurance and Annuity Company (VRIAC) that was not fully benefit-responsive. VRIAC maintained the contributions in a general account. VRIAC was obligated to repay the principal and a specified interest rate that was guaranteed to the Plan. The guaranteed investment contracts did not permit Voya Trust Company to terminate the accounts prior to the scheduled maturity dates.

There were no reserves against the contracts for credit risk of the contract issuer or otherwise. The fair value of the contracts at December 31, 2024 and 2023 is \$0 and \$55,207 respectively. The crediting interest rate was 1.50% during the year ended December 31, 2024.

Note 6 – Guaranteed Investment Contracts (Continued)

The Plan administrator's valuation process for the guaranteed investment contracts consisted of reviewing the contract's investment returns and current values for reasonableness at governance meetings and consulting with an investment advisor.

Note 7 – Tax Status

The Plan uses a defined contribution pre-approved plan sponsored by Ascensus, LLC, which received an opinion letter from the Internal Revenue Service (IRS), dated June 30, 2020, stating that the document satisfies the applicable sections of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS, and the Plan has been amended since receiving the opinion letter, however, the plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. Generally, three tax years remain subject to examination by tax jurisdictions.

Note 8 – Nonexempt Party-in-Interest Transactions

During the years ended December 31, 2024, 2023, and 2022, the Company remitted participant contributions of \$99,411, \$141,369, and \$110,383, respectively, to the custodians of plan assets later than required by Department of Labor (DOL) Regulation 2510.3-102. These late participant contributions have not been corrected as of December 31, 2024.

Note 9 – Exempt Party-in-Interest Transactions

Certain plan investments are units of pooled accounts and guaranteed investment contracts managed by Voya Retirement Insurance and Annuity Company, or affiliates thereof, with total values of \$0 and \$70,136 as of December 31, 2024 and 2023, respectively. Voya Retirement Insurance and Annuity Company is a custodian as defined by the Plan and the balances and the associated earnings are considered exempt party-in-interest transactions. Fees paid by the Plan to service providers amounted to \$65,730 for the year ended December 31, 2024 and are considered to be exempt party-in-interest transactions.

Party-in-interest balances include notes receivable from participants of \$0 and \$34,945 as of December 31, 2024 and 2023, respectively, and are considered exempt party-in-interest amounts.

Note 10 – Reconciliation of Financial Statements to Schedule H of Form 5500

The Form 5500 for the Plan is prepared on a cash basis, therefore, employer and participant contributions receivable and excess contributions payable are not reflected in the balance of net assets available for benefits and are not reflected as an adjustment to the contribution income received from the employer and participants.

The reconciliation of the financial statements to the Schedule H of Form 5500 on a line-by-line basis is as follows:

	<u>Financial Statements</u>	<u>Schedule H</u>	<u>Difference</u>
<u>Part I Asset and Liability Statement (a) Beginning of Year</u>			
Line 1b(1) Employer Contributions Receivable	\$ 51,273	\$ -	\$ 51,273
