INDEPENDENT AUDITORS' REPORT

To the Trustees
St. Barnabas Employees Retirement Savings Plan
Gibsonia, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements

We have performed an audit of the accompanying financial statements of the St. Barnabas Employees Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion on the 2024 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statements section –

- the amounts and disclosures in the 2024 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the accounting principles generally accepted in the United States of America.
- the information in the 2024 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2024 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2024 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2024 Supplemental Schedule Required by ERISA

The supplemental schedule (Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2023 Financial Statements

The financial statements of the Plan as of December 31, 2023, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated February 17, 2025 indicated that in their opinion (a) the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2023 supplemental schedule, other than the information in the 2023 supplemental schedule that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2023 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ST. BARNABAS EMPLOYEES RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

Note 1 – Description of Plan

The following description of the St. Barnabas Employees Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

General – The Plan was originally effective on January 1, 1989 and was most recently amended on April 1, 2024. The purpose of the plan is to provide retirement benefits for the employees of St. Barnabas Health System, Inc. (the "Plan Sponsor") and participating employers. The Plan covers eligible employees who are eighteen years or older effective October 1, 2023 (prior to October 1, 2023, there was no age requirement). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Trustees are responsible for the oversight of the Plan and determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

Participating employers include:

- Deere Corp.
- Fosnight Personal Care Home DBA The Arbors III at St. Barnabas
- HAP Senior Care dba Beaver Meadows
- JGB Holdings Inc. (DBA East Rochester Shop N Save)
- SB Charters Grocery
- St. Barnabas Auto Repair, LLC
- St. Barnabas Broadcasting Inc.
- St. Barnabas Charities, Inc.
- St. Barnabas Clinical Services, Inc.
- St. Barnabas Communities, Inc.
- St. Barnabas Nursing Home, Inc.
- The Arbors at St. Barnabas, Inc.
- The New St. Barnabas Medical Center, Inc.
- The Village at St. Barnabas, Inc.
- The Washington Place at St. Barnabas

Contributions – Participants may elect to contribute up to 100%, in whole percentage increments, of their compensation, as defined in the Plan, as a pre-tax contribution up to the limits established by the Internal Revenue Service (the “IRS”) of \$23,000 and \$22,500 for the years ended December 31, 2024 and 2023, or as a post-tax Roth deferral. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Contributions are subject to certain limitations. The aggregate contributions to each participant account may not exceed \$69,000 and \$66,000 for the years ended December 31, 2024 and 2023. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% of eligible compensation.

ST. BARNABAS EMPLOYEES RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2024 AND 2023

Note 1 – Description of Plan – Continued

Participant 401(k) Deferral

Eligibility and Participation – Employees are deemed eligible for participation in the Plan upon attaining the age of 18 years.

Participant Contributions – Participants may direct their contributions or re-allocate their account balance at any time into various investment options offered. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of \$7,500 for the years ended December 31, 2024 and 2023.

Employer Contributions

Eligibility and Participation – Employees are deemed eligible for employer contributions upon attaining age 18.

Employer Contributions – The Company made discretionary contributions of 25% of the first 4% of base compensation that a participant contributed to the Plan during the years ended December 31, 2024 and 2023. The Company may also make discretionary profit sharing contributions to the Plan in amounts determined by its Board of Directors. Discretionary profit sharing contributions made by the Plan Sponsor will be allocated to the participants in the ratio that participant eligible compensation bears to total eligible compensation paid to all eligible participants. To be eligible for the allocation, employees must have at least 1,000 hours of service during the Plan year and be employed on the last day of the Plan year. There were discretionary profit sharing contributions of \$675,863 and \$620,889 for the years ended December 31, 2024 and 2023 that were allocated to participant accounts subsequent to each respective year end.

Participant Accounts – Each participant's account is credited with the participant's contributions and employer matching contributions, as well as allocations of the Plan Sponsor's discretionary profit sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the employer matching contribution and discretionary profit sharing contribution portion of their accounts is based on years of service. Participants are 20% vested after 2 years of continued service and vest 20% each year thereafter until becoming fully vested after six years of credited service.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest rates at a rate as determined by the Plan administrator. Loan terms range from 1-5 years, except in cases where the proceeds are used to purchase a primary residence, in which case loans can be up to 10 years. Interest rates range from 5.25% to 10.50%. Principal and interest and paid ratably through payroll deductions.

ST. BARNABAS EMPLOYEES RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2024 AND 2023

Note 1 – Description of Plan – Continued

Payment of Benefits – On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump sum amount or a joint and survivor annuity equal to the value of the participant's vested interest in his or her account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. If a participant's account is less than \$7,000 at termination, the participant's vested balance may be rolled over to an individual retirement plan designated by the Plan administrator. If a participant's account is less

than \$1,000 at termination, the participant's vested interest may be paid without a withdrawal request or consent of the participant. Hardship distributions are permitted from participants' fully vested account balances.

Forfeitures – At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$61,656 and \$45,391, respectively. These amounts may be used to reduce employer matching contributions, discretionary profit sharing contributions or to pay plan expenses. As of December 31, 2024, the discretionary profit sharing contribution was reduced by \$34,736 from forfeited accounts.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting – The financial statements of the Plan have been prepared using the accrual basis of accounting.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Trustees determines the Plan's valuation policies utilizing information provided by the investment advisor and trustee. See note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable are reported as a separate line-item titled Notes Receivable from Participants on the Statements of Net Assets Available for Benefits, and they are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 or 2023. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

The Plan is required to report interest on income from notes receivable from participants separately from interest and dividends on the Statement of Changes in Net Assets Available for Benefits. However, the DOL requires Notes Receivable from Participants to be reported as Participant Loans on Schedule H, Line 4i of Form 5500. As such, this presentation is used in the corresponding supplemental schedule included with the financial statements.

ST. BARNABAS EMPLOYEES RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2024 AND 2023

Note 2 – Summary of Significant Accounting Policies – Continued

Contributions – Contributions from Plan participants and the employer matching contributions from the Plan Sponsor are recorded in the year in which the employee contributions are withheld from compensation. The discretionary profit sharing contribution is funded subsequent to year end.

Administrative Fees and Other Expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Note 3 – Fair Value Measurements

The Plan reports investments at fair value. Market price observability is impacted by several factors, including the type of investment, the characteristics specific to the investment, and the state of the marketplace (including the existence and transparency of transactions between market participants). Investments with readily-available, actively-quoted prices, or for which fair value can be measured from actively-quoted prices in an orderly market, will generally have a higher degree of market price observability and a lesser degree of judgment used in measuring fair value.

Investments measured and reported at fair value are classified and disclosed in one of the following categories based on inputs:

Level I – Quoted prices are available in active markets for identical investments as of the reporting date. The type of investments which would generally be included in Level I include listed equity securities and listed derivatives. The Plan, to the extent that it holds such investments, does not adjust the quoted price for these investments, even in situations where the Plan holds a large position, and a sale could reasonably impact the quoted price.

Level II – Pricing inputs are observable for the investments, either directly or indirectly, as of the reporting date, but are not the same as those used in Level I. Fair value is determined using models or other valuation methodologies. The types of investments which would generally be included in this category include publicly-traded securities with restrictions on disposition, debt securities, and partnerships that hold Level I assets and real estate held for investment, if measured by a current appraisal.

Level III – Pricing inputs are unobservable for the investment and include situations where there is little, if any, market activity for the investment. The inputs into the determination of fair value require significant judgment or estimation by the Plan. The types of investments which would generally be included in this category include debt and equity securities issued by private entities, as well as real estate held for investment, if measured using management estimates.

ST. BARNABAS EMPLOYEES RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2024 AND 2023

Note 3 – Fair Value Measurements – Continued

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, the determination of which category within the fair value hierarchy is appropriate for any given investment is based on the lowest level of input that is significant to the fair value measurement. The Plan’s assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment and considers factors specific to the investment.

The following table sets forth the Plan’s assets by level within the fair value hierarchy:

	As of December 31,	
	2024	2023
Level 1 Assets: Money Market Funds, at fair value	\$ 480,340	\$ 21,714
Level 1 Assets: Mutual Funds, at fair value	18,040,238	15,554,447
Investments measured at NAV (a)	-	708,979
 Total investments	 \$ 18,520,578	 \$ 16,285,140
 Statements of changes in net assets available for benefits:		
Net appreciation (depreciation) in fair value of investments	\$ 1,519,129	\$ 2,203,916
Dividends and interest	655,051	473,519

- (a) In accordance with Financial Accounting Standards Board Accounting Standards Codification Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The Plan’s investments are primarily in mutual funds, which are considered Level I investments. Mutual funds are valued at the common fund’s net asset value, as determined by quoted prices in active markets, times the number of shares held by the Plan at year-end. There has been no change in the valuation methodology used by the Plan.

Units of a collective trust (the “Collective Fund”) are valued at net asset value (“NAV”). The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) occur daily. At December 31, 2024 and 2023, there were no unfunded commitments and investments are redeemable on a daily basis and without restriction.

ST. BARNABAS EMPLOYEES RETIREMENT SAVINGS PLAN
 NOTES TO FINANCIAL STATEMENTS (CONTINUED)
 DECEMBER 31, 2024 AND 2023

Note 3 – Fair Value Measurements – Continued

The following table summarizes the Collective Fund for which fair value is measured using the NAV per-share practical expedient as of December 31, 2024 and 2023, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2024</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if Currently Eligible)</u>	<u>Redemption Notice Period</u>
Collective Fund	\$ -	None	N/A	12 months

<u>December 31, 2023</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if Currently Eligible)</u>	<u>Redemption Notice Period</u>
Collective Fund	\$ 708,979	None	Daily	12 months

Note 4 – Related-Party and Party-In-Interest Transactions

Certain plan investments are managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee as defined by the Plan, and therefore these transactions qualify as party-in-interest transactions. All other transactions which may be considered related-party or parties-in-interest transactions relate to normal plan management, administrative services, and the related payment of fees.

Note 5 – Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

Note 6 – Tax Status

The IRS has determined and informed the Company by letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (the “IRC”). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan’s tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and therefore believe that the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

Accounting principles generally accepted in the United States of America (“U.S. GAAP”) requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position, based on management’s judgment of the risk of loss for items that have been, or may be, challenged by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in process.

ST. BARNABAS EMPLOYEES RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
DECEMBER 31, 2024 AND 2023

Note 7 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits.

Note 8 – Certified Investments

The unaudited information regarding the Plan included in the Plan's financial statements and the supplemental schedule that was prepared by, or derived from, information prepared by Fidelity Management Trust Company, custodian of the Plan's assets, and furnished to the Plan administrator. The Plan administrator has obtained certifications from the custodian that such information is complete and accurate. See Note 3 for a summary of the unaudited information and all investment and investment income. All information is included in the supplemental schedule.

At the request of the Plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Note 9 – Subsequent Events

Management has evaluated subsequent events through September 25, 2025, the date the financial statements were available to be issued, and determined that no material subsequent events have occurred.
