Independent Auditor's Report

To the Plan Administrator
Titan Technologies, LLC Health, Dental and Vision Plan

Opinion

We have audited the financial statements of Titan Technologies, LLC Health, Dental and Vision Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a

material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Independent Auditor's Report

To the Plan Administrator
Titan Technologies, LLC Health, Dental and Vision Plan

Opinion

We have audited the financial statements of Titan Technologies, LLC Health, Dental and Vision Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a

material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Titan Technologies, LLC Health, Dental and Vision Plan

Notes to Financial Statements December 31, 2024

Note 1 - Description of Plan

The following description of the Titan Technologies, LLC Health, Dental and Vision Plan (the "Plan") provides only general information about the Plan's provisions. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General

The Plan constitutes an employee welfare benefit plan under the applicable section of the Employee Retirement Income Security Act of 1974 ("ERISA") and is sponsored by Titan Technologies, LLC (the "Company" and the "Plan Sponsor"). The Plan provides health benefits to eligible employees of the Company and covered dependents. The Plan also provides continuation of benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act ("COBRA").

Effective July 28, 2020, the Company established the Titan Technologies, LLC Health, Dental and Vision Plan Trust (the "Trust") to facilitate the collection of Plan contributions, remittance to Plan service providers, and payment of other Plan expenses.

Self-insured benefits

The Plan provides medical, dental and vision benefits. The claims for self-insured benefits are processed by the Plan's third-party claims processor under administrative services only ("ASO") arrangements. The claims processor pays claims directly to or on behalf of participants and is then reimbursed by either the Plan's Trust or the general assets of the Company. Despite the Plan's utilization of a third-party claims' processor, ultimate responsibility for payments to providers and participants is retained by the Plan.

Stop loss coverage

The Plan has entered into a stop loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims). This amount is included in the premiums paid for stop loss coverage on the accompanying statement of changes in net assets available for benefits, which is also inclusive of the ASO fees paid to the claims processor.

Contributions

The Plan is contributory, funded by participant and Company contributions, as applicable. Total contributions are based upon rates determined by the Plan Sponsor and the respective Plan service provider. The Company makes contributions to the Plan as needed to fund claims in excess of participants' contributions.

Note 2 - Summary of significant accounting policies

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Titan Technologies, LLC Health, Dental and Vision Plan

Notes to Financial Statements December 31, 2024

Funding policy

The Plan's funding policy is for the Company to contribute an amount to cover all known liabilities. As of December 31, 2024, a receivable from the Plan Sponsor is recorded to account for the shortfall in the Trust account.

Payment of benefits

Premiums paid by either the Company or the Trust for stop loss coverage are recorded as premiums paid for stop loss coverage in the accompanying statement of changes in net assets available for benefits.

Claim payments are recorded when paid by the third-party claims processor. Amounts due to claims processors that have not been reimbursed by the Plan are recorded as claims payable in the accompanying statements of net assets available for benefits.

Administrative expenses

The Plan incurs administrative costs specific to the operations of the Plan.

Concentration of credit risk

The Plan maintains its cash in a bank deposit account which, at times, may exceed federally insured limits. The Plan has not experienced any losses in such account. The Committee believes the Plan is not exposed to any significant credit risk on cash.

Subsequent events

Management has evaluated subsequent events for the Plan through September 30, 2025, the date the financial statements were available to be issued.

Note 3 - Claims incurred but not reported

Plan obligations at December 31 for claims incurred but not reported are estimated by management based on claims data provided by the Plan's third-party claims administrator. These amounts are paid by the Plan only if claims are submitted and approved for payment. At December 31, 2024 and 2023, claims incurred but not reported totaled \$440,000 and \$498,000, respectively.

The following is a summary of the changes in claims incurred but not reported for the year ended December 31, 2024:

Claims incurred but not reported, beginning of year	\$	498,000
Claims incurred		5,844,629
Claims paid		<u>(5,902,629)</u>
Claims incurred but not reported, end of year	\$	<u>440,000</u>

Note 4 - Income tax status

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service ("IRS"). The Plan is subject to audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Titan Technologies, LLC Health, Dental and Vision Plan

Notes to Financial Statements December 31, 2024

Note 5 - Related party transactions

As described in Note 1, the Plan has an arrangement with a service provider to process claims. These transactions are party-in-interest transactions under ERISA.

Note 6 - Plan termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to, and contributions required of, participants to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

Note 7 - Reconciliation of financial statements to Form 5500

The following is a reconciliation of net assets available for benefits per the accompanying financial statements to Form 5500 as of December 31, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$ 440,000	\$ 498,000
Benefit obligations currently payable	<u>(440,000)</u>	<u>(498,000)</u>
Net assets per Form 5500	<u>\$ -</u>	<u>\$ -</u>

The following is a reconciliation of claims paid per the financial statements to Form 5500:

Claims paid per the financial statements	\$ 5,902,629
Add: amounts payable at December 31, 2024	440,000
Less: amounts payable at December 31, 2023	<u>(498,000)</u>
Claims paid per Form 5500	<u>\$ 5,844,629</u>

Claims that have been processed and approved for payment at year-end, but not paid are not considered liabilities under GAAP and, therefore, are not presented as liabilities or claims in the accompanying financial statements but are recorded on Form 5500 as a liability.
