INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of the
On Top of the World Communities, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of On Top of the World Communities, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of On Top of the World Communities, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of On Top of the World Communities, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about On Top of the World Communities, LLC 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of On Top of the World Communities, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about On Top of the World Communities, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in

accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2024 and 2023

Note 1 - Description of Plan

The On Top of the World Communities, LLC 401(k) Plan (the “Plan”) is organized as a defined contribution plan under Section 401(k) of the Internal Revenue Code and covers substantially all eligible employees of On Top of the World Communities, LLC (the “Company”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and is administered by a committee appointed by the Board of Directors of the Company. The Plan was established effective January 1, 1999. The Plan has been restated and amended throughout the years, with the most recent restatement effective January 15, 2022. The following is provided only for general information. Participants should refer to the Plan agreement for a complete description of the Plan’s provisions.

Eligibility

Employees who have attained age 21 and completed at least six months of service are eligible to participate in the Plan.

Contributions

Eligible participants are automatically enrolled at 3% of compensation and may make contributions up to a maximum of \$23,000 for participants under age 50 and \$30,500 for participants age 50 and older for 2024, as allowed by law. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers a variety of mutual funds and common collective trusts as investment options for participants. The Company may make matching contributions, equal to a discretionary percentage to be determined by the Company. The Company elected to match 25% of employee contributions up to the first 8% of the participant’s compensation and elected not to make a discretionary contribution in 2024 or 2023. Forfeitures in the amount of \$35,511 and \$0 were used to reduce the employer’s contribution in 2024 and 2023, respectively.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of the Company’s contribution and Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company’s matching and discretionary contribution portion of their accounts plus actual earnings thereon is determined under the following schedule:

<u>Years of Service</u>	<u>Percentage</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes to Financial Statements
December 31, 2024 and 2023

Note 1 - Description of Plan, (Continued)

Vesting, (Continued)

A participant will become 100% vested under any of the following circumstances:

- Death before retirement date.
- Disability before retirement date.
- Attainment of normal retirement age.

In addition, a participant is immediately 100% vested in any amount which has been transferred or rolled over into the Plan from another qualified employee benefit plan.

In the event a participant's employment is terminated for reasons other than retirement, disability or death, such participant is entitled to a termination of employment benefit in an amount equal to his vested interest as of the date of distribution of his benefit.

In the event of a termination of the Plan, the participants shall have fully vested interests in the amounts credited to their respective accounts at the time of such termination.

Forfeitures

The nonvested portion of a participant's account is forfeited upon termination of employment with the Company. Forfeitures can be used to pay plan expenses or reduce the employer's contribution. There are unallocated forfeitures totaling \$67,658 and \$63,488 at December 31, 2024 and 2023, respectively.

Payment of Benefits

On termination due to death, disability, or regular retirement, a participant is entitled to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Upon termination for any reason other than death, disability, or retirement a participant shall receive the value of the vested interest in his or her account.

Notes Receivable from Participants

Participant loans are not allowed under the Plan.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Note 2 - Summary of Significant Accounting Policies, (Continued)

Investment Valuation and Income Recognition

The trustee sets aside and invests the assets attributable to the investments, which consist of various publicly traded mutual funds and funds held in a common collective trust. The Plan's investments are stated at fair market value at December 31, 2024 and 2023 as determined by Empower Trust Company, LLC (Empower). Mutual funds are valued at quoted market prices. The common collective trust investments through Empower are valued using the net asset value (NAV) as a practical expedient, which is based on the fair value of the underlying assets owned by the common collective trust.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net investment appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefit payments are recorded when paid.

Plan Expenses

All expenses of administration may be paid out of the Plan unless paid by the Company. Certain expenses of the administration of the Plan are paid by the Company and excluded from these financial statements. Investment related expenses are included in net investment appreciation.

Subsequent Events

The Plan has evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through the date the financial statements were available to be issued, or September 26, 2025. No subsequent events have been recognized or disclosed.

Note 3 - Information Prepared and Certified by Trustees (Unaudited)

The following information included in the accompanying financial statements and supplementary schedule was obtained from data that has been prepared and certified by Empower Trust Company, LLC (the trustee of the Plan) as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes total investments of \$16,621,977 and \$14,085,941 at December 31, 2024 and 2023, respectively, and related gains of \$1,879,205 for the year ending December 31, 2024.

The related gains of \$1,879,205 consist of the following: net investment appreciation of \$1,616,251, and interest and dividends of \$262,954.

ON TOP OF THE WORLD COMMUNITIES, LLC 401(k) PLAN

Note 4 - Fair Value Measurements

Financial Accounting Standards Board (FASB), Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the assets or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds: Valued at closing price reported on the active market on which the individual securities are traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

ON TOP OF THE WORLD COMMUNITIES, LLC 401(k) PLAN
Notes to Financial Statements
December 31, 2024 and 2023

Note 4 - Fair Value Measurements, (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	<u>Assets at Fair Value as of December 31, 2024</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 5,225,738	\$ 0	\$ 0	\$ 5,225,738
Total assets in fair value hierarchy	<u>\$ 5,225,738</u>	<u>\$ 0</u>	<u>\$ 0</u>	\$ 5,225,738
Investments measured at NAV				<u>11,396,239</u>
Total investments				<u>\$ 16,621,977</u>

	<u>Assets at Fair Value as of December 31, 2023</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 11,951,368	\$ 0	\$ 0	\$ 11,951,368
Total assets in fair value hierarchy	<u>\$ 11,951,368</u>	<u>\$ 0</u>	<u>\$ 0</u>	\$ 11,951,368
Investments measured at NAV				<u>2,134,573</u>
Total investments				<u>\$ 14,085,941</u>

The Plan's policy is to recognize transfers into and out of levels as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2024 and 2023, there were no significant transfers into or out of levels 1, 2, or 3. The common collective trusts through Empower are valued at NAV as a practical expedient, which is based on the fair value of the underlying assets, and they have been removed from the fair value table at December 31, 2024 and 2023.

Note 5 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan terminates, participants will become 100% vested in their accounts.

Note 6 - Risks and Uncertainties

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

ON TOP OF THE WORLD COMMUNITIES, LLC 401(k) PLAN
Notes to Financial Statements
December 31, 2024 and 2023

Note 7 - Income Taxes

The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan is in compliance with the applicable requirements of the Internal Revenue Code. The Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax position taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

Note 8 - Related Party and Party-In-Interest Transactions

Parties-in-interest include fiduciaries of the Plan, any person who provides services to the Plan, the employer, and certain other parties. Transactions during the year with parties-in-interest included the following: the employer, On Top of the World Communities, LLC provided certain accounting, administrative, and investment management services to the Plan for which no fees are charged. Empower Trust Company, LLC held the Plan investments and Empower Retirement, LLC provided recordkeeping services to the Plan. Florida Retirement Consultants, LLC provided third party administrative services. NFP Retirement, Inc. provided investment advisory services. Administrative fees paid by the Plan were \$125,234 and \$109,774 for 2024 and 2023, respectively. Administrative fees payable at December 31, 2024 and 2023 were \$0 and \$3,462, respectively.

Note 9 - Excess Contributions Refundable

At December 31, 2024 and 2023, liabilities of \$16,531 and \$55,473, respectively, are recorded for amounts refundable by the Plan to participants for contributions made in excess of amounts allowed by the Internal Revenue Service.

Note 10 - Benefit Claims Payable

At December 31, 2024 and 2023, net assets available for benefits included \$845 and \$0, respectively, for distributions to participants who have requested a distribution from the Plan prior to the end of the Plan year.
