INDEPENDENT AUDITOR'S REPORT

Plan Administrator
Greater Boston Urology, LLC 401(k) Profit Sharing Plan

Opinion on the 2025 Financial Statements

We have audited the accompanying financial statements of Greater Boston Urology, LLC 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statement of net assets available for benefits (modified cash basis) as of January 15, 2025, and the related statement of changes in net assets available for benefits (modified cash basis) for the fifteen day period then ended, and the related notes to the financial statements.

In our opinion, the 2025 financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of January 15, 2025, and the changes in its net assets available for benefits for the fifteen day period then ended, in accordance with modified cash basis of accounting.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements

We have performed an audit of the 2024 financial statements of the Plan, an employee benefit plan subject to the ERISA, as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2024, and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the 2024 audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2024 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section:

- the amounts and disclosures in the accompanying 2024 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2025 Financial Statements

We conducted our audit in accordance with U.S. generally accepted auditing standards (U.S. GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2025 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion

Basis for Opinion on the 2024 Financial Statements

We conducted our audit in accordance with U.S. GAAS. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than U.S. generally accepted accounting principles. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the 2025 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the 2025 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Responsibilities of Management for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the 2024 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2025 Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Auditor's Responsibilities for the Audit of the 2024 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2024 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2025 Form 5500 Reporting

As discussed in Note 9, the 2025 financial statements present information through January 15, 2025, the date on which the Plan legally merged into the U.S. Urology Partners 401(k) and Profit Sharing Plan. Subsequent to this date, all Plan assets were fully transferred and settled by April 18, 2025. The accompanying 2025 Form 5500 reports information through April 18, 2025. Accordingly, certain amounts reported in the 2025 Form 5500, including Schedule H, will differ from those presented in these financial statements.

2024 Supplemental Schedule Required by ERISA

The 2024 supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2024 financial statements. The information included in the 2024 supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

GREATER BOSTON UROLOGY, LLC 401(K) PROFIT SHARING PLAN

Notes to Financial Statements

January 15, 2025 and December 31, 2024

1. Description of Plan

The Greater Boston Urology, LLC 401(k) Profit Sharing Plan (the Plan) is a defined contribution plan which began on January 1, 2011 and covers all employees of Greater Boston Urology, LLC (the Company) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The following description of the Plan provides only general information. Participants should refer to the Plan provisions for more information.

During November 2023, the Company was acquired by U.S. Urology Partners. Effective January 15, 2025, the Plan was amended and frozen as management began the process of plan termination. All remaining assets held by Charles Schwab Trust Bank (the Custodian) were transferred to the U.S. Urology Partners 401(k) and Profit Sharing Plan on April 18, 2025 (Note 9).

Eligibility

The Plan states that all employees of the Company, with the exception of leased employees, are eligible to participate in the Plan upon the first date of hire.

Contributions

Participants may defer pre-tax contributions to be made to the Plan through reduction of their compensation in amounts up to 100% of their eligible compensation, subject to certain limits under the Internal Revenue Code (the Code). Participants who are projected to be age 50 or older by the end of the calendar year and who are making pre-tax contributions to the Plan may also make additional "catch up" pre-tax contributions, subject to limits under the Code. Rollovers from qualified plans are permitted as well as Roth deferral contributions.

The Plan is a safe harbor 401(k) plan and in order to maintain the safe harbor status, the Company must make safe harbor matching contributions equal to 100% of the employees' contributions that do not exceed 3% of the employees' compensation subject to limits under the Code. The Company may also make discretionary matching contributions and profit-sharing contributions, as determined by the Company. All employees are eligible for discretionary matching contributions regardless of the amount of service completed during the Plan year. To be eligible for profit-sharing contributions, an employee must be employed on the last day of the Plan year, regardless of the amount of service completed during the Plan year. Employer contributions are subject to certain limits under the Code.

During the fifteen day period ending January 15, 2025 the Company did not make any contributions. During the year ended December 31, 2024, the Company remitted 2023 safe harbor matching contributions of \$428,536 to the Plan. The Company elected not to make any discretionary matching of profit sharing contributions to the Plan during the year ended December 31, 2024.

Notes to Financial Statements

January 15, 2025 and December 31, 2024

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions, and (b) Plan earnings. Participant accounts are charged with an allocation of administrative expenses and Plan losses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their rollover contributions, elective contributions, and the employer safe harbor matching contributions, plus cumulative earnings thereon. Participants vest in the Company's discretionary and profit-sharing contributions and the cumulative earnings thereon as follows:

<u>Years of Services</u>	<u>Vested Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Participants become 100% vested in their profit sharing contributions if employed on or after retirement age, or upon death or disability.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Participants may not have more than one loan outstanding. The loans are collateralized by the balance in the participant's vested account. The loan fixed interest rate is set at 1% above the prime rate, as defined. Principal and interest are paid ratably through payroll deductions.

Forfeitures

A participant who leaves the employment of the Company forfeits any non-vested balance following five consecutive one-year breaks in services. In accordance with Plan provisions, forfeitures are to be used to pay administrative expenses, and reduce future Company contributions to the Plan. The balance of forfeited amounts outstanding was \$2,769 as of both January 15, 2025 and December 31, 2024. Forfeited amounts of \$24,141 were used to pay administrative expenses during the year ended December 31, 2024.

Notes to Financial Statements

January 15, 2025 and December 31, 2024

Payments of Benefits

Participants shall become eligible to receive their vested account balances upon retirement (normal retirement age is 65), death, disability or termination. Participants may withdraw their account balances upon reaching age 59½. Participants may receive their benefit payments as a lump-sum payment or periodic installments based on the life expectancy of the participant. In addition, the Plan allows for hardship withdrawals.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the modified cash basis of accounting. Accordingly, certain revenue and related assets are recognized when received, rather than when earned, and certain expenses are recognized when paid, rather than when incurred. The Plan determined that the modified cash basis of accounting is preferable since it is consistent with the basis of accounting used on the Internal Revenue Service Form 5500 - Annual Return/Report of Employee Benefit Plan.

Use of Estimates

The preparation of financial statements in accordance with the modified cash basis accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in those assets and liabilities, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for a discussion of fair value measurement.

Net appreciation and depreciation in the fair value of investments includes gains and losses on investments bought and sold as well as held during the year. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

GREATER BOSTON UROLOGY, LLC 401(K) PROFIT SHARING PLAN

Notes to Financial Statements

January 15, 2025 and December 31, 2024

Administrative Expenses

Certain administrative expenses are paid by the Plan.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Subsequent Events

Management has considered transactions or events occurring through September 26, 2025, the date the financial statements were available to be issued. Management has not evaluated subsequent events after that date for inclusion in the financial statements.

3. Income Tax Status

The Plan is a prototype plan sponsored by the recordkeeper. The prototype plan received a favorable opinion letter dated November 30, 2020. The Plan has been amended since the opinion letter was issued. The plan administrator believes the Plan is currently being operated in compliance with the terms of the Plan and the Code and remains qualified under the Code and applicable regulations and, as such, is exempt from income taxes as of the financial statement date.

4. Information Prepared and Certified by Custodian

The investments, investment transactions, net appreciation in fair value of investments, notes receivable from participants and interest and dividends were obtained by management and agreed to or derived from the information certified by Charles Schwab Trust Bank, the custodian, as complete and accurate as of December 31, 2024. This information is included in the following:

- Statements of Net Assets Available for Benefits as of December 31, 2024;
- Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2024; and
- Schedule H, line 4i – Schedule of Assets (Held at End of Year, as of December 31, 2024).

5. Party-In-Interest Transactions

Total administrative expenses paid by the Plan for the fifteen day period ended January 15, 2025 and year ended December 31, 2024 were \$400 and \$32,773, respectively. These expenses qualify as party-in-interest transactions as they are related to recordkeeper fees and investment advisor fees incurred by the Plan. In addition, notes receivable from participants also qualify as party-in-interest transactions.

GREATER BOSTON UROLOGY, LLC 401(K) PROFIT SHARING PLAN

Notes to Financial Statements

January 15, 2025 and December 31, 2024

6. Plan Termination

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the termination of the Plan, each participant shall become fully vested in his or her account on that date (Note 9).

7. Fair Value Measurement

The Plan uses a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2: Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3: Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust fund: Valued at the NAV of shares held by the Plan at year end. NAV is a practical expedient, therefore, the collective trust funds are excluded from the fair value hierarchy table below. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily based on NAV. There are no unfunded commitments, redemption period notice requirements, or restrictions on sale or transfer related to the collective trust fund as of December 31, 2024.

Notes to Financial Statements

January 15, 2025 and December 31, 2024

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of January 15, 2025 and December 31, 2024. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Notes to Financial Statements

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits (modified cash basis).

9. Final Plan Year

On January 15, 2025, the Plan merged into the U.S. Urology Partners 401(k) and Profit Sharing Plan and ceased to exist as a separate plan. Subsequent to January 15, 2025, the successor plan completed the transfer of all participant account balances. All remaining assets were fully transferred by April 18, 2025.

Accordingly, the 2025 financial statements present the Plan's net assets as of January 15, 2025, the legal plan merger date, and do not reflect transactions occurring after that date. The accompanying Form 5500, however, reports through April 18, 2025, the date on which all assets were fully transferred. As a result, certain amounts reported in the Form 5500, including Schedule H, will differ from those in these financial statements.
