INDEPENDENT AUDITOR'S REPORT

To the Trustees and Plan Administrator of
Vanderheyden Hall Employee 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Vanderheyden Hall Employee 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Vanderheyden Hall Employee 403(b) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Vanderheyden Hall Employee 403(b) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Vanderheyden Hall Employee 403(b) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Vanderheyden Hall Employee 403(b) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Vanderheyden Hall Employee 403(b) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at the end of the year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

VANDERHEYDEN HALL EMPLOYEE 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

1. DESCRIPTION OF PLAN

The following description of the Vanderheyden Hall Employee 403(b) Plan (the Plan) provides only general information. Participants should refer to the plan agreement or summary plan description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 403(b) plan covering substantially all employees of Vanderheyden Hall, Inc. (the Company). Employees of the Company are eligible to participate in the Plan as of their date of hire and are eligible for employer match contributions upon completion of certain service requirements, as set forth in the plan agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Benefits

Plan benefits begin at the normal retirement age of 65. A participant who has attained their normal retirement date shall have a 100% nonforfeitable right in the Company match portion of their account. The participant has the option to receive benefits in the form of an annuity or in one lump sum. The Plan allows for early retirement as outlined in the plan agreement. A terminated participant or beneficiary will receive an amount equal to the vested value of his or her account in accordance with the plan agreement.

Death and Disability Benefits

Upon death or disability, a participant will have a 100% nonforfeitable right in the value of their account which will be distributed to the participant or the participant's designated beneficiary.

Contributions

Contributions are subject to certain limitations. The Plan permits participants to contribute from their salary, amounts up to the maximum limits on employee contributions set forth by the Internal Revenue Code (IRC). In addition, there are further limitations on contributions made by highly compensated employees. The Plan allows for matching contributions based on the amount contributed by the employee after six months of employment. The Plan allows the employer to contribute a uniform discretionary matching contribution of the employee's contributions. For both the years ended December 31, 2024 and 2023, the discretionary matching contribution was 50% of the participant contribution up to 6% of the employee's salary.

For the years ended December 31, 2024 and 2023, participant contributions totaled \$563,761 and \$413,759, respectively, and employer contributions totaled \$228,782 and \$185,297, respectively.

The Plan also allows for rollover contributions. Rollover contributions were \$18,781 and \$193,592 for the years ending December 31, 2024 and 2023, respectively.

VANDERHEYDEN HALL EMPLOYEE 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

1. DESCRIPTION OF PLAN

Participant Accounts

The Plan allows each participant to select the investments in their individual account. Each participant's account is credited with the participant's contribution, the Company's contribution, and earnings or losses as applicable. Plan earnings or losses are based upon the participant's holdings in each of the Plan's investment options. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting and Forfeitures

Participants have a 100% and non-forfeitable interest in the portion of their accounts attributable to their own voluntary contributions, all rollover contributions, and accumulated earnings or losses thereon. Additionally, the vested amount of Vanderheyden Hall, Inc.'s discretionary matching contributions is based upon years of service:

<u>Years of Service</u>	<u>Percentage</u>
0-1	0%
1	20%
2	40%
3	60%
4	100%

Nonvested balances will be forfeited at the time a participant becomes a former participant as defined in the plan agreement. If a participant becomes a former participant due to severance from employment and is reemployed before five consecutive years of break in service, the forfeited balance will be reinstated, only if the former participant repays any amounts that had been distributed. Forfeitures are used to reduce the Company's match or to pay Plan expenses. The forfeiture balance at December 31, 2024 and 2023, was \$-0-. Forfeitures used to reduce the Company's match for 2024 and 2023 was \$6,140 and \$-0-, respectively. Forfeitures used to pay plan expenses in 2024 and 2023 were \$2,459 and \$1,238, respectively.

Withdrawals and Payment of Benefits

Participant contributions made from pre-tax compensation are subject to certain withdrawal restrictions, as specified by the Plan and the Internal Revenue Code. Hardship withdrawals may be made due to immediate financial need, as defined by the plan agreement.

Upon termination of service, death, or disability, participants or their beneficiary may receive the vested portion of their account in a lump-sum distribution or in the form of an annuity subject to certain tax withholding considerations.

Termination of the Plan

Although it has not expressed intent to do so, the Company has the right under the plan agreement to terminate the Plan subject to the provisions of ERISA. In the event of termination, each participant account shall become fully vested and non-forfeitable and be distributed in accordance with the plan agreement.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Plan Expenses

The Plan sponsor, Vanderheyden Hall, Inc., has elected to pay for certain administrative expenses of the Plan.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan offers participants the option to choose from a diversified portfolio of registered investment companies (“mutual funds”) and a guaranteed investment account that has been issued by Principal Life Insurance (Principal Life) to Principal Trust Company as custodian. The contract with Principal Life provides for guaranteed interest rates, which are established semiannually. The guaranteed interest rate as of both December 31, 2024 and 2023 was 1.55%, respectively. Principal Life has determined this guaranteed investment contract is fully benefit responsive and is presented in the statement of net assets available for benefits at contract value. The registered investment companies are reported in the financial statements at fair value based upon the quoted prices in active markets.

Investment income recognized by the Plan includes earnings from investments, net gains (losses) realized from the sale of investments, and the net changes in the unrealized appreciation (depreciation) of investments. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Interest income on notes receivable from participants is recognized by the Plan in the period in which it is earned based on the outstanding principal balance times the stated interest rate at the date the note receivable originated.

Notes Receivable from Participants

Participants are allowed to borrow from their accounts provided they borrow a minimum amount of at least \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Only one note may be outstanding at any given time and may be used for any purpose. Notes are secured by the balance in the participant’s account. Interest is charged at a rate for similar loans from commercial lending institutions at the time the note is originated. Notes are required to be repaid in level payments of principal and interest. principal and interest are paid over a term ranging from one to five years. However, notes used to acquire a principal residence may be paid over a term that exceeds five years. Principal and interest are paid through payroll deductions. Notes receivable from participants were \$134,028 and \$132,840 at December 31, 2024 and 2023, respectively.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Payment of Benefits

Benefits are recorded when paid.

3. FAIR VALUE MEASUREMENTS

Accounting principles generally accepted in the United States of America establishes a framework for measuring fair value. That framework provides for a fair value hierarchy that prioritizes the inputs in valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

- Level 2 Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from, or corroborated by, observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

There have been no changes in the methodologies used at December 31, 2024 and 2023 to determine fair value.

The asset's or liability's fair value measurement level within the hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

For the years ended December 31, 2024 and 2023, contributions are invested in registered investment companies, which are held by the Plan's custodian. The registered investment companies are traded in active markets and are valued at their unadjusted quoted market prices.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methodology is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**VANDERHEYDEN HALL EMPLOYEE 403(b) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

3. FAIR VALUE MEASUREMENTS

Fair values of assets measured on a recurring basis are as follows:

	<u>Fair Value</u>	<u>(Level 1)</u>
<u>December 31, 2024</u>		
Registered investment companies (mutual funds), fair value	<u>\$ 5,205,915</u>	<u>\$ 5,205,915</u>
	<u>Fair Value</u>	<u>(Level 1)</u>
<u>December 31, 2023</u>		
Registered investment companies (mutual funds), fair value	<u>\$ 4,330,151</u>	<u>\$ 4,330,151</u>

4. FIXED INVESTMENT ACCOUNT

The fixed account consists of a group annuity contract backed by the general account of Principal Life Insurance Company. Deposits to the fixed contract are guaranteed in both principal and interest, assuring that the funds will grow at specified rates. The investments are credited with interest on a net daily basis at annual effective rate. The guaranteed net interest rate as of both December 31, 2024 and 2023 was 1.55%, respectively. The investments are presented at contract value as determined by Principal Life.

5. RISKS AND UNCERTAINTITIES

The Plan provides for various investment options in registered investment companies and a guaranteed investment account. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

6. TAX STATUS

The Plan uses a prototype plan, which has been designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The prototype plan has received an opinion from the Internal Revenue Service (IRS) dated March 31, 2017, stating that the form of the prototype plan is qualified under Section 403(b) of the IRC and, therefore, the related trust is tax exempt. The plan administrator has determined that it is eligible to, and has chosen to, rely on the current IRS prototype plan opinion letter. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The prototype plan has been amended to comply with recent legislation. However, the plan administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
