## Independent Auditor's Report

To the Trustee of  
Red Devil Employee Profit Sharing and Thrift Plan  
Pryor, Oklahoma

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements**

We have performed an audit of the accompanying financial statements of Red Devil Employee Profit Sharing and Thrift Plan, an employee benefit plan subject to the Employee Retirement Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2024 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

### **Opinion on the 2024 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section—

- The amounts and disclosures in the 2024 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2024 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2024 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of Red Devil Employee Profit Sharing and Thrift Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2024 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Red Devil Employee Profit Sharing and Thrift Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the 2024 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Red Devil Employee Profit Sharing and Thrift Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Red Devil Employee Profit Sharing and Thrift Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2024 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Auditor's Report on the 2023 Financial Statements***

The financial statements of Red Devil Employee Profit Sharing and Thrift Plan as of December 31, 2023, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 14, 2024 indicated that in their opinion (a) the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). **RED DEVIL EMPLOYEE PROFIT SHARING AND THRIFT PLAN**  
NOTES TO FINANCIAL STATEMENTS  
YEARS ENDED DECEMBER 31, 2024 AND 2023

---

**NOTE 1 - DESCRIPTION OF THE PLAN**

The following brief description of the Red Devil Employee Profit Sharing and Thrift Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

***General***

The Plan is a defined contribution plan sponsored by Red Devil, Inc. (the "Company") for the benefit of its full-time employees who have six months of service and are age eighteen or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan is administered by the Trustees, who are members of management. The Trustees have overall responsibility for the operation and administration of the Plan. The Trustees determine the appropriateness of the Plan's investment offerings and monitor investment performance. Creative Planning, LLC is the third-party administrator ("TPA"), TPP Retirement Plan Specialists is the recordkeeper, and Matrix Trust Company is the custodian.

***Effective Date***

The Plan's original effective date was May 13, 1959. The Plan has since been restated and amended effective January 1, 2022..

***Eligibility***

Corporate employees are eligible to participate in the Plan if they have completed six months of service and are 18 years of age. Employees who are covered under a collective bargaining agreement, non-resident aliens, highly-compensated employees, and non-corporate employees are not eligible to participate. Six months of service for purposes of eligibility is a consecutive six-month period during which the employee has 83.33 or more hours or service each month.

***Entry Date***

Employees may enter the Plan on the first day of the Plan year quarter coinciding with or next following the date they satisfy the eligibility requirements.

***Contributions***

Participants may contribute a percentage or dollar amount of their annual compensation as pre-tax or Roth contributions, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Additionally, participants aged 50 or older, who are making contributions to the Plan, are allowed to make catch-up contributions as defined in the Plan. Participants direct the investment of all contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2% of eligible compensation and their contributions are invested in a designated balanced fund until changed by the participant. The Company makes a safe harbor contribution of 100% of the first 3% of eligible compensation that a participant contributes to the Plan, plus 50% between 3% and 5% of eligible compensation.

**NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)**

***Contributions (Continued)***

In addition, the Company may make a discretionary additional matching contribution as determined by the Company's Board of Directors. There were no discretionary matching contributions for the years ended December 31, 2024 and 2023.

***Participant Accounts***

Each participant's account is credited with the participant's deferrals and allocations of the Company's matching contribution and Plan earnings and is debited with Plan expenses. Allocations are based on eligible participant compensation or participant account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance. Plan participants may direct their entire account balances in partial increments to any of the various investment options offered by the Plan. Participants may change their investment options on a daily basis. Participants should review each investment option's prospectus for a description of the investment objectives.

***Investment Options***

Upon enrollment in the Plan, a participant may direct deferrals and employer contributions to any of the funds offered by the Plan. Participants may change their investment options daily.

***Vesting***

Participants' contributions and safe harbor matching contributions plus actual earnings are immediately 100% vested. Discretionary matching contributions are subject to the following vesting schedule:

The vesting schedule for the employer's discretionary base contribution is as follows:

<u>Years of Service</u>	<u>Percentage</u>
1	10%
2	50%
3+	100%

***Forfeitures***

The employee will forfeit the non-vested portion of their account if employment ceases and the employee is less than 100% vested in any Plan Sponsor discretionary contribution made to their account. The Company may reduce employer contributions by forfeitures occurring during the Plan year that are not used to pay Plan expenses. At December 31, 2024 and 2023, there were no forfeited non-vested accounts. For the years ending December 31, 2024 and 2023, there were no forfeitures used to pay administrative expenses.

**NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)**

***Withdrawn Participants***

Included in the net assets available for benefits are the amounts allocated to individuals who have elected to withdraw from the Plan, but who have not been paid. There were no Plan assets allocated as of December 31, 2024 or 2023.

***Participant Loans***

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years, or longer for the purchase of a primary residence. The loans are secured by the vested balance in the participant's account and bear interest at rates of the prime rate (7.5% at December 31, 2024) plus 2%. Principal and interest are paid ratably through payroll deductions.

As of December 31, 2024 and 2023, there were no past due or delinquent balances. There were no deemed and distributed loans for the years ended December 31, 2024 and 2023. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases to make loan repayments and the Plan administrator deems the participant to be in default, the participant loan balance is reduced and a benefit payment is recorded.

***Payment of Benefits***

Prior to a participant's separation from service, the participant's account balance shall be available for distribution in the event of hardship, attaining age 59½, or attaining normal retirement age. Participants may elect to receive either a lump-sum amount equal to the value of their vested interest or annual installments as defined in the Plan document upon retirement, termination of service, death or disability.

Participants with balances of \$7,000 or less will receive an automatic lump-sum distribution of their vested amount. Participants with balances greater than \$7,000 may leave their vested interest in the Plan until required minimum distribution age is met. Benefit payments to participants are recorded upon distribution.

***Death Benefits***

The designated beneficiary of the participant is entitled to a death benefit distribution equal to the participant's vested account balance.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

***Basis of Accounting***

The accompanying financial statements have been prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*Use of Estimates*

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

*Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

*Investment Valuation and Income and Loss Recognition*

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Fair value is the price that would be received to sell an asset or transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measurement for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. See Notes 4 and 5 for discussion of fair value measurements and contract value measurements.

Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's realized gains and losses on investments bought and sold during the year as well as unrealized gains and losses on those held at the end of the year.

The classification of investment earnings reported in the statement of changes in net assets available for benefits may differ from the classification of earnings on Form 5500 due to different reporting requirements on Form 5500.

*Plan Administrative Expenses*

Certain administrative expenses are paid by the Company and accordingly are not reflected in the accompanying financial statements of the Plan. Certain transaction processing fees are charged to the participants and therefore, are reflected in the accompanying statement of changes in net assets available for benefits as administrative expenses.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

*Subsequent Events*

The Company has evaluated subsequent events through October 7, 2025, which is the date the financial statements were available for issuance, and noted no events which require adjustments to, or disclosure, in the 2024 financial statements.

**NOTE 3 - INVESTMENTS - INFORMATION CERTIFIED BY CUSTODIAN**

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As of December 31, 2024 and 2023, and for the year ended December 31, 2024, Matrix Trust Company held the Plan's investment assets and executed investment transactions.

Accordingly, as permitted under such election, the following information as of December 31, 2024 and 2023, and for the year ended December 31, 2024, was certified as complete and accurate by Matrix Trust Company and was not subjected to any auditing procedures performed by the independent public accountants:

- a) Total investments shown in the accompanying statements of net assets available for benefits of \$8,366,286 as of December 31, 2024.
- b) Net appreciation in fair value of investments of \$969,187 as shown in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2024.
- c) All investment-related information in the accompanying supplemental Schedule H, Line 4i - Schedule of Assets (Held at year end), as of December 31, 2024.

**NOTE 4 - FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, Fair Value Measurements and Disclosures ("ASC 820") establishes a framework for measuring fair value. That framework provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted market prices for identical assets or liabilities in an active market that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include:
  - Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 - Inputs to the valuation methodology are both unobservable and significant to the overall fair value measurement.

(Continued)

**RED DEVIL EMPLOYEE PROFIT SHARING AND THRIFT PLAN**  
NOTES TO FINANCIAL STATEMENTS  
YEARS ENDED DECEMBER 31, 2024 AND 2023

**NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)**

Fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used must maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

**Mutual Funds:** Valued daily at net asset value (“NAV”) based on the fair value of the observable market prices of the underlying assets within that account less liabilities.

**Common Collective Trusts:** Valued using the NAV of the underlying investments held within the trust that are traded in an active market by the trustee.

**Fixed Income** – Fixed income are bonds held in registered investment companies which are valued at the quoted NAV of shares held by the Plan at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level within the fair value hierarchy, the Plan’s investments at fair value as of December 31, 2024 and 2023:

	Investments at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 6,775,077	\$ -	\$ -	\$ 6,775,077
Common Collective Trusts	724,178	-	-	724,178
Fixed Income	867,031	-	-	867,031
	<u>\$ 8,366,286</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,366,286</u>

	Investments at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 5,858,345	\$ -	\$ -	\$ 5,858,345
Common Collective Trusts	947,527	-	-	947,527
Fixed Income	796,927	-	-	796,927
	<u>\$ 7,602,799</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 7,602,799</u>

(Continued)

**RED DEVIL EMPLOYEE PROFIT SHARING AND THRIFT PLAN**  
NOTES TO FINANCIAL STATEMENTS  
YEARS ENDED DECEMBER 31, 2024 AND 2023

---

**NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)**

The availability of observable market data is monitored to assess the appropriate classifications of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

Plan management evaluates the transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the years ended December 31, 2024 and 2023, there were no transfers in or out of levels 1, 2, or 3.

**NOTE 5 - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

**NOTE 6 - INCOME TAX STATUS**

The Plan uses a pre-approved plan document sponsored by Matrix Trust Company, which received an acceptable opinion letter from the Internal Revenue Service (“IRS”) dated June 30, 2020, stating that the pre-approved document satisfies the applicable provisions of the Internal Revenue Code (“IRC”). The Plan itself has not received a determination letter from the IRS, and has been amended since the acceptable opinion letter noted above was received; however, the Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and the Plan will take all reasonable actions to maintain the Plan’s qualified status.

Accounting principles generally accepted in the United States of America requires plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions and could be subject to income tax if certain issues were found by the Internal Revenue Service that could result in the disqualification of the Plan’s tax-exempt status; however, there are currently no audits for any tax periods in progress.

Contributions Remitted per the Financial Statements	\$ 584,809

Contributions Remitted per Form 5500	<u>\$ 584,809</u>

**NOTE 8 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

ERISA defines party-in-interest similar to a related party under U.S. GAAP, except that ERISA's definition is broader and includes all entities and individuals that provide services to the Plan; however, these entities may not necessarily be related parties. Plan management did not identify any related parties to the Plan that were not also considered to be parties-in-interest.

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, and a person who owns 50% or more of such an employer or employee association or relatives of such persons.

Certain of the Plan's investments are managed by Matrix Trust Company, the custodian of the Plan. TRP Retirement Plan Specialists is the recordkeeper and third-party administration firm for the Plan. Creative Planning Advisors is the plan financial advisory firm for the Plan. Therefore, these investment transactions qualify as party-in-interest transactions.

Notes receivable from participants and the related interest income are also considered party-in-interest transactions. Certain fees and expenses of the Plan may be paid by the Company. These transactions qualify as party-in-interest transactions. The Plan is not required to repay expenses paid by the Company on its behalf.

The Plan paid \$22,180 and \$16,774 for investment management services for the years ended December 31, 2024 and 2023, respectively.

**NOTE 9 - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**NOTE 10 - DELINQUENT PARTICIPANT CONTRIBUTIONS**

The Company made late contributions totaling \$880 during the Plan year ended December 31, 2024. The Company worked with the TPA to determine lost earnings and self-correct these delinquent contributions. These late contributions were all corrected during the Plan year ending December 31, 2025.
