REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Gerdau Benefits Administrative Committee and Participants
Gerdau Macsteel Savings Plan for Bargaining Employees

Scope and nature of the ERISA Section 103(a)(3)(C) audit

We have performed audits of the financial statements of Gerdau Macsteel Savings Plan for Bargaining Employees (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matter - supplemental schedule required by ERISA

The supplemental schedule of assets (held at the end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from

the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

The following description of the Gerdau Macsteel Savings Plan for Bargaining Employees (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan which covers hourly paid union employees of Gerdau Macsteel, Inc. (the “Company”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). Fidelity Management Trust Company (“Fidelity” or the “Trustee”) is the Trustee of the Plan. The Gerdau Benefits Plans Administrative Committee (the “Committee”) of the Plan, established by the Board of Directors of the Company, manages the operation and administration of the Plan and the Gerdau Macsteel Savings Plan, a separate plan sponsored by the Company, and the Gerdau Macsteel Employees Master Trust (“Master Trust”).

Contributions

Participants may elect to contribute up to 50% of their eligible compensation, on either a pre-tax or after-tax basis, as defined by the Plan, subject to certain Internal Revenue Code (“IRC”) limitations.

Eligible employees of Macsteel Monroe, Inc. hired or rehired on or after January 1, 2012, are automatically enrolled in the Plan at a contribution rate of 3% of their eligible compensation, unless they elect not to participate in the Plan or to contribute a higher or lower percentage of their eligible compensation. Additionally, as of January 1, 2012, the Company shall match 100% of the first 3% of pre-tax eligible compensation that a participant contributes to the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

Eligible employees of Gerdau Macsteel, Inc., subject to the collective bargaining agreement between Gerdau Macsteel Inc. and the United Steel Workers of America and its Local No. 8339 hired or rehired on or after April 1, 2012, are automatically enrolled in the Plan at a contribution rate of 3% of their eligible compensation, unless they elect not to participate in the Plan or to contribute a higher or lower percentage of their eligible compensation. Additionally, as of April 1, 2012, the Company shall match 100% of the first 3% of pre-tax eligible compensation that a participant contributes to the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contributions plans.

Eligible employees of Gerdau Macsteel, Inc., subject to the collective bargaining agreement between Gerdau Macsteel, Inc. and the United Steel Workers of America and its Local No. 9452 hired or rehired on or after February 1, 2013, are automatically enrolled in the Plan at a contribution rate of 3% of their eligible compensation, unless they elect not to participate in the Plan or to contribute a higher or lower percentage of their eligible compensation. Additionally, as of February 1, 2013, the Company will match 100% of the first 2% of pre-tax eligible compensation that a participant contributed to the Plan. The Company will also match 100% of the first 2% of pre-tax eligible compensation that a participant contributed to the Plan for employees who elect to cease participation in the Gerdau Macsteel Pension Plan for Bargaining Employees for periods commencing after March 31, 2020. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contributions plans.

In addition to the matching contributions, the Company may elect to make profit sharing contributions or certain profit sharing contributions may be set forth in the collective bargaining agreements. For the year ended December 31, 2024, profit sharing contributions of \$691,393 were made to the Plan.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2024 and 2023

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution and Company matching contributions, as well as the Company's profit sharing contribution, if applicable and Plan earnings. Participant accounts are charged with withdrawals and allocations of plan losses and expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings or losses thereon. Vesting in the Company's matching and profit sharing contributions for employees is 20% for each year of credited service and fully vests after five years. Upon death, retirement, or total and permanent disability, the participant or beneficiary becomes immediately fully vested in the Company's matching and profit sharing contributions.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum of the lesser of 50% of their vested account balances or \$50,000. The term of the loan may generally not exceed more than five years. The term for repayment of a home loan cannot exceed 15 years. Loans are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates at the time funds are borrowed. Principal and interest are generally paid ratably through payroll deductions. Loan amounts not repaid by the participant upon termination shall be deemed distributed to the participant. Additionally, a participant may not have more than one loan outstanding at any given time.

Benefit Payments

Upon termination of service, death or disability, the participant may elect to receive a lump-sum amount equal to the amount of vested benefits in his or her account or annual installments. Terminated employees with an account balance of \$1,000 or less will automatically receive a lump-sum distribution. In certain circumstances participants may make hardship withdrawals as defined in the Plan. Active participants may also take distributions from the Plan upon attainment of age 59 ½.

Transfer of Assets

Certain employees participate in the Plan or other affiliated Gerdau Ameristeel US Inc. sponsored plans (the "Affiliate Plans"). Participation in the Plan or other Affiliate Plans is based upon the employee's job classification. Consequently, transfers of assets between the Plan and other Affiliate Plans occur as participants change job classifications. The assets are transferred at fair value. For the year ended December 31, 2024, net transfers out of the Plan to the Gerdau Macsteel Savings Plan amounted to \$148,974.

Forfeited Accounts

Forfeitures of participants' account balances at termination may be used to pay Plan expenses or reduce future employer contributions. Matching contributions made as a result of the refunded pre-tax salary deferrals and matching contributions made on behalf of certain employees that exceed allowable limits may be forfeited. As of December 31, 2024 and 2023, forfeited non-vested accounts totaled \$22,888 and \$52,164, respectively. During the year ended December 31, 2024, Company contributions were reduced by \$160,077 from forfeited non-vested accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

Use of Estimates

The preparation of financial statements in accordance with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and Trustee. See Note 5 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net investment income includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Administrative Expenses

Administrative expenses are paid by the Plan or by the Company, as provided in the Plan document. Plan recordkeeping and Trustee fees are paid by the Plan and are reflected in the financial statements as administrative expenses. Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Transactional fees are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Management fees and operating expenses charged to the Plan for investments in the mutual funds within the Master Trust are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2024 and 2023

Subsequent Events

The Plan has evaluated subsequent events through October 6, 2025, the date the financial statements were available to be issued.

The Plan is not aware of any subsequent events which would require recognition or disclosure in the financial statements.

NOTE 3 - INFORMATION CERTIFIED BY THE TRUSTEE

The Plan Administrator has elected to have the audits performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The Plan administrator determined that the certifications received from Fidelity meet the requirements of ERISA Section 103(a)(3)(C). Fidelity certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate:

- Plan interest in Master Trust and notes receivable from participants as shown in the statements of net assets available for benefits as December 31, 2024 and 2023.
- Plan interest in Master Trust investment income and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2024.
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2024.

NOTE 4 - INTEREST IN MASTER TRUST

Use of the Master Trust permits the commingling of the assets of the Plan and the Gerdau Macsteel Savings Plan (the "Participating Plans") for investment and administrative purposes. The assets of the Participating Plans are commingled in the Master Trust; however, the Trustee maintains supporting records for the purpose of allocating the net gain or loss of the investment account to the Participating Plans.

The Master Trust assets are invested and records are maintained by each investment option. Investments are allocated to the Participating Plans in accordance with the Plan provisions and participant allocation elections. The allocation of net assets is based on the respective number of units held by the plans participants as of year-end. The allocation of the changes in net assets is calculated daily based on the units held by the plans participants as of that day's end.

The following table presents the assets, including investments, of the Master Trust:

| | December 31, 2024 | | December 31, 2023 | |
|-----------------------|-----------------------|----------------------|-----------------------|----------------------|
| | Master Trust | Plan Interest | Master Trust | Plan Interest |
| Mutual funds | \$ 165,464,272 | \$ 59,268,747 | \$ 142,675,816 | \$ 53,615,066 |
| Collective trust fund | 9,305,061 | 4,429,652 | 10,302,693 | 4,181,437 |

NOTES TO FINANCIAL STATEMENTS - CONTINUED

Investment income for the Master Trust is as follows for the year ended December 31, 2024:

| | |
|--|-------------------------|
| Investment income | |
| Net appreciation in fair value of investments | \$ 22,970,499 |
| Interest and dividends | <u>3,560,703</u> |
| | <u>\$ 26,531,202</u> |
| Plan's allocation of net investment income of the Master Trust | <u>\$ 9,232,749</u> |

NOTE 5 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted market prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024 and 2023.

Mutual funds - The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Collective trust fund - The fair values of participation units held in the collective trust are based on the net asset values ("NAVs") per unit as reported by the fund managers. The NAVs per unit are used as a practical expedient to estimate fair value. The collective trust provides for daily redemptions by the participants at reported NAVs per share, with no advance notice requirement. Plan level liquidations

Gerdau Macsteel Savings Plan for Bargaining Employees

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2024 and 2023

require notice to Fidelity and could result in the Plan's investment in the fund being placed into an investment only account for up to 12 months.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents the fair value measurements, including investments, by general type of the Master Trust as of December 31, 2024 and 2023:

| Description | Fair Value Measurements at December 31, 2024 | | | |
|--|--|-------------|-------------|-----------------------|
| | Level 1 | Level 2 | Level 3 | Total |
| Mutual funds | \$ 165,464,272 | \$ - | \$ - | \$ 165,464,272 |
| Total assets in the fair value hierarchy | <u>\$ 165,464,272</u> | <u>\$ -</u> | <u>\$ -</u> | 165,464,272 |
| Investments measured at NAV (a) | | | | <u>9,305,061</u> |
| Investments, at fair value | | | | <u>\$ 174,769,333</u> |
| Description | Fair Value Measurements at December 31, 2023 | | | |
| | Level 1 | Level 2 | Level 3 | Total |
| Mutual funds | \$ 142,675,816 | \$ - | \$ - | \$ 142,675,816 |
| Total assets in the fair value hierarchy | <u>\$ 142,675,816</u> | <u>\$ -</u> | <u>\$ -</u> | 142,675,816 |
| Investments measured at NAV (a) | | | | <u>10,302,693</u> |
| Investments, at fair value | | | | <u>\$ 152,978,509</u> |

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the table that includes interest of the Master Trust.

NOTE 6 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under the U.S. Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions

Gerdau Macsteel Savings Plan for Bargaining Employees

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2024 and 2023

are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Company. Notes receivable from participants also reflect party-in-interest transactions.

Certain plan investments of the Master Trust and the Plan include a collective trust fund and shares of mutual funds that are managed by affiliates of the Trustee. These transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for the investment management services were included as a reduction of return earned on each fund.

NOTE 7 - REVENUE SHARING ARRANGEMENT

The Trustee provides certain administrative services to the Plan pursuant to a Master Trust Agreement ("MTA") between the Company and the Trustee. The Trustee receives revenue from mutual fund and collective trust fund service providers for services the Trustee provides to the funds. This revenue is used to offset certain amounts owed to the Trustee for its administrative services to the Plan.

For the year ended December 31, 2024, the Trustee made an annual payment of \$230,000, prorated across all plans in the Master Trust and the Gerdau Ameristeel Master Trust. The revenue credit was funded on a quarterly basis. Such amount may be applied to reimburse the Company for expenses paid on behalf of the Plans or to directly pay Plan administrative expenses. Any amounts unused for expenses may be allocated to the accounts of the participants, provided that such allocation shall not occur more frequently than quarterly. The Plan or the Company may make a payment to the Trustee for administrative expenses not covered by revenue sharing. During the Plan year ended December 31, 2024, revenue credit received by the Plan amounted to \$15,217 and administrative fees paid from the revenue credit account amounted to \$15,051. During 2024, the change in market value of the revenue credit account amounted to appreciation of \$193. As of December 31, 2024 and 2023, the balance in the revenue credit account amounted to \$5,440 and \$5,381, respectively.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in the Company's matching and profit sharing contributions of their account.

NOTE 9 - TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated June 26, 2014 that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, Plan management believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified, and the related trust was tax- exempt as of the financial statement date.

US GAAP require plan management to evaluate tax positions taken by the Plan. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 10 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate risk, credit risk, and risks pertaining to a pandemic and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits and participants' account balances.

NOTE 11 - RECONCILIATION OF FINANCIAL STATEMENTS TO THE FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, 2024 and 2023 to Form 5500:

| | <u>2024</u> | <u>2023</u> |
