INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the Booking Holdings Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Booking Holdings Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be

independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at year end) as of December 31, 2024 and schedule of delinquent participant contributions for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2024 AND 2023 AND FOR THE YEAR ENDED DECEMBER 31, 2024

1. DESCRIPTION OF THE PLAN

The following description of the Booking Holdings Inc. 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan’s information.

General - The Plan is a defined contribution plan covering substantially all salaried employees of Booking Holdings Inc., priceline.com LLC, Booking.com (USA) Inc, Agoda International USA Inc., Booking.com Consulting Services USA, KAYAK Software Corporation, Rocket Travel Inc., FareHarbor Holdings LLC, OpenTable Inc, Booking Holdings Financial Services USA LLC, and Priceline Partner Solutions (USA), Inc. (collectively, the “Company”). Empower Trust Company LLC, (“Empower”) serves as the trustee of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Plan Amendments

Effective January 1, 2023, Participant’s Accounts will be distributed no later than the April 1 following the later of (i) the calendar year in which the Participant attains age 73 (age 72 in the case of a Participant who reaches age 70½ on or after January 1, 2020, and reaches age 72 before January 1, 2023, or age 70½ if a Participant reaches 70½ before January 1, 2020), or (ii) the calendar year in which the Participant terminates employment.

Effective April 1, 2024, all terminated participants with vested balances less than \$7,000 will have their plan balances automatically rolled over into an individual retirement account.

Participation - In general, employees are eligible to participate in the Plan on the first day of the month coinciding with or the next month following their employment by the Company, providing the employee is at least 21 years of age.

The Plan has an automatic enrollment provision for eligible employees, which deducts a default rate of 6% from the eligible employee’s gross wages before taxes. The employee may elect not to enroll in the Plan or may elect a contribution rate other than the default rate.

Participant Contributions - Each year, participants may contribute up to 75% of their eligible pretax annual compensation, as defined in the Plan, subject to certain Internal Revenue Code (“IRC”) limitations. Active participants who have attained or will attain the age of 50 on or before the last day of the plan year are eligible to make catch-up contributions in accordance with and subject to the limitations of Section 414(v) of the IRC. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

Company Matching Contributions - The Company contributes 50% of the first 6% of eligible compensation that a participant contributes to the Plan. The Company contributions are deposited each pay period. The Company will also make a true-up matching contribution after year end if a participant’s

BOOKING HOLDINGS INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2024 AND 2023 AND FOR THE YEAR ENDED DECEMBER 31, 2024

Company matching contributions for the year are less than 50% of their contributions, up to 6% of eligible earnings.

Participant Accounts - Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, the Company's matching contribution and allocation of Plan earnings and charged with withdrawals and an allocation of Plan losses and administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments - All contributions to the Plan are held in trust for the exclusive benefit of the Plan's participants. Participants direct the investment of their contributions and Company matching contributions and account balances into various investment options offered by the Plan and can make investment changes daily, without restrictions or a notice period.

Vesting - Participants are vested immediately in their contributions and Company matching contributions plus actual earnings thereon.

Notes Receivable from Participants - Participants may borrow from their fund accounts a minimum of \$1,000 and up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The notes are secured by the balance in the participant's account and bear interest rates at the Wall Street Journal Prime rate plus 1%. Principal and interest is paid ratably through payroll deductions or lump sum for the outstanding loan balance. Loans may not exceed 5 years unless it is for the purchase of a primary residence in which case it may not exceed 10 years. As of December 2024, participant loans have maturities through 2034 at interest rates between 4.25% and 9.5%. Upon termination, participants must pay off their notes or have the outstanding balance treated as a taxable distribution.

Forfeitures - Plan forfeitures mostly arise when participants' uncashed checks are forfeited after due diligence efforts are performed, or when excess Company contributions are forfeited. However, if a participant is located, their account balance will be reinstated. The Plan document permits the use of forfeitures to either pay Plan administrative expenses or reduce Company matching contributions. The Company elected for the Plan to pay certain investment advisor fees from Plan forfeitures, which amounted to \$67,500 for 2024. The forfeiture balance at December 31, 2024, and 2023 was \$47,643 and \$17,929 respectively.

Payment of Benefits - At age 59½ and thereafter, an active employee can withdraw funds from any portion of his or her balance at any time. Before age 59½, withdrawals (exclusive of earnings) can be made only in the event of demonstrated financial hardship, as provided by the Plan, according to the rules of the IRC. Such hardship withdrawals are subject to an additional tax. Distributions are paid in a single lump sum or rolled over directly to another employer's retirement plan or individual retirement account ("IRA").

BOOKING HOLDINGS INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2024 AND 2023 AND FOR THE YEAR ENDED DECEMBER 31, 2024

If a participant terminates and fails to timely elect a distribution, vested balances equal to \$5,000 or less will automatically be paid to such participant in one single-sum, cash-out distribution or directly rolled over into an individual retirement plan as soon as practicable after the date the participant severs employment. If the vested account balance is greater than \$5,000, the vested amount is held in trust until the participant requests a distribution.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting - The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (“GAAP”).

Use of Estimates - The preparation of financial statements in conformity with GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties - The Plan has investments in various securities. Investment securities, in general, are exposed to various risks, such as interest rate fluctuations, credit risk, and overall market volatility. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts of the value of the participants’ account balances and the amounts reported in the financial statements.

Investment Valuation and Income Recognition - The Plan’s investments include a stable value fund, collective trust funds, and mutual funds.

The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between participants at the measurement date. See Note 3 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are recorded as distributions based on the terms of the Plan document.

Contributions - Participant deferrals and related Company matching contributions are recorded when the participant deferrals are withheld.

BOOKING HOLDINGS INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2024 AND 2023 AND FOR THE YEAR ENDED DECEMBER 31, 2024

Administrative Expenses - Administrative expenses of the Plan are paid by the Plan or the Company, as provided in the Plan document. Participants also pay administrative costs for loans, distributions, and qualified domestic relation orders.

Investment management fees for investments are included as a reduction of investment return and not reflected separately in the statement of changes in net assets available for benefits. Management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

During 2023, the Plan had a revenue-sharing agreement whereby an investment manager returns a portion of the investment fees to the recordkeeper to offset the Plan's administrative expenses. Future Plan expenses could be paid from any excess remaining revenue sharing amounts. This arrangement was terminated on June 23, 2023. For the year ended December 31, 2024, \$0 was used to offset Plan expenses. The Plan held no undistributed administrative revenues at December 31, 2024 and 2023.

Payment of Benefits - Benefit payments to participants are recorded upon distribution. There were no participants, who elected to withdraw from the Plan, but had not yet been paid at December 31, 2024 and 2023.

Excess Contributions Payable - The Plan is required to return contributions received during the Plan year in excess of the IRC limits. There were no contributions in excess of the IRC limits for the years ended December 31, 2024 and 2023.

3. FAIR VALUE MEASUREMENTS

Accounting Standards Codification 820, "*Fair Value Measurement*" ("ASC 820"), defines fair value as the price that would be received to sell an asset in an orderly transaction between market participants as of the measurement date. Fair value measurement is determined based on the assumptions that market participants would use in pricing the asset. ASC 820 has three different acceptable valuation techniques for measuring fair value. For the Plan assets, a market approach is utilized.

ASC 820 establishes a three-level hierarchy based upon observable inputs (market data obtained from independent sources) and unobservable inputs (data determined using market participant assumptions based on the best information available). The fair value hierarchy defines the inputs as:

- Level 1 - Quoted prices in active markets that are accessible by the Company at the measurement date for identical assets and liabilities.
- Level 2 - Inputs that are observable, either directly or indirectly. Such prices may be based upon quoted prices for identical or comparable securities in active markets or inputs not quoted on active markets but corroborated by market data.

BOOKING HOLDINGS INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2024 AND 2023 AND FOR THE YEAR ENDED DECEMBER 31, 2024

- Level 3 - Unobservable inputs are used when little or no market data is available.

Mutual Funds - Mutual funds are valued at the daily quoted market price of the mutual fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Funds - The collective trust funds are valued at NAV of units of a bank collective trust. The NAV is provided by the trustee and is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the funds will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan were to initiate a full redemption of the collective trusts, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Stable Value Fund - The Bank of New York Mellon Stable Value Fund (“the Fund”) is a collective trust fund composed primarily of fully benefit-responsive investment contracts and is valued at the NAV of units of the bank collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the Fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. Participants ordinarily may direct either the withdrawal or transfer of all or a portion of their investment at NAV. If the Plan initiates a full redemption of the Fund, the issuer reserves the right to require 12 months’ notification in order to ensure that securities liquidations will be carried out in an orderly manner.

The following tables set forth by level within the fair value hierarchy a summary of the Plan’s investments measured at fair value on a recurring basis at December 31, 2024 and 2023:

4. CERTIFIED INVESTMENT INFORMATION

The following is a summary of the information regarding the Plan as of December 31, 2024 and 2023, and for the year ended December 31, 2024, included in the Plan's financial statements and supplemental schedule which was prepared by or derived from information prepared by Empower, the trustee of the Plan, and furnished to the plan administrator. The plan administrator has obtained certifications from the trustee that such information is complete and accurate.

Statements of Net Assets Available for Benefits	2024	2023

Dividends		\$ 5,330,393
Net appreciation in fair value of investments		61,988,479
Interest on notes receivable from participants		260,993

Supplemental schedule: All investment balances and information included in the supplemental schedule of assets (held at end of year).

Note 3: All investment balances and investment information, excluding the level of investments, unfunded commitment, redemption frequency, redemption restrictions and redemption notice period.

5. RELATED PARTY AND EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Empower is the trustee and Empower Retirement, LLC is the recordkeeper, as defined by the Plan. Therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid for investment management services were included as a reduction of the return earned on each fund.

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan, including the Company. Certain officers and employees of the Company (who may also be participants in the Plan) perform administrative services related to the operation, record keeping and financial reporting of the Plan. The Company pays these salaries and other administrative expenses on behalf of the Plan. The Plan also issues loans to participants, which are secured by the vested balances in the participants' accounts.

6. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA.

BOOKING HOLDINGS INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2024 AND 2023 AND FOR THE YEAR ENDED DECEMBER 31, 2024

7. FEDERAL INCOME TAX STATUS

The Internal Revenue Service (“IRS”) has issued a favorable letter of determination, dated January 2, 2025, stating that in form the Plan has satisfied the requirements of IRC Section 401(a), and on that basis, the related trust is tax-exempt under IRC Section 501(a). The Plan has been amended since applying for the determination letter. The Company believes that the Plan continues to be in compliance, both in form and operation, with the applicable requirements of the IRC, and the related trust continues to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

8. NONEXEMPT PARTY-IN-INTEREST TRANSACTION

The Company remitted the Consumer Club, Inc. (dba Getaroom) December 8, 2023 participant contributions and loan repayments of \$2,822 to the trustee later than required by Department of Labor (DOL) Regulation 2510.3-102. In October 2024, the Company filed Form 5330 with the IRS and paid the required excise tax on the transaction. In addition, participant accounts were credited with the amount of investment income that would have been earned had the participant contribution been remitted on a timely basis.

9. SUBSEQUENT EVENTS

Management has evaluated subsequent events for the Plan through October 8, 2025, the date the financial statements were available to be issued.

The Internal Revenue Service (“IRS”) has issued a favorable letter of determination, dated January 2, 2025, stating that in form the Plan has satisfied all of the requirements of IRC Section 401(a), and on that basis, the related trust is tax-exempt under IRC Section 501(a).

During 2024, the Plan was amended to allow for after-tax contributions up to 5% of eligible compensation, and in-plan Roth conversions. This amendment will be effective as of January 1, 2026.
