INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Papich Construction Company, Inc. Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Papich Construction Company, Inc. Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note B.

28494 Westinghouse Place, Suite 102 Valencia, CA 91355

P 661-257-6671 F 818-727-7700

fhhcpas.com

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Papich Construction Company, Inc. Retirement Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note B to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note B, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Papich Construction Company, Inc. Retirement Savings Plan's ability to continue as a going concern for one year after the date financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are

free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Papich Construction Company, Inc. Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Papich Construction Company, Inc. Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting described in Note B.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note B.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules (modified cash basis) of: (1) Schedule H, line 4i-Schedule of Assets (Held at End of Year) and (2) Schedule H, line 4a - Schedule of Delinquent Participant Contributions as of or for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules (modified cash basis), we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules (modified cash basis), other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule (modified cash basis) related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

PAPICH CONSTRUCTION COMPANY, INC. RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Papich Construction Company, Inc. Retirement Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

Effective January 1, 2004, Papich Construction Company, Inc. (the "Employer") established the Plan for the benefit of all eligible employees. The Plan is a contributory plan under Sections 401(a) and 401(k) of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On November 30, 2024, the Employer terminated its contract with Mutual of America Financial Group (Mutual of America) as record-keeper and Mid Atlantic Trust Company dba American Trust Custody (MATC) as custodian and trustee, and appointed Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company (Principal Trust Company) as the Plan's trustee and Principal Life Insurance Company (Principal Life), as the record-keeper. As a result, on December 11, 2024, all plan assets were transferred from MATC to Principal. In addition, effective December 1, 2024, the Employer adopted the Principal Financial Group Pre-Approved Non-Standardized Plan (pre-approved non-standardized plan), which amended and restated the Plan for various changes in law and plan design.

2. Eligibility

Employees, regardless of age or service, who perform services for the Employer under a contract covered by a prevailing wage law, are immediately eligible to receive prevailing wage contributions. Employees are eligible to make salary deferrals upon attainment of age 18 and completion of two months of service, and effective December 1, 2024, to receive Employer safe harbor matching and Employer discretionary contributions. Prior to December 1, 2024, participants were required to complete one year of service to receive Employer contributions and, in addition, be employed on the last day of the plan year to receive the Employer discretionary contribution.

Employees covered by collective bargaining agreements who were hired prior to September 1, 2016 are eligible to make salary deferrals, but are not eligible to receive Employer contributions. Otherwise, employees covered by collective bargaining agreements hired after September 1, 2016 are not eligible to make salary deferrals or receive Employer contributions, other than prevailing wage contributions.

3. Contributions

Participants may make pre-tax deferrals or Roth contributions up to the maximum deferral limit per Section 402(g)(1) of the IRC. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans.

PAPICH CONSTRUCTION COMPANY, INC. RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE A - DESCRIPTION OF THE PLAN (Continued)

3. Contributions (Continued)

Effective December 1, 2024, the Plan adopted an automatic deferral provision. Eligible employees who do not make an affirmative deferral election are automatically enrolled at a pre-tax deferral rate of 4% of compensation. The automatic deferral rate increases by 1% each year on January 1 until a maximum deferral rate of 10% is reached, unless otherwise elected by the participant. Because the automatic deferral provision became effective December 1, 2024 and the Plan requires completion of two months of service prior to participation, the provision did not result in any automatic deferrals during the 2024 plan year.

The Employer makes safe harbor matching contributions in an amount equal to 100% of the participant's deferred contribution up to 4% of compensation. The 2023 safe harbor matching contributions totaling \$140,445 was funded to Plan during the year ended December 31, 2024, and therefore reflected in the accompanying 2024 financial statements. The Employer also funded a portion of the 2024 safe harbor contribution totaling \$50,021 in 2024 and the remaining amount will be funded in 2025 and reflected in the Plan's 2025 financial statements. In addition, the Employer may make an additional discretionary matching contribution and/or a discretionary profit sharing contribution as determined by the Employer each year and allocated to participant accounts at the end of the plan year. No such discretionary Employer contributions were made during the year ended December 31, 2024.

The Employer makes prevailing wage contributions based on the hourly contribution rate required under the applicable prevailing wage law. Employer prevailing wage contributions totaled \$372,233 during the year ended December 31, 2024.

4. Investment Options

Upon enrollment in the Plan, participants may direct participant contributions or any Employer contributions in a variety of investment options held by MATC, the custodian and trustee through November 30, 2024, and by Principal Trust Company effective December 1, 2024, as provided by the Plan. Participants may change their investment options daily.

5. Notes Receivable from Participants

Participants may borrow against their vested account balance, as defined by the Plan, a minimum of \$1,000 up to the lesser of 50% of their vested account balance or \$50,000, reduced by the highest outstanding loan balance during the preceding 12 months. Participants are limited to one outstanding loan at any time and prior to December 1, 2024, the loans were charged an interest rate of prime plus 1%. Effective December 1, 2024, each loan must bear a reasonable fixed rate of interest established by the administrator. Loans must be repaid within 5 years or over a longer period for the purchase of a primary residence.

PAPICH CONSTRUCTION COMPANY, INC. RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE A - DESCRIPTION OF THE PLAN (Continued)

6. Participant Accounts

Each participant's account is credited with participant contributions, Employer contributions, rollover contributions, and allocations of plan earnings. Participant accounts are charged an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

7. Benefit Payments

Upon termination of service, participants are entitled to receive their vested account balances in the form of a lump sum or in installments. Upon termination due to early or normal retirement, death, or disability, a participant or a participant's beneficiary is entitled to the total value of the participant's account balance. Hardship and in-service distributions are permitted if certain criteria are met. The Plan allows accounts balances of terminated participants greater than \$1,000 but less than \$5,000 (increased to \$7,000 as a result of the Secure 2.0 Act).

8. Forfeitures

Forfeitures of terminated participants' non-vested accounts may be used to reduce future Employer contributions. There were no outstanding forfeitures at December 31, 2024 and 2023.

9. Vesting

Prevailing wage contributions, participant contributions, Employer safe harbor contributions and actual earnings thereon are fully vested at all times. Employer discretionary matching contributions and discretionary profit sharing contributions, plus actual earnings thereon, are vested at 25% after one year of service, an additional 25% per year of service thereafter, and are fully vested after four years of service.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Presentation

The Plan's financial statements are prepared on the modified cash basis of accounting. Although not in accordance with accounting principles generally accepted in the United States of America (GAAP), this method of accounting is permitted under the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA and is a comprehensive basis of accounting other than GAAP. Therefore, certain additions and related assets are recognized when received rather than when earned and certain liabilities and expenses are recognized when paid rather than when the obligations are incurred.

PAPICH CONSTRUCTION COMPANY, INC. RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

2. Plan Administration

The Employer is the plan sponsor and plan administrator. The plan administrator is responsible for carrying out the duties imposed under ERISA.

3. Payment of Benefits

Benefits are recorded when paid.

4. Investment Valuation and Income Recognition

The Plan's investments are reported at fair value, except the fully benefit-responsive contract which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisers, trustee, and custodian. See Note D for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends and interest are recorded when received. Net appreciation/depreciation includes gains and losses on investments bought and sold as well as held during the year.

5. Administrative Expenses

Administrative expenses incurred by the trustee, custodian, and record-keeper in performance of their duties are paid from the assets of the Plan. Investment related expenses are included in net appreciation/depreciation in fair value of assets. Expenses paid by the Employer are excluded from these financial statements.

6. Notes Receivables from Participants

Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded when received. Related fees are recorded as administrative expenses and are expensed when they are paid. If a participant ceases making loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

7. Contributions

Contributions from Plan participants and matching and profit and profit sharing contributions from the Employer are recorded when received by the Plan.

PAPICH CONSTRUCTION COMPANY, INC. RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE C - CERTIFIED INVESTMENT INFORMATION

Certain information in the accompanying financial statements and ERISA-required supplemental schedule related to investments held as of December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal Trust Company (the trustee of the Plan effective December 1, 2024) and by MATC (the custodian and trustee of the Plan as of December 31, 2023 and through November 30, 2024), qualified institutions. In addition, certain information in the accompanying financial statements and ERISA-required supplemental schedule related to notes receivable from participants held at December 31, 2024, and interest income on notes receivable from participants for the period December 1, 2024 through December 31, 2024 was obtained by management and agreed to or derived from information certified as complete and accurate by Principal Trust Company

NOTE D - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

PAPICH CONSTRUCTION COMPANY, INC. RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

Registered investment companies (mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective investment trusts: The collective investment trusts (CIT) invest in a collective trust fund as well as a variety of separate accounts and mutual funds. The NAV of the CIT is based on the market price of the underlying investments in the CIT. The NAVs of the CIT are not publicly quoted prices in an active market but are published for current investors on the custodian’s website.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2024 and 2023:

Assets at Fair Value as of December 31, 2024

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Assets in the fair value hierarchy:				
Registered investment companies	\$ 2,981,513	\$ -	\$ -	\$ 2,981,513
Collective investment trusts	8,196,738	-	-	8,196,738
	<u>\$11,178,251</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$11,178,251</u>

Assets at Fair Value as of December 31, 2023

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Assets in the fair value hierarchy:				
Registered investment companies	\$ 8,843,954	\$ -	\$ -	\$ 8,843,954

NOTE E - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan holds an investment in a group annuity contract (the “Contract”) issued by Principal Life to Principal Trust Company, as custodian. The Contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for a fully benefit-responsive investment contract because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Principal Life, represents contributions made under the contract, plus earnings at guaranteed crediting rates, less participant withdrawals and administrative expenses. The following represents the traditional investment contract held by the Plan:

NOTE E - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT (Continued)

	December 31,	
	2024	2023
Principal Guaranteed Option	<u>\$ 10,496</u>	<u>\$ -</u>

Principal Life is obligated to repay the principal and interest rate at the specified interest rate that is guaranteed to the Plan. The crediting rate is reset on a semiannual basis on June 1 and December 1 of each year. The contract is backed by Principal Life's general account. The Plan's ability to receive amounts due in accordance with the fully benefit-responsive investment contract is dependent on the third-party issuer's ability to meet its financial obligations which may be affected by future economic and regulatory developments.

No direct transfers to competing investment options are allowed. Indirect transfers are subject to an equity wash which requires that transfers from the Contract be first directed to a noncompeting investment option and reside there for at least 90 days before transferring to a competing option.

Although plan participants generally may withdraw assets from this investment without restrictions, Principal Life may require up to a 6-month advance notice for certain plan-level withdrawals. As of December 31, 2024, no events are probable of occurring that might limit the ability of the Plan to transact at contract value with the custodian and that also would limit the ability of the Plan to transact at contract value with the participants (see Note J).

NOTE F - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Investments were held with MATC, the trustee and custodian, and Mutual of America was the record-keeper as of December 31, 2023 and through November 30, 2024. Effective December 1, 2024, Principal Trust Company became the trustee and Principal Life became the record-keeper of the Plan. Transactions with these entities qualify as party-in-interest transactions. Notes receivable from participants and the related interest income are also considered party-in-interest transactions.

NOTE G - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits (modified cash basis).

PAPICH CONSTRUCTION COMPANY, INC. RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE H - PLAN TERMINATION

The Employer has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their Employer contributions, and the assets of the Plan would be distributed to the participants based on each individual participant's interest in the Plan. Any unallocated assets of the Plan would be allocated to participant accounts and distributed in such a manner prescribed by the Plan provisions and the IRC (see Note J).

NOTE I - TAX STATUS

Effective December 1, 2024, the Employer adopted the Principal pre-approved non-standardized plan. The Internal Revenue Service ("IRS") issued a favorable opinion letter for this pre-approved non-standardized plan dated June 30, 2020. Prior to December 1, 2024, the Employer maintained a Non-Standardized Pre-Approved Profit Sharing Plan ("pre-approved plan"), which received a favorable opinion letter dated November 30, 2020. Each plan's respective letter stated that these pre-approved plans, as then designed, were in compliance with the applicable requirements of the IRC. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Administration errors, if any, that are insignificant or operational in nature, are handled by the plan administrator in accordance with applicable IRS correction policies. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

The financial statements are presented on a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America; therefore, plan management is not required to recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would be unsustainable upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE J - SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through October 8, 2025, the date the financial statements were available to be issued.

In July 2025, the Employer resolved to terminate the Plan effective August 5, 2025, due to the sale of the Employer.
