Independent Auditors' Report

Opinion

We have audited the financial statements of MedBen Employee Prescription Welfare Benefit Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and of plan benefit obligations as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits and of changes in benefit obligations for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and plan benefit obligations of MedBen Employee Prescription Welfare Benefit Plan as of December 31, 2024 and 2023, and the changes in net assets available for benefits and plan benefit obligations for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of MedBen Employee Prescription Welfare Benefit Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about MedBen Employee Prescription Welfare Benefit Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of MedBen Employee Prescription Welfare Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about MedBen Employee Prescription Welfare Benefit Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

MedBen Employee Prescription Welfare Benefit Plan

NOTES TO FINANCIAL STATEMENTS

NOTE A – PLAN DESCRIPTION

The following description of the MedBen (Company) Employee Prescription Welfare Benefit Plan (Plan) provides only general information about the Plan's provisions. Participants should refer to the Plan's provisions, copies of which may be obtained from the Plan sponsor.

General

The Plan provides prescription drug benefits covering full-time employees of the Company (with at least one hundred thirty hours per month) who have satisfied a sixty day waiting period and covered dependents. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Benefits

The Plan provides prescription drug benefits. The Plan also provides continuation of certain benefits upon termination of employment through the Consolidated Omnibus Budget Reconciliation Act (COBRA).

Self-insured Benefits

The prescription drug benefits are self-insured. The claims for the self-insured benefits are processed by in-house claims processors. The claims processors pay claims directly to or on behalf of participants and are then reimbursed through the general assets of the Company. The ultimate responsibility for payments to the providers and participants is retained by the Plan.

The Plan utilizes a pharmacy benefits manager (PBM) which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

Contributions

The Company makes contributions to the Plan as needed. Any deficiency of the Plan's net assets over benefit obligations is funded by the Company on a pay-as-you-go basis.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared using the accrual method of accounting.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Cash

The Plan maintains its cash in one financial institution in Newark, Ohio in an account that is fully insured by the Federal Deposit Insurance Corporation. The Plan believes it is not exposed to any significant credit risk on cash.

Payment of Benefits

Claim payments are recorded when paid by the Plan.

Refunds

Refunds due from the Plan's PBM are recorded when earned. Refunds due as of the financial statement date have been reported as a receivable, if applicable, with the offset being netted against claims paid. Pharmacy rebates totaling \$21,628 have been netted with claims paid in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2024.

NOTE C – CLAIMS INCURRED BUT NOT REPORTED

Plan benefit obligations of the Company at December 31, 2024 and 2023, for prescription drug claims incurred by participants but not reported at that date, are estimated by the Company analyzing claim lag studies. Such amounts are reported at an undiscounted amount because amounts typically are payable within one year. Any difference in the amounts estimated and actual amounts will be reported in future years.

NOTE D – ADMINISTRATIVE EXPENSES

Administrative expenses, such as professional fees, are paid by the Company on behalf of the Plan. Certain administrative functions are performed by employees of the Company. No such employee receives compensation from the Plan.

NOTE E – TAX STATUS

The Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC) and, accordingly, is exempt from federal income tax. The plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE F – PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to modify the benefits provided to, and contributions required of, participants or to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscretionary manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Company or be used for purposes other than for the exclusive benefit of the Plan's participants.

NOTE G – TRANSACTIONS WITH PARTIES IN INTEREST

The claims for self-insured benefits are processed by in-house claims processors of the Company. As described in Note A, the Plan has arrangements with service providers. These transactions are party in interest transactions under ERISA.

NOTE H – RISKS AND UNCERTANTIES

The value of benefit obligations is reported based on claim lag studies which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

NOTE I – RECONCILIATION OF FINANCIAL STATEMENT TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$18,549	\$ 2,204
Benefit obligations currently payable (prescription claims)	<u>(5,442)</u>	<u>(13,031)</u>
Net assets available for benefits per the Form 5500	<u>\$13,107</u>	<u>\$(10,827)</u>

The following is a reconciliation of benefits paid to participants per the financial statements to the Form 5500 for the year ended December 31, 2024:

Benefits paid to participants per the financial statements	\$160,805
Add: Amounts currently payable at end of year	5,442
Less: Amounts currently payable at beginning of year	<u>(13,031)</u>
Benefits paid to participants per the Form 5500	<u>\$153,216</u>

Claims that have been processed and approved for payment at year-end, but not paid, and claims incurred but not reported are not considered liabilities under GAAP and, therefore, are not presented as liabilities or claims paid in the accompanying financial statements, but are recorded on the Form 5500 as a liability.

NOTE J – SUBSEQUENT EVENT

The Plan has evaluated subsequent events through October 6, 2025 the date the financial statements were available to be issued.
