To the Plan Administrator 403(b) Thrift Plan for Employees of Alma Family Services

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of 403(b) Thrift Plan for Employees of Alma Family Services (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2024 and 2023, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended June 30, 2024 and 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of June 30, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 DESCRIPTION OF THE PLAN

The following description of the 403(b) Thrift Plan for Employees of Alma Family Services (the Plan) (formerly the Tax Deferred Annuity Plan of Alma Family Services (TDAP)) is provided for general information purposes only. Participants and other interested parties should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Alma Family Services (the Plan Sponsor, Employer, or Organization). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The plan was established effective January 1, 2009.

Eligibility

All employees are eligible to participate in the Plan except those who are nonresident aliens with no U.S. source income and those who are classified or treated as independent contractors. An employee must be at least 21 years of age and must complete at least one year of service to receive employer contributions under the Plan.

An employee is included as a participant in the Plan on the first day of the month coinciding with or immediately following the date of meeting the eligibility requirements. A participant will be credited with a year of service for eligibility at the end of the first twelve months of employment provided the participant completes at least 1,000 hours of service.

Contributions

Participants may contribute any percentage of their eligible compensation, as defined in the Plan or the maximum amount allowable under the Internal Revenue Code (IRC). The Employer will make a contribution equal to 4% of the eligible participant's salary whether or not they make contributions. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. Effective July 1, 2024, the Plan Sponsor implemented an auto-enrollment deferral for new and existing employees not yet participating, starting at 4% and escalating at 1% per year until reaching 6% of compensation. Employees may opt-out within the first 90 days after auto-enrollment.

Participant Accounts

Each participant's account is credited (charged) with the participant's and employer's contribution and allocations of Plan earnings (losses), and charged with participant-directed administrative expenses, if any. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)

Investment Options

Participants are able to direct the investment of their accounts (including the Employer's contributions) among any of the available funds daily. The available funds as of June 30, 2024 are listed in the supplemental schedule of assets (held at end of year). The available funds are regularly reviewed by the Organization and are subject to change at any time.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Employer contributions are vested based on years of service in the Organization as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years or more	100%

Benefits Paid to Participants

Upon termination of service due to death, disability, separation of employment, or retirement, a participant may elect to receive either a lump-sum distribution, partial payment or installments. Participants may also elect to rollover the balance to another qualified benefit plan. While employed by the Organization, participants may request in-service or hardship withdrawals as defined in the Plan document.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance, reduced by any current outstanding loan balance. Loan terms range from one to five years, or up to ten years if the purpose of the loan is to acquire a primary residence. The loans are secured by the balance in the participant's account and bear a fixed interest rate based on the current prime rate. Principal and interest are paid ratably through bi-weekly payroll deductions. The loan will be deemed a distribution if the participant fails to repay the loan per the provisions of the original loan agreement.

Forfeitures

Forfeitures are non-vested amounts in the accounts of participants who terminate employment. Forfeitures may be used to reduce employer contributions or to pay Plan expenses. The changes in the Plan's forfeiture account balance for the years ended June 30, 2024 and 2023 are as follows:

	<u>2024</u>	<u>2023</u>
Balance, July 1	\$ 9,055	\$ 158
Forfeitures during the year	58,738	49,968
Investment gain	124	9
Forfeitures used during the year to reduce employer contribution	(60,734)	(41,080)
Balance, June 30	<u>\$ 7,183</u>	<u>\$ 9,055</u>

No forfeiture amounts were used to reduce administrative fees for the years ended June 30, 2024 and 2023.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments in various mutual funds and pooled separate accounts are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. The interest accumulation account is stated at contract value, see disclosures in Note 4.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on the investments bought and sold, as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses

Certain administrative expenses are paid by the Organization and excluded from these financial statements. Administrative expenses paid by the Plan in accordance with the Plan document are recorded as deductions in the statements of changes in net assets available for benefits.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses when incurred. No allowance for credit losses had been recorded as of June 30, 2024 and 2023. If a participant separates from service or ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the remaining loan balance will be treated as a taxable distribution after a cure period as defined by the Plan's loan policy. Plan loans in default are offset against vested balances upon separation from service that triggers a distribution.

NOTE 3 FAIR VALUE MEASUREMENT

The Plan follows Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement*. ASC Topic 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820 are described below:

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Years ended June 30, 2024 and 2023

NOTE 3 FAIR VALUE MEASUREMENT (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2024 and 2023:

Pooled Separate Accounts: Valued by the insurance company at the separate account's net asset value (NAV) based on the aggregate unit value of shares held by the Plan. The NAV, as published daily by the custodian, is generally based on the fair value of the underlying investments held by the pooled separate account less its liabilities. The underlying securities in pooled separate accounts are typically actively traded fixed income and equity mutual funds that are valued at the daily closing price of the security.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level within the fair value hierarchy the Plan's investments measured at fair value on a recurring basis as of June 30, 2024 and 2023:

<u>June 30, 2024</u>	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Pooled separate accounts	\$ 5,990,578	\$ -	\$ 5,990,578	\$ -
Total	\$ 5,990,578	\$ -	\$ 5,990,578	\$ -

<u>June 30, 2023</u>	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Pooled separate accounts	\$ 4,756,943	\$ -	\$ 4,756,943	\$ -
Total	\$ 4,756,943	\$ -	\$ 4,756,943	\$ -

NOTE 4 INTEREST ACCUMULATION ACCOUNT

The Plan has an interest accumulation account with Mutual of America. The interest accumulation account was credited with interest at a contract rate set by Mutual of America in accordance with the Plan's annuity contract. Mutual of America reserved the right to change the interest rate at its discretion. The interest accumulation account is reported at amortized cost, or contract value. Investments in the interest accumulation account are not related to a contract with the Plan as a whole, they are allocated directly to each Plan participant's account.

The credited interest rate was 0.25% for the period July 1, 2022 through December 31, 2022, 1.60% for the period January 1, 2023 through December 31, 2023, and 2.85% for the period from January 1, 2024 through June 30, 2024. Interest is compounded daily to produce the stated effective annual yield.

NOTE 4 INTEREST ACCUMULATION ACCOUNT (CONTINUED)

The interest accumulation account is part of Mutual of America's general account assets which are primarily invested in cash and investment grade fixed-income securities. As of June 30, 2024 and 2023, the contract value of the Plan's interest accumulation account was \$1,051,312 and \$1,044,812, respectively.

NOTE 5 INFORMATION CERTIFIED BY THE CUSTODIAN (UNAUDITED)

Mutual of America Life Insurance Company (Mutual of America), the custodian, held the Plan assets as of and for the years ended June 30, 2024 and 2023. The following is a summary of the Plan's investment information certified by Mutual of America as complete and accurate in accordance with Section 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA as of June 30, 2024 and 2023 and for the years then ended:

	<u>2024</u>	<u>2023</u>
ASSETS		
Investments, at fair value	\$ 5,990,578	\$ 4,756,943
Investments, at contract value	1,051,312	1,044,812
Notes receivable from participants	113,167	76,844
Net appreciation in fair value of investments	798,601	557,209
Dividends and interest	22,438	11,426
Interest on notes receivable from participants	5,121	3,290

NOTE 6 INCOME TAX STATUS

The Plan adopted a prototype non-standardized 403(b) plan document sponsored by Mutual of America Life Insurance Co. which is the subject of a favorable tax opinion letter from the Internal Revenue Service (IRS) dated March 31, 2017 that the Plan is designed in accordance with the applicable section of the IRC. Although the Plan has been amended, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified as of the financial statement date. No provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of June 30, 2024 and 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in these financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 PARTY-IN-INTEREST TRANSACTIONS

The investments of the Plan are in general and separate accounts managed by Mutual of America, the custodian of the Plan. Transactions involving these investments qualify as party-in-interest transactions that are exempt under ERISA.

The Plan allows for transactions with certain parties-in-interest who may perform services or have fiduciary responsibilities to the Plan. Mutual of America provides certain necessary recordkeeping duties and functions for the Plan. During the years ended June 30, 2024 and 2023, the Plan paid Mutual of America \$2,479 and \$469, respectively, in fees for these services. The Plan issues loans to participants, which are secured by the vested balances in the participants' accounts. These transactions qualify as party-in-interest transactions for which a statutory exemption exists.

NOTE 8 RISKS AND UNCERTAINTIES

The Plan invests in various types of investment securities. Investment securities, in general, are normally exposed to various risks such as interest rate, credit risks, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 10 NEW LAWS AND REGULATIONS

On December 29, 2022, the SECURE 2.0 Act of 2022 (SECURE 2.0) became law. The new law includes provisions intended to expand coverage, increase retirement savings, and simplify and clarify retirement plan rules. SECURE 2.0 changed the retirement plan rules for long-term, part-time employees. For plan years beginning in 2024, if an employee has three consecutive 12-month periods with more than 500 hours of service in each, the employee must be eligible to enter the plan, and the period of service was reduced from three to two consecutive 12-month periods for plans years beginning after December 31, 2024.

NOTE 11 RECLASSIFICATIONS

Certain amounts in the prior year's financial statements have been reclassified to conform to the current year's presentation. These reclassifications had no effect on net assets available for benefits or changes in net assets available for benefits.

NOTE 12 SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through April 17, 2025, the date the financial statements were available to be issued.
