INDEPENDENT AUDITOR'S REPORT

To the Officers of
NEA's Member Benefits

Opinion

We have audited the accompanying financial statements of NEA's MBC Health Reimbursement Account Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NEA'S MBC HEALTH REIMBURSEMENT ACCOUNT PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE 1. GENERAL DESCRIPTION OF THE PLAN

NEA's MBC Health Reimbursement Account Plan (the Plan) is a health and welfare plan established by the NEA's Member Benefits (the Company). The Plan was formed on May 1, 2006 for the purpose of providing health and related benefits to former employees of the Company through a Health Reimbursement Arrangement (HRA).

The Plan is designed to provide reimbursement of eligible health care and medical expenses incurred by participants or their dependents after employment with the Company ends. Amounts in a participant's account can be carried over from year to year.

Participants should refer to the Summary Plan Description for more complete information.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Accordingly, revenue is recognized when earned and expenses are recognized when incurred.

Investments - Investments in mutual funds are valued at the quoted market value of shares held by the Plan at year end. In accordance with the policy of recording investments at market value, net appreciation in the fair value of investments, which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments, is included in the accompanying statements of changes in net assets available for benefits. Purchases and sales of investments are recognized on trade-date basis. Dividends are recognized on the ex-dividend date.

Contributions - The Plan is funded solely by employer contributions by form of collectively-bargained contributions or the Company's discretionary contributions.

Eligibility - To participate in the Plan, a participant must be or have been an employee of the Company. To be eligible for reimbursement, participants or their dependents must have incurred medical or health insurance expenses after termination of employment with the Company that qualify for reimbursement benefits.

Participant Reimbursements - Participant reimbursements are recorded when paid in the statements of changes in net assets available for benefits.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses - The Company provides the use of office space and pays for other administrative costs for the Plan. The value of these services is not readily determinable and is therefore not recorded in the accompanying financial statements.

Estimates - The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

NOTE 3. TAX STATUS

The Plan is exempt from federal income tax under provisions of Section 501(c)(9) of the Internal Revenue Code (IRC). The Plan obtained its latest determination letter on June 20, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC.

The Plan follows authoritative guidance relating to accounting for uncertainty in income taxes included in Accounting Standards Codification (ASC) Topic *Income Taxes*. These provisions provide consistent guidance for the accounting for uncertainty in income taxes recognized in an entity's financial statements and prescribe a threshold of "more likely than not" for recognition and derecognition of tax positions taken or expected to be taken in a tax return. The Plan performed an evaluation of uncertain tax positions for the years ended December 31, 2024 and 2023, and determined that there were no matters that would require recognition of a liability (or asset) or disclosure in the financial statements. As of December 31, 2024, the statute of limitations for the tax years 2021 through 2023 remains open with the U.S. federal jurisdiction where a return is filed.

NOTE 4. INVESTMENTS AND FAIR VALUE MEASUREMENTS

The Plan reports fair value using a hierarchy for observable independent market inputs and unobservable market assumptions about fair value measurements. Observable inputs are inputs that are based on market data obtained from sources independent of the Plan. Unobservable inputs are inputs that reflect the Plan's assumptions about the assumptions market participants would use in pricing the asset or liability developed based on the best information available in the circumstances. The hierarchy is measured in three levels based on the reliability of inputs:

Level 1 - Quoted prices in active markets for identical investment.

Level 2 - Quoted prices in an inactive market or other significant observable inputs (including quoted prices for similar investments, interest rates, prepayment speeds, credits risk, etc.).

Level 3 - Significant unobservable inputs (including the Plan's own assumptions in determining the fair value of investments).

NOTE 4. INVESTMENTS AND FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables summarize the inputs used as of December 31, 2024 and 2023 in valuing investments carried at fair value:

Description	Total Investments at 12/31/24	Quoted Market Prices for Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	<u>\$ 6,016,015</u>	<u>\$ 6,016,015</u>	<u>\$ -</u>	<u>\$ -</u>

Description	Total Investments at 12/31/23	Quoted Market Prices for Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Mutual funds	<u>\$ 5,375,595</u>	<u>\$ 5,375,595</u>	<u>\$ -</u>	<u>\$ -</u>

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2024 and 2023.

Mutual funds - Stated at fair value based on quoted market prices as of the last business day of the year.

NOTE 5. PRIORITIES UPON TERMINATION OF PLAN

It is the intent of the Company to continue the Plan in full force and effect; however, to safeguard against any unforeseen contingencies, the right to discontinue the Plan is reserved to the Company. In the event of termination, Security Financial Resources, Inc. (the Administrator) shall first satisfy or make provisions to satisfy the obligations of the Plan. Any remaining Plan assets will be distributed in such manner, as will in the opinion of the Administrator, bring about the purpose of the Plan. Termination shall not permit any part of the Plan assets to be used for or diverted to purposes other than the exclusive benefit of the participants.

NOTE 6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Company (the Plan sponsor) is also the sole contributing employer to the Plan. The Company contributed \$237,600 and \$228,000 to the Plan for the years ended December 31, 2024 and 2023, respectively. In addition, the Company provides certain administrative services to the Plan, and also pays for professional services on behalf of the Plan. The costs of the administrative services are not readily determinable. These transactions qualify as party-in-interest transactions, which are exempt for the prohibited transactions rules of the Employee Retirement Income Security Act of 1974.

NOTE 7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 8. SUBSEQUENT EVENTS

Subsequent events have been evaluated through September 30, 2025, which is the date the financial statements were available to be issued. This review and evaluation revealed no material event or transaction which would require an adjustment to or disclosure in the accompanying financial statements.
