REPORT OF INDEPENDENT AUDITORS

To the Plan Administrator of the
HLT 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the HLT 401(k) Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) (“ERISA Section 103(a)(3)(C) audit”). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (“GAAP”).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules of Form 5500, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of or for the year ended December 31, 2024, are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

HLT 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

A. Description of the Plan

General

The following brief description of the HLT 401(k) Plan (the “Plan”) is provided for general information purposes only. The Plan is sponsored by Hearing Lab Technology, LLC (“HLT, LLC”). Participants should refer to the Plan document for more complete information. The corporate offices of HLT, LLC are located in Fort Worth, Texas.

The Plan was effective January 1, 2007, and restated effective March 23, 2021. The Plan is a defined contribution plan available to all employees of HLT, LLC as well as related employers of HLT, LLC’s controlled group of employers (collectively, the “Company”), who have attained age 21 and completed a minimum of two months of service. All employees of the Company are eligible to participate in the Plan, except for nonresident aliens and those employees covered by a collective bargaining agreement, and they may enter the Plan on the first day the month following meeting the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The purpose of the Plan is to encourage the Company’s employees to save and invest, systematically, a portion of their current compensation so that they and their families may have a source of additional income upon their retirement, or in the event of death.

Contributions

Participants may contribute after-tax compensation and up to 90% of pre-tax annual compensation, as defined by the Plan. Contributions are subject to limitations on annual additions and other limitations imposed by the Internal Revenue Code (the “Code”) as defined in the Plan document. Eligible participants may make rollover contributions to the Plan.

Participants who are eligible to make salary deferral contributions under the Plan and who have attained age 50 before the close of the year may make catch-up contributions in accordance with, and subject to, the limitations imposed by the Code.

The Company may make discretionary matching contributions and nonelective profit sharing contributions to the Plan as determined annually by management. For the years ended December 31, 2024 and 2023, the Company made discretionary matching contributions equal to 50% of employee deferrals, up to 6% of eligible compensation, capped at \$1,000 per participant. The Company did not make any nonelective profit sharing contributions to the Plan in 2024 or 2023.

Participant Accounts

Each participant’s account is credited with the participant’s contributions and allocations of: (a) the Company’s contribution; and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account.

HLT 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS *(continued)*

A. Description of the Plan – continued

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company contribution portion of accounts, plus actual earnings thereon, is as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1 year	0%
1 year	20%
2 years	40%
3 years	60%
4 years	80%
5 years	100%

In the event of total and permanent disability or death, or attaining the age of 55, the participant will become fully vested.

Participant Loans

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their account balances. Note receivable terms range up to five years or longer for the purchase of a primary residence. The notes receivable are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Company. As of December 31, 2024 and 2023, interest rates ranged from 5.25% to 10.50%. Principal and interest are paid ratably through payroll deductions.

Benefit Payments

Participants may elect to receive an in-service withdrawal of their salary deferral contributions once the age of 59 ½ years is attained. Participants withdrawing during the year for reasons of service or disability, retirement, death, or termination are entitled to their vested account balances. Benefits are distributed in the form of rollovers or lump-sum payments. If withdrawing participants are not entitled to their entire account balances, the amounts not received are forfeited.

A participant may receive a hardship distribution from salary reduction contributions if the distribution is: (1) on account of uninsured medical expenses incurred by the participant, his/her spouse, or dependents; (2) to purchase (excluding mortgage payments) a principal residence of the participant; (3) for the payment of post-secondary tuition expenses; (4) needed to prevent eviction of the participant from his/her principal residence or foreclosure upon the mortgage of the participant's principal residence; (5) payments for burial or funeral expenses for the participant's parent, spouse, children, or dependents; or (6) expenses for the repair of damage to the participant's principal residence.

HLT 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS *(continued)*

A. Description of the Plan – continued

Benefit Payments – continued

In a prior year, the Plan’s hardship withdrawal provisions were updated in connection with the Bipartisan Budget Act. Participant deferrals will no longer be suspended after receipt of a hardship withdrawal. The reasons for a hardship distribution were also expanded to include certain disaster events and casualty losses not associated with disasters.

Forfeitures

Forfeited balances of terminated participants’ non-vested accounts may be used to pay administrative expenses of the Plan or to offset employer contributions. During the years ended December 31, 2024 and 2023, employer contributions were reduced by approximately \$137,000 and \$300, respectively, of previously forfeited balances. Unutilized forfeitures were approximately \$18,000 and \$111,000 at December 31, 2024 and 2023, respectively.

Investment Options

Upon enrollment in the Plan, a participant may direct his/her salary deferrals in 1% increments into any of the Plan’s investment options.

Plan Expenses

Employees of the Company perform certain administrative functions with no compensation from the Plan. Costs relating to asset charges and recordkeeping are paid by the Plan.

B. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“GAAP”).

Use of Estimates

The preparation of the financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

Investment Valuation and Income

The investments of the Plan are stated at fair value as of the end of the year and are subject to market or credit risks customarily associated with equity investments. Fair value measurements are determined in accordance with GAAP, which defines fair value, establishes a framework for measuring fair value, and expands disclosures about assets and liabilities measured at fair value. See Note C for information related to the Plan’s valuation methodologies.

HLT 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS *(continued)*

B. Summary of Significant Accounting Policies – continued

Investment Valuation and Income – continued

Investment gains and losses are accounted for using the average cost basis of the securities sold. The net realized and unrealized gains and losses on investments include realized gains and losses on sales of investments during the year and unrealized increases or decreases in the market value of investments held at year-end. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Contributions

Contributions from the Company and participants are accrued as they become obligations of the Company, as determined by the plan administrator, and in the period in which they are deducted, in accordance with salary deferral agreements.

Notes Receivable from Participants

Notes receivable from participants are recorded at the unpaid principal balances.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Code are recorded as a liability with a corresponding reduction to contributions. There were no excess contributions to participants for the year ended December 31, 2024. The Plan distributed the 2023 excess contributions to the applicable participants prior to March 15, 2024.

Payment of Benefits

Benefits are recorded when paid.

C. Fair Value Measurements

GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and establishes a three-tier hierarchy that is used to identify assets and liabilities measured at fair value. The hierarchy focuses on the inputs used to measure fair value and requires that the lowest level input be used. The three levels defined are as follows:

- Level 1 — observable inputs that are based upon quoted market prices for identical assets or liabilities within active markets.
- Level 2 — observable inputs other than Level 1 that are based upon quoted market prices for similar assets or liabilities, based upon quoted prices within inactive markets, or inputs other than quoted market prices that are observable through market data for substantially the full term of the asset or liability.

HLT 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS *(continued)*

C. Fair Value Measurements – continued

- Level 3 — inputs that are unobservable for the particular asset or liability due to little or no market activity and are significant to the fair value of the asset or liability. These inputs reflect assumptions that market participants would use when valuing the particular asset or liability.

GAAP requires that Plan management describe the methodologies used to measure the fair value of assets and liabilities. Plan management has described below the methodology used to measure each major category of investments.

- Mutual funds are valued using quoted prices available on an active market and are classified within Level 1 of the valuation hierarchy.
- Collective trust fund is composed of a fully benefit-responsive investment contract that is valued at the net asset value (“NAV”) of units of the collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months’ notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

There have been no changes in the methodologies used at December 31, 2024 or 2023. The table below details the Plan’s investments at fair value by level, within the fair value hierarchy, as of December 31, 2024 and 2023. The Plan has no investments classified within Level 2 or Level 3 of the valuation hierarchy.

	<u>2024</u>	
	<u>Level 1</u>	<u>Total</u>
Mutual funds	<u>\$20,313,085</u>	<u>\$20,313,085</u>
Total investments in the fair value hierarchy	<u>\$20,313,085</u>	20,313,085
Investments measured at NAV ^(a)		<u>397,186</u>
Total investments at fair value		<u>\$20,710,271</u>

NOTES TO FINANCIAL STATEMENTS (continued)

C. Fair Value Measurements – continued

	2023	
	Level 1	Total
Mutual funds	\$16,962,598	\$16,962,598
Total investments in the fair value hierarchy	\$16,962,598	16,962,598
Investments measured at NAV ^(a)		613,960
Total investments at fair value		\$17,576,558

^(a) In accordance with GAAP, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

These items are classified in their entirety based on the lowest priority level of input that is significant to the fair value measurement. The assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the placement of assets and liabilities within the levels of the fair value hierarchy.

The following table summarizes investments for which fair value is measured using the NAV per share as a practical expedient as of December 31, 2024 and 2023. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2024	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Collective trust fund	\$ 397,186	N/A	Daily	12 months

December 31, 2023	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period

NOTES TO FINANCIAL STATEMENTS *(continued)*

D. Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net realized and unrealized gain on investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2024 and 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

E. Tax Status

Effective March 23, 2021, the Plan was amended and restated by the adoption of the Fidelity Volume Submitter 401(k) Profit Sharing Plan, which has a favorable advisory letter from the Internal Revenue Service (“IRS”) dated June 30, 2020. This advisory letter states that the form of the prototype plan is acceptable under Section 401 of the Code. The Company may rely on this letter with respect to the qualification of the Plan under Code Section 401(a) with certain limitations.

Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Company believes that the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

F. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA. In the event the Plan terminates, all amounts credited to participants’ accounts will become 100% vested.

HLT 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS *(continued)*

G. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

H. Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or relatives of such persons.

The Plan invests in shares of mutual funds managed by Fidelity Management Trust Company, which acts as trustee. Transactions in such investments, as well as notes receivable from participants, qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. The Plan paid certain expenses related to Plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA, which are exempt from the prohibited transaction rules.

I. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits as of December 31, 2024 and 2023, per the accompanying financial statements to the Form 5500:

To the Plan Administrator of the
HLT 401(k) Plan

We have conducted an ERISA Section 103(a)(3)(C) audit of the financial statements of the HLT 401(k) Plan (the “Plan”) as of and for the year ended December 31, 2024, and have issued our report thereon dated October 7, 2025. Professional standards require that we advise you of the following information related to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated July 11, 2025, our responsibility, as described by professional standards, is to conduct our audit in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (“ERISA”). Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of accounting principles generally accepted in the United States of America (“U.S. GAAP”). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements, as a whole, are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

The engagement team and our firm, including its employees, have complied with all relevant ethical requirements regarding independence.

Significant Risks Identified

No significant risks were identified that require special audit consideration.

Qualitative Aspects of the Plan's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the Plan is included in Note B to the financial statements. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during 2024. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates and Related Disclosures

Accounting estimates and related disclosures are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. There are no particularly sensitive financial statement disclosures in the financial statements.

Significant Unusual Transactions

For purposes of this communication, professional standards require us to communicate to you significant unusual transactions identified during our audit. We have not identified any significant unusual transactions.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Identified or Suspected Fraud

We have not identified any fraud or suspected fraud.

Significant Difficulties Encountered During the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management.

Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances, or disclosures, and the financial statements as a whole. Uncorrected misstatements or matters underlying those uncorrected misstatements could potentially cause future-period financial statements to be materially misstated, even though the uncorrected misstatements are immaterial to the financial statements currently under audit. There were no uncorrected misstatements identified in the current or prior year.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. See the attached Exhibit A for a listing of corrected misstatements.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the Plan's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

Representations Requested from Management

We have requested certain written representations from management, which are included in the attached letter dated October 7, 2025.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with the Plan, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, business conditions affecting the Plan, and business plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the Plan's auditors.

Management has elected to allow participants to self-certify hardship distributions in accordance with the SECURE 2.0 Act of 2022 issued by the Internal Revenue Service. For our selections, the participants were unable to provide supporting documentation. The self-certify provisions of the SECURE 2.0 Act of 2022 do not relieve the plan sponsor of its verification and recordkeeping responsibilities.

Noncompliance with Laws and Regulations

We have identified the following matters involving noncompliance with laws and regulations that came to our attention during the course of the audit. We also consider these to be reportable findings.

We noted that certain participant contributions and loan repayments of \$13,552 related to the 2021 and 2023 Plan years have not been remitted to the Plan in a timely manner based on the established pattern for remittances. DOL Regulation 2510.3-102 requires that participant contributions are to be remitted to the Plan on the earliest date on which they can be reasonably segregated from the general assets of the Plan's sponsor, but in no event later than the 15th business day following the end of the month in which amounts are contributed by employees or withheld from their wages. These late contributions and loan repayments have been included in Form 5500, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions supplemental schedule of the Plan's audited financial statements.

Other Matters

The ERISA-required supplemental schedules were subjected to the audit procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America.

Our responsibility also includes communicating to you any information which we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

This representation letter is provided in connection with your audits of the financial statements of the HLT 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

We have elected to have audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audits did not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (a "qualified institution") that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5, and that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information such that, in the light of surrounding circumstances, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

We confirm, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves, as of the date of this letter, the following representations made to you during your audits:

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated July 11, 2025, for the preparation and fair presentation of the financial statements (and disclosures) in accordance with U.S. GAAP, and the notes include all the disclosures required by laws and regulations in which the Plan is subject, including the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
2. We acknowledge our responsibility for administering the Plan and determining the Plan's transactions that are presented and disclosed in the ERISA plan financial statements are in conformity with the Plan provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
3. We acknowledge our responsibility for the design, implementation, and maintenance of the system of internal control relevant to the preparation and fair presentation of financial statements, notes, and supplemental schedules that are free from material misstatement, whether due to fraud or error.
4. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
5. The methods, data, and significant assumptions used by us in making accounting estimates and their related disclosures are appropriate to achieve recognition, measurement, or disclosure that is reasonable. The methods and significant assumptions used to estimate fair values are properly disclosed in Note C. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.
6. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services, or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represent our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.
7. All related-party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.
8. Transactions with parties in interest, as defined in Section 3(14) of ERISA and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements, and guarantees, and amounts receivable from, or payable to, related parties have been appropriately disclosed.

9. All events subsequent to the date of the financial statements and for which U.S. GAAP requires adjustment or disclosure have been adjusted or disclosed.
10. We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted a lawyer concerning litigation, claims, or assessments.
11. We have no intentions to terminate the Plan.
12. There are no guarantees, whether written or oral, under which the Plan is contingently liable to a bank or another lending institution.
13. We have properly reported and disclosed amendments to the Plan instrument, if any.
14. We acknowledge our responsibility for the presentation of the ERISA-required supplemental schedules in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We believe the ERISA-required supplemental schedules, including the form and content, are fairly presented in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The methods of measurement or presentation have not changed from those used in the prior period.
15. Employer contributions receivable recorded in the financial statements represent valid claims against employers for employer contributions due for the period on or before the statement of net assets available for benefits date and have been appropriately reduced to their estimated net realizable value.
16. In regard to the financial statement preparation performed by you, we have—
 - a. Made all management decisions and performed all management functions;
 - b. Assigned a competent individual to oversee the services;
 - c. Evaluated the adequacy and results of the services performed;
 - d. Evaluated and accepted responsibility for the result of the service performed;
and
 - e. Established and maintained controls, including a process to monitor the system of internal control.
17. Material concentrations have been properly disclosed in accordance with U.S. GAAP.

Information Provided

18. We have provided you with:
- a. Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements, such as financial records and related data, Plan instruments, trust agreements, insurance contracts, as applicable, or investments contracts, as applicable, and amendments to such documents entered into during the year;
 - b. The most current Plan instrument for the audit period, including all amendments;
 - c. A draft of the Form 5500 that is substantially complete;
 - d. Additional information that you have requested from us for the purpose of the audits;
 - e. Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence; and
 - f. All minutes of the meetings of the Plan Committee or summaries of actions of recent meetings for which minutes have not yet been prepared.
19. All transactions have been recorded in the accounting records and are reflected in the financial statements.
20. Financial instruments with off-balance-sheet risk and financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.
21. The Plan or trust has satisfactory title to all owned assets that are recorded at fair value, and all liens, encumbrances, or security interests requiring disclosure in the financial statements have been properly disclosed.
22. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
23. We have evaluated the Plan's ability to meet its obligations as they become due, and have not identified any conditions or events, individually or in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern.

24. We have no knowledge of any fraud or suspected fraud that affects the Plan and involves:
 - a. Management;
 - b. Employees who have significant roles in internal control; or
 - c. Others when the fraud could have a material effect on the financial statements.
25. We have no knowledge of any allegations of fraud, or suspected fraud, affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.
26. We have disclosed to you all known instances of noncompliance or suspected noncompliance with laws and regulations whose effects should be considered when preparing financial statements.
27. There are no other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or loans in default, or events that may jeopardize the tax status) that legal counsel has advised us must be disclosed.
28. We have disclosed to you the identity of all of the Plan's related parties and parties in interest and the nature of all the related-party and party-in-interest relationships and transactions of which we are aware.
29. We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
30. The Plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
31. All required filings with the appropriate agencies have been made.
32. All required amendments to and filings of the Plan documents with the appropriate agencies have been made.
33. The Plan (and the trust established under the Plan) is qualified under the appropriate section of the Internal Revenue Code and intends to continue as a qualified plan (and trust). Hearing Lab Technology, LLC (the "Plan Sponsor") has operated the Plan and trust in a manner that did not jeopardize this tax status.

34. For the years ended December 31, 2024 and 2023, the Plan has complied with the DOL's regulations concerning the timely remittance of participants' contributions to trusts containing assets for the Plan, except those amounts reported in the Form 5500, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions. We understand that you have informed us that we must remit contributions as soon as administratively possible. We have analyzed the schedule of participants' contributions during 2024 to the Plan, and we consider remittals greater than eight business days following their respective pay date to be outside of our normal administrative processing time. Additionally, we represent that there were no delinquent contributions during 2024, and all delinquent contributions reported in the prior year were fully corrected during 2024.
35. The Plan has complied with the fidelity bonding requirements of ERISA.
36. The form and content of the Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) and Form 5500, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions are fairly presented in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
37. There are no:
 - a. Nonexempt party-in-interest transactions (as defined in ERISA Section 3[14] and regulations under that section) that were not disclosed in the supplemental schedules or financial statements.
 - b. Investments in default or considered to be uncollectible that were not disclosed in the supplemental schedules.
 - c. Reportable transactions (as defined in ERISA Section 103[b][3][H] and regulations under that section) that were not disclosed in the supplemental schedules.
38. We represent the payroll detail provided is complete and included all eligible employees and entities associated with the Plan.
39. We have read the SOC 1 reports provided by (a) Fidelity Workplace Services LLC, (b) Fidelity Technology Group, LLC, and (c) Paycor, Inc. and believe that the user controls suggested in these reports are properly implemented within our internal control procedures. We are aware of the exceptions noted in the SOC 1 reports and have considered the need for additional controls within our internal control procedures. No change within our internal control procedures is deemed necessary.
40. For the years ended December 31, 2024 and 2023, the Plan Sponsor made a discretionary matching contribution equal to 50% of each participant's elective deferrals not exceeding 6% of the participant's eligible compensation, up to \$1,000.

41. We represent that the interest rates for outstanding loans as of December 31, 2024 and 2023, were between 5.25% and 10.50%, which is in accordance with the loan policy and provisions of the Plan document.
42. We represent that unutilized forfeitures were approximately \$18,000 and \$111,000 at December 31, 2024 and 2023, respectively. Additionally, we represent that we will continue to work with Fidelity to apply these forfeitures toward payment of Plan administrative expenses and toward a reduction of employer contributions in accordance with the forfeiture provisions of the Plan document.
43. We represent that the fringe pay code which relates to gift cards provided to employees has been included as eligible compensation in the calculation of employee and employer contributions. It is our interpretation of the Plan document that this form of compensation qualifies as eligible under the Plan provisions.
44. We have read, reviewed, and agree with the financial statements to which this letter refers and approve of their issuance.
