INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
and Plan Participants
Scott D. Boras, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Scott D. Boras, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Scott D. Boras, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Scott D. Boras, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Scott D. Boras, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Scott D. Boras, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Scott D. Boras, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes at end of year as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description

The following description of Scott D. Boras, Inc. 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan’s provisions.

General:

The Plan is a defined contribution plan covering employees of Scott D. Boras, Inc. (the “Company”). The Company includes a group of related employers including Personal Management Consultants, Inc., Boras Sports Training Institute, Inc., and Boras Marketing, Inc. and all participate in the Plan. The Plan was established on January 1, 1990 and most recently restated for the Cycle 3 Restatement effective January 1, 2022. The Plan covers all non-union employees of the Company who have worked for the Company for at least three months and are at least age 21. Eligible employees are offered the opportunity to participate in the Plan on January 1, April 1, July 1, or October 1. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions:

Eligible employees of the Company may elect to contribute up to the maximum limit established annually by the Internal Revenue Service. Effective January 1, 2016 upon becoming eligible, employees will automatically be enrolled in the Plan where salary deferrals will be 3% of plan compensation unless the employee elects not to contribute. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company may contribute a discretionary profit sharing contribution at the discretion of the Trustees of the Company. In order to receive the discretionary profit sharing contribution under the Plan, the participant must have worked at least 1,000 hours during the plan year and be employed on the last day of the plan year, unless during the plan year the employee dies, becomes permanently disabled or terminates employment after attaining normal retirement age. The discretionary profit sharing contribution is allocated to eligible participants based on the ratio of compensation to total eligible compensation. Contributions are subject to certain limitations.

Vesting:

All amounts credited to a participant’s salary deferral, rollover and earnings thereon are fully vested and non-forfeitable at all times. Vesting in the employer’s contribution portion of their account plus actual earnings thereon is based on years of continuous service. The vesting schedule under the Plan is a 6-year graded vesting schedule, where a participant is 100% vested after 6 years of credited service or upon death or total and permanent disability.

SCOTT D. BORAS, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description (Cont.)

Participant Accounts:

The custodian of the plan maintains an account for each participant. Each participant account is credited with the participant's contributions and allocations of (a) the Company's contributions, if any, and (b) Plan earnings, and charged with an allocation of administrative expenses, if any. Allocations are based on participant compensation or account balances, as defined in the Plan. The participant directs the investment of their account into various investment options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants:

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance at a reasonable rate of interest. Loan terms range from 1-5 years or in excess of 5 years in limited circumstances. The loans are secured by the balance in the participant's account. Interest rates are based on the prime rate plus 2% at the time the loan is made and remains fixed for the duration of the loan. Principal and interest are paid ratably through bi-weekly payroll deductions.

Payment of Benefits:

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or various options as defined in the Plan. Similar options are available upon termination of employment. The Plan provides a lump sum distribution on a terminated participant's account with a non-forfeitable balance of less than \$5,000. The terminated participant may provide rollover instructions to an IRA or to another qualified plan. The Plan permits a hardship distribution to a participant prior to separation from service in accordance with the Plan's hardship provisions. The Plan permits in-service distributions to participants in accordance with the Plan's in-service distributions provisions.

Forfeited Account:

Forfeited non-vested accounts totaled \$62 at December 31, 2024 and 2023. Amounts in the forfeitures account can be used to pay administrative expenses or reduce future employer contributions. Forfeitures of \$0 were used to pay administrative expenses during the years ended December 31, 2024 and 2023.

NOTES TO FINANCIAL STATEMENTS

Note 2. Summary of Significant Accounting Policies

Basis of Accounting:

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition:

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date.

Net appreciation in fair value of investments presented on the statement of changes in net assets available for benefits includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note is recorded as a benefit payment based upon the terms of the plan document.

Benefits:

Benefits are recorded when paid.

Administrative Expenses:

Recordkeeping and management functions by John Hancock are charged to participants annually on a pro rata basis of 0.60%. Expenses related to specific participant transactions are charged to the respective participant's account. Other administrative expenses charged by the third party administrator and account fees are charged against the Plan's assets. These fees are allocated to the participants' accounts in the same manner as the allocation of income and loss. The annual audit fee is paid by the Company. During the year ended December 31, 2024, the Plan paid \$97,703 in administrative expenses.

NOTES TO FINANCIAL STATEMENTS

Note 2. Summary of Significant Accounting Policies (Cont.)

Use of Estimates:

The preparation of financial statements is in conformity with accounting principles generally accepted in the United States of America. Those standards require management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

Date of Management's Review of Subsequent Events:

The Plan has evaluated subsequent events through September 30, 2025, the date on which the financial statements were available to be issued. There were no material modifications to the Plan or plan provisions.

Note 3. Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 measurements consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1), and Level 3 measurements are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. There are no plan assets requiring the use of Level 1 or 3 inputs for the periods presented.

Level 2 Fair Value Measurements

The fair values of the pooled separate accounts and the stable value collective investment trust are based on the number of units in the subaccount held on a particular date by the Plan and multiplied by the unit value on that date.

NOTES TO FINANCIAL STATEMENTS

Note 3. Fair Value Measurements (Cont.)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	Total	Fair Value Measurement Using Significant Other Observable Inputs (Level 2)
<u>December 31, 2024</u>		
Pooled separate accounts	\$ 16,579,990	\$ 16,579,990
Stable value collective investment trust	34,277	34,277
Total investments at fair value	\$ 16,614,267	\$ 16,614,267
 <u>December 31, 2023</u>		
Pooled separate accounts	\$ 14,395,407	\$ 14,395,407
Stable value collective investment trust	30,329	30,329
Total investments at fair value	\$ 14,425,736	\$ 14,425,736

Note 4. Summary of Information Certified by Custodian (Unaudited)

The Plan's investments are held and administered by John Hancock Life Insurance Company, as custodian. The custodian of the Plan has provided certifications that the following information, which is contained in or used to develop the accompanying financial statements, is complete and accurate:

Cash, non-interest-bearing as of December 31, 2024 and 2023.

Investments, at fair value as of December 31, 2024 and 2023.

Notes receivable from participants as of December 31, 2024 and 2023.

Net appreciation in fair value of investments for the year ended December 31, 2024.

Interest income on notes receivable from participants for the year ended December 31, 2024.

NOTES TO FINANCIAL STATEMENTS

Note 5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan at any time subject to the provisions set forth in ERISA and the Internal Revenue Code. Upon termination of the Plan, the total net assets of the Plan are to be distributed to the participants in proportion to their account balances.

Note 6. Related Party and Party-in-Interest Transactions

During the December 31, 2024 and 2023 plan years, the custodian of the Plan provided participant-level services as defined by the Plan and, therefore, these transactions qualify as party-in-interest. These transactions are covered by an exemption from the “prohibited transaction” provisions of ERISA and the Internal Revenue Code.

Participants may borrow from their vested account balance. Such loan transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA and the Internal Revenue Code.

Note 7. Income Tax Status and Plan Amendments

The Plan obtained its latest advisory letter on June 30, 2020, in which the Internal Revenue Service has determined and informed the sponsor of the volume submitter plan that the Plan is designed in accordance with applicable requirements of the Internal Revenue Code. The plan administrator and the Plan’s tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Generally, the Plan’s tax returns remain open for three to four years for income tax examination.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statement of net assets available for benefits.
