Independent Auditor's Report

**To the Board of Directors
JWCH Institute, Inc. 401(k) Profit Sharing Plan**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of JWCH Institute, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2023 and 2022, the related statements of changes in net assets available for benefits for the years then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended June 30, 2023 and 2022, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with the auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the financial statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – *Supplemental Schedule Required by ERISA*

The supplemental schedule of assets (held at end of year) as of June 30, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 PLAN DESCRIPTION

The following description of the JWCH Institute, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants and other interested parties should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of JWCH Institute, Inc. (JWCH or Plan Sponsor) who are eligible to participate on the first date of the calendar month after meeting the age (21) and service (one year of service) requirements.

Effective June 1, 2007, the assets and liabilities of the JWCH Institute, Inc. Money Purchase Plan merged with and into the assets and liabilities of the Plan.

The Plan is subject to the provisions of the Employment Retirement Income Security Act of 1974 (ERISA). The Plan was amended effective July 1, 2010 to incorporate the 401(k) Safe Harbor Provisions.

Eligibility

An employee is eligible for participation in the Plan upon completion of one year of continuous service during which the participant completes 1,000 service hours and attainment of age 21. Enrollment can occur on the first day of any month or after the date following satisfaction of the eligibility requirements.

Participant Contributions

Each year, participants may contribute up to the limit set by the IRS on an annual basis. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

Employer Contributions

JWCH contributes a matching contribution of up to 3% and a non-matching contribution of 3% to the Plan each year. The matching contribution percentage is determined from year to year by JWCH's board of directors.

The Plan also includes a salary reduction feature that meets the requirements of section 401(k) of the Internal Revenue Code. Under the Plan, eligible employees may elect to have a portion of their future compensation reduced under a Salary Reduction Agreement and have the employer contribute on their behalf to the Plan. At the time participants become eligible to receive benefits, they will be entitled to their vested interest in the value of their account(s).

NOTE 1 PLAN DESCRIPTION (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of JWCH's contribution and the Plan's earnings, and charged with any withdrawals or distributions requested by the participant, investment losses and allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are fully vested in participants' voluntary contributions, at two years of vesting service in the company's 3% safe harbor contributions, and actual earnings thereon. For employees hired before July 1, 2015, the values attributable to safe harbor contributions are fully vested. Vesting in the company matching contributions for a portion of their accounts plus earnings thereon is based on years of continuous service. The vested percentage is based on the following:

Number of Years of Credited Services at Date of Termination	Vested Percentages
0	0%
1	33%
2	66%
3 or more	100%

Loans Receivable from Participants

Participants may borrow from their vested accounts at a minimum of \$1,000. The maximum loan amount is the lesser of (i) \$50,000 reduced by the highest balance of any outstanding loan(s) the participant has under all qualified retirement plans sponsored by JWCH for the 12-month period prior to the date of the loan application, or (ii) 50% of the vested interest in the participant's account. The loans are secured by the participant's vested account balance and bear a reasonable rate of interest, as determined by the Plan Administrator. Such rate of interest must provide the Plan with a return commensurate with the prevailing interest rate charged by persons in the business of making loans under similar circumstances. Loan repayments must be made through semi-monthly payroll deductions.

Payment of Benefits

On termination of service, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount. Annuities are preserved as the normal form of payment for account balances attributable to the JWCH Institute, Inc. Money Purchase Plan.

NOTE 1 PLAN DESCRIPTION (CONTINUED)

Forfeitures

Forfeitures of discretionary Company contributions will be used to first pay for the employer's subsequent contributions to the Plan. Any remaining forfeitures will be used to pay Plan expenses. The changes in the Plan's forfeiture account balance for the years ended June 30, 2023 and 2022 are as follows:

	<u>2023</u>	<u>2022</u>
Balance, July 1	\$ 8,097	\$ 3,734
Forfeitures during the year	25,617	26,788
Interest earned	2,161	55
Forfeitures used during the year to reduce employer contributions	<u>(32,480)</u>	<u>(22,480)</u>
Balance, June 30	\$ <u>3,395</u>	\$ <u>8,097</u>

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Investment Valuation and Income Recognition

The Plan's investments in pooled separate accounts are stated at fair value as reported to the Plan by Mutual of America. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurement.

Investment in annuity contract which is considered fully benefit-responsive contract is valued at contract value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Net Appreciation (Depreciation) in Fair Value of Investments

Realized and unrealized appreciation (depreciation) in the fair value of investments is calculated based on the difference between the fair value of the assets at the beginning of the year, or at the time of purchase for assets purchased during the year, and the related fair value on the day investments are sold with respect to realized appreciation (depreciation), or on the last day of the year for unrealized appreciation (depreciation).

Realized and unrealized appreciation (depreciation) is recorded in the accompanying Statements of Changes in Net Assets Available for Benefits as net appreciation (depreciation) in fair value of investments.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributions

Contributions from Plan participants and the matching contributions from the employers are recorded in the year in which participant compensation is earned.

Loans Receivable from Participants

Loans receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are recorded as distributions based upon the terms of the plan document.

Benefits Paid to Participants

Benefits are recorded when paid.

Administrative Expenses

All usual and reasonable expenses are paid by the employer, and any expenses not paid by the employer may be paid from the Plan assets if not prohibited by applicable laws or regulations.

Use of Estimates

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 3 FINANCIAL INFORMATION CERTIFIED BY CUSTODIAN

The Plan's asset information as of June 30, 2023 and 2022, and for the years then ended, included throughout the Plan's financial statements and ERISA-required supplemental schedule, were obtained by management and agreed to or derived from information certified by Mutual of America, the custodian of the Plan. The Plan Administrator has obtained certifications from the custodian that information provided to the Plan Administrator by the custodian related to the Plan's assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any audit procedures with respect to this information which appears throughout the financial statements and ERISA-required supplemental schedule related to the following:

- Investments at fair value, as reflected in the Statements of Net Assets Available for Benefits as of June 30, 2023 and 2022;
- Investments at contract value, as reflected in the Statements of Net Assets Available for Benefits as of June 30, 2023 and 2022;
- Investment activity, as reflected in the Statements of Changes in Net Assets Available for Benefits for the years ended June 30, 2023 and 2022;

NOTE 3 FINANCIAL INFORMATION CERTIFIED BY CUSTODIAN (CONTINUED)

- Investment information disclosed in Notes 4 and 5 to the Plan's financial statements; and
- Investments and notes receivable, as reflected in Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of June 30, 2023.

NOTE 4 FAIR VALUE MEASUREMENT

The Plan has adopted Financial Accounting Standards Board's (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*. This framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC Topic 820 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at June 30, 2023 and 2022.

NOTE 4 FAIR VALUE MEASUREMENT (CONTINUED)

Pooled Separate Accounts

Investments in pooled separate accounts are valued using the net asset value (NAV) provided by the custodian of the funds. The NAV is based on the value of the underlying assets owned by the funds, minus its liabilities, and then divided by the number of shares outstanding. The NAV is used as a practical expedient to estimate fair value. The pooled separate accounts are not classified within the fair value hierarchy; however, the amounts measured using NAV are disclosed to permit reconciliation of the fair value of investments in the Statements of Net Assets Available for Benefits.

The Plan's investments in pooled separate accounts amounting to \$27,889,046 and \$21,739,661 as of June 30, 2023 and 2022, respectively, are stated at fair value and are measured using the net asset value per share as practical expedient.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5 ANNUITY CONTRACT WITH INSURANCE COMPANY

The Plan has an annuity contract with Mutual of America. Amounts placed in the annuity contract are credited with interest at a rate determined by Mutual of America. Mutual of America reserved the right to change the interest rates applicable to the amounts held in the annuity contract at its discretion. The annuity contract qualifies as fully benefit-responsive investment contract and is reported at contract value. The contract value equals the accumulated cash contributions and interest credited to the Plan's contract, less any withdrawals.

The annuity contract is supported by Mutual of America's general account assets which are primarily invested in cash and investment grade fixed-income securities. The Plan's investments in annuity contract amounted to \$2,330,412 and \$2,036,627 as of June 30, 2023 and 2022, respectively.

NOTE 6 INCOME TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated May 30, 2018 that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. No provision for income taxes has been included in the Plan's financial statements.

NOTE 6 INCOME TAX STATUS (CONTINUED)

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of June 30, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of liability (asset) or disclosure in these financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of pooled separate accounts and an unallocated insurance contract managed by Mutual of America. Mutual of America is the custodian of the Plan, and therefore, these transactions qualify as party-in-interest transactions that are exempt under ERISA.

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan. Mutual of America provides certain necessary recordkeeping duties and functions on its behalf. During the years ended June 30, 2023 and 2022, Mutual of America received \$4,559 and \$59,841 in fees which were paid by participants through the Plan, respectively. JWCH provides to the Plan certain accounting and administrative services for which no fees are charged.

The Plan issues loans to participants, which are secured by the vested balances in the participants' accounts. These transactions qualify as party-in-interest transactions for which a statutory exemption exists.

NOTE 8 PLAN TERMINATION

Although it has not expressed any intent to do so, JWCH has the rights under the plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, participants would become 100 percent vested in the JWCH's contribution portion of their account and the net assets of the Plan will be allocated among the participants and their beneficiaries after payment of any expenses properly chargeable to the Plan, in accordance with the provisions of ERISA.

NOTE 9 RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities, in general, are normally exposed to various risks such as interest rate, credit risks and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 10 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at June 30, 2023 and 2022 to Form 5500:

	<u>2023</u>	<u>2022</u>
Net assets available for benefits as reported on Form 5500	\$ 31,055,689	\$ 24,787,660

Less: Loan deemed distribution	<u>(3,248)</u>	<u>-</u>
Net (decrease) increase in net assets available for benefits as reported on Form 5500	<u>\$ 6,268,029</u>	<u>\$ (364,124)</u>

NOTE 11 NEW LAWS AND REGULATIONS

On December 29, 2022, the Setting Every Community Up for Retirement Enhancement 2.0 Act of 2022 (SECURE Act 2.0) became law. The new law makes changes to include provisions intended to expand coverage, increase retirement savings, and simplify and clarify retirement plan rules. SECURE Act 2.0 changed the retirement plan rules for long-term, part-time employees. The 401(k) plan requirement to allow employees to contribute elective deferral was expanded to 403(b) plans. For plan years beginning in 2024, if an employee has three consecutive 12-month periods with more than 500 hours of service in each, the employee must be eligible to enter the plan, and the period of service was reduced from three to two consecutive 12-month periods, for plans years beginning after December 31, 2024. The Plan will implement this legislative change and plans to formally execute the required plan amendments reflecting their implementation by the deadline, which is December 31, 2026.

NOTE 12 SUBSEQUENT EVENTS

The Plan Administrator has evaluated events subsequent to June 30, 2023 to assess the need for potential recognition and/or disclosure in the financial statements. Such events were evaluated through March 10, 2025, the date the financial statements were available to be issued. Based upon this evaluation, it was determined that no subsequent events occurred that require recognition or additional disclosure in the financial statements.
