INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Sprinklermatic Fire Protection Systems, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Sprinklermatic Fire Protection Systems, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Sprinklermatic Fire Protection Systems, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sprinklermatic Fire Protection Systems, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sprinklermatic Fire Protection Systems, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sprinklermatic Fire Protection Systems, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sprinklermatic Fire Protection Systems, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets Held at End of Year December 31, 2024 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by the qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SPRINKLERMATIC FIRE PROTECTION SYSTEMS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN

The following brief description of the Sprinklermatic Fire Protection Systems, Inc. 401(k) Plan (the “Plan”) provides only general information. The Plan is sponsored by Sprinklermatic Fire Protection Systems, Inc. (the Company). Participants should refer to the Plan document for a more complete description of the Plan’s provisions. The Company’s corporate offices are located in Davie, Florida.

General - The Plan was effective in 2017, and is a defined contribution plan available to all employees of the Participating employers, other than union, leased employees, and residents of Puerto Rico, who had attained age 18. Eligible employees are able to enter the Plan on the first day of the month coinciding with or next following meeting eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan administrator is responsible for oversight of the Plan, determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

The purpose of the Plan is to encourage employees of the Company and participating employers to save and invest, systematically, a portion of their current compensation so that they and their families may have a source of additional income upon their retirement, or in the event of death.

Plan amendments - The plan was amended effective February 1, 2024 lowering the age of participation to 18.

Contributions – Participants may contribute a percentage of their pretax compensation, as defined in the Plan document, as an elective deferral contribution, subject to limitations. Additionally, participants may contribute a percentage of their after-tax compensation and designate it as a Roth elective deferral contribution. Eligible participants may make a rollover contribution to the Plan.

Participants who are eligible to make salary deferral contributions under the Plan and who have attained age 50 before the close of the year may make catch-up contributions in accordance with, and subject to, the limitations imposed by the IRC.

The Company will make a safe harbor matching contribution equal to 100 percent of participant’s salary deferrals up to the first 3 percent of the participant’s eligible compensation, plus 50 percent of the participant’s salary deferral contributions up to the next 2% of compensation. In 2024, the Company’s safe harbor matching contributions amounted to \$590,713, net of \$12,812 forfeitures applied. In addition, the Company may also make discretionary profit sharing contributions to participant accounts; however, none were made during 2024.

Participant Accounts – Each participant’s account is credited with the participant’s contributions and the Company’s matching contribution, as well as allocations of the Company’s profit sharing contribution, if any, and the Plan earnings. All contributions are allocated at the direction of the participant among selected investment funds. Each fund’s investment income or loss, less any investment management fee, is allocated to participants’ accounts based on their proportionate interest in the fund. The value of participant accounts will fluctuate with the market value of the securities in which the accounts are invested. Transaction fees charged for participant distributions are allocated directly to that participant’s account. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Investment Alternatives – Plan participants may direct their entire account balances in partial percentage increments to any of the various investment options offered by the Plan. Employer contributions are also invested based upon participant allocation elections. Participants may change their investment options on a daily basis.

Vesting – Participants are vested immediately in their contributions and the Company’s safe harbor matching contribution plus actual earnings thereon. Vesting in the Company’s profit sharing contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service. In the event of disability, early retirement or death, or Plan termination, the participant will become fully vested.

SPRINKLERMATIC FIRE PROTECTION SYSTEMS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

Notes Receivable from Participants - Loans to participants are not permitted.

Payment of Benefits – On termination of service due to death, disability, retirement, or for other reasons, a participant may elect to receive or rollover a lump sum amount equal to the value of the participant's vested interest in his or her account or substantially equal installments. Partial withdrawals are permitted when participants reach the age of 59½, or in the event of financial hardship.

Forfeitures – Forfeited balances of terminated participants' non-vested accounts are used to offset employer matching contributions and non-elective contributions for the year as well as to pay Plan administrative expenses. During 2024 forfeitures of \$12,812 were applied. Unallocated forfeitures outstanding as of December 31, 2024 and 2023, were \$24 and \$22, respectively.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Contributions

Contributions from the Company and participants are accrued as they become obligations of the Company, as determined by the Plan's administrator, and in the period in which they are deducted, in accordance with salary deferral agreements.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and change therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value or contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measurement for the investment in the guaranteed interest account because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisers and trustees. See Note 4 for discussion of fair value measurements.

Investment gains and losses are accounted for using the average cost basis of the securities sold. Net appreciation of fair value of investments includes the Plan's gains and losses on investments sold, as well as held during the year. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation/(depreciation) of the fair value of investments.

SPRINKLERMATIC FIRE PROTECTION SYSTEMS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 3 – CERTIFICATION OF PLAN ASSETS BY CUSTODIANS

The following information was certified as complete and accurate by Reliance Trust Company (the trustee of the Plan) and is included in the accompanying financial statements and schedule of assets (held at the end of the year):

	<u>2024</u>	<u>2023</u>
Statements of net assets available for benefits		
Investments at fair value	\$ 4,505,893	\$ 2,943,140
Investments at contract value	\$ 64,130	\$ 207,328
Statement of changes in net assets available for benefits		
Net appreciation in fair value of investments	\$ 287,818	
Dividends	\$ 185,617	

NOTE 4 – INVESTMENTS AT CONTRACT VALUE

Investments at contract value consist of the Lincoln Stable Value Separate Account, an investment option, which is a guaranteed interest account that offers a guaranteed minimum interest rate and a return on principal. Participant account balances are credited daily with interest and participants have daily liquidity at full book value (principal and interest) for all participant initiated events. Interest rates averaged 4.00 and 3.61% for 2024 and 2023, respectively. At December 31, 2024 and 2023 the balance in the Stable Value Separate Account was \$64,130 and \$207,328, respectively.

NOTE 5 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC No. 820 are described as follows:

Level 1 — Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 — Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 — Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

SPRINKLERMATIC FIRE PROTECTION SYSTEMS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual Funds - Valued at quoted market prices in an exchange and active market and are classified as Level 1 investments

The Plan's investments measured at fair value on a recurring basis as of December 31, 2024 and 2023 are as follows:

Assets at Fair Value as of December 31, 2024

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 4,505,893	\$ -	\$ -	\$ 4,505,893
Total investments at fair value	\$ 4,505,893	\$ -	\$ -	\$ 4,505,893

Assets at Fair Value as of December 31, 2023

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 2,943,140	\$ -	\$ -	\$ 2,943,140
Total investments at fair value	\$ 2,943,140	\$ -	\$ -	\$ 2,943,140

NOTE 6 – EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Party in interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50 percent or more of such an employer or employee organization, or relatives of such persons.

Certain administrative functions of the Plan are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

Certain Plan investments are mutual funds and collective investment trust funds issued and managed by Reliance Trust Company and ADP Retirement Services. Reliance Trust Company has been designated as the Custodian and ADP Retirement Services provides administration and recordkeeping services to the Plan. These specific investments issued or managed by Reliance Trust Company and ADP Retirement Services qualify as party-in-interest transactions. Consequently, such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA. There have been no known prohibited transactions with parties-in-interest.

NOTE 7 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 8 – TAX STATUS

The Plan adopted a volume submitter plan offered by ADP effective January 1, 2023. The volume submitter plan received an advisory letter dated October 6, 2020, that the Plan, and related trust are designed in accordance with the applicable sections of the IRC. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax exempt.

SPRINKLERMATIC FIRE PROTECTION SYSTEMS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 8 – TAX STATUS (CONTINUED)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. The financial statement effects are recognized when the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024 and 2023, there are no uncertain tax positions taken or expected to be taken.

The Plan is subject to audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

	2024	2023
Net assets available for benefits per the financial statements	\$ 4,570,023	\$ 3,170,548
Employer contribution receivable	-	(7,492)
Participant contribution receivable	-	(12,588)
Net assets available for benefits per Form 5500	\$ 4,570,023	\$ 3,150,468

The following is a reconciliation of contributions per the financial statements to Form 5500:

	2024
Change in net assets available for benefits per the financial statements	\$ 1,399,475
Prior year contributions receivable	20,080
Change in net assets available for benefits per Form 5500	\$ 1,419,555

NOTE 10 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 11 – SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through August 25, 2025, which is the date the financial statements were available to be issued and determined that there were no subsequent events or transactions that required recognition or disclosure in the financial statements, except as disclosed below.

The Plan was amended effective January 1, 2025 to change the custodian of the Plan from Reliance Trust Company to ADP Retirement Trust Services, LLC.
