Independent Auditors' Report

To the Plan Sponsor and Administrative Committee of the
Inclusion Specialized Programs 401(k) Plan
Whittier, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Inclusion Specialized Programs 401(k) Plan (the “Plan”), an employee contribution plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023 and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Inclusion Specialized Programs 401(k) Plan’s financial statements performed in accordance with ERISA section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Inclusion Specialized Programs 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with

generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Inclusion Specialized Programs 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Inclusion Specialized Programs 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Form 5500, Schedule H, Line 4i - Schedule of Assets Held at End of Year as of December 31, 2024 is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements
For the Year Ended December 31, 2024 and 2023

1. DESCRIPTION OF PLAN

The following description of the Inclusion Specialized Programs 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined-contribution plan covering all employees of Inclusion Specialized Programs, LLC (the Company) that have at least three months of service and are twenty-one years of age or older. The Plan was adopted by the Company on January 1, 2015. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and amendments to this act as they occur.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. Participants are always 100% vested in their rollover contributions, qualified non-elective contributions, deferral contributions, and any earnings thereon. Participants' employer matching contributions and employer profit sharing contributions and any earnings thereon will be vested in accordance with the following schedule:

Years of Service	Vesting Percentage
Less than 1	0%
At least 1 but less than 2	20%
At least 2 but less than 3	40%
At least 3 but less than 4	60%
At least 4 but less than 5	80%
6 or more	100%

Plan Administration

The Plan's assets are held by Reliance Trust Company (the "Trustee") as of December 31, 2024 and 2023 and for the year ended December 31, 2023. The Company is the Plan sponsor and Plan administrator. The Plan administrator is responsible for carrying out the duties imposed under ERISA. Certain administrative and Trustee functions are performed by officers or employees of the Company. However, no such officer or employee received compensation from the Plan. While certain administrative expenses are paid by the Plan, other administrative expenses are paid directly by the Company which are immaterial in amount. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments.

1. DESCRIPTION OF PLAN (continued)

Contributions

Each year, participants may contribute up to a percentage of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Company contributes an amount of matching contributions equal to 100 percent of each participant's contribution. This matching contribution may not exceed 5 percent of each participant's eligible earnings. A matching contribution in the amount of \$109,442 was made by the Company for the year ended December 31, 2024.

Participant Accounts

Each participant's account is credited with the participant's contribution or withdrawal and allocations of (a) the Company's profit sharing contributions and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Notes Receivable - Participants

Participants may borrow from their fund accounts up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the vested balance in the participant's account. The interest rate applied to all loans will be based on the prime interest rate in effect when the loan is approved. Principal and interest is paid through bi-weekly payroll deductions. The notes to the financial statements were modified to accommodate this change.

Payment of Benefits

On termination of service due to death, retirement or for any other reasons, the participant may elect to receive a lump-sum distribution equal to the vested portion of their account or they can receive an annuity over the life of the participant or beneficiary.

Distribution of benefits as a lump-sum distribution is mandatory if a participant's vested balance is less than \$5,000.

For the Year Ended December 31, 2024 and 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Forfeited Accounts

At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$31,247 and \$31,293, respectively. When applicable, these accounts can be used to reduce future employer contributions.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of Account

The financial statements of the Plan are prepared on the accrual basis of accounting.

Notes Receivable - Participants

Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest. Related fees are included in administrative expenses when incurred. As of December 31, 2024 and 2023, no allowance for credit losses had been recorded.

Payment of Benefits

Benefits are recorded when paid.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit responsive investment contracts). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

INCLUSION SPECIALIZED PROGRAMS 401 (k) PLAN
Notes to Financial Statements
For the Year Ended December 31, 2024 and 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Stable asset funds are reported at contract value due to the fact that stable asset funds are fully-benefit responsive contracts. The financial statements have been adjusted to represent the contract value of the stable asset fund at December 31, 2024 and 2023.

Purchases and sales of securities are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains or losses on investments bought and sold as well as held during the year.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: <ul style="list-style-type: none"> • quoted prices for similar assets or liabilities in active markets; • quoted prices for identical or similar assets or liabilities in inactive markets; • inputs other than quoted prices that are observable for the asset or liability; • inputs that are derived principally from or corroborated by observable market data by correlation or other means. • If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The Plan's investments are reported at fair value (except for the fully benefit responsive investments recorded at contract value in the accompanying Statements of Net Assets Available for Benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value and consistent with other market participants. The use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

3. FAIR VALUE MEASUREMENTS (continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There were no changes in the methodologies used as of December 31, 2024.

Registered investment companies funds (mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trusts: Fair value of this investment contract, prior to contract termination, equals the contract value. Contract value is determined using a discounted cash flow valuation methodology where the interest rate for this portfolio investment contract is reset at least as frequently as annually. This contract is not fully benefit responsive and therefore is reported at fair value on the financial statements.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets as fair value as of December 31, 2024 and 2023.

Assets at Fair Value as of December 31, 2024				
	Level 1	Level 2	Level 3	Total
Common/Collective Trusts at Net Asset Value:	\$ -	\$ 410,543	\$ -	\$ 410,543
Registered investment company Funds:	1,169,827	-	-	\$ 1,169,827
Total	1,169,827	\$ 410,543	\$ -	\$ 1,580,370

3. FAIR VALUE MEASUREMENTS (continued)

Net Assets Value Per Share

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2024 and 2023, respectively:

December 31, 2024				
	Fair Value	Unfunded Commitments	Redemption frequency	Redemption Notice Period
Common / Collective Trusts	\$ 410,542	N/A	N/A	One Year
December 31, 2023				
December 31, 2022	Fair Value	Unfunded Commitments	Redemption frequency	Redemption Notice Period
Common / Collective Trusts	\$ 143,668	N/A	N/A	One Year

4. INVESTMENT OPTIONS

The Plan administrator offers a variety investment funds for participants to choose from. Accounts are initially invested in one or more of the investments selected by the participant. A participant may change their elections monthly as to how contributions are invested or elect to transfer account balances among investment funds.

5. PLAN AND TRUST TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions and their account balances would be distributed in a lump-sum as soon as administratively practical.

6. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are held in investments managed by the Plan Trustee, and therefore, these transactions qualify as exempt party-in interest transactions.

7. INFORMATION CERTIFIED BY TRUSTEE

At December 31, 2024 and 2023, The Plan's investments were held by the Custodian. The following is a summary of The Plan's financial information that is included in the financial statements based on information certified by the Custodian as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

The fair value of investments , as reported by the Custodian is summarized as follows at December 31:

	<u>2024</u>	<u>2023</u>
Registered investment companies	\$ 1,169,827	\$ 914,635
Common/collective trusts	410,543	348,701
	<u>\$ 1,580,370</u>	<u>\$ 1,263,336</u>

The contract value of investments valued at contract value, as reported by the Custodian is summarized as follows at December 31:

	<u>2024</u>	<u>2023</u>
Stable asset fund	\$ 9,257	\$ 9,049

During the year ended December 31, 2024, the Plan investments (including gains and losses on investments bought and sold, as well as held during the year) increased in value by \$157,363

During the year ended December 31, 2024, the Plan earned interest and dividends in the amount of \$25,297

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk due to the level of risk associated with certain investment securities. It is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

INCLUSION SPECIALIZED PROGRAMS 401 (k) PLAN
Notes to Financial Statements
For the Year Ended December 31, 2024 and 2023

9. TAX STATUS

The Plan has adopted a Prototype Non-Standardized Profit Sharing Plan (“Prototype Plan”) preapproved by the Internal Revenue Service (“IRS”). The IRS reviewed the Prototype Plan document and opined in a letter dated July 8, 2014 that the Prototype Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan and related trust are designed in accordance with applicable sections of the IRC, the Plan has been amended and restated since receiving the opinion letter. The Plan administrator and Plan’s advisors believe that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the plan and recognize tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods.

10. CONCENTRATION OF CREDIT RISK

Financial instruments, which potentially subject the Plan to concentrations of credit risk, consist principally of participant notes receivable. Credit risk is limited due to limitations on the maximum number of loans a participant may have outstanding at any one time, as well as the provision that each participant's total outstanding loan balance cannot exceed 50% of his or her vested account balance. The remaining vested account balance serves as collateral.

12. SUBSEQUENT EVENTS

Management has evaluated all events and transactions that occurred through October 3, 2025, the date these financial statements were available to be issued.
