### Report on the Audit of the Financial Statements

#### ***Scope and Nature of the 2024 ERISA Section 103(a)(3)(C) Audit***

We have performed an audit of the accompanying financial statements of Healthcare Staffing Professionals Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Healthcare Staffing Professionals Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

#### ***Opinion on the 2024 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion on the 2024 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Healthcare Staffing Professionals Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the 2024 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Healthcare Staffing Professionals Retirement Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audit of the 2024 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Plan Administrator  
Healthcare Staffing Professionals Retirement Savings Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Healthcare Staffing Professionals Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Healthcare Staffing Professionals Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

***Other Matter — 2024 Supplemental Schedule Required by ERISA***

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Report on Comparative Information – 2023 Financial Statements***

Management is responsible for the accompanying statement of net assets available for benefits of Healthcare Staffing Professionals Retirement Savings Plan as of December 31, 2023, and the related notes to the financial statement in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the financial statement.

**HEALTHCARE STAFFING PROFESSIONALS RETIREMENT SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**AS OF DECEMBER 31, 2024 (AUDITED) AND 2023 (UNAUDITED)**

**NOTE 1 DESCRIPTION OF THE PLAN**

The following description of Healthcare Staffing Professionals Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution plan covering substantially all employees of Healthcare Staffing Professionals, Inc. (the Company) upon turning 21 years of age. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions**

Eligible participants are permitted to elect to have a percentage, limited by Plan provisions, of their compensation contributed as pretax 401(k) or Roth contributions to the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

Effective January 1, 2024, the Plan provides that the Company will make safe harbor matching contributions in an amount equal to 100% of the first 3% and 50% of deferrals between 3-5% of an employee's eligible compensation that is contributed to the Plan as deferral contributions, but in no case, in an amount which is in excess of the amount allowable as a tax deduction under the Internal Revenue Code (IRC). Compensation for purposes of this allocation is base pay, including bonuses and overtime.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

**Participant Accounts**

Each participant's account is credited with the participant's contributions, the Company's contributions, and an allocation of Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

**Vesting**

Participants are immediately vested in their contributions, safe harbor matching contributions, and Company contributions plus actual earnings thereon. Notwithstanding the above, a participant is fully vested upon reaching normal retirement age, death, or permanent disability.

**HEALTHCARE STAFFING PROFESSIONALS RETIREMENT SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**AS OF DECEMBER 31, 2024 (AUDITED) AND 2023 (UNAUDITED)**

**NOTE 1 DESCRIPTION OF PLAN (CONTINUED)**

**Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account. The loan interest rate, determined quarterly, is set at 2% above the prime rate, as defined. Principal and interest is paid ratably through payroll deductions.

**Payment of Benefits**

Upon termination of service due to death, disability, or retirement, a participant may elect to receive the value of the vested interest in their account in the form of a lump sum distribution or installments. If a participant terminates employment and the participant's account balance does not exceed \$,000, the Plan administrator will authorize the benefit payment to be paid in a lump sum to the participant without the participant's consent. If the balance of the terminated participant's account is between \$1,000 and \$5,000, the Plan Sponsor may authorize that the benefit payment be rolled into an individual retirement account in the participant's name. The Plan allows for in-service distributions if a participant reaches age 59½ and hardship distributions subject to Plan provisions.

**Forfeited Accounts**

Forfeited nonvested accounts can be used to pay administrative expenses and to reduce future Company contributions. Forfeited nonvested accounts as of December 31, 2024 and 2023, totaled \$1,936 and \$-0-, respectively. There were \$4,958 of forfeitures used to reduce Company contributions for the year ended December 31, 2024. There were no forfeitures used to pay administrative expenses for the year ended December 31, 2024.

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

**Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**HEALTHCARE STAFFING PROFESSIONALS RETIREMENT SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**AS OF DECEMBER 31, 2024 (AUDITED) AND 2023 (UNAUDITED)**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Investment Valuation and Income Recognition**

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. Delinquent notes receivable are recorded as distributions on the basis of the terms of the Plan document.

**Excess Contributions Payable**

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding deduction to contributions. The Plan distributed the excess contributions to the applicable participants prior to March 15, 2024.

**Contributions**

Contributions from participants and Employer matching contributions are recorded in the year in which the employee contributions are withheld from compensation.

**Payment of Benefits**

Benefits are recorded when paid.

**Expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefits paid to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value investments.

**Subsequent Events**

The Plan has evaluated subsequent events through October 6, 2025, the date the financial statements were available to be issued.

**HEALTHCARE STAFFING PROFESSIONALS RETIREMENT SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**AS OF DECEMBER 31, 2024 (AUDITED) AND 2023 (UNAUDITED)**

**NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION**

Reliance Trust Company, the qualified institution of the Plan, has supplied the Plan administrator with a certification as to the completeness and accuracy of investments and notes receivable from participants as of December 31, 2024 and 2023, and investment income and interest income on notes receivable from participants for the year ended December 31, 2024, in the accompanying financial statements and ERISA-required supplemental schedule.

**NOTE 4 FAIR VALUE OF INVESTMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

*Level 1* – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; or
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

**HEALTHCARE STAFFING PROFESSIONALS RETIREMENT SAVINGS PLAN  
NOTES TO FINANCIAL STATEMENTS  
AS OF DECEMBER 31, 2024 (AUDITED) AND 2023 (UNAUDITED)**

**NOTE 4 FAIR VALUE OF INVESTMENTS (CONTINUED)**

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used as of December 31, 2024 and 2023.

*Mutual Funds* – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

		2024 (Audited)			
		Level 1	Level 2	Level 3	Total
Mutual Funds		\$ 4,162,592	\$ -	\$ -	\$ 4,162,592
	Total Investments at Fair Value	\$ 4,162,592	\$ -	\$ -	\$ 4,162,592
		2023 (Unaudited)			
		Level 1	Level 2	Level 3	Total
Mutual Funds		\$ 2,577,611	\$ -	\$ -	\$ 2,577,611
	Total Investments at Fair Value	\$ 2,577,611	\$ -	\$ -	\$ 2,577,611

**NOTE 5 RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE 6 PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants would become 100% vested in their Company contributions.

**HEALTHCARE STAFFING PROFESSIONALS RETIREMENT SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**AS OF DECEMBER 31, 2024 (AUDITED) AND 2023 (UNAUDITED)**

**NOTE 7 PLAN TAX STATUS**

The Company has adopted a pre-approved plan document that has received an opinion letter from the Internal Revenue Service (IRS) stating that the form of the pre-approved plan document was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since adopting the pre-approved plan document, the plan administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore, believes that the plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 8 PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are managed by the qualified institution of the Plan; therefore, the investment transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.
