Plan Management and Participants
Ephonamation.com, Inc. 401(k) Profit Sharing Plan and Trust
Ocala, Florida

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit

We have performed audits of the accompanying financial statements of Ephonamation.com, Inc. 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements (financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

INDEPENDENT AUDITOR'S REPORT

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

INDEPENDENT AUDITOR'S REPORT

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

Note 1 - Description of Plan

The following description of the Ephonamation.com, Inc. 401(k) Profit Sharing Plan and Trust (the Plan) provides general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan, originally effective January 1, 2010, and most recently amended and restated January 1, 2024, is a defined contribution plan covering all non-excluded employees of Ephonamation.com, Inc., Ansafone Contact Centers, LLC, and Endicott Comm, Inc. (collectively, the Company) who have attained the age of 21 and have completed one year of service, as defined. Excluded employees include union employees represented by a bargaining unit, and certain non-resident aliens with no U.S. income. Participants are allowed to enter the Plan on the first day of each Plan quarter on or after attainment of eligibility requirements. The Plan is subject to the requirements of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Employees participating in the Plan may elect to contribute pre-tax deferrals up to 100% of Plan compensation, as defined, up to the maximum of \$23,000 allowed under the Internal Revenue Service (IRS) limitation for the calendar year 2024. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to \$7,500 to the Plan in 2024. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company will make a safe-harbor matching contribution to all participants based on the following tiers of salary deferrals: 100% of salary deferrals up to the first 3% of eligible compensation, as defined; plus 50% of salary deferrals up to the next 2% of compensation. Participant catch-up contributions are eligible for matching contributions. Effective January 1, 2024, the Plan was restated to calculate safe-harbor matching contributions on an annual basis. This method ensures that the participant receives the maximum Company matching contribution for the Plan year, regardless of the timing of their elective deferrals. The Company may also elect to make a discretionary matching contribution. The Company did not elect to make an additional discretionary matching contribution for the year ended December 31, 2024.

The Company may also elect to make a discretionary profit-sharing contribution to the Plan. A participant must be employed on the last day of the Plan year and have completed 1,000 hours of service during the Plan year to be eligible to receive an allocation of the Company's profit-sharing contribution. If the participant dies or attains normal retirement age during the Plan year, the participant will still be eligible to receive an allocation of the profit-sharing contribution regardless of the amount of service completed. The Company did not elect to make a discretionary profit-sharing contribution for the year ended December 31, 2024.

Participant Accounts

Participant accounts are completely self-directed. Each participant's account is credited with the participant's contributions and the Company's safe-harbor matching and discretionary matching contributions and allocations of the Company's profit-sharing contributions and the Plan's earnings, and charged with benefit payments and an allocation of the Plan's losses and administrative expenses. Profit-sharing contributions are allocated using the grouping method at rates determined by the Company. Other allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

EPHONAMATION.COM, INC. 401(k) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS

Vesting

Participants are vested immediately in their contributions and Company safe-harbor matching contributions plus actual earnings thereon. Vesting rights in the Company's discretionary matching and profit-sharing contributions accrue at a rate of 20% per year beginning with the participant's second full year of service with full vesting accruing after six years of service. Company contributions vest immediately upon death, disability, or attainment of normal retirement age.

Notes Receivable from Participants

Prior to December 9, 2019, participants were allowed to borrow from their fund accounts a minimum of \$1,000 up to or equal to the lesser of \$50,000 reduced by the excess, if any, of the highest outstanding balance of loans from the Plan during the one-year period prior to the date of the loan over the current outstanding balance of loans or 50% of the vested account balance. Loan terms range from 1 to 5 years unless for the purchase of a primary residence in which case the term may be up to 15 years. The loans are secured by the balance in the participant's account and bear interest at a reasonable rate based upon the interest rates charged for similar types of loans by other lenders and are currently set at prime plus 1%. Principal and interest is paid ratably through monthly payroll deductions. Effective December 9, 2019, the Plan was amended to remove participant loans as a permissible withdrawal from the Plan.

Payment of Benefits

Upon termination of employment, retirement, death, or disability, the participant's vested account balance will be distributed to the participant in a single lump-sum payment. In-service distributions from a participant's vested account balance may be made provided that the participant has reached the age of 59 ½ or has incurred a hardship.

Forfeited Accounts

The non-vested portion of a participant's account is forfeited upon termination of employment with the Company. Forfeitures may be used to pay Plan expenses or reduce Company contributions. At December 31, 2024 unallocated forfeitures totaled \$70. There were no unallocated forfeitures at December 31, 2023. During the year ended December 31, 2024, forfeitures of \$1,177 and \$750 were used to reduce Company contributions and pay Plan expenses, respectively.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see Note 4 for discussion of fair value measurements).

EPHONAMATION.COM, INC. 401(k) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued unpaid interest with no allowance for credit losses, as repayments of principal and interest are received primarily through payroll deductions and the notes are collateralized by the participants' account balances. Delinquent notes receivable from participants are recorded as distributions based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Administrative fees paid by the Plan and included in the accompanying statement of changes in net assets available for benefits are primarily recordkeeping, contract administration and participant transaction fees. Transaction fees related to the administration of benefit payments and notes receivable from participants are charged directly to the participants who incur those fees. Certain investment-related expenses are included in net appreciation in the fair value of investments in the accompanying statement of changes in net assets available for benefits. Any costs associated with the investment of a participant's account are charged to that participant.

Subsequent Events

The Plan has evaluated events and transactions occurring subsequent to December 31, 2024, through October 8, 2025, the date the financial statements were issued. No material events have occurred since December 31, 2024, that require recognition or disclosure in the financial statements.

Note 3 - Information Certified by John Hancock Life Insurance Company (U.S.A.)

The following is a summary of the Plan's financial information and data included in the Plan's financial statements and supplemental schedule which was certified by John Hancock Life Insurance Company (U.S.A) (John Hancock) as of December 31, 2024 and 2023, and for the year ended December 31, 2024, as complete and accurate, as permitted by 29 CFR 2520.103 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820 are described as follows:

- **Level 1**—Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- **Level 2**—Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets.
 - Quoted prices for identical or similar assets or liabilities in inactive markets.
 - Inputs other than quoted prices that are observable for the asset or liability.
 - Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- **Level 3**—Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value relevant to the Plan. There have been no changes in the methodology used as of December 31, 2024 and 2023.

Pooled Separate Accounts: The Plan holds units of participation in the separate accounts, which are valued daily at their net asset values as a practical expedient. Net asset value is based on the market value of the underlying investments. The practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. There are currently no unfunded commitments on these investments. Redemptions are restricted to two per month.

The underlying investments include actively traded mutual funds and collective investment trusts that invest in actively traded mutual funds that include the following:

Sector (h)	3,786	986
Total Pooled Separate Accounts	<u>\$ 3,916,214</u>	<u>\$ 2,998,440</u>

- (a) Target Date - Seeks high total return until its target retirement date, with a greater focus on income as the target date approaches.
- (b) Fixed Income - Seeks to maximize total return consistent with reasonable risk investing primarily in net assets in a diversified portfolio of bonds or fixed income instruments of varying maturities.
- (c) Large Cap - Seeks long-term growth of capital or a combination of growth and income by investing primarily in stocks of larger, mature companies.
- (d) International - Seeks international diversification by investing in stocks of companies outside of the United States.
- (e) Small/Mid Cap - Seeks capital appreciation by investing primarily in stocks of small and medium-sized companies.
- (f) Balanced - Seeks to achieve conservation of capital, current income and long-term growth of capital and income by investing in a mix of equity securities and fixed income investments.
- (g) Target Risk - Seeks to achieve growth of capital and income by providing an optimal mix of a broadly diversified portfolio.
- (h) Sector - Seeks long-term capital growth through investments in stocks of companies that own or develop natural resources and other basic commodities.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

December 31, 2024	Total Fair Value	Fair Value Measurements Using		
		Level 1	Level 2	Level 3
Pooled Separate Accounts*	\$ 3,916,214	\$ -	\$ -	\$ -
	<u>\$ 3,916,214</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>

December 31, 2023	Total Fair Value	Fair Value Measurements Using		
		Level 1	Level 2	Level 3
Pooled Separate Accounts*	\$ 2,998,440	\$ -	\$ -	\$ -
	<u>\$ 2,998,440</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>

* Investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been included in the fair value hierarchy. The net asset values presented in this table are intended to reconcile the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

Note 5 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants become 100% vested in their account balances.

Note 6 - Exempt Transactions with Parties-in-Interest

Plan investments and non-interest-bearing cash are held and managed by John Hancock. These transactions qualify as party-in-interest transactions. Administrative expenses paid to John Hancock and the Plan's third-party administrator totaled \$49,930 for the year ended December 31, 2024. Notes receivable from participants also qualify as exempt party-in-interest transactions.

Note 7 - Tax Status

The Plan adopted a non-standardized defined contribution pre-approved plan which received a favorable opinion letter from the IRS dated June 30, 2020, in which the IRS stated that the pre-approved plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended and restated since receiving the opinion letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, the Plan meets the criteria for qualification under the IRC, and the related trust is tax exempt. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate uncertain tax positions on an ongoing basis and to disclose any such positions it believes would have a material impact on the financial statements. The financial statement effects of a tax position are recognized when the position is more-likely-than-not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain tax positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 - Risks and Uncertainties

The Plan utilizes various investment instruments, which are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities it is at least reasonably possible that changes in the values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
