## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator  
**Allegacy Retirement Savings Plan**

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Allegacy Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation for the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audits of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing audits in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

### Other Matters Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for the purpose of additional analysis and is not a required part of the financial statements, but is supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

---

### Note 1 – Description of the Plan

#### General

The Allegacy Retirement Savings Plan (the Plan) is a defined contribution plan that was originally established on February 1, 1997, by Allegacy Federal Credit Union (the Credit Union). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The following description of the Plan is provided for general information purposes only. Participants should refer to the Summary Plan Description or the Adoption Agreement, including amendments thereto, for a complete description of the Plan's provisions.

#### Administration

The Plan Sponsor and named Plan Administrator is the Credit Union. The Plan Administrator is responsible for oversight of the Plan. The Plan Administrator determines the appropriateness of the Plan's investment offerings and monitors investment performance and fees. The Plan's Investment Custodian is John Hancock Trust Company, LLC. The Investment Custodian holds all of the Plan's assets and executes all of the Plan's transactions.

#### Eligibility

The Plan covers all employees of the Credit Union and its subsidiaries, excluding union employees, nonresident aliens, temporary employees, and seasonal employees. All eligible employees may become participants in the Plan after completing one month of service, with the entry date being the first day of the month following the date in which eligibility requirements are satisfied.

#### Contributions to the Plan

Each pay period, participants may contribute salary deferred (pre-tax) and Roth (after-tax) contributions to the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

Participants may also contribute amounts representing distributions from other defined benefit or defined contribution plans (rollovers). The Plan has an automatic enrollment feature for new employees of the Credit Union at a deferral rate of 3% of compensation as defined by the Plan document. Auto-enrollment contributions are invested in a designated fund until changed by the participant. In addition, the Plan has an automatic escalation clause for participants automatically enrolled which includes scheduled increases of deferral rates by 1% annually, effective during the first pay period in April of each year (beginning after the Plan Year in which the participant is first subject to automatic contributions), until the deferral rate reaches 10%.

The Credit Union makes a safe harbor matching contribution equal to 100% of salary deferrals that do not exceed 3% of compensation, plus 50% of salary deferrals between 3% and 5% of compensation. The Credit Union may also make an additional matching and profit-sharing contribution, which is not limited to current or accumulated net profit. There were no additional matching or profit-sharing contributions made during 2024.

Participants direct the investment of both their individual contributions plus the Credit Union's contributions into the various investment options offered by the Plan. The Credit Union's contributions are allocated in the same manner as that of the participant's elective contributions.

# ALLEGACY RETIREMENT SAVINGS PLAN

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

---

The contributions are subject to certain Internal Revenue Service (IRS) limitations.

### Participant Accounts

Each participant's account is credited with the participant's contributions and the Credit Union's contributions as well as Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### Notes Receivable from Participants

A participant may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, subject to certain Department of Labor (DOL) and IRS requirements. Participants can only have one loan outstanding at any given time. Loans are secured by the balance in the participant's account and bear interest equal to one percent above the prime rate. Loan terms may not exceed a maximum of five years unless used for the purchase of a primary residence. Principal and interest payments are paid through payroll deductions.

### Distributions of Benefits

On termination of service, participants with vested balances of \$5,000 or less are subject to involuntary cash-outs, in which automatic distribution of their account balance will occur without direct consent unless they elect a rollover. Participants whose vested account balance exceeds \$5,000 may elect a lump sum cash distribution, annuity, a combination, or a rollover of their account balance to another qualified account. Additionally, they may also elect to defer the distribution of the Plan balance. Participants who elect to have their benefit payments deferred continue to share in allocations of investment income and losses, but do not share in subsequent allocations of the Credit Union's contributions. Special rules apply to distributions due to death, disability and retirement. Participants should refer to the full Plan document for details.

The Plan allows for in-service distributions upon attainment of age 59½ for all deferral contributions, safe harbor matching contributions, and rollover contributions for any reason. The Plan also allows for in-service distributions prior to attainment of the Plan's normal retirement age due to financial hardship, as defined in the Plan document, for vested account balances.

### Vesting

Participants are immediately vested in their deferral contributions and safe harbor matching contributions plus actual earnings thereon. The Credit Union's matching or profit-sharing contributions and earnings thereon for all participants are based on years of continuous service and vest after three years of service.

### Forfeitures

Forfeited balances of terminated participants' non-vested accounts are used for the payment of Plan expenses and to reduce future Credit Union contributions. During the year ended December 31, 2024, \$37,212 of forfeitures were used to reduce for Credit Union's contributions. No forfeitures were used for the payment of Plan expenses during the year ended December 31, 2024. As of December 31, 2024 and 2023, unallocated forfeited balances were \$7,188 and \$43,513 respectively.

### Note 2 – Summary of Significant Accounting Policies

#### Basis of Accounting

The Plan's financial statements have been prepared on the accrual basis of accounting. Income from investments is recorded when it is earned. Expenses are recorded in the accounting period in which they are incurred.

#### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the Plan's management to make use of estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expense during the reporting period. Actual results could differ from those estimates.

#### Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the Plan's Investment Custodian and investment advisor. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are charged to expense when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases to make repayments on a note receivable and the Plan Administrator deems the note receivable from the participant to be uncollectible, the balance of the note receivable is reclassified to distributions paid to participants.

#### Payment of Benefits

Benefits are recorded when paid.

#### Fees and Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless paid by the Credit Union. Expenses that are paid by the Credit Union are excluded from the financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative fees. Investment related expenses are included in net appreciation in fair value of investments.

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

---

### Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including September 19, 2025, which is the date the financial statements were available to be issued.

### **Note 3 – Unaudited Investment Information Certified by the Investment Custodian**

The Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the following information has been certified by the Investment Custodian as to the completeness and accuracy and was not subjected to any auditing procedures performed by the Plan's independent auditors:

1. All investment balances reflected in the accompanying Statements of Net Assets Available for Benefits as of December 31, 2024 and 2023,
2. All investment activity reflected in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2024,
3. All investment-related information included in the Supplemental Schedule H, line 4i-Schedule of Assets (Held at End of Year) as of December 31, 2024, and
4. Notes receivable from participants as of December 31, 2024 and 2023 and the related income for the year ended December 31, 2024.

### **Note 4 – Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy are described below:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.
- Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified contractual term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 – Inputs to valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodology used as of December 31, 2024 and 2023.

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

*Mutual funds:* Valued at the net asset value (NAV) of the shares held by the Plan at year end. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common/collective trust account:* Valued at the NAV of units of a bank collective trust. The NAV, as provided by the Investment Custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that the liquidation of securities will be carried out in an orderly business manner.

*Common stock:* Valued at the closing price reported in the active market in which the individual security is traded.

The following tables sets forth by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	As of December 31, 2024			Total
	Level 1	Level 2	Level 3

# ALLEGACY RETIREMENT SAVINGS PLAN

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

(a) In accordance with Subtopic 820-10 of the Financial Accounting Standards Board Accounting Standards Codification, certain investments were measured at NAV as a practical expedient (or its equivalent) and have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

The following table sets forth additional disclosures for the fair value measurement of investments in certain entities that calculate NAV per share practical expedient as of December 31, 2024 and 2023:

	As of December 31,		Unfunded Commitments	Redemption Frequency	Redemption Notice Period
	2024 Fair Value	2023 Fair Value			
Common/collective trust (b)	\$ 7,033,603	\$ 6,221,072	\$ -	Daily	Daily

(b) The common/collective trust's objective is to protect principal while providing a higher rate of return than shorter maturity investments, such as money market funds. This investment option is available under a stable value fund issued by Putnam as of December 31, 2024 and provides for a guarantee of principal and interest.

### Note 5 – Party-in-Interest Transactions

Certain Plan investments are managed by John Hancock Trust Company, LLC, who is the Plan's Investment Custodian. During the year ended December 31, 2024, the Plan paid direct compensation to the Investment Custodian for services rendered. Indirect compensation (that is netted against investment income in the Statement of Changes in Net Assets Available for Benefits) is paid to the Investment Custodian from total annual operating expenses charged on the balance of fund investments, depending on the particular fund. Transactions involving these investments are considered party-in-interest transactions; however, these transactions are not considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations.

### Note 6 – Plan Termination

Although management has not expressed any intent to do so, management has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination, all participant accounts become 100% vested.

### Note 7 – Plan Amendment and Tax Status

The Plan is utilizing a non-standardized pre-approved plan, which has been filed with the IRS and has received a favorable opinion dated June 30, 2020. The Plan has elected not to apply for an individual IRS determination letter upon adoption of the Plan nor on any subsequent amendments. However, the Plan Administrator believes the Plan is designed and currently operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, that the Plan is qualified under Section 401(a) and that the related Trust is tax-exempt as of December 31, 2024. No provision for income taxes has been included in the Plan's financial statements.

# ALLEGACY RETIREMENT SAVINGS PLAN

## NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

---

The Plan permitted provisions of SECURE Act 2.0 during the year ended December 31, 2024 and 2023. Written amendments to the Plan document to reflect these operational changes will be adopted at a later date in accordance with the deadlines pursuant to applicable laws and IRS guidance.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position, that more likely than not, would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress.

### **Note 8 – Risks and Uncertainties**

The Plan's investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
