Fleet Farm 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Fleet Farm 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Fleet Farm 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT (Continued)

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Fleet Farm 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

The financial statements and supplemental schedule are prepared on the modified cash basis of accounting as discussed in Note 2 to the financial statements, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to the matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Fleet Farm 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users based on these financial statements.

(Continued)

INDEPENDENT AUDITOR'S REPORT (Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fleet Farm 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Fleet Farm 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) as of December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Fleet Farm 401(k) Plan

NOTES TO FINANCIAL STATEMENTS Years Ended December 31, 2024 and 2023

1. DESCRIPTION OF PLAN

The following description of the Fleet Farm 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan documents for a more complete description of Plan provisions.

General

The Fleet Farm 401(k) Plan is sponsored by Fleet Farm Wholesale Supply Company, LLC (Company). Effective April 1, 2022, the Plan was restated. The Plan name was previously Fleet Wholesale Supply Company, LLC Employees' Profit Sharing 401(k) Plan.

The Plan is a defined contribution profit sharing 401(k) plan covering all employees age 21 or older and is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Employee Contributions

The Plan allows participant contributions up to 100% of eligible compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch up contributions. Participants may also contribute amounts representing rollover distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants are automatically enrolled with a 3% pre-tax deferral of eligible compensation in a designated Target Retirement Fund based upon their expected retirement age, unless they have opted out or changed the percentage.

Employer Contributions

The Plan includes a matching contribution for eligible employees. The employer matches elective deferrals up to 50% of the first 4% of eligible compensation. Additional employer discretionary contributions are determined annually by the Plan Sponsor's Board of Directors. No employer discretionary contributions were elected for either 2024 or 2023.

Participant Accounts

Each participant's account is credited with the participant's contribution, employer matching contributions, allocations of the sponsor's contribution, plan expenses, and net earnings or losses from the Plan. Plan net earnings and losses are allocated based on participant earnings or account balances, as defined. Each participant is entitled to the benefit that can be provided from his or her vested account balance.

Participant Loans

Under terms of the Plan, participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans are secured by the participant's balance, subject to regulations, and are due in a time period not to exceed 15 years, with interest at rates comparable to local prevailing rates. Principal and interest is paid ratably through bi-weekly payroll deductions. The Plan has allowed for the provisions of the CARES Act in regards to loans. The Plan will be amended for these changes by December 31, 2025.

NOTES TO FINANCIAL STATEMENTS Years Ended December 31, 2024 and 2023

1. DESCRIPTION OF PLAN (Continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in matching contributions and earnings thereon is based on years of credited service. Participants are 100% vested after three years of credited service.

Payment of Benefits

Upon termination of service, a participant with a non-forfeitable accrued benefit exceeding \$5,000 may elect to receive either a lump-sum amount equal to the participant's vested account balance, installments for a specified term not to exceed ten years, or may elect to defer distribution in the Plan until normal retirement age. Participants working beyond normal retirement age may elect to defer payment until retirement. The Plan has allowed for the provisions of the CARES Act in regards to distributions and required minimum distributions. The Plan will be amended for these changes by December 31, 2025.

Upon termination of service with non-forfeitable accrued benefits between \$1,000 and \$5,000, participants can elect to receive a distribution in a lump-sum or the distribution can be rolled over into a qualified retirement plan. If no election is made, the distributions will automatically roll over into a newly established individual retirement account (IRA). Upon termination of service with non-forfeitable accrued benefits below \$1,000, participants must receive a lump-sum distribution.

Forfeited Amounts

Forfeited non-vested amounts are used to reduce Company contributions or plan expenses in the year of forfeiture. Total forfeitures used to reduce Company contributions were \$142,483 and \$72,102 for the years ended December 31, 2024 and 2023, respectively. Total forfeitures used to reduce plan expenses were \$110 and \$48,459 for the years ended December 31, 2024 and 2023, respectively. Forfeitures available to reduce future employer contributions or plan expenses totaled \$50,348 as of December 31, 2024.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Under this basis of accounting, certain revenues and the related assets are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when incurred.

Estimates

Preparation of financial statements in conformity with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Fleet Farm 401(k) Plan

NOTES TO FINANCIAL STATEMENTS Years Ended December 31, 2024 and 2023

2. SUMMARY OF ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value using quoted market prices, if available. See Note 3 for further discussion of investment valuation inputs.

Purchases and sales of investments are recorded on a trade-date basis. Interest is recorded when earned. Dividends and contributions are recorded when received. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased, sold, and held during the year.

Gains and losses (realized and unrealized) are included in the statements of changes in net assets available for benefits as net appreciation (depreciation) in fair value of investments.

Participant Loans

Participant loans are measured at their unpaid principal balance. Interest income from participant loans is recorded when earned. Delinquent participant loans are reclassified as loans in default and are recorded as distributions at the time they are deemed uncollectible.

Benefit Payment Recognition

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of participant loans and distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are also included in administrative expenses.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

The Plan had investments totaling \$28,009,637 and \$25,973,600 that were concentrated in one fund, as of December 31, 2024 and 2023, respectively.

Net appreciation in fair value of investments	13,788,535	18,515,897
Other expense	(165,951)	(77,984)

Investment Appreciation

The Plan's investments (including investments purchased, sold, and held during the year) appreciated in value as follows during the year ended December 31:

	<u>2024</u>	<u>2023</u>
Mutual funds	\$ 13,732,559	\$ 18,399,327
Common collective trust fund	55,976	116,570
Net appreciation in fair value of investments	<u>\$ 13,788,535</u>	<u>\$ 18,515,897</u>

Mutual Funds

Mutual funds are valued at fair value using the daily closing prices as reported by the fund. Mutual funds held by the Plan are open ended mutual funds that are registered with the Securities and Exchange Commission.

NOTES TO FINANCIAL STATEMENTS Years Ended December 31, 2024 and 2023

3. INVESTMENTS (Continued)

Common Collective Trust Fund

The Plan's investment options included a common collective trust fund. Investments in this fund can be redeemed immediately at the current net asset value which is based on the fair value of the underlying assets in the trust.

The underlying assets of the common collective trust fund include traditional guaranteed investment contracts (GIC) and synthetic GIC's with various crediting rate formulas. Fixed rate traditional GIC's have no reset and are deemed to remain at par, and monthly reset traditional GIC's are credited off of one month LIBOR rate and a rolling twelve month Consumer Price Index (CPI). These contracts are reset monthly at a spread to their index and are deemed to be par. Monthly reset synthetic GIC's are credited off the internal rate of return, dollar duration, and dollar weighted duration of an underlying portfolio. The monthly reset contracts are maintained at contract value, and the underlying portfolios are priced at market value.

Investments in collective investment trusts are valued at the net asset value per share/unit on valuation date. Accrued interest, if any, on the underlying investments is added to the fair value of the investments for presentation purposes. There are no withdrawal limits, redemption frequency limits or redemption notice periods. There were no unfunded commitments for these investments as of December 31, 2024 and 2023. The net asset value as reported by the trustee is used as a practical expedient to estimate fair value, which is based on the fair value of the underlying assets in the trust, less its liabilities.

The Fund could be limited in its ability to transact with issuers at contract value if the Fund raises its risk profile or is subjected to an extended period of significant cash outflow. The Plan trustee maintains strong risk parameters and works with its issuers before any risk parameter changes are contemplated. The Fund maintains cash, internal cash flow and a maturity ladder of investments to offset cash withdrawals. Further, the fund manager may limit withdrawals in order to maintain sufficient liquidity. Management believes the probability of the Fund losing its access to contract value transactions is remote.

Guaranteed Investment Contract

Guaranteed investment contracts are valued at contract value.

Fleet Farm 401(k) Plan

NOTES TO FINANCIAL STATEMENTS Years Ended December 31, 2024 and 2023

4. FAIR VALUE MEASUREMENTS

Generally accepted accounting principles established a framework for measuring fair value based on a hierarchy that prioritizes valuation inputs as referenced below:

Level 1	Inputs using quoted prices in active markets for identical assets or liabilities
Level 2	Significant other observable inputs including quoted prices for similar assets in active or inactive markets, inputs that are derived from or corroborated by observable market data by correlation or other means, or inputs other than quoted prices that are observable for the asset
Level 3	Significant unobservable inputs

Valuation levels are not necessarily an indication of associated risk.

The following table summarizes the Plan's investments that were accounted for at fair value on a recurring basis:

<u>December 31, 2024</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 134,889,603	\$ -0-	\$ -0-	\$ 134,889,603
<u>December 31, 2023</u>				
Mutual funds	\$ 129,741,000	\$ -0-	\$ -0-	\$ 129,741,000
Common collective trust fund	-0-	-0-	-0-	7,533,819
Total investments at fair value	<u>\$ 129,741,000</u>	<u>\$ -0-</u>	<u>\$ -0-</u>	<u>\$ 137,274,819</u>

The common collective trust fund, which is measured at fair value using the net asset value per share (or its equivalent) practical expedient (NAV), has not been classified in the fair value hierarchy. These investments are valued using the NAV provided by John Hancock Trust in 2023. The NAV is based on the underlying investments held by the fund, that are traded in an active market, less its liabilities.

5. GUARANTEED INVESTMENT CONTRACT

The Plan invests in a benefit-responsive guaranteed investment contract with John Hancock. John Hancock maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

(Continued)

Fleet Farm 401(k) Plan

NOTES TO FINANCIAL STATEMENTS Years Ended December 31, 2024 and 2023

5. GUARANTEED INVESTMENT CONTRACT (Continued)

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Plan management believes that the occurrence of an event that would cause the Plan to transact at less than contract value is not probable. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

6. ADMINISTRATION OF PLAN ASSETS

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

7. PLAN TERMINATION

Although they have not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and terminate participation in the Plan subject to provisions of ERISA. In the event of termination, participants become 100% vested in their accounts.

8. INCOME TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Plan sponsor by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTES TO FINANCIAL STATEMENTS Years Ended December 31, 2024 and 2023

9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following reconciles net assets available for benefits and changes in net assets available for benefits per the financial statements to Schedule H of Form 5500 as of December 31:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per financial statements	\$ 144,371,131	\$ 140,193,763
Loans in default	<u>(3,359)</u>	<u>(56,179)</u>
Net assets available for benefits per Schedule H of Form 5500	<u>\$ 144,367,772</u>	<u>\$ 140,137,584</u>
Change in net assets available for benefits per financial statements	\$ 4,177,368	\$ 10,878,639
Deemed default of participant loans	<u>52,820</u>	<u>-0-</u>
Change in net assets available for benefits per Form 5500	<u>\$ 4,230,188</u>	<u>\$ 10,878,639</u>

10. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by OneAmerica Retirement Services, LLC. Matrix Trust Company was the trustee through July 2023. John Hancock became the trustee beginning August 2023 as defined by the Plan and, therefore, transactions entered into with the trustees qualify as party-in-interest transactions. Fees related to the administration of participant loans and distributions are charged directly to the participant's account and are included in administrative expenses. Fees paid by the Plan to OneAmerica Retirement Services, LLC were \$235,165 for the year ended December 31, 2023. Fees paid by the Plan to John Hancock were \$333,413 and \$82,506 for the years ended December 31, 2024 and 2023, respectively.

11. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 8, 2025, which is the date the financial statements were available to be issued. There were no subsequent events that required disclosure.
