INDEPENDENT AUDITORS' REPORT

To the Trustees
T Square Logistics Services 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of T Square Logistics Services 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the years ended December 31, 2024 and 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of T Square Logistics Services 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of T Square Logistics Services 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we have obtained is sufficient and appropriate to provide basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about T Square Logistics Services 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of T Square Logistics Services 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about T Square Logistics Services 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4(a) - Schedule of Delinquent Participant Contributions for the year ended December 31, 2023, and the supplemental Schedule H, Line 4(i) - Schedule of Assets Held at End of Year as of December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

T SQUARE LOGISTICS SERVICES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

A. DESCRIPTION OF PLAN

The following description of T Square Logistics Services 401(k) Plan (the Plan) is provided for general information only. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

1. General: The Plan is a defined contribution profit sharing plan, formed on January 1, 2013, covering all eligible employees of T Square Logistics Services Corporation (the Company) as defined in the Plan document. The Plan is designed to be qualified under the applicable requirements of the Internal Revenue Code (the Code) and the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
2. Participation: All employees, except leased employees and nonresident aliens, are eligible to participate in the Plan immediately upon employment with the Company. There are no age or service requirements.
3. Contributions: All employee contributions are elective deferrals pursuant to a salary reduction up to the maximum percentage allowable not to exceed the limits of Internal Revenue Code (IRC) Sections 401(k), 402(g), 404 and 415. For the plan years ended December 31, 2024 and 2023, a participant's compensation taken into account under the Plan was limited to \$345,000 and \$330,000, respectively, as required by IRC Section 401(a)(17) as amended by OBRA '93. Total elective deferrals are limited to a maximum of \$23,000 and \$22,500, respectively for plan years ended December 31, 2024 and 2023. Compensation includes the employees elective contributions.

Participants age 50 or older, may elect to defer additional amounts, called "catch-up" contributions. The additional amounts may be deferred regardless of any other limitations. The maximum additional contribution amount for plan years ended December 31, 2024 and 2023 was \$7,500 and \$7,500, respectively.

Additionally, the Company will make a Prevailing Wage Contribution (profit sharing contributions) on behalf of each participant who performs services subject to the McNamara O'Hara Service Contract Act, Davis-Bacon Act or similar Federal, State, or Municipal Prevailing Wage statutes. The Company will also make Employer matching contributions only when specifically required by a Collectively Bargained Agreement. The Company made prevailing wage and employer matching contributions of \$534,753 and \$473,191, respectively for the plan years ended December 31, 2024 and 2023.

4. Participant Accounts: Accounting records for individual participant accounts are maintained by a third-party administrator. Each participant account is credited with the participant's income deferral and a portion of the Company's contribution and profit sharing contribution, if applicable, and Plan earnings. Participants direct the investments of their contributions and/or account balances into various investment options offered by the Plan and may change investments and transfer amounts between the funds daily. Each fund's investment income or loss, less any investment management fee, is allocated to participants' accounts based on their proportionate interest in the fund. The value of participant accounts will fluctuate with the market value of the securities in which the accounts are invested.
5. Vesting: Each participant shall at all times have a 100% vested interest in the balance of their account.
6. Administrative Expenses: All reasonable expenses of administration including, but not limited to, those involved in retaining necessary professional assistance may be paid from the assets of the Plan. The Company may, in its discretion, pay such expenses. The Plan administrative and investment fees were \$55,188 and \$47,658, respectively for the plan years ended December 31, 2024 and 2023.
7. Employee Rollovers: Participants are allowed to make rollover contributions of amounts received from other tax qualified employer sponsored retirement plans. Such contributions are deposited in the appropriate investment fund in accordance with the participant's direction and the Plan provisions.
8. Payments of Benefits: The Plan does not allow withdrawals of contributions or earnings thereon by active employees of the Company, with the exception from rollover contributions, hardship distributions and for participants who have attained the age of 59 1/2. Hardship distributions may be received from participant's vested account consistent with the provisions of the IRC upon meeting certain requirements as defined by the Plan. On termination of service due to death, disability or retirement, a participant or their beneficiary may elect to receive an amount equal to the value of his or her account balance, irrespective of the vesting schedule. Upon termination of service, a participant may elect a lump-sum payment or have the payment paid as a direct rollover. An annuity payout option is not available.

T SQUARE LOGISTICS SERVICES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

9. Notes Receivable from Participants: The plan allows participants to borrow a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their account balance. A participant may only have one loan outstanding at any time. Loan terms range from 1 to 5 years and are secured by the vested balance in the participant's account. Loans used to purchase a primary residence may be repaid within a period of no more than 30 years. Interest rates are determined at funding using the prime interest rate plus one percent at the time of the loan. Principal and interest are paid ratably through payroll period deductions. Outstanding notes receivable from participants at December 31, 2024 and 2023 carry interest rates ranging from 4.25% to 9.5%.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting: The accompanying financial statements of the Plan have been prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
2. Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities, and changes therein, and disclosures of contingent assets and liabilities.. Accordingly, actual results may differ from those estimates.
3. Investment Valuation and Income Recognition: The Plan's investments are held and maintained by an investment custodian which is regulated, supervised and subject to periodic examination by Federal agencies. Voya Retirement Insurance and Annuity Company certifies the fair market value and the contract value of all investments. The Plan's investments are stated at fair value, with the exception of the fully benefit responsive investments. The Plan reports fully benefit responsive Guaranteed Investment Contracts investments ("GICs") at contract value (see Note D) as a single amount reflected separately in the Statements of Net Assets Available for Benefits. The Statement of Changes in Net Assets Available for Benefits, as it related to these fully benefit responsive investments, is presented on a contract value basis. The Plan defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Cash equivalents are stated at cost which approximates market value.
- Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments includes the Plan's realized gains & losses and unrealized gains & losses on investments that bought and sold, as well as, held during the year.
4. Contributions: Contributions from participants and company contributions are recorded when the company makes payroll deductions. Contributions receivable represent amounts not yet deposited into the participants' individual accounts.
5. Risk and Uncertainties: The Plan provides for various investment options in any combination of investment securities offered by the Plan. Investment securities are exposed to various risks, such as interest rate, market fluctuations, and credit risks. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the market values, interest rates, or other factors in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
6. Payment of Benefits: Benefits are recorded when paid.
7. Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are recorded when incurred. Delinquent notes receivable are reclassified as distributions upon the occurrence of a distributable event, based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2024 or 2023.

C. PLAN REVISION, AMENDMENT AND TERMINATION

The Company may revise and/or amend the Plan as deemed necessary to comply with changes in the Federal pension plan statutes and ERISA. Although T Square Logistics Services has not expressed any intent to do so, the Company has the right to terminate the Plan at any time, subject to the provisions of ERISA. Upon the full termination of the Plan, the employer shall direct the distribution of the Plan assets to all eligible participants.

T SQUARE LOGISTICS SERVICES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

D. GUARANTEED INVESTMENT CONTRACT WITH VOYA

As of December 31, 2024, the Plan holds investment contracts with the Voya Fixed Account. The Voya Fixed Account is considered to be fully benefit responsive investment contract and does not have any liquidity or redemption restrictions. The Investment contracts held by a defined contribution plan are required to be reported at contract value. Contract value is the amount participants would receive if they were to initiate a withdrawal under the terms of the Plan. The contract value of the investment in the Voya Fixed Account was \$831,302 and \$893,426 as of December 31, 2024 and 2023, respectively.

Contributions to Voya Institutional Trust Company (Voya) under this contract are maintained in a general account that is credited with contributions directed to the investment, plus interest credited, less participant withdrawals and expenses. The contracts are included in the financial statements at contract value as reported to the Plan by Voya. Participants may direct withdrawals for benefit payments or a portion of their investment to other investments offered under the Plan at contract value. There are no reserves against contract value for credit risk.

Voya is contractually obligated to repay the principal and interest at the specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by Voya. Although the investment may credit a higher interest rate, the credited rate will not fall below the lifetime guaranteed minimum of 1.00%.

There are no unfunded commitments. Under the terms of the contract, the Plan sponsor must provide a minimum of 90 days notice to Voya prior to redemption of the contract.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (i) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan) (ii) changes to Plan's prohibition on competing investment options or deletion of equity wash provisions (iii) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations, or (iv) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that the occurrence of any such event which would limit the Plan's ability to transact at contract value with participants is probable.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from the contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

E. INVESTMENTS CERTIFIED BY INVESTMENT CUSTODIAN

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as accurate and complete by Voya Retirement Insurance and Annuity Company, the trustee, for the plan years ending December 31, 2024 and 2023. Investments are stated at fair value except the Voya Fixed Account, which is stated at contract value.

F. FAIR VALUE MEASUREMENTS

The Plan classifies its investments based upon an established fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

Level 2: Valuations based on quoted prices in markets that are not active, quotes prices for similar investments in active markets or model-based valuations for which all significant assumptions are observable and can be corroborated by observable market data.

Level 3: Valuations based on unobservable inputs that are supported by little or no market activity and are significant to the overall fair value measurement. Values are determined using proprietary pricing models, discounted cash flow models that include the investment entities' own judgments and estimations or some other pricing method using unobservable inputs.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following are descriptions of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Pooled separate accounts are valued based upon the units of such pooled separate accounts held by the Plan at year end multiplied by the respective unit value. As of December 31, 2024 and 2023, pooled separate accounts held by Voya are valued at their "accumulation unit value" (AUV). These are valued daily as the number of accumulation units held multiplied by the AUV. The AUV is determined daily based on the net asset value of shares of the underlying fund, the fund's dividends and the contract's separate account charges. Investments in the pooled separate accounts are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient and in accordance with Subtopic 820-10 have not been classified in the fair value hierarchy. The fair value amounts presented in the tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits and notes to the financial statements.

Due to the nature of the pooled separate accounts discussed above, there are no unfunded commitments or redemption restrictions.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes the valuation methodologies are appropriate and consistent with those used by other market participants, the use of different methodologies or assumptions to determine the fair value of certain investments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

December 31, 2024 Fair Value Measurement				
	Total	Level 1	Level 2	Level 3
Pooled separate accounts at NAV	\$ 4,099,777	\$ -	\$ -	\$ -
	<u>\$ 4,099,777</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>

The Plan does not have level 3 assets so a separate table representing the changes in those assets is not presented.

December 31, 2023 Fair Value Measurement				
	Total	Level 1	Level 2	Level 3
Pooled separate accounts at NAV	\$ 4,004,080	\$ -	\$ -	\$ -
	<u>\$ 4,004,080</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>

The Plan does not have level 3 assets so a separate table representing the changes in those assets is not presented.

G. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500:

H. TAX STATUS

As of the issue date of these financial statements, the Internal Revenue Service has not issued a opinion letter for this plan. However, the plan administrator and tax counsel believe the Plan is designed to comply with and is currently operating in compliance with the applicable requirements of the Internal Revenue Code (IRC) and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits of any tax periods in progress.

I. PARTY IN INTEREST

Party in interest transactions include those with fiduciaries or employees of the Plan. Transactions with the recordkeeper, trustee, custodian, and investment manager qualify as party-in-interest transactions. As of December 31, 2024, certain Plan investments are managed by Voya Institutional Trust Company (Voya). Voya holds and invests the Plan's assets and therefore, these transactions qualify as exempt party in interest transactions.

J. DELINQUENT CONTRIBUTIONS

As required by ERISA Section 2510-3-102, the plan sponsor is required to segregate employee contributions to the plan from its general assets as soon as practicable but in no event more than 15 business days following the end of the month in which amounts are withheld from wages. During the plan year there was \$2,520 in deferral contributions that were not transferred correctly. These contributions are considered a prohibited transaction. In 2025, the company corrected the late remittance for the deferral contributions. An interest payment was deposited to compensate for the lost investment earnings relating to this prohibited transaction.

K. SUBSEQUENT EVENTS

Management of the Plan has evaluated subsequent events through October 1, 2025, the date the financial statements were available to be issued, for events requiring disclosure or recognition in the financial statements. Based on this evaluation, management has determined no subsequent events have occurred which require disclosure or recognition in the financial statement for the plan year ended December 31, 2024.

INDEPENDENT AUDITORS' REPORT

To the Trustees
T Square Logistics Services 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of T Square Logistics Services 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the years ended December 31, 2024 and 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of T Square Logistics Services 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of T Square Logistics Services 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we have obtained is sufficient and appropriate to provide basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about T Square Logistics Services 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of T Square Logistics Services 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about T Square Logistics Services 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4(a) - Schedule of Delinquent Participant Contributions for the year ended December 31, 2023, and the supplemental Schedule H, Line 4(i) - Schedule of Assets Held at End of Year as of December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

T SQUARE LOGISTICS SERVICES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

A. DESCRIPTION OF PLAN

The following description of T Square Logistics Services 401(k) Plan (the Plan) is provided for general information only. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

1. General: The Plan is a defined contribution profit sharing plan, formed on January 1, 2013, covering all eligible employees of T Square Logistics Services Corporation (the Company) as defined in the Plan document. The Plan is designed to be qualified under the applicable requirements of the Internal Revenue Code (the Code) and the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
2. Participation: All employees, except leased employees and nonresident aliens, are eligible to participate in the Plan immediately upon employment with the Company. There are no age or service requirements.
3. Contributions: All employee contributions are elective deferrals pursuant to a salary reduction up to the maximum percentage allowable not to exceed the limits of Internal Revenue Code (IRC) Sections 401(k), 402(g), 404 and 415. For the plan years ended December 31, 2024 and 2023, a participant's compensation taken into account under the Plan was limited to \$345,000 and \$330,000, respectively, as required by IRC Section 401(a)(17) as amended by OBRA '93. Total elective deferrals are limited to a maximum of \$23,000 and \$22,500, respectively for plan years ended December 31, 2024 and 2023. Compensation includes the employees elective contributions.

Participants age 50 or older, may elect to defer additional amounts, called "catch-up" contributions. The additional amounts may be deferred regardless of any other limitations. The maximum additional contribution amount for plan years ended December 31, 2024 and 2023 was \$7,500 and \$7,500, respectively.

Additionally, the Company will make a Prevailing Wage Contribution (profit sharing contributions) on behalf of each participant who performs services subject to the McNamara O'Hara Service Contract Act, Davis-Bacon Act or similar Federal, State, or Municipal Prevailing Wage statutes. The Company will also make Employer matching contributions only when specifically required by a Collectively Bargained Agreement. The Company made prevailing wage and employer matching contributions of \$534,753 and \$473,191, respectively for the plan years ended December 31, 2024 and 2023.

4. Participant Accounts: Accounting records for individual participant accounts are maintained by a third-party administrator. Each participant account is credited with the participant's income deferral and a portion of the Company's contribution and profit sharing contribution, if applicable, and Plan earnings. Participants direct the investments of their contributions and/or account balances into various investment options offered by the Plan and may change investments and transfer amounts between the funds daily. Each fund's investment income or loss, less any investment management fee, is allocated to participants' accounts based on their proportionate interest in the fund. The value of participant accounts will fluctuate with the market value of the securities in which the accounts are invested.
5. Vesting: Each participant shall at all times have a 100% vested interest in the balance of their account.
6. Administrative Expenses: All reasonable expenses of administration including, but not limited to, those involved in retaining necessary professional assistance may be paid from the assets of the Plan. The Company may, in its discretion, pay such expenses. The Plan administrative and investment fees were \$55,188 and \$47,658, respectively for the plan years ended December 31, 2024 and 2023.
7. Employee Rollovers: Participants are allowed to make rollover contributions of amounts received from other tax qualified employer sponsored retirement plans. Such contributions are deposited in the appropriate investment fund in accordance with the participant's direction and the Plan provisions.
8. Payments of Benefits: The Plan does not allow withdrawals of contributions or earnings thereon by active employees of the Company, with the exception from rollover contributions, hardship distributions and for participants who have attained the age of 59 1/2. Hardship distributions may be received from participant's vested account consistent with the provisions of the IRC upon meeting certain requirements as defined by the Plan. On termination of service due to death, disability or retirement, a participant or their beneficiary may elect to receive an amount equal to the value of his or her account balance, irrespective of the vesting schedule. Upon termination of service, a participant may elect a lump-sum payment or have the payment paid as a direct rollover. An annuity payout option is not available.

T SQUARE LOGISTICS SERVICES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

9. Notes Receivable from Participants: The plan allows participants to borrow a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their account balance. A participant may only have one loan outstanding at any time. Loan terms range from 1 to 5 years and are secured by the vested balance in the participant's account. Loans used to purchase a primary residence may be repaid within a period of no more than 30 years. Interest rates are determined at funding using the prime interest rate plus one percent at the time of the loan. Principal and interest are paid ratably through payroll period deductions. Outstanding notes receivable from participants at December 31, 2024 and 2023 carry interest rates ranging from 4.25% to 9.5%.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting: The accompanying financial statements of the Plan have been prepared on the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
2. Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities, and changes therein, and disclosures of contingent assets and liabilities.. Accordingly, actual results may differ from those estimates.
3. Investment Valuation and Income Recognition: The Plan's investments are held and maintained by an investment custodian which is regulated, supervised and subject to periodic examination by Federal agencies. Voya Retirement Insurance and Annuity Company certifies the fair market value and the contract value of all investments. The Plan's investments are stated at fair value, with the exception of the fully benefit responsive investments. The Plan reports fully benefit responsive Guaranteed Investment Contracts investments ("GICs") at contract value (see Note D) as a single amount reflected separately in the Statements of Net Assets Available for Benefits. The Statement of Changes in Net Assets Available for Benefits, as it related to these fully benefit responsive investments, is presented on a contract value basis. The Plan defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Cash equivalents are stated at cost which approximates market value.
- Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the fair value of investments includes the Plan's realized gains & losses and unrealized gains & losses on investments that bought and sold, as well as, held during the year.
4. Contributions: Contributions from participants and company contributions are recorded when the company makes payroll deductions. Contributions receivable represent amounts not yet deposited into the participants' individual accounts.
5. Risk and Uncertainties: The Plan provides for various investment options in any combination of investment securities offered by the Plan. Investment securities are exposed to various risks, such as interest rate, market fluctuations, and credit risks. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the market values, interest rates, or other factors in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
6. Payment of Benefits: Benefits are recorded when paid.
7. Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are recorded when incurred. Delinquent notes receivable are reclassified as distributions upon the occurrence of a distributable event, based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2024 or 2023.

C. PLAN REVISION, AMENDMENT AND TERMINATION

The Company may revise and/or amend the Plan as deemed necessary to comply with changes in the Federal pension plan statutes and ERISA. Although T Square Logistics Services has not expressed any intent to do so, the Company has the right to terminate the Plan at any time, subject to the provisions of ERISA. Upon the full termination of the Plan, the employer shall direct the distribution of the Plan assets to all eligible participants.

T SQUARE LOGISTICS SERVICES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

D. GUARANTEED INVESTMENT CONTRACT WITH VOYA

As of December 31, 2024, the Plan holds investment contracts with the Voya Fixed Account. The Voya Fixed Account is considered to be fully benefit responsive investment contract and does not have any liquidity or redemption restrictions. The Investment contracts held by a defined contribution plan are required to be reported at contract value. Contract value is the amount participants would receive if they were to initiate a withdrawal under the terms of the Plan. The contract value of the investment in the Voya Fixed Account was \$831,302 and \$893,426 as of December 31, 2024 and 2023, respectively.

Contributions to Voya Institutional Trust Company (Voya) under this contract are maintained in a general account that is credited with contributions directed to the investment, plus interest credited, less participant withdrawals and expenses. The contracts are included in the financial statements at contract value as reported to the Plan by Voya. Participants may direct withdrawals for benefit payments or a portion of their investment to other investments offered under the Plan at contract value. There are no reserves against contract value for credit risk.

Voya is contractually obligated to repay the principal and interest at the specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by Voya. Although the investment may credit a higher interest rate, the credited rate will not fall below the lifetime guaranteed minimum of 1.00%.

There are no unfunded commitments. Under the terms of the contract, the Plan sponsor must provide a minimum of 90 days notice to Voya prior to redemption of the contract.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (i) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan) (ii) changes to Plan's prohibition on competing investment options or deletion of equity wash provisions (iii) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations, or (iv) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that the occurrence of any such event which would limit the Plan's ability to transact at contract value with participants is probable.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from the contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

E. INVESTMENTS CERTIFIED BY INVESTMENT CUSTODIAN

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as accurate and complete by Voya Retirement Insurance and Annuity Company, the trustee, for the plan years ending December 31, 2024 and 2023. Investments are stated at fair value except the Voya Fixed Account, which is stated at contract value.

F. FAIR VALUE MEASUREMENTS

The Plan classifies its investments based upon an established fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

T SQUARE LOGISTICS SERVICES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

Level 2: Valuations based on quoted prices in markets that are not active, quotes prices for similar investments in active markets or model-based valuations for which all significant assumptions are observable and can be corroborated by observable market data.

Level 3: Valuations based on unobservable inputs that are supported by little or no market activity and are significant to the overall fair value measurement. Values are determined using proprietary pricing models, discounted cash flow models that include the investment entities' own judgments and estimations or some other pricing method using unobservable inputs.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following are descriptions of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Pooled separate accounts are valued based upon the units of such pooled separate accounts held by the Plan at year end multiplied by the respective unit value. As of December 31, 2024 and 2023, pooled separate accounts held by Voya are valued at their "accumulation unit value" (AUV). These are valued daily as the number of accumulation units held multiplied by the AUV. The AUV is determined daily based on the net asset value of shares of the underlying fund, the fund's dividends and the contract's separate account charges. Investments in the pooled separate accounts are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient and in accordance with Subtopic 820-10 have not been classified in the fair value hierarchy. The fair value amounts presented in the tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits and notes to the financial statements.

Due to the nature of the pooled separate accounts discussed above, there are no unfunded commitments or redemption restrictions.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan's management believes the valuation methodologies are appropriate and consistent with those used by other market participants, the use of different methodologies or assumptions to determine the fair value of certain investments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

December 31, 2024 Fair Value Measurement				
	Total	Level 1	Level 2	Level 3
Pooled separate accounts at NAV	\$ 4,099,777	\$ -	\$ -	\$ -
	<u>\$ 4,099,777</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>

The Plan does not have level 3 assets so a separate table representing the changes in those assets is not presented.

December 31, 2023 Fair Value Measurement				
	Total	Level 1	Level 2	Level 3
Pooled separate accounts at NAV	\$ 4,004,080	\$ -	\$ -	\$ -
	<u>\$ 4,004,080</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>

The Plan does not have level 3 assets so a separate table representing the changes in those assets is not presented.

H. TAX STATUS

As of the issue date of these financial statements, the Internal Revenue Service has not issued a opinion letter for this plan. However, the plan administrator and tax counsel believe the Plan is designed to comply with and is currently operating in compliance with the applicable requirements of the Internal Revenue Code (IRC) and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits of any tax periods in progress.

I. PARTY IN INTEREST

Party in interest transactions include those with fiduciaries or employees of the Plan. Transactions with the recordkeeper, trustee, custodian, and investment manager qualify as party-in-interest transactions. As of December 31, 2024, certain Plan investments are managed by Voya Institutional Trust Company (Voya). Voya holds and invests the Plan's assets and therefore, these transactions qualify as exempt party in interest transactions.

J. DELIQUENT CONTRIBUTIONS

As required by ERISA Section 2510-3-102, the plan sponsor is required to segregate employee contributions to the plan from its general assets as soon as practicable but in no event more than 15 business days following the end of the month in which amounts are withheld from wages. During the plan year there was \$2,520 in deferral contributions that were not transferred correctly. These contributions are considered a prohibited transaction. In 2025, the company corrected the late remittance for the deferral contributions. An interest payment was deposited to compensate for the lost investment earnings relating to this prohibited transaction.

K. SUBSEQUENT EVENTS

Management of the Plan has evaluated subsequent events through October 1, 2025, the date the financial statements were available to be issued, for events requiring disclosure or recognition in the financial statements. Based on this evaluation, management has determined no subsequent events have occurred which require disclosure or recognition in the financial statement for the plan year ended December 31, 2024.
