Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Jackson Healthcare 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Jackson Healthcare 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note J to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Jackson Healthcare 401(k) Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Jackson Healthcare 401(k) Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Jackson Healthcare 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Jackson Healthcare 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter -- Supplemental Schedules Required by ERISA

The supplemental schedules H, line 4i--schedule of assets (held at end of year) and schedule H, line 4a--schedule of delinquent participant contributions as of December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that

agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

JACKSON HEALTHCARE 401(K) SAVINGS PLAN

December 31, 2024

NOTE A--DESCRIPTION OF PLAN

The following description of the Jackson Healthcare 401(k) Savings Plan ("the Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering substantially all employees of Jackson Healthcare, LLC ("Jackson", "the Employer" and "Plan Administrator"), and certain controlled and affiliated companies. During the year ended December 31, 2024, the Plan included employees of: Jackson Healthcare, LLC; Jackson Physician Search, LLC; Carelogistics, LLC; Jackson & Coker LocumTenens, LLC; LocumTenens.com, LLC; Premier Anesthesia, LLC; Jackson Investment Group, LLC; Jackson Revenue Management Company, LLC; Healthcare Staffing Technologies, LLC; Sullivan Healthcare Consulting, LLC; JIG RJ, Inc.; JIG SJ, Inc.; Astute Films, LLC; Tyler & Company, LLC; Brightmark LLC; Virtual Medical Staff, LLC; Jackson Healthcare Government Services, LLC; Brightmark Plastics Renewal Services, LLC; USAntibiotics, LLC; Neurotrauma Sciences, LLC (until 4/1/24), Kirby Bates Associates, LLC; Healthcare Workforce Logistics, LLC; JTP Staffing Associates, LLC; JNP Staffing Associates, LLC; and JPP Staffing Associates, LLC.

During the year ended December 31, 2024, Inlightened Experts, LLC; Kimedics LLC; Venn Workforce Optimization, LLC; LRS Healthcare, LLC; and Continuous Care, LLC became participating employers of the Plan. Effective April 1, 2024, the Plan was amended to remove Neurotrauma Sciences, LLC as a participating employer.

Employees are eligible to participate in the Plan the first day of the month coinciding with or following their employment date. Employees are not eligible to participate if they are under 18 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Contributions: The Plan provides for employee elective pre-tax and/or after-tax contributions, not to exceed the Federal statutory maximum, with an Employer discretionary matching provision. For the year ended December 31, 2024, the Employer elected to make a matching contribution of 100% of the first 2% of each participant's compensation deferred and 37.50% of the next 4% of each participant's compensation deferred.

The Plan includes an automatic salary deferral feature. The Employer automatically withholds 6% of the employee's compensation as an employee elective contribution. This percentage increases annually by 1% to a maximum withholding of 8%. Employees

JACKSON HEALTHCARE 401(K) SAVINGS PLAN

NOTE A--DESCRIPTION OF PLAN--Continued

that have been automatically enrolled may request a refund of such deferrals within 90 days of the first payroll in which the compensation is deferred, may request no deferral of compensation, or may select an alternative deferral amount.

The Plan provides for an Employer discretionary non-elective contribution for all Plan participants who achieved at least 500 hours of service during the Plan year and were employed at the end of the Plan year. Allocation of the annual contribution is made based on the ratio that each participant's compensation bears to the total annual compensation for all participants. No discretionary contribution was made for the year ended December 31, 2024.

Participant Accounts: Each participant's account is credited with their contributions, their account's earnings or losses, the Employer's matching contributions, and the Employer discretionary non-elective contribution, if any. All investments are participant directed. Participants may change their investment options daily.

Investments: Participants can allocate their contributions and employer contributions among a selection of equity and fixed income mutual funds, a collective investment trust, and a guaranteed investment contract.

Vesting: Participants are immediately vested in their voluntary contributions, and allocated earnings thereon. Vesting in the Employer matching and non-elective contributions portion of the participants' account is based on years of service. The Plan provides for a two year cliff vesting schedule where participants are 100% vested after two years of service.

Forfeitures: Forfeited amounts can be used to pay administrative expenses of the Plan and to reduce future Employer contributions to the Plan.

Administration: The Plan is administered by the Employer. The funds of the Plan are held by the following service providers (collectively "Principal") in their capacity as trustee or custodian for the Plan: Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company and Principal Global Investors Trust Company. These entities hold the Plan's assets and invest participants' account balances as directed by the participants.

Withdrawals: A participant may withdraw his vested account balance plus earnings thereon in the case of a financial hardship. Withdrawals are taxable in the year received by the participant and may be subject to a penalty tax. Additionally, after reaching the age of 59½, a participant may request an in-service distribution from vested accounts.

NOTES TO FINANCIAL STATEMENTS--Continued

JACKSON HEALTHCARE 401(K) SAVINGS PLAN

NOTE A--DESCRIPTION OF PLAN--Continued

Payment of Benefits: Upon a participant's termination of employment with the Company, or after reaching the age of 65, the participant is entitled to receive a distribution of their vested account balance. The participant may elect to receive a distribution at any time in the form of a lump sum payment. If the participant dies or is totally and permanently disabled prior to receiving their entire vested account balance, the balance will be paid to the participant's beneficiary or estate.

Notes Receivable from Participants: Generally, participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, or 50% of their vested account balance. Participants may only have one loan outstanding at any given time. Loans are repaid through payroll deductions over periods of up to 60 months, except in circumstances when the loan proceeds were used to purchase the primary residence of the participant. In such circumstances, the loan repayment schedule will be determined on a case-by-case basis. The loans are secured by the balance in the participant's vested account and bear interest at the prime rate plus 2% at the loan date.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Plan follows the Financial Accounting Standards Board Accounting Standards Codification as its sole source of authoritative guidance. The financial statements for the Plan are prepared using the accrual basis of accounting.

The Plan's investments are stated at fair value or contract value. The Plan's investment options include a fully benefit responsive investment contract which is carried at contract value as more fully described in Note D. All other investments are carried at fair value as more fully described in Note C. Investment securities, in general, are exposed to various risks, including credit, interest, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is possible that changes in values of investment securities will occur and that such changes could materially affect the amount reported in the statements of net assets available for plan benefits.

Purchases and sales of securities are recorded on a trade-date basis (the date the order to buy or sell is executed). Realized gains and losses on the sale of investments are calculated based on the difference between the selling price and cost on an average cost basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as the change in unrealized gains/losses for securities held at the end of the year.

NOTES TO FINANCIAL STATEMENTS--Continued

JACKSON HEALTHCARE 401(K) SAVINGS PLAN

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Contributions are recorded on the accrual basis, which recognizes participants' contributions and the related Employer matching contributions at the time the participants' contributions are withheld from their wages. Employer discretionary non-elective contributions are recorded in the period recognized in the Employer's financial statements.

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions in the year amounts are received by the Plan. For the year ended December 31, 2024, participant and employer contributions in the statement of changes in net assets available for benefits are presented net of excess contributions of \$3,635,448 and \$874,900, respectively.

Benefits are recorded when paid.

The Plan is responsible for the payment of administrative expenses. Certain administration and custodial expenses are paid by the Employer.

Loans to participants are reported separately from Plan investments as notes receivable. These loans are recorded at their unpaid balance.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Subsequent events have been evaluated through August 11, 2025, which is the date the financial statements were available to be issued.

NOTE C--FAIR VALUE MEASUREMENTS

Current accounting guidance establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs into valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

NOTES TO FINANCIAL STATEMENTS--Continued

JACKSON HEALTHCARE 401(K) SAVINGS PLAN

NOTE C--FAIR VALUE MEASUREMENTS--Continued

The three levels of the fair value hierarchy are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets and liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Valued at the quoted market price, which represents the net asset value of shares held by the Plan at year end.

Collective investment trusts: Valued based on quoted market prices of the securities underlying the collective investment trust.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS--Continued

JACKSON HEALTHCARE 401(K) SAVINGS PLAN

NOTE C--FAIR VALUE MEASUREMENTS--Continued

There have been no changes in the methodologies used at December 31, 2024 and 2023.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

	<u>Assets at Fair Value as of December 31, 2024</u>

Total assets at fair value	<u>\$ 157,387,271</u>	<u>\$ 7,959,661</u>	<u>\$ -0-</u>	<u>\$ 165,346,932</u>

NOTE D--FULLY BENEFIT RESPONSIVE INVESTMENT CONTRACT

The Plan holds a fully benefit-responsive traditional investment contract with Principal Life Insurance Company ("PLIC"). This contract is reported at contract value as of December 31, 2024.

As described in Note B, because the guaranteed fixed annuity account is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by PLIC, represents the accumulation of contributions, plus interest, less funds used to pay benefits and expenses. The contract value of the account was \$477,827 as of December 31, 2024.

Participants can withdraw their balances at contract value without restriction or charge on account of any of the following events: retirement, death, disability, termination of employment, change in control of the Plan Sponsor, hardship, loan, in-service withdrawals, qualified domestic relations order, corrective distribution, or plan

NOTES TO FINANCIAL STATEMENTS--Continued

JACKSON HEALTHCARE 401(K) SAVINGS PLAN

NOTE D--FULLY BENEFIT RESPONSIVE INVESTMENT CONTRACT--Continued

termination. Benefit responsive withdrawals from this contract during any twelve-month period that are made on account of employer-initiated events and in aggregate in excess of 20% of the contract balance at the beginning of such twelve-month period shall be subject to a withdrawal adjustment.

The repayment of principal and interest credited to participants is a financial obligation of PLIC. Guarantees are based on the claims-paying ability of the issuer. As of December 31, 2024, there are no reserves against contract value for credit risk of the contract issuer or otherwise.

The contract contains a minimum guaranteed interest rate, as defined. Crediting rates are determined by PLIC semi-annually on December 1st and June 1st. The applicable interest rate will be credited to all monies invested in the account during the period. In no event will the declared rate of interest be less than the contract's minimum guaranteed interest rate. As of December 31, 2024, the declared interest rate was 4.75%.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuers. Examples of such events include: premature termination of the contract by the Plan; termination or merger of the Plan; changes to the Plan's prohibition on competing investment options; bankruptcy or changes in ownership of the Plan Sponsor; failure of the Plan to satisfy tax qualification requirements as more fully described in Note F.

In addition, certain events allow the contract issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include: uncured violations of the Plan's investment guidelines; a breach of a material obligation under the contract; material misrepresentation; and a material amendment to agreements without the consent of the issuer.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer.

NOTE E--TRANSACTIONS WITH PARTIES-IN-INTEREST

The Plan has an agreement with Principal to maintain the investments of the Plan and to provide administrative and participant recordkeeping services for the Plan. For the year ended December 31, 2024, contributions to the Plan of \$39,900,620 were deposited with Principal for investment, and participants in the Plan received distributions of \$20,229,219

from funds held by Principal. Additionally, for the year ended December 31, 2024, the Plan recorded \$802,449 in administrative expenses paid to service providers. At December 31, 2024 and 2023, the Plan had \$209,863,868 and \$167,098,761, respectively, of assets held by Principal.

NOTE F--TAX STATUS

The Plan is intended to satisfy the tax qualification requirements under Section 401(a) of the Internal Revenue Code; therefore, the trust funds of the Plan are intended to be exempt from federal income taxes. The amended Plan has not requested a favorable determination letter from the IRS since the prototype on which the Plan is based has been determined to be qualified under Section 401(a) of the Internal Revenue Code.

NOTE G--RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

For the years ended December 31, 2024 and 2023, there were no significant differences between the financial statements and Internal Revenue Service Form 5500.

NOTE H--FORFEITED NON-VESTED ACCOUNTS

As of December 31, 2024 and 2023, investments included \$282,833 and \$141,594, respectively, in unused forfeitures, which were available to pay for administrative expenses or reduce future Employer contributions. During the year ended December 31, 2024, the forfeiture account was utilized to pay administrative expenses totaling \$119,670 and to reduce Employer contributions by \$47,531.

NOTE I--PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts.
