Those Charged with Governance  
PDI 401(k) Profit Sharing Retirement Plan  
Lawrenceville, GA

We are engaged to perform an ERISA Section 103(a)(3)(C) audit of the financial statements of the PDI 401(k) Profit Sharing Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as of and for the year ended December 31, 2024 (referred to as the financial statements). Our professional standards require that we provide you an overview of the planned scope and timing of our audit, along with information regarding our responsibilities under generally accepted auditing standards in the United States of America (GAAS). This letter provides an overview of our audit plan.

We would also appreciate the opportunity to meet with you to discuss this information further since a two-way dialogue can provide valuable information for the audit process.

#### **Responsibilities of the Auditor**

Our responsibility, as described by professional standards, is to conduct our audit in accordance with GAAS, except that, as permitted by Regulation 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA) and as instructed by plan management, we will not perform any auditing procedures with respect to asset information prepared and certified by a qualified institution, as defined, in accordance with DOL Regulation 2520.103-5, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America (U.S. GAAP). Our audit of the financial statements does not relieve you or management of your responsibilities.

We will provide administrative assistance in preparing the financial statements.

Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Planned Scope and Timing of the Audit, Significant Risks, and Other Matters**

Our professional standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements and disclosures.

Our audit will include obtaining an understanding of the Plan and its environment, including the system of internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. This understanding will include obtaining an understanding of the entity level controls and activity level processes and controls. We consider the Plan's system of internal control in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. However, as discussed above, we will not consider internal control relating to the information prepared and certified to by the qualified institution.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements may not be detected exists, even though the audit is properly planned and performed in accordance with GAAS.

Our testing procedures will include, but are not limited to, confirmations with financial institutions and other third parties; testing of reconciliations and analyses and documentary evidence supporting transactions and account balances; and analytical procedures.

We expect to consider the following as significant risk(s) of material misstatement as part of our audit planning:

As required by auditing standards, we will perform our audit with the presumption of a significant risk related to management override of internal controls.

We appreciate the opportunity to serve you and welcome the opportunity to discuss our audit plan and areas of audit emphasis with you.

This information is intended solely for the use of those charged with governance, and management of the PDI 401(k) Profit Sharing Retirement Plan and is not intended, and should not be, used by anyone other than these specified parties.

Sincerely,

*Frazier & Deeter, L.L.C.*
