## REPORT OF INDEPENDENT PUBLIC ACCOUNTANTS

To the Participants and Plan Administrator of  
the Board of Trustees of John Hopkins Medical Associates 401(k) Plan

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of the John Hopkins Medical Associates 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal controls relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal controls. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal controls-related matters that we identified during the audit.

### ***Other Matters***

#### ***Supplemental Schedule Required by ERISA***

The supplemental schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included

in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

# JOHNS HOPKINS MEDICAL ASSOCIATES 401(k) PLAN

## Notes to the Financial Statements December 31, 2024 and 2023

### 1. DESCRIPTION OF THE PLAN

The following brief description of the Johns Hopkins Medical Associates 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### General

The Plan was created on January 1, 2020 and is a defined contribution 401(k) Plan which provides retirement, death and disability benefits for employees of Johns Hopkins Medical Management Corporation, Suburban Outpatient Surgical Center, LLC, and Johns Hopkins Surgery Centers Series.

The Plan was most recently amended and restated effective January 1, 2022.

#### Recent Legislation

The Setting Every Community Up for Retirement Enhancement (SECURE) Act 2.0 was signed into the 2023 Consolidations Appropriations Act under the Securing a Strong Retirement Act on December 29, 2022, with retirement provisions designed to increase retirement savings, facilitate access to retirement savings, encourage employees to save for retirement, and lower employers' cost of offering and funding retirement plans. The Plan's management and those charged with governance have a policy to incorporate these legislative changes in its Plan document by the prescribed deadlines.

#### Contributions

Eligible employees may elect to contribute through regular payroll deductions from 1% to 100% of their annual compensation in pre-tax and Roth contributions subject to Internal Revenue Code (IRC) limitations.

Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also rollover distributions from other qualified defined contribution plans.

Participants are automatically enrolled in the Plan contribution 4% of the salary with an annual 1% contribution increased until the Plan's maximum automatic deferral percentage of 10% is reached.

The Corporation makes safe harbor nonelective contributions equal to 3% of employee salary.

## Notes to the Financial Statements December 31, 2024 and 2023

### 1. DESCRIPTION OF THE PLAN (continued)

#### Contributions (continued)

Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also rollover distributions from other qualified Plans, as defined by the Plan document.

Upon enrollment, a participant may direct contributions into any of the Plan's investment options. Participants may change their investment options for future contributions as well as transfer existing account balances within the Plan's investment options at any time.

#### Participant Accounts

Each participant's account is credited with the participant's contribution, allocations of the Corporation's contribution and Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, or specific transactions as defined. The participant is entitled to a benefit that cannot exceed their vested account.

#### Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon.

Vesting in safe harbor nonelective contributions are vested based on the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	-
2 or more	100%

For participants employed by Suburban Outpatient Surgical Center, LLC and Johns Hopkins Surgery Centers Series prior to January 1, 2020, matching contributions and prior nonelective contributions are vested based on the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1	-
1	25%
2	50%
3	75%
4 or more	100%

### 1. DESCRIPTION OF THE PLAN (continued)

#### Payment of Benefits

Participants or their beneficiaries are eligible for distributions in the form of partial distributions, installment payments or lump sum benefits upon termination, retirement, or death. Participants who are still actively employed are eligible for distribution after reaching age 59½. In the event of hardship, as defined in the Plan document, participants may withdraw some or all of their vested account balance.

#### Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Notes are secured by the balance in the participants accounts. Note repayments are made by check or payroll deduction. Notes bear interest at prime rate plus 1%.

#### Forfeited Accounts

Forfeitures represent the non-vested portion of a terminated participant's matching contributions. As of December 31, 2024 and 2023, forfeited non-vested accounts totaled \$2,647 and \$12,862, respectively.

These amounts are used to reduce future employer contributions to the Plan and to offset Plan administrative expenses. During the year ended December 31, 2024, \$11,498 of forfeitures were used to reduce 2024 employer contributions and \$9,303 of forfeitures were used to offset 2024 Plan administrative expenses.

#### Plan Termination

Although it has not expressed any intent to do so, the Corporation has the right to discontinue its contributions and to terminate the Plan subject to the provisions of ERISA. If the Plan is terminated, all participants would become 100% vested in their accounts.

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

# JOHNS HOPKINS MEDICAL ASSOCIATES 401(k) PLAN

## Notes to the Financial Statements December 31, 2024 and 2023

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### Investment Valuation and Income Recognition

Investments are stated at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Corporation determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians, and insurance company. See Note 4 for discussion of fair value measurements. See Note 5 for discussion on the fully benefit-responsive investment contract.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document; thus, no allowance for doubtful accounts has been recorded as of December 31, 2024 and 2023.

#### Contributions

Employee and employer contributions are recorded in the period that the Corporation makes payroll deductions from the participant's earnings.

#### Payment of Benefits

Benefit payments to participants are recorded when paid.

# JOHNS HOPKINS MEDICAL ASSOCIATES 401(k) PLAN

## Notes to the Financial Statements December 31, 2024 and 2023

### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Corporation. Expenses that are paid by the Corporation are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's account balance and are included in administrative expenses. Investment related expenses are included in the net appreciation/(depreciation) of fair value of investments.

The Plan has an administrative budget account. Periodically, certain revenue sharing payments (e.g., 12b-1 fees, etc.) received from certain of the Plan's investment options are deposited into a dedicated administrative budget account in the Plan. Revenue sharing payments are included in the net appreciation/(depreciation) in fair value of the investments in the accompanying statement of changes in net assets available for benefits. Amounts deposited in the administrative budget account are used to pay on-going administrative expenses of the Plan in accordance with ERISA and guidance issued by the U.S. Department of Labor. During the year ended December 31, 2024, \$833 was deposited into the dedicated account and \$1,115 was used to pay for administrative expenses. As of December 31, 2024 and 2023, the dedicated account has \$211 and \$493, respectively.

#### Subsequent Events

The Plan's management evaluated subsequent events and transactions through October 7, 2025, the date these financial statements were available for issue, and have determined that no material subsequent events have occurred that would affect the information presented or require additional disclosure.

### 3. CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held as of December 31, 2024 and 2023, and net appreciation/(depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained by the Plan Administrator and agreed to or derived from information certified as complete and accurate by State Street Bank and Trust Company, the trustee of the Plan.

## JOHNS HOPKINS MEDICAL ASSOCIATES 401(k) PLAN

### Notes to the Financial Statements December 31, 2024 and 2023

#### 4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used as of December 31, 2024 and 2023.

*Mutual funds, collective trusts and money market funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are reported at Level 1.

## Notes to the Financial Statements December 31, 2024 and 2023

### 4. FAIR VALUE MEASUREMENTS (continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024 and 2023:

	December 31, 2024			
	Level 1	Level 2	Level 3	Total
Money market funds	\$ 13,290	\$ -	\$ -	\$ 13,290
Mutual funds	3,149,887	-	-	3,149,887
Collective trusts	7,258,320	-	-	7,258,320
Investments at fair value	<u>\$ 10,421,497</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 10,421,497</u>

  

	December 31, 2023			
	Level 1	Level 2	Level 3	Total
Money market funds	\$ 14,220	\$ -	\$ -	\$ 14,220
Mutual funds	2,366,652	-	-	2,366,652
Collective trusts	5,616,676	-	-	5,616,676
Investments at fair value	<u>\$ 7,997,548</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 7,997,548</u>

### 5. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan holds a traditional investment contract. This contract meets the fully benefit-responsive investment contract criteria, and therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment, as reported to the Plan. The contract value of the insurance company annuity contracts as of December 31, 2024 and 2023, was \$580,955 and \$565,423, respectively.

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1.27 percent. The crediting rate is reviewed on a periodic basis for resetting. The contract cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

## **JOHNS HOPKINS MEDICAL ASSOCIATES 401(k) PLAN**

### **Notes to the Financial Statements December 31, 2024 and 2023**

#### **5. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT (continued)**

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Such events include the following:

1. Amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan);
2. Changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions;
3. Bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan;
4. The failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA; and/or
5. Premature termination of the contract.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines;
2. A breach of material obligation under the contract;
3. A material misrepresentation; and/or
4. A material amendment to the agreements without the consent of the issuer.

#### **6. RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS**

Transamerica Retirement Solutions, LLC, the record-keeper of the Plan, and therefore, these transactions qualify as party-in-interest transactions.

#### **7. PLAN TERMINATION**

Although it has not expressed any intent to do so, the Corporation has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

## **JOHNS HOPKINS MEDICAL ASSOCIATES 401(k) PLAN**

### **Notes to the Financial Statements December 31, 2024 and 2023**

#### **8. TAX STATUS**

The Plan was designed using a prototype plan document which received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the Plan document was in compliance with the applicable requirements of the IRC. The Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2021.

#### **9. RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate risk, market risk and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such change could materially affect participants' account balances and the amount reported in the statement of net assets available for benefits.
