To the Plan Administrator of
City Plumbing & Electric Supply Co., Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of City Plumbing & Electric Supply Co., Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of City Plumbing & Electric Supply Co., Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Capital Bank and Trust Company as of December 31, 2024, and for the year ended December 31, 2024 and from Matrix Trust Company as of December 31, 2023 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of City Plumbing & Electric Supply Co., Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about City Plumbing & Electric Supply Co., Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of City Plumbing & Electric Supply Co., Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about City Plumbing & Electric Supply Co., Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

City Plumbing & Electric Supply Co., Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2024 and 2023

1. Description of Plan

The following description of City Plumbing & Electric Supply Co., Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement and Summary for a more complete description of the Plan's provisions.

General

The Plan was established on September 1, 1964 as a profit-sharing plan to benefit employees. The Plan was amended and restated effective January 1, 2022, to qualify under Section 401(k) of the Internal Revenue Code as a defined contribution plan. The Plan is sponsored by City Plumbing & Electric Supply Co., Inc. (the "Company"). The Plan has been amended from time to time to qualify under Section 401(k) of the Internal Revenue Code as a defined contribution plan. The Plan is subject to the provisions of ERISA.

For the year ended December 31, 2023, Cuna Mutual Retirement Solutions, Inc. was the Plan's recordkeeper and Matrix Trust Company served as the trustee and custodian.

As of January 1, 2024, the assets of the Plan were transferred to Capital Group Retirement Plan Services as the new recordkeeper and Capital Bank and Trust Company as the new trustee and custodian.

Contributions

Contributions to the Plan come from employee salary reduction contributions, safe harbor nonelective contributions, employer matching contributions, and employer profit sharing contributions. If an employee elects to participate in the Plan, contributions may be made through salary deferrals up to the maximum amount allowed by law in any Plan year, subject to certain limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also roll over amounts from other qualified retirement plans into their accounts. Rollovers totaled \$78,847 (2024) and \$-0- (2023).

If an employee is eligible to participate in the Plan, safe harbor nonelective contributions will be made in an amount equal to 3% of compensation for the Plan year, regardless of the employee's participation in elective salary deferrals. The Company's safe harbor nonelective contributions totaled \$276,426 (2024) and \$258,959 (2023).

Except in Plan years when the Board of Directors designates a lesser percentage, the Company makes matching contributions not to exceed 4% of earnings contributed to the plan by the participants. No such contributions were made for 2024 or 2023.

In addition, the Company may elect, at the discretion of the Board of Directors, to make an employer profit sharing contribution of a percentage of each participant's earnings. The Company's profit-sharing contribution totaled \$-0- in 2024 and \$300,000 in 2023.

City Plumbing & Electric Supply Co., Inc. 401(k) Plan

Notes to Financial Statements December 31, 2024 and 2023

Forfeitures

Participants who terminate employment before becoming fully vested will forfeit the nonvested portion of their matching and profit-sharing account balances unless resuming employment before incurring a five-year break in service. Forfeitures will be and have been used to reduce matching and profit-sharing contributions or pay plan expenses. Current forfeitures totaled \$5,472 (2024) and \$1,287 (2023). The balance in the forfeiture account totaled \$8,070 (2024) and \$1,450 (2023).

No forfeitures were used during 2024. Forfeitures of \$6,585 were used to reduce profit-sharing contributions during 2023.

Participation

An employee is eligible to participate in the Plan after performing at least 1,000 hours of service within one twelve-month period of service and attaining the age of 18 or older.

Vesting

Participants are immediately vested in their own contributions and the investment earnings thereon. Employer matching contributions and profit-sharing contributions and earnings thereon are vested according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Fewer than 2	0%
2	20
3	40
4	60
5	80
6	100

For the years ended December 31, 2024 and 2023, the Company made the nonelective safe harbor contribution to Plan participants. This contribution was immediately 100% vested and nonforfeitable.

Participant Accounts

Each participant's account is credited with the participant's contributions, earnings, and the company's contribution and is charged with administrative expenses that are incurred by, or attributable to, the participant based on use of a particular plan service. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

City Plumbing & Electric Supply Co., Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2024 and 2023

Investments

All contributions are deposited in one of 28 (2024) or 27 (2023) separate investment funds administered and managed by the Manager. Each participant makes the selection as to what portion, in increments of 1%, his investment is allocated among the funds. The general investment policy for the funds is established by the Trustees.

Payment of Benefits

Participants in the Plan are eligible to receive payment of vested benefits when the participant attains the retirement age of 65 years, dies, becomes disabled, or terminates his or her service with the Company. Benefits are payable in a lump-sum payment or, under certain circumstances, in periodic installments as elected by the participant or beneficiary. Benefits are recorded when paid.

Expenses

Plan expenses totaled \$61,325 (2024) and \$60,758 (2023). The Plan sponsor, City Plumbing & Electric Supply Co., Inc., paid \$16,645 (2024) and \$15,855 (2023) of the total expenses.

Evaluation of Subsequent Events

Subsequent events have been evaluated through October 1, 2025, which is the date the financial statements were available to be issued.

2. Summary of Significant Accounting Policies

The accounting records of the Plan are maintained on the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Valuation of Investments and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

3. Tax Status

The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan and related Trust, as then designed, was in compliance with the

City Plumbing & Electric Supply Co., Inc. 401(k) Plan

Notes to Financial Statements

applicable requirements of the Internal Revenue Code. Although the Plan has been amended from time to time since receiving the determination letter, the plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Participants in the Plan are not subject to Federal income taxes on their contributions, on amounts contributed by the Company, or on earnings or appreciation on investments held in the Plan until withdrawn by the participant or distributed to the participant's named beneficiary in the event of death.

The Plan administrator believes that the Plan does not have any material uncertain tax positions at December 31, 2024; however, the Plan's tax returns for the years ended December 31, 2023, 2022 and 2021 are still subject to examination by relevant taxing authorities.

4. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate or amend the Plan subject to the Plan Agreement and the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

5. Plan Compliance with Non-discrimination Rules and Excess Deferrals

The Plan is in compliance with the nondiscrimination rules in Section 401(k) and 401(m) of the Internal Revenue Code for the Plan years ending December 31, 2024 and 2023.

For the years ended December 31, 2024 and 2023, the Company elected to make a safe harbor matching contribution which satisfies the nondiscrimination requirements of Section 401(k) and 401(m) of the Internal Revenue Code.

6. Risks and Uncertainties

The Plan's participants invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for plan benefits.

7. Financial Information Certified by Capital Bank and Trust Company and Matrix Trust Company

The Plan's Trustees have elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, the amounts for investment assets and transactions in those assets included in the accompanying financial statements as of December 31, 2024 and 2023, and for the years then ended, and supplemental schedules as of December 31, 2024 and for the year then ended, have been compiled from statements certified as complete and accurate by the custodian, Capital Bank and Trust Company (2024) and Matrix Trust Company (2023), in accordance with DOL regulations.

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the custodian.

	<u>2024</u>	<u>2023</u>
Investments, at fair value:		
Mutual funds	\$15,490,603	\$12,450,157
Money market	\$ 549,604	\$ 1,299,644
Interest and dividends	\$ 829,340	\$ 502,512
Net appreciation (depreciation) in fair value	\$ 1,113,858	\$(1,494,126)

8. Fair Value Measurements

FASB ASC 820 provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under *FASB ASC 820* are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 – Inputs to the valuation methodology include

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in in active markets;
- Inputs other than quoted prices that are observable for the asset or liability; and

Notes to Financial Statements

December 31, 2024 and 2023

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds and money market: Valued at the quoted net asset value of shares held by the Plan at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan’s fair value measurements at December 31, 2024 and 2023:

	Fair Value Measurements at December 31.			
	2024		2023	
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)	Total
Mutual funds	\$ 15,490,603	\$15,490,603	\$ 12,450,157	\$12,450,157
